

Questionology Part 1B

QUESTIONOLOGY EDITION ASSEMBLED 31 MAY 2023

EDITED 23 FEBRUARY 2024

PART 1 DIVIDED INTO 1A AND 1B, 21 OCTOBER 2025

What is the best virucidal medication according to computer science machine learning/drug discovery?

What would a saxhorn-xylophone hybrid new instrument sound like?

What would a saxhorn-banjulele hybrid new instrument sound like?

What would a saxhorn-harpsichord hybrid new instrument sound like?

What would a banjulele-organ hybrid new instrument sound like?

What would a banjulele-piano hybrid new instrument sound like?

What would a banjulele-harmonica hybrid new instrument sound like?

What would a banjulele-harpsichord hybrid new instrument sound like?

What would Wittgenstein likely think about allolalia ("a speech defect that results from a disorder of the speech center")?

What would Aristotle likely think about bibliomania?

What would Plato likely think about bibliomania?

What would Husserl likely think about bibliomania?

What would Heidegger likely think about bibliomania?

What would Kant likely think about bibliomania?

What is a phenomenological perspective on balmorality ("superficial idealization of Scottish culture")?

What do you think about balmorality ("superficial idealization of Scottish culture")?

What is ideopraxis according to Lacan ("a person whose practice is actuated by an idea, a person who embodies an idea in action")?

What is ideopraxis according to Derrida ("a person whose practice is actuated by an idea, a person who embodies an idea in action")?

What is ideopraxis according to Aristotle ("a person whose practice is actuated by an idea, a person who embodies an idea in action")?

What is ideopraxis according to Heidegger ("a person whose practice is actuated by an idea, a person who embodies an idea in action")?

What is ideopraxis according to Husserl ("a person whose practice is actuated by an idea, a person who embodies an idea in action")?

What would Aristotle likely think about zoography?

What would Plato likely think about zoography?

What would Kant likely think about zoography?

What would Heidegger likely think about zoography?

What's it like being a zoographer?

What is isness phenomenologically speaking?

What is isness according to Aristotle?

What is isness according to Heidegger?

What is isness according to Socrates?

What is isness according to Plato?

What is isness according to Michael Dummett?

What did Aristotle think about anthropolatry (the worship of humans)?

What did Hegel think about anthropolatry (the worship of humans)?

What did Plato think about anthropolatry (the worship of humans)?

What did Schopenhauer think about anthropolatry (the worship of humans)?

What's a phenomenological perspective on glottogony ("the study of the putative origin of language")?

What do you think about glottogony?

What did Merleau-Ponty think about glottogony ("the study of the putative origin of language")?

What did Leibniz think about glottogony ("the study of the putative origin of language")?

What did Plato think about glottogony ("the study of the putative origin of language")?

What did Aristotle think about glottogony ("the study of the putative origin of language")?

What did Kant think about glottogony ("the study of the putative origin of language")?

What did Wittgenstein think about glottogony ("the study of the putative origin of language")?

What did Hegel think about glottogony ("the study of the putative origin of language")?

What would Kant likely think about enantiopathy (the treatment of disease by opposites; allopathy)?

What did Heidegger think about enantiopathy (the treatment of disease by opposites; allopathy)?

What did Freud think about enantiopathy (the treatment of disease by opposites; allopathy)?

What would Thomas Hobbes likely think about gerontocracy?

What did Carl Jung think about enantiopathy (the treatment of disease by opposites; allopathy)?

What would Hegel likely think about gerontocracy?

What would Kant likely think about gerontocracy?

What did Husserl think about futurity (future existence)?

What would John Locke likely think about gerontocracy?

What did Kant think about futurity (future existence)?

What did Hegel think about futurity (future existence)?

What did Aristotle think about futurity (future existence)?

What did Plato think about futurity (future existence)?

What did Heidegger think about futurity (future existence)?

What would Aristotle likely think about synesthesia?

What would Plato likely think about synesthesia?

What would Socrates likely think about synesthesia?

What would Henri Bergson likely think about synesthesia?

What would Merleau-Ponty likely think about synesthesia?

What's the ultimate panpsychism-related joke ever?

What would Merleau-Ponty likely think about the phenomenology of ambulophobia (phobia of walking)?

What would Kant likely think about the phenomenology of ambulophobia (phobia of walking)?

What would Husserl likely think about the phenomenology of ambulophobia (phobia of walking)?

What do you think about ambulophobia (phobia of walking)?

What's the most severe case of ambulophobia (phobia of walking) in history?

What is a hybrid form of music between Mbaqanga and smooth jazz?

What would a new lyricon-xylophone hybrid instrument sound like?

What would a new lyricon-saxophone hybrid instrument sound like?

What would a new lyricon-ukulele hybrid instrument sound like?

What would a new lyricon-electric guitar hybrid instrument sound like?

What would Hegel likely think about trialism?

What would Kant likely think about trialism?

What would Plato likely think about trialism?

What is a philosophical perspective on trialism?

What would Wittgenstein likely think about speech language pathology?

What would Anselm likely think about monergism?

What is Alvin Plantinga's perspective on monergism?

What is a theist's perspective on monergism?

What would Aquinas likely think about monergism?

What would a new harmonica-saxophone hybrid instrument sound like?

What would a new Zufolo-harmonica hybrid instrument sound like?

What would a new zupolo-electric guitar hybrid instrument sound like?

What would Socrates likely think about the concept of a koan?

What would Hegel likely think about the concept of a koan?

What would Kant likely think about the concept of a koan?

What would Aristotle likely think about the concept of a koan?

What would Diogenes likely think about the phenomenology of magical thinking?

What would Socrates likely think about the phenomenology of magical thinking?

What would Aristotle likely think about the phenomenology of magical thinking?

What would Aristotle likely think about the phenomenology of tangential thinking?

What would Plato likely think about the phenomenology of tangential thinking?

What would Socrates likely think about the phenomenology of tangential thinking?

What would Kant likely think about the phenomenology of tangential thinking?

What is the phenomenology of tangential thinking?

What would Socrates likely think about bardolatry?

What would Plato likely think about bardolatry?

What would Husserl likely think about bardolatry?

What would Heidegger likely think about bardolatry?

What would Hegel likely think about bardolatry?

What would Kant likely think about bardolatry?

What would Plato likely think about pharmacomania?

What would Aristotle likely think about pharmacomania?

What's a phenomenological perspective on pharmacomania?

What would Hegel likely think about pharmacomania?

What would Kant likely think about pharmacomania?

What would Husserl likely think about pharmacomania?

What would Socrates likely think about cosmography?

What would Lacan likely think about the multiverse?

What would Derrida likely think about the multiverse?

What would Kant likely think about the multiverse?

What would Aristotle likely think about the multiverse?

What would Aristotle likely think about cosmography?

What would Hegel likely think about cosmography?

What would Kant likely think about cosmography?

What's a phenomenological perspective regarding cosmography?

What would Plato likely think about cosmography?

What would Schopenhauer likely think about paradoxology?

What would Socrates likely think about paradoxology?

What would Aristotle likely think about paradoxology?

What would Kant likely think about paradoxology?

What's a Platonic perspective on paradoxology?

What's a Hegelian perspective on paradoxology?

What would Frege likely think about paradoxology?

What's a Heidegger perspective on paradoxology?

What's a Kantian perspective on paradoxology?

What would Aristotle likely think about conceptualism?

What would Frege likely think about conceptualism?

What's a Heidegger's perspective on conceptualism?

What's a Kantian perspective on conceptualism?

What's a Platonic perspective on conceptualism?

What would Merleau-Ponty likely think about hypnosophy?

What would Hegel likely think about hypnosophy?

What would Heidegger likely think about hypnosophy?

What would Plato likely think about hypnosophy?

What would Aristotle likely think about hypnosophy?

What is Husserl's perspective on hypnosophy?

What is a philosophical perspective on hypnosophy?

What would Hegel likely think about typology?

What would Kant likely think about hypnosophy?

What would Aristotle likely think about typology?

What would Plato likely think about typology?

What would Kant likely think about typology?

What would Heidegger likely think about typology?

What is an ontological perspective on typology?

What did Anselm think about iconography?

What did Aquinas think about iconography?

What did Kant think about iconography?

What did Aristotle think about iconography?

What did Plato think about iconography?

What did Heidegger think about iconography?

What would Husserl likely think about hugging therapy?

What would Aristotle likely think about hugging therapy?

What would Socrates likely think about hugging therapy?

What would Plato likely think about hugging therapy?

What would Plato likely think about 'the love of beauty'?

What would Aristotle likely think about 'the love of beauty'?

What would Husserl likely think about 'the love of beauty'?

What would Heidegger likely think about 'the love of beauty'?

What would Kant likely think about 'the love of beauty'?

What would Heidegger likely think about ornithobiography?

What would Aristotle likely think about ornithobiography?

What would Kant likely think about ornithobiography?

What would Hegel likely think about ornithobiography?

What is a phenomenological perspective on ornithobiography?

What is a philosophical perspective on ornithobiography?

What would Aquinas likely think about martyrolatry?

What would Aristotle likely think about martyrolatry?

What would Hegel likely think about martyrolatry?

What would Diogenes likely think about martyrolatry?

What would John Locke likely think about martyrolatry?

Is there an ecosophical perspective regarding neossology (the study of young birds)?

What would Plato likely think about monadism?

What would Aristotle likely think about monadism?

What would Heidegger likely think about monadism?

What would Hegel likely think about monadism?

What would Kant likely think about monadism?

What would Socrates likely think about ecophobia?

What would Heidegger likely think about ecophobia?

What would Hegel likely think about ecophobia?

What would Kant likely think about ecophobia?

What would Aristotle likely think about ecophobia?

What is the phenomenology of ecophobia according to Husserl?

What is the most severe case of ecophobia in history?

What would Hegel likely think about cosmology?

What would Kant likely think about cosmology?

What would Heidegger likely think about cosmology?

What would Aristotle likely think about cosmology?

What would Plato likely think about cosmology?

What would Socrates likely think about cosmology?

What is a phenomenological perspective on cosmology?

What do you think about cosmology?

What would Plato likely think about hamarchy ("ruling together (distinct parts have individual action, but all parts work together)")?

What would John Locke likely think about hamarchy ("ruling together (distinct parts have individual action, but all parts work together)")?

What would Thomas Hobbes likely think about hamarchy ("ruling together (distinct parts have individual action, but all parts work together)")?

Would you eat peppermint oil flavoured sausages?

What would Aristotle likely think about the sociology of sociology?

What would Plato likely think about the sociology of sociology?

What would Heidegger likely think about the sociology of sociology?

What would Kant likely think about the sociology of sociology?

What would Aristotle likely think about the sociology of deviance?

What would Plato likely think about the sociology of deviance?

What would Hegel likely think about the sociology of deviance?

What would Kant likely think about the sociology of deviance?

What is the phenomenology associated with the sociology of art?

What would Plato likely think about PTSD?

What would Aristotle likely think about PTSD?

What would Husserl likely think about PTSD?

What would Kant likely think about PTSD?

What would Heidegger likely think about PTSD?

What would Heidegger likely think about Irving D. Yalom?

What would Plato likely think about Irving D. Yalom?

What would Kant likely think about Irving D. Yalom?

What would Aristotle likely think about R.D. Laing?

What would Plato likely think about R.D. Laing?

What did Plato think about pacifism?

What would Kant likely think about pacifism?

What would Socrates likely think about R.D. Laing?

What would Hegel likely think about R.D. Laing?

What would Kant likely think about R.D. Laing?

If Diogenes met Hegel, what would it likely be like?

If Diogenes met Kant, what would it likely be like?

If Diogenes met Nietzsche, what would it likely be like?

What would Heidegger likely think about pseudohallucinations?

What would Plato likely think about pseudohallucinations?

What would Aristotle likely think about pseudohallucinations?

What would Husserl likely think about pseudohallucinations?

What is the phenomenology of pseudohallucinations?

What would Plato likely think about Karen Horney's philosophy?

What would Aristotle likely think about Karen Horney's philosophy?

What would Aristotle likely think about Eugen Bleuler?

What would Plato likely think about Eugen Bleuler?

What would Kant likely think about Eugen Bleuler?

What would Hegel likely think about Eugen Bleuler?

If Hegel met Nietzsche, what would it probably be like?

If Marx met Nietzsche, what would it probably be like?

If Quine met Nietzsche, what would it probably be like?

If Parmenides met Nietzsche, what would it probably be like?

If Heidegger met Nietzsche, what would it probably be like?

If Pythagoras met Nietzsche, what would it probably be like?

If Heidegger met Kant, what would it probably be like?

If Nietzsche met Freud, what would it probably be like?

If Socrates met Freud, what would it probably be like?

If Plato met Freud, what would it probably be like?

If the Buddha met Freud, what would it probably be like?

What are the ontological commitments of psychoanalytic theory?

If Husserl met Freud, what would it probably be like?

If Aristotle met Freud, what would it probably be like?

If Heidegger met Freud, what would it probably be like?

What would Aristotle likely think about Genesisology?

What would Hegel likely think about Genesisology?

What do you think about Genesisology?

What did Heidegger think about gamidolatry (worship of marriage)?

What did Kant think about Genesisology?

What would Husserl likely think about neurypnology?

What would Kant likely think about neurypnology?

What would Heidegger likely think about neurypnology?

What would Aristotle likely think about neurypnology?

What would Plato likely think about neurypnology?

What did Carl Jung think about neurypnology?

What would Kant likely think about pseudologia?

What would Heidegger likely think about pseudologia?

What would Wittgenstein likely think about pseudologia?

What is a phenomenological perspective regarding sigillography ("the scholarly discipline that studies the wax, lead, clay, and other seals used to authenticate archival documents")?

What would Anselm likely think about sacramentarianism?

What would Aquinas likely think about sacramentarianism?

What would Plato likely think about sacramentarianism?

What would Heidegger likely think about sacramentarianism?

What would Kant likely think about sacramentarianism?

What would Heidegger likely think about urbiculture?

What would Kant likely think about urbiculture?

What would Plato likely think about urbiculture?

What would Rousseau likely think about urbiculture?

What would Wittgenstein likely think about dialectology?

What would Frege likely think about dialectology?

What would Wittgenstein likely think about anacoenosis ("a figure of speech in which an appeal is made to one's listeners or opponents for their opinion or judgment as to the subject under discussion")?

What would Heidegger likely think about anacoenosis ("a figure of speech in which an appeal is made to one's listeners or opponents for their opinion or judgment as to the subject under discussion")?

What did Plato think about anacoenosis ("a figure of speech in which an appeal is made to one's listeners or opponents for their opinion or judgment as to the subject under discussion")?

What would Thomas Hobbes likely think about anemocracy ("a government likened to the wind, especially in being changeable")?

What would Kant likely think about anemocracy ("a government likened to the wind, especially in being changeable")?

What would Heidegger likely think about anemocracy ("a government likened to the wind, especially in being changeable")?

What would Plato likely think about adeivism?

What would Aristotle likely think about adeivism?

What would Kant likely think about adeivism?

What would Hegel likely think about adeivism?

What are some phenomenological perspectives on adeivism?

What do atheists think about adeivism?

What do theists think about adeivism?

What would Aristotle likely think about pantophobia?

What is a phenomenological perspective regarding pantophobia?

What do you think about pantophobia?

What's the most severe case of pantophobia in history?

What would a panharmonicon-electric guitar hybrid sound like?

What would Heidegger likely think about synaesthesia?

What would Aristotle likely think about synaesthesia?

What would Plato likely think about synaesthesia?

What would Hegel likely think about synaesthesia?

What would Kant likely think about synaesthesia?

What is an aesthetic perspective regarding synaesthesia?

What would Plato likely think about theophany?

What would Hegel likely think about theophany?

What would Kant likely think about theophany?

What do you think about theophany?

What are some phenomenological perspectives regarding theophany?

What would Heidegger likely think about theophany?

What would Heidegger likely think about eudaemonism?

What would Kant likely think about eudaemonism?

What would Plato likely think about eudaemonism?

What did Aristotle think about eudaemonism?

What would an oboophone-ukulele hybrid sound like?

What would an oboophone-xylophone hybrid sound like?

What would an oboophone-electric guitar hybrid sound like?

What would Heidegger likely think about necyomancy?

What would Plato likely think about necyomancy?

What would Kant likely think about necyomancy?

What would Socrates likely think about necyomancy?

What would Socrates likely think about prophetocracy?

What would Plato likely think about prophetocracy?

What would Kant likely think about prophetocracy?

What would Hegel likely think about prophetocracy?

What would Nietzsche likely think about prophetocracy?

What would Socrates likely think about bourgeoisification?

What would Plato likely think about bourgeoisification?

What would Hegel likely think about bourgeoisification?

What would Kant likely think about bourgeoisification?

What would Heidegger likely think about bourgeoisification?

What's a Marxist perspective on bourgeoisification?

What would Plato likely think about metempirical entities?

What would Heidegger likely think about metempirical entities?

What would Kant likely think about metempirical entities?

What is the ontology of a meta-empirical entity?

What would Thomas Hobbes likely think about syndicalism?

What would Plato likely think about syndicalism?

What would Aristotle likely think about syndicalism?

What would John Stuart Mill likely think about syndicalism?

What would Heidegger likely think about bromatology (the study of food)?

What would Kant likely think about bromatology?

What would Hegel likely think about bromatology (the study of food)?

What's an aesthetic perspective on bromatology (the study of food)?

What would Hegel likely think about theophobia?

What would Aristotle likely think about theophobia?

What would Kant likely think about theophobia?

What would Heidegger likely think about theophobia?

What is the phenomenology of theophobia?

What do atheists think about theophobia?

What would Plato likely think about spatialism?

What would Kant likely think about spatialism?

What would Heidegger likely think about spatialism?

What's an Aristotle perspective on gnosiology ("the philosophy of knowledge and cognition")?

What's a Platonic perspective on gnosiology ("the philosophy of knowledge and cognition")?

What's a Heidegger perspective on gnosiology ("the philosophy of knowledge and cognition")?

What's a Hegelian perspective on gnosiology ("the philosophy of knowledge and cognition")?

What's a Kantian perspective on gnosiology ("the philosophy of knowledge and cognition")?

What would an arpeggione-xylophone hybrid sound like?

What would an arpeggione-ukulele hybrid sound like?

What would an arpeggione-saxophone hybrid sound like?

What would an arpeggione electric guitar hybrid sound like?

What would Plato likely think about anabiosis ("a temporary state of suspended animation or greatly reduced metabolism")?

What would Hegel likely think about anabiosis ("a temporary state of suspended animation or greatly reduced metabolism")?

What would Kant likely think about anabiosis ("a temporary state of suspended animation or greatly reduced metabolism")?

What would Hegel likely think about heresiology (the study of heresy)?

What would Kant likely think about heresiology (the study of heresy)?

What would Aquinas likely think about heresiology (the study of heresy)?

What would Anselm likely think about heresiology (the study of heresy)?

What's a gnostic perspective on heresiology (the study of heresy)?

Who would more likely win a chess game, Aristotle or Hegel?

Who would more likely win a chess game, Aristotle or Kant?

Who would more likely win a chess game, Socrates or Hegel?

Who would more likely win a chess game, Socrates or Kant?

Who would more likely win a chess game, Socrates or Aristotle?

Who would more likely win a chess game, Plato or Spinoza?

Who would more likely win a chess game, Kant or Hegel?

Who would more likely win a chess game, Plato or Kant?

Who would more likely win a chess game, Plato or Aristotle?

Who would more likely win a chess game, Plato or Parmenides?

Who would more likely win a chess game, Plato or Pythagoras?

What would a vibraphone-electric guitar sound like?

What would a vibraphone-ukulele hybrid sound like?

What would a vibraphone-maracas hybrid sound like?

What would a maracas-saxophone hybrid sound like?

What would a maracas-ukulele hybrid sound like?

What would a saxophone-ukulele hybrid sound like?

What would a cabasa-electric guitar hybrid sound like?

What would Aristotle likely think about parapsychia?

What would Heidegger likely think about parapsychia?

What would Kant likely think about parapsychia?

What would Heidegger likely have thought about pareidolia?

What would Husserl likely think about pareidolia?

What would Kant likely think about pareidolia?

What would Husserl likely think about oneirophrenia?

What would Heidegger likely think about oneirophrenia?

What would Hegel likely think about oneirophrenia?

What would Kant likely think about oneirophrenia?

What would Heidegger likely think about the psychiatric concept of ideas of reference?

What would Husserl likely think about the psychiatric concept of ideas of reference?

What would Hegel likely think about the psychiatric concept of ideas of reference?

What would Kant likely think about the psychiatric concept of ideas of reference?

What would Hegel likely think about the psychiatric concept of flight of ideas?

What would Kant likely think about the psychiatric concept of flight of ideas?

What would Husserl likely think about the psychiatric concept of flight of ideas?

What would Heidegger likely think about the psychiatric concept of flight of ideas?

What would Socrates likely think about the psychiatric concept of flight of ideas?

What would Karl Popper likely think about the psychiatric concept of flight of ideas?

What would Hegel likely think about dereistic thinking?

What would Heidegger likely think about dereistic thinking?

What would Husserl likely think about dereistic thinking?

What would Kant likely think about dereistic thinking?

What would Hegel likely think about catatonia?

What would Heidegger likely think about catatonia?

What would Husserl likely think about catatonia?

What would Kant likely think about catatonia?

What would Heidegger likely think about automatic writing?

What would Kant likely think about automatic writing?

What would Socrates likely have thought about automatic writing?

What would Hegel likely think about the phenomenology of autistic thinking?

What would Heidegger likely think about the phenomenology of autistic thinking?

What would Plato likely think about the phenomenology of autistic thinking?

What would Kant likely think about the phenomenology of autistic thinking?

What would Husserl likely think about the phenomenon of anosognosia?

What would Heidegger likely think about the phenomenon of anosognosia?

What would Plato likely think about the phenomenon of anosognosia?

What would Socrates likely think about the phenomenon of anosognosia?

What would Hegel likely think about the phenomenon of anosognosia?

What would Kant likely think about the phenomenon of anosognosia?

What is the phenomenology of alogia?

What is the phenomenology of alexithymia?

What would Heidegger likely think about alexithymia?

What would Kant likely think about alexithymia?

What would Husserl likely think about alexithymia?

What would Wittgenstein likely think about “disorder of thought expression in speech and results due to dissolution of logical ordering of trains of thought”?

What did Plato think about identity crises?

What did Aristotle think about identity crises?

What did Schopenhauer think about identity crises?

What did the Buddha think about identity crises?

What would Heidegger likely think about narratology?

What would Aristotle likely think about narratology?

What would Plato likely think about narratology?

What is a theist's perspective on “gymnobilism”?

What would Plato likely think about lexicography?

What would Kant likely think about lexicography?

What would Heidegger likely think about lexicography?

What would Aristotle likely think about lexicography?

What did Wittgenstein think about lexicography?

What would Hegel likely think about bibliology?

What would Aristotle likely think about bibliology?

What did Plato think about bibliology?

What did Husserl think about bibliology?

What did Heidegger think about bibliology?

What did Kant think about bibliology?

What would Plato likely think about singularism?

What would Spinoza likely think about singularism?

What would Hegel likely think about singularism?

What would Heidegger likely think about singularism?

What would Kant likely think about singularism?

What is a philosophical perspective on singularism?

What would Heidegger likely think about anhedonia?

How does anhedonia relate to qualia?

What would Hegel likely think about anhedonia?

What would Kant likely think about anhedonia?

What would Plato likely think about anhedonia?

What did Robert Nozick think about anhedonia?

How does anhedonia relate to utilitarianism?

How does anhedonia relate to phenomenology according to Husserl?

How does anhedonia relate to phenomenology?

What would Anselm likely think about pseudolatry (devotion to false gods)?

What would Aquinas likely think about pseudolatry (devotion to false gods)?

What is a theist's perspective on pseudolatry (devotion to false gods)?

What would a didgeridoo-xylophone hybrid sound like?

What would a didgeridoo-electric guitar hybrid sound like?

What would Plato likely think about topophilia?

What would Heidegger likely think about topophilia?

What would Kant likely think about topophilia?

What are some phenomenological perspectives regarding topophilia

What would Aristotle likely think about euthymia?

What would Plato likely think about euthymia?

What would Hegel likely think about euthymia?

What would Kant likely think about euthymia?

What would Husserl likely think about euthymia?

What is a phenomenological perspective regarding euthymia?

What would Wittgenstein likely think about cacology (bad choice of words or poor pronunciation)?

What would Aristotle likely think about the doctrine that the highest good is contented thought rather than the pursuit of pleasure?

What would Plato likely think about the doctrine that the highest good is contented thought rather than the pursuit of pleasure?

What would Heidegger likely think about the doctrine that the highest good is contented thought rather than the pursuit of pleasure?

What would Jeremy Bentham likely think about the doctrine that the highest good is contented thought rather than the pursuit of pleasure?

What would J.S. Mill likely think about the doctrine that the highest good is contented thought rather than the pursuit of pleasure?

What would Thomas Hobbes likely think about the doctrine that the highest good is contented thought rather than the pursuit of pleasure?

What would Kant likely think about the doctrine that the highest good is contented thought rather than the pursuit of pleasure?

What would Anselm likely think about theanthroposophy ("the ascription of human attributes to a deity")?

What would Plato likely think about theanthroposophy ("the ascription of human attributes to a deity")?

What would Hegel likely think about theanthroposophy ("the ascription of human attributes to a deity")?

What would Aquinas likely think about theanthroposophy ("the ascription of human attributes to a deity")?

What would Heidegger likely think about theanthroposophy ("the ascription of human attributes to a deity")?

What would Kant likely think about cryptocurrency?

What would Hegel likely think about cryptocurrency?

What would Socrates likely think about cryptocurrency?

What would Husserl likely think about the phenomenology associated with rhyparography ("a painting or literary depiction of mean, unworthy, or sordid subjects")?

What would Plato likely think about rhyparography ("a painting or literary depiction of mean, unworthy, or sordid subjects")?

What would Heidegger likely think about rhyparography ("a painting or literary depiction of mean, unworthy, or sordid subjects")?

What would Kant likely think about rhyparography ("a painting or literary depiction of mean, unworthy, or sordid subjects")?

What would Heidegger likely think about mobilism (the notion that nothing is fixed)?

What would Kant likely think about mobilism (the notion that nothing is fixed)?

What would Plato likely think about ornithoscopy (bird watching)?

What would Heidegger likely think about ornithoscopy (bird watching)?

What would Kant likely think about ornithoscopy (bird watching)?

What would Hegel likely think about ornithoscopy (bird watching)?

What would Hegel likely think about the theological concept of homoousia?

What would Aquinas likely think about the theological concept of homoousia?

What would Anselm likely think about the theological concept of homoousia?

What would Kant likely think about the theological concept of homoousia?

What would Plato likely think about the theological concept of homoousia?

What would Heidegger likely think about the theological concept of homoousia?

What would Plato likely think about Camus' absurdism?

What would Hegel likely think about Camus' absurdism?

What did Heidegger think about Camus' absurdism?

What would Kant likely have thought about Camus' absurdism?

What would Heidegger likely think about pyromancy?

What would Hegel likely think about pyromancy?

What would Kant likely think about pyromancy?

What would Spinoza likely think about the Ouroboros?

What would Hegel likely think about the Ouroboros?

What would Kant likely think about the Ouroboros?

What did Heidegger think about philotherianism (a fondness for animals)?

What did Kant think about philotherianism (a fondness for animals)?

What did Plato think about philotherianism (a fondness for animals)?

What do you think about philotherianism (a fondness for animals)?

What would Plato likely think about hylotheism ("a doctrine equating God with matter")?

What would Aquinas think about hylotheism ("a doctrine equating God with matter")?

What would Heidegger likely think about hylotheism?

What would Anselm likely think about hylotheism ("a doctrine equating God with matter")?

What would Kant likely think about hylotheism ("a doctrine equating God with matter")?

What would Spinoza likely think about hylotheism ("a doctrine equating God with matter")?

What are some phenomenological perspectives on hylotheism ("a doctrine equating God with matter")?

What do you think about hylotheism ("a doctrine equating God with matter")?

What would J.S. Mill likely think about ptochocracy ("a society or a system ruled and dominated by the poor")?

What would Kant likely think about ptochocracy ("a society or a system ruled and dominated by the poor")?

What do you think about ptochocracy ("a society or a system ruled and dominated by the poor")?

What would a clavichord-piano hybrid sound like?

What would a clavichord-guitar hybrid sound like?

What would Heidegger likely think about the psychiatric concept of eunoia?

What would Kant likely think about the psychiatric concept of eunoia?

What would Husserl likely think about the psychiatric concept of eunoia?

What did Kant think about morphology?

What did Wittgenstein think about morphology?

What is the relation between morphology and structuralism?

What would a krummhorn-guitar hybrid sound like?

What would a krummhorn-piano hybrid sound like?

What is the phenomenology associated with the chrestomathy genre?

What would Wittgenstein likely think about chrestomathy?

What would Thomas Hobbes likely think about tutorism?

What would John Stuart Mill likely think about tutorism?

What do you think about tutorism?

What is a Gnostic perspective regarding theogony?

What would Aquinas likely think about the concept of theogony?

What would Anselm likely think about the concept of theogony?

What would Hegel likely think about the concept of theogony?

What would Heidegger likely reiterate/think about the concept of theogony?

What would Kant likely think about the concept of theogony?

What do theists think about theogony?

What is a Buddhist version of the seven deadly sins?

Is there such a thing as a Bohmian interpretation of theodicy?

What did the prophet Muhammad think (peace be upon him) about theodicy?

What would Anselm likely think about theodicy?

What is the atheist version of the seven deadly sins?

What would Hegel likely think about contemporary computer science?

What would Kant likely think about contemporary computer science?

What would Plato likely think about contemporary computer science?

What would Lacan likely think about Slavoj Žižek?

What would Derrida likely think about Slavoj Žižek?

What would Levinas likely think about Slavoj Žižek?

What would Hegel likely think about atheism?

What would Aristotle likely think about atheism?

What is the phenomenology of hummingbirds probably like?

What is the phenomenology of seals probably like?

What do you think about owlology?

If Aristotle grew up in a cartoon universe, how would his philosophy likely be different?

If Plato grew up in a cartoon universe, how would his philosophy likely be different?

If Socrates grew up in a cartoon universe, how would his philosophy likely be different?

What's the difference between Fichte and Schelling's philosophy?

What did Spinoza think about cosmogony?

What did Kant think about cosmogony?

What did Leibniz think about cosmogony?

What did Husserl think about cosmogony?

What did Plato think about cosmogony?

What did Aristotle think about cosmogony?

Can you write an aphorism about the universe's sense of humour?

Can you write an aphorism about Polynesia?

Can you write an aphorism about ornithology?

What would Lacan likely think about singularitarianism?

What would Hegel likely think about singularitarianism?

What would Kant likely think about singularitarianism?

Why should one be a singularitarianist?

What would Foucault likely think about Oliver Sacks' philosophy?

What would Derrida likely think about Oliver Sacks' philosophy?

What would Lacan likely think about Oliver Sacks' philosophy?

What would Hegel likely think about Oliver Sacks' philosophy?

What would Kant likely think about Oliver Sacks' philosophy?

What would Husserl likely think about Oliver Sacks' philosophy?

What kind of ontology is language according to Noam Chomsky?

What kind of ontology is language according to Wittgenstein?

What kind of ontology is language?

Who is the greatest panpsychic philosopher?

Which philosophers argued against presentism?

How do dimensions affect the mathematical structures behind the Mindscape according to Rudy Rucker?

What is the Bekenstein bound of all possible imagination?

What would Aristotle likely think about Robert David Anton?

What would Descartes likely think about Philip K. Dick?

What would Hegel likely think about Philip K. Dick?

What would Kant likely think about Philip K. Dick?

What would Plato likely think about Philip K. Dick?

What did Frege think about the theory of knowledge?

What would Derrida likely think about Robert David Anton?

What would Lacan likely think about Robert David Anton?

What would Derrida likely think about Philip K. Dick?

What would Lacan likely think about Hunter S. Thompson?

What did Derrida think about Philip K. Dick?

What did Derrida think about Henry Miller?

What would Derrida likely think about Hunter S. Thompson?

What would Hegel likely think about Hunter S. Thompson?

What would Kant likely think about Hunter S. Thompson?

What would Hume likely think about transhumanism?

What's a Kantian interpretation of category theory?

What's a Platonic interpretation of category theory?

Is there any connection between Wittgenstein's Tractatus and category theory?

What would Kant likely think about Noam Chomsky's philosophy?

What would Aristotle likely think about Noam Chomsky's philosophy?

Can you summarize Heidegger's philosophy in an aphorism?

Can you summarize Hegel's philosophy in an aphorism?

Can you summarize Kant's philosophy in an aphorism?

Can you summarize ethics in an aphorism?

Can you summarize metaphysics in an aphorism?

Can you summarize ontology in an aphorism?

Can you summarize epistemology in an aphorism?

What did Derrida think about the ontology of emotions?

What did Lacan think about the ontology of emotions?

What is the ontology of emotions according to Lacan?

What is the ontology of emotions according to Descartes?

What is the ontology of emotions according to Heidegger?

What is the ontology of emotions according to Husserl?

What did Durkheim think about Aristotle?

What did Durkheim think about Nietzsche?

What did Durkheim think about Plato?

What did Durkheim think about Socrates?

What is your favorite philosophical book that discusses sociology?

What is the relation between systems theory and sociology?

If Hegel likely grew up in Socrates' time, would Plato likely write about him?

If Nietzsche grew up in Socrates' time, would Plato likely write about him?

How would Aristotle's philosophy be different if he grew up in a generation ship?

How would Aristotle's philosophy have been different if he grew up in Polynesia?

How would Ayn Rand's philosophy be different if she grew up in Aristotle's time?

What would Socrates likely think about Godel's incompleteness theorems?

What would Frege likely think about Godel's incompleteness theorems?

What would Plato likely think about theosophy?

What would Kant likely think of theosophy?

What would Aristotle likely think about theosophy?

What would Aristotle likely think about Bayesian reasoning?

What would Frege likely think about Bayesian reasoning?

What did Jung think about theosophy?

What would Plato likely think about Bayesian reasoning?

What did Frege think about Cantor's transfinite numbers?

What would Hegel likely think about Cantor's transfinite numbers?

What would Plato likely think about Cantor's transfinite numbers?

What would Hegel likely think about intuitionistic logic?

What would Aristotle likely think about many-valued logic?

What did Frege think about intuitionistic logic?

What do physicalists think about the Nyaya-Vaisesika atomic theory?

What would Hegel likely think about moral universalism?

What would Kant likely think about moral universalism?

What is hyper-universalism?

What is hyper-individualism?

What would Merleau-Ponty likely think about the phenomenology concerning Canadian poetry?

What would Derrida likely think about the phenomenology concerning Canadian poetry?

What would Lacan likely think about the phenomenology concerning Canadian poetry?

What would Bertrand Russell likely think about Can Lit?

What would Heidegger likely think about the phenomenology concerning Canadian poetry?

What would Kant likely think about the phenomenology concerning Canadian poetry?

What would Husserl likely think about the phenomenology concerning Canadian poetry?

What are some aesthetic perspectives concerning Canadian poetry?

What would Plato likely have thought about the transhumanist concept of morphological freedom?

What would Kant likely think about the transhumanist concept of morphological freedom?

What would Socrates likely think about the transhumanist concept of morphological freedom?

What did Socrates think about the phenomenology of human evolution?

What did Plato think about the phenomenology of human evolution?

What did Kant think about the phenomenology of human evolution?

What did Aristotle think about the phenomenology of human evolution?

What did Heidegger think about the phenomenology of human evolution?

What did Kant think about the Hindu concept of reincarnation?

What did Aristotle think about the Hindu concept of reincarnation?

If Heidegger was born in modern day India, would his philosophy be fundamentally different?

If Kant was born in modern day India, would his philosophy be fundamentally different?

If Aristotle was born in modern day India, would his philosophy be fundamentally different?

Would you eagerly watch a new movie where a group of friends have to escape a psychiatric hospital?

What was Kant's favorite thought experiment?

What was Heidegger's favorite thought experiment?

What was Plato's favorite thought experiment?

What was Socrates' favorite thought experiment?

What is the ontological difference between classes and universals?

What is the ontological difference between properties and universals?

What is the ontological difference between properties and classes?

What would Plato likely think about perdurantism?

What would Kant likely think about perdurantism?

What did Hegel think about perdurantism?

What are some arguments against the idea that people have temporal parts?

Is time an inherently phenomenological concept?

What would John Stuart Mill likely think about Zoltan Istvan?

What would Thomas Hobbes likely think about Zoltan Istvan?

What would Heidegger likely think about Zoltan Istvan?

What would Trotsky likely think about Zoltan Istvan?

If Wittgenstein wrote the Hindu holy books, how would it be different?

If Wittgenstein wrote the Quran, how would it be different?

If Wittgenstein wrote the Bible, how would it be different?

What did Carnap think about Wittgenstein's Tractatus?

To what extent does knowledge neither derive from senses nor non-senses?

What did Hilary Putnam think about Plato?

What did Hilary Putnam think about Hegel?

What did Hilary Putnam think about Kant?

What did Hilary Putnam think about Socrates?

What did Frege think about Hegel?

What did Frege think about Plato?

What did Frege think about Socrates?

What did Frege think about Kant?

What would Kant likely think about the concept of "undecidability problems" in computer science?

What would Frege likely think about the concept of "undecidability problems" in computer science?

What would Plato likely think about the concept of "undecidability problems" in computer science?

What would Aristotle likely think about the concept of "undecidability problems" in computer science?

Is computational ethics necessarily phenomenological?

What would Hegel likely think about computational ethics?

What would Plato likely think about computational ethics?

What would Heidegger likely think about computational ethics?

What would Kant likely have thought about computational ethics?

Is there any direct parallel between Socrates and Heidegger's philosophy?

Is there any direct parallel between Kant and Hegel's philosophy?

Is there any direct parallel between Heidegger and Kant's philosophy?

What lies directly at the intersection between neuroscience and computer science?

How does one simulate a possible mind according to computer science/machine learning?

What did Socrates think about the concept of personhood?

What did de Beauvoir think about the concept of personhood?

What did Hegel think about the concept of personhood?

What did Aristotle think about the concept of personhood?

What did Derrida think about slave morality?

What did Heidegger think about slave morality?

What did Lacan think about slave morality?

What did Levinas think about slave morality?

What would Hegel likely think about contemporary existentialism?

What would Heidegger likely think about contemporary existentialism?

What would Kant likely think about contemporary existentialism?

Does teleology relate to psychophysical calculus in any way?

Was Nietzsche an empiricist?

What if we can have a perfect language according to Wittgenstein?

What did Kant think about the concept of epistemic closure?

What did Hegel think about the concept of epistemic closure?

What is an Aristotelian perspective on epistemic closure?

What did Socrates think about numerology?

What did Plato think about numerology?

What did Pythagoras think about numerology?

What did Hegel think about numerology?

What did Heidegger think about numerology?

What did Kant think about numerology?

What are some African philosophy perspectives on epistemology?

What are some African philosophy perspectives on ontology?

What are some African philosophy perspectives on aesthetics?

How does justified true belief relate to mathematical knowledge?

What did Heidegger think about Chinese philosophy?

What did Kant think about Chinese philosophy?

What did Hegel think about Chinese philosophy?

What did Socrates think about Chinese philosophy?

What did Kant think about African philosophy?

What did Marx think about African philosophy?

What did Heidegger think about African philosophy?

What did Plato think about African philosophy?

What did Socrates think about African philosophy?

What did Plato think about Indian philosophy?

What did Socrates think about Indian philosophy?

What did Husserl think about Indian philosophy?

What did Hegel think about Indian philosophy?

What did Sartre think about Indian philosophy?

What did Kant think about Indian philosophy?

What did Aristotle think about Indian philosophy?

What is a phenomenological perspective regarding Canadian indigenous art?

If philosophy had an ultimate ending/destiny, what do you think it would be?

What did Heidegger think about experimental philosophy?

What is a Hegelian interpretation regarding experimental philosophy?

What is a Kantian interpretation regarding experimental philosophy?

What is the ontology associated with experimental philosophy?

What do Buddhists think about Seneca's work?

What do solipsists think about external realism?

Who are your favorite Australian philosophers?

What are some phenomenological perspectives regarding the nation of Australia?

What would a tic-tac-toe chess hybrid game resemble?

What is the most bizarre basketball variant you can think of?

What is the phenomenology associated with basketball?

What is the most bizarre chess variant you can think of?

What is the phenomenology associated with hockey?

What would Heidegger likely think the ultimate philosophy question was?

What would Spinoza likely think the ultimate philosophical question was?

What would Husserl likely think the ultimate philosophy question was?

What would Plato likely think the ultimate philosophy question was?

What would Aristotle likely think the ultimate philosophy question was?

What would Kant likely think the ultimate philosophy question was?

What would Socrates likely think the ultimate philosophy question was?

How would the Socratic dialogues be different if they included Heidegger?

How would the Socratic dialogues be different if they included Kant?

How would the Socratic dialogues be different if they included Hegel?

How would the Socratic dialogues be different if they included Nietzsche?

What did Heidegger think about the theological concept of sin?

What did Hegel think about the theological concept of sin?

What did Kant think about the theological concept of sin?

Would you try fish 'n chips toaster ready-to-eat waffles?

Would you try fish 'n chips flavored chewing gum?

Would you try cheese bread flavored chewing gum?

If Hegel listened to contemporary music, what would his favorite band likely be?

If Kant listened to contemporary music, what would his favorite band likely be?

What would it likely be like if Aristotle met Nietzsche?

What would it likely be like if Kant met Nietzsche?

What would it likely be like if Plato met Nietzsche?

What would it likely be like if Socrates met Nietzsche?

What would Kant likely think about The Walt Disney Company?

What would Socrates likely think about the Walt Disney company?

What would Plato likely think about the Walt Disney company?

What would Aristotle likely think about the Walt Disney company?

Would you eat eggnog flavored noodles?

Would you drink an eggnog flavored Breakfast Essentials drink?

Would you eat a peppermint oil flavored Breakfast Essentials drink?

What does the philosopher Celia Green think about social media?

What would Freud likely think about social media?

What would Socrates likely think about social media?

What would Kant likely think about social media?

What would Heidegger likely think about social media?

What would Aristotle likely think about social media?

Would you eat a cinnamon toast flavored ready-to-drink milk?

Would you eat a spaghetti and meatball flavored ready-to-eat breakfast burrito?

Would you eat peppermint oil flavored toasted pancakes?

What did Schopenhauer think about classical music?

What did Hegel think about classical music?

What did Husserl think about the phenomenology associated with classical music?

What did Kant think about classical music?

What did Heidegger think about classical music?

What did Kant think about ballet?

What did Hegel think about ballet?

What would Heidegger likely think about culinary studies?

What would Hegel likely think about culinary studies?

What is the phenomenology associated with culinary studies?

What would Kant likely think about culinary studies?

What would Kant likely think about enantiomorphism?

What did Socrates think about the phenomenology of cats?

What did Aristotle think about the phenomenology of cats?

What did Plato think about the phenomenology of cats?

What would Husserl likely think about the phenomenology of subliminal messages?

What would Heidegger likely think about the phenomenology of subliminal messages?

What would Plato likely think about the phenomenology of subliminal messages?

If Heidegger was resurrected, what would his favorite YouTube channel likely be?

If Hegel was resurrected, what would his favorite YouTube channel likely be?

If Socrates was resurrected, what would his favorite YouTube channel likely be?

If Aristotle was resurrected, what would his favorite YouTube channel likely be?

What would Plato likely think about Super Mario?

What did Heidegger think about carnality?

What did Kant think about carnality?

What did Sartre think about carnality?

Is there a Cyrillic version of Scrabble?

What did Husserl think about poetry?

What did Heidegger think about poetry?

What was Plato's favorite poem?

What did Pythagoras think about poetry?

What was Aristotle's favorite poem?

What did Spinoza think about Jesus?

What did Kant think about Jesus?

What did Heidegger think about Jesus?

What would Socrates likely think about the Prophet Muhammad (peace be upon him)?

What would Plato likely think about the Buddha?

What would Thales likely think about Jesus?

What is a phenomenological perspective regarding ergonomics?

What is a phenomenological perspective regarding economics?

What is a phenomenological perspective regarding comedy?

What would Kant likely think about the psychiatric concept of bipolar disorder?

What would Plato likely think about the psychiatric concept of bipolar disorder?

What would Socrates likely think about the psychiatric concept of schizophrenia?

What would Plato likely think about the psychiatric concept of schizophrenia?

What would Aristotle likely think about the psychiatric concept of schizophrenia?

What would Husserl likely think about the psychiatric concept of schizophrenia?

What would Nietzsche likely think about the psychiatric concept of schizophrenia?

Do you think Nietzsche would be a fan of comic books?

Do you think Levinas would be a fan of comic books?

Do you think Derrida would be a fan of comic books?

Do you think Lacan would be a fan of comic books?

Do you think Kant would be a fan of comic books?

Do you think Socrates would be a fan of DC Comics?

Do you think Socrates would be a fan of Marvel Comics?

Do you think Plato would be a fan of DC comics?

Do you think Plato would be a fan of Marvel Comics?

Do you think Aristotle would be a fan of Marvel Comics?

Do you think Aristotle would be a fan of DC comics?

What are some philosophical perspectives regarding Esperanto?

What would Hegel likely think about Esperanto?

What would Derrida likely think about Esperanto?

What would Foucault likely think about Esperanto?

What would Kant likely think about Esperanto?

What would Plato likely think about Esperanto?

What would Aristotle likely think about Esperanto?

What did Derrida think about anthropology?

What did Lacan think about anthropology?

What did Plato think about anthropology?

What did Socrates think about anthropology?

What did Aristotle think about anthropology?

What did Socrates think about sociology?

If Plato could play any video game, what game would he likely play?

If Aristotle could play any video game, what game would he likely play?

What did Derrida think about sociology?

What did Lacan think about sociology?

What did Foucault think about sociology?

What did Aristotle think about sociology?

What did Kant think about sociology?

What did Heidegger think about sociology?

What did Nietzsche think about sociology?

If you could play chess against Nietzsche, would you?

If you could play chess against Heidegger, would you?

If you could play chess against Plato, would you?

If you could play chess against Aristotle, would you?

What are some philosophical perspectives regarding zoological psychiatry?

What is zoological psychiatry?

What are your favorite examples of zoological art?

Are there any examples of transhumanist art that combine surrealism?

What are the best examples of transhumanist art?

What do you like about ornithological sociology?

What are the best ornithological aphorisms?

What are the best ornithological poems?

What is ornithological sociology?

What would Husserl likely think about ornithology?

What would Plato likely think about ornithology?

What would Aristotle likely think about ornithology?

What do you like most about ornithology?

What are some phenomenological perspectives regarding ornithology?

What are the most interesting philosophical perspectives about ornithology?

What would Socrates likely think about Salvador Dali?

What would Plato likely think about Andre Breton?

What would Kant likely think about Andre Breton?

Would you eat peppermint oil-flavored filled sausage-like sticks?

What would Aristotle likely think about quasi-realism?

What would Plato likely think about quasi-realism?

What would Heidegger likely think about quasi-realism?

What would Leibniz likely think about quasi-realism?

What would Kant likely think about quasi-realism?

What did Guattari and Deleuze think about emotional pain?

What did Schopenhauer think about emotional pain?

What did Husserl think about emotional pain?

What did Hegel think about emotional pain?

What did Heidegger think about emotional pain?

What did Kant think about emotional pain?

What did Schopenhauer think about alethiology?

What did Schopenhauer think about axiology?

What did Schopenhauer think about deontology?

What did Schopenhauer think about moral absolutism?

What did Schopenhauer think about moral obligations?

What did Husserl think about eutaxiology (the philosophy of order and design)?

What did Spinoza think about eutaxiology (the philosophy of order and design)?

What did Heidegger think about eutaxiology (the philosophy of order and design)?

What did Kant think about eutaxiology (the philosophy of order and design)?

What did Aristotle think about eutaxiology (the philosophy of order and design)?

What did Nietzsche think about ethical egoism?

What did Hegel think about the ethical concept of eupraxis?

What did Heidegger think about the ethical concept of eupraxis?

What did Kant think about the ethical concept of eupraxis?

What did Heidegger think about the concept of ethical relationships?

What did Hegel think about the concept of ethical relationships?

What did Kant think about the concept of ethical relationships?

What would Guattari and Deleuze likely think about graded absolutism?

What would Derrida likely think about graded absolutism?

What would Hegel likely think about graded absolutism?

What would Heidegger likely think about graded absolutism?

What would Kant likely think about graded absolutism?

What did Lacan think about ethical formalism?

What did Derrida think about ethical formalism?

What did Lacan think about egoism?

What did Deleuze and Guattari think about egoism?

What would Hegel likely think about ethical formalism?

What would Heidegger likely think about ethical formalism?

What would Kant likely think about ethical formalism?

What did Thomas Hobbes likely think about egoism?

What did John Locke think about egoism?

What did Henri Bergson think about egoism?

What did Hegel think about egoism?

What did Kant think about egoism?

What did the Buddha think about healthy narcissism?

What did William James think about selfism?

What did Hegel think about selfism?

What did Heidegger think about selfism?

What did Kant think about selfism?

What do non-human animals think about egoism?

How would an instant cloning machine assembler mechanize?

In the future, will human cloning be a quasi-form of human resurrection?

What do Hindus think about Buddhist ethics?

How will the beginning of personhood be different in the transhuman era?

How does sociology relate to gastronomy?

What do sociologists think about the philosophy of film?

What do sociologists think about the concept of aesthetic preferences?

What would Thales likely think about Native American religions?

What would Heidegger likely think about Native American religions?

What would Foucault likely think about Native American religions?

What would Derrida likely think about Native American religions?

What would Lacan likely think about Native American religions?

What did Nietzsche think about the phenomenology of Husserl?

What would Nietzsche likely think about the Flying Spaghetti Monster?

What would Bertrand Russell likely think about the phenomenology of subliminal messages?

What would Nietzsche likely think about Native American religions?

What would Aristotle likely think about mathematical antirealism?

What would Hegel likely think about mathematical antirealism?

What would Socrates likely think about mathematical antirealism?

What would Plato likely think about mathematical antirealism?

What would Heidegger likely think about mathematical antirealism?

What would Kant likely think about mathematical antirealism?

What would Wittgenstein likely think about the Flying Spaghetti Monster?

What would Heidegger likely think about the phenomenology of sports?

What would Husserl likely think about the phenomenology of sports?

What is meta phenomenology?

What would Aristotle likely think about the phenomenology of sports?

What would Socrates likely think about the concept of Disney subliminal messages?

What would Derrida likely think about the Flying Spaghetti Monster?

What would Socrates likely think about the Flying Spaghetti Monster?

What would Kant likely think about the Flying Spaghetti Monster?

What would Aristotle likely think about the flying spaghetti monster?

What would Aristotle likely think about the concept of Disney subliminal messages?

What would Plato likely think about the concept of Disney subliminal messages?

What would Hegel likely think about the concept of Disney subliminal messages?

What would Kant likely think about the concept of Disney subliminal messages?

What would Hegel likely think about the concept of possible world traveling?

What would modal realist David Lewis likely think about the concept of possible world traveling?

What would Socrates likely think about the concept of possible world traveling?

What would Heidegger likely think about the concept of possible world traveling?

What would Kant likely think about the concept of possible world traveling?

What would Plato likely think about oneirology?

What would Socrates likely think about oneirology?

What would Alfred North Whitehead likely think about oneirology?

What would Hegel likely think about oneirology?

What would Kant likely think about oneirology?

What would Plato likely think about somatoform illnesses?

What would Socrates likely think about somatoform illnesses?

What would Derrida likely think about somatoform illnesses?

What would Lacan likely think about somatoform illnesses?

What would Heidegger likely think about somatoform illnesses?

What would Kant likely think about somatoform illnesses?

What would Wittgenstein likely think about AI generated poetry?

What would Derrida likely think about psychedelic drug experience?

What would Plato likely think about psychedelic drug experience?

What would Heidegger likely think about psychedelic drug experience?

What would Aristotle likely think about psychedelic drug experience?

What would Socrates likely think about psychedelic drug experience?

What would Plato likely think about Ray Kurzweil's philosophy?

What would Kant likely think about Ray Kurzweil's philosophy?

What would Lacan likely think about the concept of forever?

What would Socrates likely think about the concept of forever?

What would Plato likely think about the concept of forever?

What would Heidegger likely think about the concept of forever?

What would Hegel likely think about the concept of forever?

What would Kant likely think about the concept of forever?

What would Aristotle likely think about the psychological concept of Janusian thinking?

What would Plato likely think about the psychological concept of Janusian thinking?

What would Socrates likely think about the psychological concept of Janusian thinking?

What would Hegel likely think about the psychological concept of Janusian thinking?

What would Heidegger likely think about the psychological concept of Janusian thinking?

What would Kant likely think about the psychological concept of Janusian thinking?

What would Heidegger likely think about the Big Bang?

What would Kant likely think about the Big Bang?

What would Aristotle likely think about the Big Bang?

What would Socrates likely think about the Big Bang?

What would Plato likely think about the multiverse?

What would Hegel likely think about the multiverse?

What would Socrates likely think about the multiverse?

What would Bertrand Russell likely think about the multiverse?

What would Hegel likely think about the Vsauce YouTube channel?

What would Kant likely think about Vsauce?

What would Hegel likely think about the Torrance test for lateral thinking?

What would Aristotle likely think about the Torrance test for lateral thinking?

What would Heidegger likely think about the Torrance test for lateral thinking?

What would Kant likely think about the Torrance test for lateral thinking?

What would Plato likely think about the Torrance test for lateral thinking?

What would Plato likely think about psychodynamics?

What would Socrates likely think about psychodynamics?

What would Hegel likely think about psychodynamics?

What would Kant likely think about psychodynamics?

What would Aristotle likely think about Whitehead's process theology?

What would Socrates likely think about Whitehead's process theology?

What would Hegel likely think about Whitehead's process theology?

What would Frege likely think about mereological nihilism?

What would Husserl likely think about mereological nihilism?

What would Plato likely think about mereological nihilism?

What would Heidegger likely think about mereological nihilism?

What would Derrida likely think about mereological nihilism?

What would Lacan likely think about mereological nihilism?

What did Socrates think about the epistemology of aesthetic values?

What did Spinoza think about the epistemology of aesthetic values?

What did Hegel think about the epistemology of aesthetic values?

What did Heidegger think about the epistemology of aesthetic values?

What did Kant think about the epistemology of aesthetic values?

What would Kraepelin likely think about contemporary psychiatry?

What would Sartre likely think about contemporary psychiatry?

What would Hegel likely think about contemporary psychiatry?

What would Kant likely think about contemporary psychiatry?

What would Plato likely think about contemporary psychiatry?

What would Heidegger likely think about contemporary psychiatry?

What would Socrates likely think about contemporary psychiatry?

What would Aristotle likely think about contemporary psychiatry?

What would Parmenides likely think about British Columbia, Canada?

What would Socrates likely think about astrobiology?

What did Bohm think about astrobiology?

What would Heidegger likely think about astrobiology?

What would Kant likely think about astrobiology?

What would Aristotle likely think about computational complexity?

What would Socrates likely think about computational complexity?

What would Heidegger likely think about computational complexity?

What would Kant likely think about computational complexity?

What would Hegel likely think about the phenomenology of insects?

What would Heidegger likely think about the phenomenology of insects?

What would Kant likely think about the phenomenology of insects?

What would Lacan likely think about the philosophy of physics?

What would Heidegger likely think about the philosophy of physics?

What did Kant think about the philosophy of physics?

What did Socrates think about utilitarianism?

What did Plato think about utilitarianism?

What did Heidegger think about utilitarianism?

What did Hegel think about utilitarianism?

What did Aristotle think about entomology?

What did Plato think about entomology?

What did Socrates think about entomology?

What did Heidegger think about entomology?

What did Kant think about entomology?

What would Aristotle likely think about Kant's Critique of Pure Reason?

What would Plato likely think about Kant's Critique of Pure Reason?

What would Socrates likely think about Kant's Critique of Pure Reason?

What did Heidegger think about Kant's Critique of Pure Reason?

What did Wittgenstein think about Kant's Critique of Pure Reason?

What is a surrealist interpretation of Kant's Critique of Pure Reason?

What would Hegel likely think about Heidegger's Being and Time?

What would Aristotle likely think about Heidegger's Being and Time?

What would Kant likely think about Heidegger's Being and Time?

What is a Freudian interpretation of Heidegger's Being and Time?

What did Aristotle think about nominalism?

What did Hegel think about nominalism?

What would Socrates likely think about nominalism?

What did Heidegger think about nominalism?

What did Wittgenstein think about nominalism?

What would Plato likely think about psychoanalysis?

What would Socrates likely think about psychoanalysis?

What would Husserl likely think about psychoanalysis?

What would Heidegger likely think about psychoanalysis?

What would Hegel likely think about psychoanalysis?

What do you think about Neo-Kantianism?

What do you think about Neo-Buddhism?

What do Buddhists think about Neo-Buddhism?

What did Plato think about ontological commitments?

What did Aristotle think about ontological commitments?

What did Heidegger think about ontological commitments?

What did Kant think about ontological commitments?

What is a Bohmian interpretation of aesthetics?

What is a Bohmian interpretation of ontology?

What is a Bohmian interpretation of epistemology?

What is a Bohmian interpretation of metaphysics?

What would Aristotle likely think about YouTube?

What would Heidegger likely think about YouTube?

What would Kant likely think about YouTube?

What would Socrates likely think about YouTube?

What would Plato likely think about Twitter?

What would Socrates likely think about Reddit?

What would Heidegger likely think about Twitter?

What would Aristotle likely think about Twitter?

What would Socrates likely think about Twitter?

What would Socrates likely think about Facebook?

What would Plato likely think about Facebook?

What would Aristotle likely think about Facebook?

What would Kant likely think about Quora?

What would Husserl likely think about Facebook?

What would Heidegger likely think about Facebook?

What would Hegel likely think about Facebook?

What would Kant likely think about Facebook?

Would you eat green tea flavored macaroni and cheese?

Would you eat a green tea flavored patty?

What would Hegel likely think about John Dewey's education philosophy?

What would Heidegger likely think about John Dewey's education philosophy?

What would Kant likely think about John Dewey's education philosophy?

Can you summarize John Dewey's education philosophy in one sentence?

What do you think about John Dewey's philosophy?

What is your philosophical opinion regarding music education?

What did Spinoza think about Pyrrhonic skepticism?

What did Kant think about Pyrrhonic skepticism?

What did Heidegger think about Pyrrhonic skepticism?

What did Aristotle think about Pyrrhonic skepticism?

What would Husserl likely think about CNN?

What would Aristotle likely think about CNN?

What would Socrates likely think about CNN?

What would Kant likely think about CNN?

What would Heidegger likely think about CNN?

What would Socrates likely think about Fox News?

What would Plato likely think about Fox News?

What would Aristotle likely think about Fox News?

What would Heidegger likely think about Fox News?

What would Hegel likely think about Fox News?

What would Kant likely think about Fox News?

What did Bertrand Russell think about ornithology?

What did Kant think about ornithology?

What did Heidegger think about ornithology?

What did Wittgenstein think about ornithology?

What did Wittgenstein think about Hinduism and Sikhism?

What would Kant likely think about the philosophy of zoos?

What would Heidegger likely think about the philosophy of zoos?

What would Aristotle likely think about the philosophy of zoos?

What would Heidegger likely think about experimental music?

What would Hegel likely think about experimental music?

What would Kant likely think about experimental music?

What would Hegel likely think about Salvador Dali?

What would Spinoza likely think about Salvador Dali?

What would Kant likely think about Salvador Dali?

What would Aristotle likely think about Salvador Dali?

What are some animated films that focus on Hegel's philosophy?

What are some animated films that focus on Kant's philosophy?

What are some animated films that focus on Heidegger's philosophy?

What are some animated films that focus on surrealism?

What would Heidegger likely think about questionology (the study of questions)?

What would Hegel likely think about questionology (the study of questions)?

What would Kant likely think about questionology (the study of questions)?

What would Socrates likely think about the concept of IQ?

What would Heidegger likely think about the concept of IQ?

What would Plato likely think about the concept of IQ?

What would Kant likely think about the concept of IQ?

What did Derrida think about anti-psychology?

What did Lacan think about anti-psychiatry?

What would Socrates likely think about anti-psychiatry?

What would Aristotle likely think about anti-psychiatry?

What would Plato likely think about anti-psychiatry?

What would Plato likely think about Native American religions?

What would Hegel likely think about Native American religions?

What would Rudolf Steiner likely think about Native American religions?

What did Blavatsky likely think about Native American religions?

What would Sartre likely think about Native American religions?

What would Kant likely think about Native American religions?

What is a Bohmian interpretation of Native American religions?

What would Descartes likely think about time travel?

What would Socrates likely think about time travel?

What would Kant likely think about time travel?

What would Foucault likely think about surrealist poetry?

What would Lacan likely think about surrealist poetry?

What would Derrida likely think about surrealist poetry?

What did Lacan think about Aristotle?

What would Aristotle likely think about Wolfram Alpha?

What would Socrates likely think about the poet William Alexander?

What would Kant likely think about the poet William Alexander?

What would Hegel likely think about the poet William Alexander?

What would Hegel likely think about Wolfram Alpha?

What would Kant likely think about Wolfram Alpha?

What is Native American smooth jazz?

How does generative poetry relate to smooth jazz?

What is the best BC Canada smooth jazz radio station?

What is a philosophical perspective regarding smooth jazz?

What would Socrates likely think about smooth jazz?

What would Kant likely think about smooth jazz?

What would John Dewey likely think about the philosophy of unschooling?

What would Socrates likely think about unschooling?

What would Hegel likely think regarding the philosophy of alternative schools?

What would Hegel likely think about Pokemon?

What would Hegel likely think about chess?

What would Kant likely think about chess?

What would Socrates likely think about Pokemon?

What would Plato likely think about Pokemon?

What would Leibniz likely think about chess?

What would Socrates likely think about chess?

What would Aristotle likely think about the phenomenology associated with schizotypal personality disorder?

What would Aristotle likely think about the schizotypal personality disorder?

What would Heidegger likely think about schizotypal personality disorder?

What would Hegel likely think about schizotypal personality disorder?

What would Kant likely think about the schizotypal personality?

What would Plato likely think about Finnegans Wake?

What would Aristotle likely think about Finnegans Wake?

What would Spinoza likely think about Finnegans Wake?

What would Heidegger likely think about Finnegans Wake?

What would Hegel likely think about Finnegans Wake?

What would Kant likely think about Finnegans Wake?

What did Wittgenstein think about neologisms?

What did Foucault think about Sylvia Plath's poetry?

What would Camus likely think about Philip Lamantia's poetry?

What did Derrida think about Sylvia Plath's poetry?

What would Levinas likely think about the psychiatric concept of BPD?

What would Derrida likely think about the psychiatric concept of BPD?

What do philosophers of mind think about the broad autism spectrum phenotype?

What would Hegel likely think about the broad autism spectrum phenotype?

What would Kant likely think about the broad autism spectrum phenotype?

What is a Bohmian interpretation of intergalactic travel?

What would Hegel likely think about intergalactic travel?

What would Socrates likely think about intergalactic travel?

What would Plato likely think about intergalactic travel?

What would Plato likely think about Philip Lamantia's poetry?

What would Aristotle likely think about Philip Lamantia's poetry?

What would Socrates likely think about Sylvia Plath's poetry?

What would Hegel likely think about Philip Lamantia's poetry?

What would Kant likely think about Philip Lamantia's poetry?

What would Socrates likely think about the psychiatric concept of borderline personality disorder?

What would Hegel likely think about the psychiatric concept of borderline personality disorder?

What would Heidegger likely think about the psychiatric concept of borderline personality disorder?

What would Kant likely think about the psychiatric concept of borderline personality disorder?

What would Kant likely think about intergalactic travel?

What did Heidegger think about the philosophical concept of the "sublime"?

What did Hegel think about the philosophical concept of the "sublime"?

What did Kant think about the philosophical concept of the "sublime"?

What would Heidegger likely think about Sikh art?

What would Hegel likely think about Sikh art?

What would Kant likely think about Sikh art?

What are some contemporary examples of Sikh art?

What did the Buddha think about aesthetic objectivity?

What would Hegel likely think about hyper realism as an art form?

What would Heidegger likely think about hyper realism as an art form?

What would Kant likely think about hyper realism as an art form?

What are some phenomenological perspectives regarding social realism?

Can you describe the history of sound poetry in one sentence?

What are your favorite examples of sound poetry?

Would you listen to a sound poetry radio station?

Can AI write a Neo-Dada play?

What do you think about Neo-surrealism?

What are the best examples of Neo-Dada poems?

What do you think about Neo-Dada?

What would Kant likely think about the aesthetic movement neoclassicism?

What would Heidegger likely think about the aesthetic movement neoclassicism?

What would Hegel likely think about the aesthetic movement neoclassicism?

What do you think about neoclassicism?

Can you summarize the history of metaphysical art in one sentence?

What are your favorite examples of metaphysical art?

What would Schopenhauer likely think about the ontology of conceptual art?

What would Hegel likely think about the ontology of conceptual art?

What would Heidegger likely think about the ontology of conceptual art?

What would Kant likely think about the ontology of conceptual art?

What did Schopenhauer think about the avant-garde movement?

What did Schelling think about the avant-garde movement?

What did Spinoza think about the avant-garde movement?

What did Heidegger say about the avant-garde movement?

What did Hegel think about the avant-garde movement?

What did Kant think about the avant-garde movement?

What did Husserl think about aesthetic realism?

What did Whitehead think about aesthetic realism?

What did Heidegger think about aesthetic realism?

What did Hegel think about aesthetic realism?

What did Kant think about aesthetic realism?

Where does aesthetic inspiration come from according to Hegel?

Where does aesthetic inspiration come from according to Heidegger?

Where does aesthetic inspiration come from according to Kant?

How many kinds of aesthetic interpretations can ever exist?

What are some philosophical perspectives regarding doodling?

Are the aesthetics of music mind-dependent or mind-independent?

What did Husserl think about the philosophy of music?

What did Hegel think about the philosophy of logic?

What did Hegel think about the philosophy of music?

What did Heidegger think about the philosophy of music?

What did Kant think about the philosophy of music?

What's it like to be a philosopher of music?

What do aesthetic nihilists think about aesthetic value?

How do extreme skeptics perceive the philosophy of perception?

What is the most objective position in the philosophy of perception?

Would you eat peppermint oil flavored oatmeal?

Would you eat Saskatoon berry flavored oatmeal?

Would you eat cinnamon bun-flavored oatmeal?

Would you eat gooseberry flavored canned meatballs?

Would you eat Saskatoon Berry canned meatballs?

Would you eat blueberry canned meatballs?

Would you eat thimbleberry flavored canned meatballs?

Would you eat thimbleberry flavored canned soup?

What is your philosophical opinion regarding the methodology of teaching philosophy in schools?

What is your philosophical opinion regarding mathematics education?

What do you think about the philosophy of film?

What would Husserl likely think about the philosophy of film?

What would Heidegger likely think about the philosophy of film?

What would Hegel likely think about the philosophy of film?

What would Kant likely think about the philosophy of film?

Would you eat sweet and sour flavored chicken flavored Kraft dinner?

Would you eat a pizza bun flavored Kraft dinner?

Would you eat a watermelon flavored Kraft dinner?

Would you eat blueberry flavored Kraft dinner?

Would you eat raspberry flavored Kraft dinner?

Would you eat mulberry flavored Kraft dinner?

Would you eat peppermint oil flavored Kraft dinner?

Would you eat a cinnamon bun flavored Kraft dinner?

Would you chew cinnamon bun-flavored chewing gum?

Would you eat Haskap canned soup?

Would you eat Haskap flavored cereal?

Would you eat watermelon breaded chicken?

Would you eat mulberry flavored cream cheese?

Would you eat mulberry flavored bread?

Would you eat mulberry shake 'n bake?

Would you eat mulberry-flavored chips?

Would you eat hot chocolate flavored noodles?

Would you eat hot chocolate flavored canned soup?

Would you eat chai tea flavored chips?

Would you eat chai tea flavored crackers?

Would you eat chai tea flavored noodles?

Would you eat cloudberry-flavored crackers?

Would you eat cloudberry flavored canned soup?

Would you eat bilberry flavored canned soup?

Would you eat a buffalo berry flavored donut?

Would you eat a gooseberry flavored donut?

Would you eat salal berry flavored chips?

Would you eat salal berry flavored crackers?

Would you eat salal berry flavored canned soup?

What is a philosophical perspective that subliminal messages are everywhere around us?

Would you eat gooseberry flavored cereal?

Would you eat gooseberry-flavored chips?

Would you eat gooseberry flavored crackers?

Would you eat a buffalo-berry flavored canned soup?

Would you eat buffalo-berry flavored cereal?

Would you eat buffalo berry-flavored chips?

Would you eat cranberry breaded chicken?

Would you eat bilberry flavored cereal?

Would you eat huckleberry flavored cereal?

Would you eat huckleberry flavored potato chips?

Would you eat Saskatoon berry flavored cereal?

Would you eat Saskatoon berry flavored breaded chicken?

Would you eat watermelon-flavored breaded chicken?

Would you eat watermelon flavored canned soup?

Would you eat peppermint flavored canned soup?

Can you summarize Victor Cousin's philosophy in one sentence?

What would Schopenhauer likely think about John Cage's musical philosophy?

What did R.G. Collingwood think about Schopenhauer?

What did R.G. Collingwood think about Plato?

What did R.G. Collingwood think about Aristotle?

What would Husserl likely think about John Cage's musical philosophy?

What would Heidegger likely think about John Cage's musical philosophy?

What would Hegel likely think about John Cage's musical philosophy?

What would Kant likely think about John Cage's musical philosophy?

What are the best examples of gastronomic plays?

What are the best examples of gastronomic essays?

What would the German idealists likely think about Canadian philosophy?

What are the best examples of Scandinavian philosophy?

Can you summarize Maurice Blanchot's philosophy in one sentence?

Can you summarize Max Black's philosophy in one sentence?

What did Husserl likely think about Rimbaud?

What did Sartre think about Rimbaud?

What would Heidegger likely think about Rimbaud?

What would Hegel likely think about Rimbaud?

What would Kant likely think about Rimbaud?

What would Heidegger likely think about permaculture?

What would Bergson likely think about permaculture?

What would Kant likely think about permaculture?

What would Husserl likely think about permaculture?

What would Hegel likely think about permaculture?

What did Russell think about Spinoza's pantheism?

What would Whitehead likely think about the concept of Gaia?

What would Hegel likely think about the concept of Gaia?

What would Kant likely think about the concept of Gaia?

What would Heidegger likely think about the concept of Gaia?

What would Heidegger likely think about the phenomenology of virtual reality?

What would Spinoza likely think about the phenomenology of virtual reality?

What would Hegel likely think about the phenomenology of virtual reality?

What would Kant likely think about the phenomenology of virtual reality?

What would Spinoza likely think about environmental design?

What would Heidegger likely think about environmental design?

What would Hegel likely think about environmental design?

What would Kant likely think about environmental design?

What is the phenomenology of environmental design?

How do pragmatism and phenomenology intersect?

Can set-theoretic realism be applied to the ontology of art objects?

What did Russell think about de Beauvoir's philosophy?

What would Hegel likely think about Susan Sontag's philosophy?

What would Kant likely think about Susan Sontag's philosophy?

What would Aristotle likely think about Susan Sontag's philosophy?

Can you summarize Susan Sontag's philosophy in one sentence?

Is there such a thing as Buddhist mysticism?

How does Native American mysticism relate to Jewish mysticism?

What are some arguments against an instrumentalist theory of art?

What are some arguments supporting an instrumentalist theory of art?

Can you summarize the history of the philosophy of art in one sentence?

What did Heidegger think about art objecthood?

What did Husserl think about art objecthood?

What did Whitehead think about art objecthood?

What did Hegel think about art objecthood?

What did Kant think about art objecthood?

What's it like to be a philosopher of art?

Is sensation ontologically dependent on mathematics?

What would Husserl likely think about Georges Bataille's philosophy?

What would Kant likely think about Georges Bataille's philosophy?

What would Hegel likely think about Georges Bataille's philosophy?

What would Heidegger likely think about Georges Bataille's philosophy?

Can you summarize Georges Bataille's philosophy in one sentence?

What do you think about Australian realism?

What did Husserl think about the ontology of symbols?

What did Whitehead think about the ontology of symbols?

What did Kant think about the ontology of symbols?

What did Levinas think about subliminal messages?

What did Derrida think about subliminal messages?

What did Lacan think about subliminal messages?

What did Heidegger think about the ontology of symbols?

What would Husserl likely think about Theodoro Adorno's philosophy?

What would Heidegger likely think about Theodoro Adorno's philosophy?

What would Hegel likely think about Theodoro Adorno's philosophy?

What would Kant likely think about Theodoro Adorno's philosophy?

What would Hegel likely think about Donald Davidson's philosophy?

What would Husserl likely think about Donald Davidson's philosophy?

What would Kant likely think about Donald Davidson's philosophy?

Can you summarize Donald Davidson's philosophy in one sentence?

What is the relation between topology and epistemicism?

What would Aquinas likely think about Bertrand Russell's philosophy?

What would Anselm likely think about Bertrand Russell's philosophy?

What would Plato likely think about Bertrand Russell's philosophy?

What would Hegel likely think about Bertrand Russell's philosophy?

What would Kant likely think about Bertrand Russell's philosophy?

What would Kant likely think about William James' philosophy?

What would Heidegger likely think about Paul Grice's philosophy?

What would William James likely think about Paul Grice's philosophy?

Can you summarize Paul Grice's philosophy in one sentence?

What do you think about Paul Grice's philosophy?

What did Heidegger think about the criterion of justifiedness?

What did Hegel think about the criterion of justifiedness?

What did Kant think about the criterion of justifiedness?

What are some arguments supporting moral particularism?

What are some arguments against moral particularism?

What do you think about the epistemic value of mystical experience?

What did Hegel think about Agrippa's philosophy?

What did Husserl think about Agrippa's philosophy?

What did Kant think about Agrippa's philosophy?

What did Heidegger think about Agrippa's philosophy?

What do you think about Aenesidemus' philosophy?

What do you think about the metaphysics of modality?

What are some arguments supporting conceptualist realism?

What are some arguments against conceptualist realism?

What would Frege likely think about Covid19?

What would the prophet Muhammad (peace be upon him) likely think about Covid19?

What would Buckminster Fuller likely think about Covid19?

What would the Buddha likely think about Covid19?

What would Hegel likely think about Covid19?

What would Whitehead likely think about Covid19?

What would Heidegger likely think about Covid19?

What is the future of virucidal medications?

What did Husserl think about profound philosophical skepticism?

What did Spinoza think about profound philosophical skepticism?

What did Heidegger think about profound philosophical skepticism?

What did Hegel think about profound philosophical skepticism?

What did Aristotle think about profound philosophical skepticism?

What did Kant think about profound philosophical skepticism?

What are some arguments in favor of profound philosophical skepticism?

Can quantifiers be applied to objects in the imagination?

What would Kant likely think about ethical intuitionism?

What do you think about ethical intuitionism?

What does Hegel think about the ontology of necessary propositions?

What does Kant think about the ontology of necessary propositions?

What does Nietzsche think about the ontology of necessary propositions?

What does Husserl think about the ontology of necessary propositions?

What does Heidegger think about the ontology of necessary propositions?

How can model theory be applied to possible world semantics?

How can group theory be applied to possible world semantics?

How can lattice theory be applied to possible world semantics?

What would George Berkeley likely think about interpretations of quantum mechanics?

Is there an objective phenomenology associated with the scientific method?

What are some arguments against truthmaker theory?

How do ontological dependence and part-whole relations relate to animism?

How do ontological dependence and part-whole relations relate to the hard problem of consciousness?

How do ontological dependence and part-whole relations relate to qualia?

What did Bergson think about propositional attitudes?

What did Leibniz think about propositional attitudes?

What did Kant think about propositional attitudes?

What did Husserl think about propositional attitudes?

How do propositional attitudes relate to emotivism?

How does paraconsistent logic address the ship of Theseus?

How does paraconsistent logic address the Sorites paradox?

How do the semantics of natural language influence language poetry?

If God is a nonexistent object, does God exist within possible world theory?

What do mereological nihilists think about set-theoretic realism?

How does set-theoretic realism relate to mereological holism?

How does set-theoretic realism relate to mereological essentialism?

What would Plato likely think about Penelope Maddy's argument that sets can be causally efficacious, and in fact share all the causal and spatiotemporal properties of their elements?

What would Aristotle likely think about Penelope Maddy's argument that sets can be causally efficacious, and in fact share all the causal and spatiotemporal properties of their elements?

What would Frege likely think about Penelope Maddy's argument that "sets can be causally efficacious, and in fact share all the causal and spatiotemporal properties of their elements?"

What do you think about Penelope Maddy's argument "that sets can be causally efficacious, and in fact share all the causal and spatiotemporal properties of their elements"?

What do you think about Lycan's homuncular functionalism?

What would Hegel likely think about generative linguistics?

What would Kant likely think about generative linguistics?

What would Wittgenstein likely think about generative linguistics?

How does psychophysical identity relate to the perception of universals?

Can you summarize Jaegwon Kim's philosophy in one sentence?

What are some arguments against Hawthorne's subject-sensitive invariantism?

What would Husserl likely think about Gadamer's hermeneutics?

What would Spinoza likely think about Gadamer's hermeneutics?

What would Kant likely think about Gadamer's hermeneutics?

What would Heidegger likely think about Gadamer's hermeneutics?

Why is the ontology of relations the way that it is?

What did Whitehead think about the phenomenology of synthetic a priori knowledge?

What did Husserl think about the phenomenology of synthetic a priori knowledge?

What did Hegel think about the phenomenology of synthetic a priori knowledge?

What did Heidegger think about the phenomenology of synthetic a priori knowledge?

What is a Buddhist interpretation of Thomism?

What is a gnostic interpretation of Thomism?

What is a psychophysical interpretation of group theory?

What is a psychophysical interpretation of paraconsistent logic?

What are the best arguments against ontological univocity?

What do you think about ontological univocity?

How would you summarize Deleuze's anti-Oedipus in a sentence?

How would you summarize Deleuze's anti-Oedipus in a haiku?

What are the best arguments supporting Deleuze's transcendental empiricism?

What are the best arguments against Deleuze's transcendental empiricism?

What do mathematical anti-realists think about mereological essentialism?

Do non-human animals perceive aesthetic knowledge?

How do non-human animals perceive epistemic knowledge?

What would Hegel likely think about the philosophical position of actualism?

What would Kant likely think about the philosophical position of actualism?

What would Heidegger likely think about the philosophical position of actualism?

What are the best arguments against actualism?

How does the analytical hierarchy relate to ontology?

If Nietzsche was a logician, how would his work be different?

Can formal semantics be applied to the experience of qualia?

Can formal semantics be applied to phenomenology?

How does paraconsistent logic relate to theology?

How can semantic tableaux be applied to game theory?

How can semantic tableaux be applied to computer science?

How can game theory be applied to Google Search?

How can game theory be applied to YouTube?

What does David Chalmers think about game theory?

How can game theory be applied to Quora?

What does David Chalmers think about temporal logic?

What does David Chalmers think about dynamic logic?

Can substructural proof theory be applied to Meinong's jungle?

Can generalized quantifiers be applied to Meinong's jungle?

What did Bertrand Russell think about ultrafinitism?

What did Aristotle think about ultrafinitism?

What would Heidegger likely think about ultrafinitism?

What would Hegel likely think about ultrafinitism?

What would Kant likely think about ultrafinitism?

Why shouldn't one be a strict finitist?

Why should one be a strict finitist?

Why isn't truth syntactico-semantic?

Why is truth syntactico-semantic?

What are some arguments supporting the proposition that philosophy is the ultimate aesthetic movement?

What are some arguments against the proposition that philosophy is the ultimate aesthetic movement?

Is Benacerraf's identification problem ontologically dependent on the correspondence theory of truth?

What are some arguments against Benacerraf's identification problem?

What is a panpsychic interpretation of constructive mathematics?

What did Heidegger think about lattice theory?

What would Whitehead likely think about lattice theory?

What is a Hegelian interpretation of lattice theory?

What is a Kantian interpretation of lattice theory?

What is a Hegelian interpretation of temporal logic?

What is a Kantian interpretation of temporal logic?

What would Heidegger likely think about temporal logic?

What would Whitehead likely think about infinitesimal analysis?

What is a Heidegger interpretation of infinitesimal analysis?

What is a Hegelian interpretation of infinitesimal analysis?

What is a Kantian interpretation of infinitesimal analysis?

What would Leibniz likely think about infinitesimal analysis?

What is the phenomenological meaning of isomorphism?

What is the ontological meaning of isomorphism?

Why should one be a Platonist about logic according to Alan Ross?

Why should one be a Platonist about logic?

What would Hobbes likely think about the Baha'is?

What would Locke likely think about the Baha'is?

What would Plato likely think about the Baha'is?

What would Socrates likely think about the Baha'is?

What did Heidegger think about the Baha'is?

What would Hegel likely think about the Baha'is?

What would Kant likely think about the Baha'is?

Do words truly represent meaning according to philosophers?

What are the rules of meaning according to surrealists?

What are the rules of meaning according to 'pataphysics?

What did Wittgenstein likely think about categorical grammar?

What would Heidegger likely think about categorical grammar?

What would Husserl likely think about categorical grammar?

How does group theory relate to deviant logic?

How does group theory relate to alethic logic?

How does group theory relate to modal logic?

Why do universal properties exist according to Peter Abelard?

How would you write code for a program that argued against any known philosophical position via infinitary logic/many-valued logic?

What do you think about anarcho-theology?

What is the relation between proof theory and modal logic?

What is the relation between proof theory and modal realism?

Does epistemology have boundaries?

Do aesthetics have boundaries?

Does ontology have boundaries?

Does metaphysics have boundaries?

What's beyond the boundaries of philosophy?

What would Hegel likely think about primal scream therapy?

What would Kant likely think about primal scream therapy?

What would Husserl likely think about primal scream therapy?

What would Heidegger likely think about primal scream therapy?

What do philosophers think about primal scream therapy?

Is there such a philosophical concept as the binding problem of neural substrates in mental health?

What would Husserl likely think about Merleau-Ponty's concept of embodiment?

What did Heidegger think about Merleau-Ponty's concept of embodiment?

What did Lacan think about Merleau-Ponty's concept of embodiment?

If there was a genome link for all souls (incorporeal, platonic essences of every person), what would it resemble?

Can surrealism be formalized?

Can 'pataphysics' be formalized?

What is a political philosophy perspective on "panarchy"?

Are there any video games that involve GPT3?

Would you eat juniper berry flavored pudding?

Would you eat juniper berry-flavored chips?

Can universals be photographed by a quantum camera according to philosophers?

How does Nietzsche's Dionysus-Apollo dialectic relate to psychodynamic theory?

What is a gnostic interpretation of the Kabbalah?

What is a polytheist Kabbalah?

Can one be a relativist when it comes to set theory?

What is monism vs. pluralism when it comes to set theory according to Badiou?

Would you play a new word game where you have to think of an aphorism before the clock runs out?

What was it like before phenomenology existed according to Socrates?

What was it like before phenomenology existed according to Kant?

What was it like before phenomenology existed according to Husserl?

Can topology be applied to Rudy Rucker's "Mindscape"?

What's the mereology associated with an anti-de Sitter space universe?

What's the mereology associated with a sempiternal universe?

What would Plato likely think about Meinong's jungle?

What would Bertrand Russell likely think about Meinong's jungle?

What would Socrates likely think about Meinong's jungle?

What would Hegel likely think about Meinong's jungle?

What would Heidegger likely think about Meinong's jungle?

What would Kant likely think about Meinong's jungle?

What do you think about Meinongianism?

How can AI generate the set of all encyclopedias?

What would Heidegger likely think about Kraeplin's philosophy?

What would Aristotle likely think about Kraeplin's philosophy?

What would Socrates likely think about Kraeplin's philosophy?

What would Plato likely think about Kraeplin's philosophy?

What would Socrates likely think about "early psychosis intervention"?

What would Aristotle likely think about "early psychosis intervention"?

What would Husserl likely think about "early psychosis intervention"?

What would Heidegger likely think about "early psychosis intervention"?

What would Plato likely think about "early psychosis intervention"?

How are the Hindu holy books different in other possible worlds?

How is Finnegans Wake fundamentally different in other possible worlds?

How is the Quran fundamentally different in other possible worlds?

How is Quora fundamentally different in other possible worlds?

How is the Bible fundamentally different in other possible worlds?

What are some philosophical perspectives regarding the Akashic records?

What do gnostics think about cosmogonic philosophy?

What did Socrates think about cosmogonic philosophy?

What did Heidegger think about cosmogonic philosophy?

What did Hegel think about cosmogonic philosophy?

What are some examples of cosmogonic philosophy?

What would Plato likely think about psychophysics?

What would Socrates likely think about psychophysics?

How do logograms relate to surrealist poetry?

How do logograms relate to creative writing?

What is the difference between parapsychic philosophy and panpsychic philosophy?

Does the Platonic form of absolute evil exist according to Plato?

What would Socrates likely think about the psychiatric concept of autistic thinking?

What would Hegel likely think about the psychiatric concept of autistic thinking?

What would Aristotle likely think about the psychiatric concept of autistic thinking?

What would Hegel likely think about the psychiatric concept of magical thinking?

What would Kant likely think about the psychiatric concept of magical thinking?

What would Husserl likely think about the psychiatric concept of magical thinking?

What would Heidegger likely think about the psychiatric concept of magical thinking?

What would Aristotle likely think about the psychiatric concept of magical thinking?

What is emotionology according to Derrida?

What is emotionology according to Lacan?

What caused the first emotion according to Freud?

What caused all possible emotions to evolve according to evolutionary psychiatry?

What caused all possible emotions to evolve?

What are all the possible positions regarding mind-body philosophy?

What is a Bohmian interpretation of Sikhism?

What is a Bohmian interpretation of Buddhism?

What is a Bohmian interpretation of Hinduism?

What do Sikhs think about Rimbaud?

What do Hindus think about Rimbaud?

What do Buddhists think about Rimbaud?

What do Buddhists think about posthumanism?

What do Buddhists think about the technology singularity?

What do Sikhs think about consumerism?

What do Hindus think about consumerism?

What do Buddhists think about Carl Jung?

What do Hindus think about Carl Jung?

What do Buddhists think about subliminal messages?

What do Sikhs think about subliminal messages?

What do Hindus think about subliminal messages?

Can mathematical truths change?

Can mathematical truths change according to Cratylism?

Will mathematics be radically different in the far future?

What transcends surrealism?

Which surrealist art describes the singularity?

What is the most 'pataphysical radio station ever?

What did James Joyce think about Esperanto?

What is the most 'pataphysical' play ever?

What would Kant likely think about ecological phenomenology?

What would Heidegger likely think about ecological phenomenology?

Is there any philosophical perspective on astrobiology?

What do you think about astrobiology?

How do you regard Kraepelin as a philosopher?

If you could ask Lord Ganesh anything, what would you ask?

If you could ask Shiva anything, what would you ask?

Do insects have their own sultans?

What is the most unusual position regarding quantum theory philosophically?

What did Andre Breton think about Spinoza?

What did Andre Breton think about Aristotle?

What did Andre Breton think about Heidegger?

What did Andre Breton think about Husserl?

What did Andre Breton think about Hegel?

What did Andre Breton think about Fichte?

What did Andre Breton think about Kant?

What are the neurotransmitters associated with writing surrealist poems?

What are the neurotransmitters associated with atheist beliefs?

What are the neurotransmitters associated with synesthesia?

What did Plato think about psychosis?

What did Socrates think about psychosis?

What did Socrates think about trauma?

What is a Kantian interpretation of trauma?

What is a Hegelian interpretation of trauma?

What is the sociological meaning of existential anxiety?

What is the sociological meaning of existential angst?

What do you think is the ontological meaning of existential angst?

What do you think is the ontological meaning of existential anxiety?

What did Hegel think about the theory of descriptions?

What did Kant think about the theory of descriptions?

What did Heidegger think about the theory of descriptions?

What is a hybrid between jazz and wordplay?

What kind of qualia is associated with chess?

What is the phenomenology of chess according to Husserl?

What is the phenomenology of chess?

Would you drink BLT flavored hot soup to go?

Would you eat BLT-flavored pizza?

Does the subliminal mind intuitively know infinity?

Is there a fundamental difference between ontology and metaphysics?

How does process theology relate to atheistic phenomenology?

What is an ethological interpretation of J.S. Mills' philosophy?

What is an ethological interpretation of Sartre's philosophy?

What is an etiological interpretation of Locke's philosophy?

What is an ethological interpretation of Hobbes' philosophy?

What is an ethological interpretation of Plato's Republic?

What would Hegel likely think about synesthesia?

What would Heidegger likely think about synesthesia?

What would Kant likely think about synesthesia?

What would Husserl likely think about synesthesia?

What did the philosopher David Lewis think about the concept of psychosis?

What is the ontology of schizophrenia according to Hegel?

What is the ontology of schizophrenia according to Plato?

What is the ontology of schizophrenia according to Kant?

What is the ontology of schizophrenia according to Socrates?

What is the ontology of schizophrenia according to Heidegger?

What is the ontology of schizophrenia according to Deleuze/Guattari?

What would Descartes likely think about the concept of creativity?

What would Hegel likely think about the concept of creativity?

What would Husserl likely think about the concept of creativity?

What would Kant likely think about the concept of creativity?

What would Heidegger likely think about the concept of creativity?

Is there such a thing as panpsychic apologetics?

Is there such a thing as panpsychic nominalism?

What are the neural correlates associated with panpsychism according to David Chalmers?

What are the neural correlates associated with panpsychism?

What are the neural correlates associated with Marxist beliefs?

What are the neural correlates associated with surrealism?

What if Plato was a superhero?

What if Socrates was a superhero?

What if de Beauvoir was a superhero?

What if Hegel was a superhero?

What if Kant was a superhero?

What if Heidegger was a superhero?

What is a quantum mechanical perspective on animism?

What is a quantum mechanical perspective on semantics?

What are quantum mechanical perspectives on linguistics?

What is a quantum mechanical perspective on semiotics?

Is there any surrealist art that depicts the Andromeda Galaxy?

Is there any surrealist art that depicts the Milky Way?

Is there any surrealist art that describes Spinoza's philosophy?

Is there any surrealist art that describes Schopenhauer's philosophy?

Is there any surrealist art that describes Fichte's philosophy?

Is there any surrealist art that describes Socrates' philosophy?

Is there any surrealist art that describes Plato's philosophy?

Is there any surrealist art that describes Kant's philosophy?

Is there any surrealist art that describes Heidegger's philosophy?

Does David Malet Armstrong have any philosophical thoughts on transhumanism?

Does Daniel Dennett have any philosophical thoughts on transhumanism?

Does Peter Singer have any arguments on transhumanism?

What would Kant likely think about Freud's Totem and Taboo?

What would Heidegger likely think about Freud's Totem and Taboo?

What would Aristotle likely think about Freud's Totem and Taboo?

What are some transhumanist perspectives regarding Confucianism?

Would you try pizza-flavored chapstick?

Would you try cheeseburger flavored chapstick?

Would you try cheeseburger flavored noodles?

Would you chew cheeseburger flavored chewing gum?

What is post-epistemology?

What is post-metaphysics?

What are some examples of metaphysical non-cognitivism?

What are some examples of epistemological non-cognitivism?

What is an ornithological interpretation of a schizotypal personality?

What is an ornithological interpretation of personality disorders?

What is an ornithological interpretation of Dada?

What is an ornithological interpretation of political philosophy?

Did Heidegger later regret any of his philosophical beliefs?

Did Kant later regret any of his philosophical beliefs?

Did Nietzsche later regret any of his philosophical beliefs?

Is there a connection between astronomy and Hinduism?

Is there a connection between astrophysics and Hinduism?

Is there a connection between astronomy and Buddhism?

What would Heidegger likely think about modern astronomy?

What would Hegel likely think about modern astronomy?

What would Kant likely think about modern astronomy?

Would you eat BLT-flavored noodles?

Would you eat BLT-flavored chips?

What would Spinoza likely think about Dawkins?

What would Hegel likely think about Dawkins?

What would Kant likely think about Dawkins?

What would Heidegger likely think about Dawkins?

What is a Sikh interpretation of Bakunin's philosophy?

What is a Jainistic interpretation of Bakunin's philosophy?

What do Hindus think about Bakunin?

What do Hindus think about the Bolshevik Revolution?

What do Hindus think about Trotsky?

What do ecologists think about Whitehead's philosophy?

What would a minesweeper-Scrabble hybrid new game resemble?

What would Whitehead likely think about surrealist poetry?

What would Heidegger likely think about surrealist poetry?

What would Hegel likely think about surrealist poetry?

What would Kant likely think about surrealist poetry?

Would you eat a watermelon flavored cup of noodles?

Would you eat a pomegranate flavored cup of noodles?

Would you eat a dragon fruit flavored cup of noodles?

Would you eat a Raspberry flavored cup of noodles?

Would you eat a blueberry flavored cup of noodles?

Would you eat a Saskatoon berry flavored cup of noodles?

Would you eat Saskatoon berry flavored bread?

Which radio stations only incorporate Dada music?

Which radio stations only incorporate surrealist music?

How would Buddhism be different if it started today?

What is a zoological interpretation of Kant's transcendental idealism?

What do solipsists think about Kant's transcendental idealism?

When does ontological commitment necessitate the existence of an entity?

Did Neoplatonism heavily influence Buddhism?

Did Neo-Platonism heavily influence Islam?

Did Neoplatonism heavily influence Sikhism?

Did Neoplatonism heavily influence Hinduism?

Why did Neoplatonism heavily influence Christianity?

What do theists think about Christian materialism?

What do you think about Christian materialism?

What do you think about theological positivism?

Which radio stations only incorporate AI generated music?

What is an ontological perspective on anti-ontology?

Would you eat Saskatoon berry-flavored bagels?

Would you eat Saskatoon berry flavored canned soup?

What do ontologists think about Meinong's jungle?

What do astronomers think about David Chalmers' panpsychism?

What do astronomers think about panpsychism?

What causes bearers of truth to exist ontologically?

What do psychoanalysts think about Whitehead's philosophy?

What do psychoanalysts think about Hegel's philosophy?

What do psychoanalysts think about Spinoza's philosophy?

What do psychoanalysts think about Kant's philosophy?

What is the first mode according to Spinoza?

Does the analytic-synthetic distinction truly exist in an eternalist/block universe?

Is many-valued logic essential to psychiatric statements?

What do Hindus think about Lenin?

Would you eat BLT-flavored canned soup?

Would you eat a BLT flavored bread slice?

Would you eat cranberry sauce flavored canned soup?

What causes properties and relations to exist according to Spinoza?

What causes properties and relations to exist according to Hegel?

What causes properties and relations to exist according to Kant?

What causes properties and relations to exist according to Aristotle?

What causes properties and relations to exist according to Plato?

Why are higher-order logics ontologically committed to Platonism?

What do alethic logicians think about modal realism?

How does deviant logic relate to modal logic?

What would Frege likely think about model theory?

What do you think about "meta-mereology"?

Is there such a concept as "meta-mereology"?

Can one be a nihilist about meta-epistemology?

Can one be a nihilist about meta-aesthetics?

Can one be a nihilist about meta-logic?

Is it possible that logical soundness doesn't exist?

Is it possible that logical validity doesn't exist?

What do ontologists think about Heidegger?

Why do concepts of logical truth only address the correspondence theory of truth?

What is an Eastern philosophical perspective on the laws of thought?

What did Whitehead think about Buddhism?

What did Bertrand Russell think about Buddhism?

What do metaphysicians think about claims that metaphysics doesn't exist?

What do modal realists think about the imagination?

How does meta logic relate to modal realism?

Do the aesthetics of music change every time a quantum mind perceives it?

What did Nietzsche think about the concept of a lemniscate?

What would Heidegger likely think about David Chalmers panpsychic philosophy?

What would Kant likely think about David Chalmers panpsychic philosophy?

What would Spinoza likely think about David Chalmers panpsychic philosophy?

What would Hegel likely think about David Chalmers panpsychic philosophy?

What would Socrates likely think about David Chalmers panpsychic philosophy?

What would Aristotle likely think about David Chalmers' panpsychic philosophy?

What would Plato likely think about David Chalmers panpsychic philosophy?

What do Marxists think about neurophilosophy?

What would a chess-hide and go seek game hybrid resemble?

What would a hybrid between a bannock pizza and a burger resemble?

Can one create a wetware brain with an advanced version of GPT3 installed in it?

What is an ornithological interpretation of surrealism?

What is an ornithological interpretation of astronomy?

What is an ornithological interpretation of hedonism?

Is there such a thing as blueberry bacon (blueberries lightly grilled upon a slab of butter/margarine, a bacon slice and cinnamon upon a bannock sliced like a bagel slice)?

Can one be a metaphysical non-cognitivist?

Can one be an ontological non-cognitivist?

What would it be like if ethics had axioms similar to the ZF axioms?

What would it be like if aesthetics had axioms similar to the ZF axioms?

What are the ontological statuses of aesthetic values?

What are the ontological statuses of moral values?

Are the amounts of kinds of ontology uncountably infinite because each new ontology is within Cantor's transfinite numbers?

What do you think about Platonic animism?

Where did Aristotle think moral knowledge came from?

Is the ontology of axiology always within the framework of panpsychism?

What is more important to transhumanist existence, knowing (epistemology) or being (ontology)?

Are all aesthetic objects necessarily spatiotemporal?

Would you play a new word game where you have to create the rarest association for a chosen set of words?

What would an electric violin-guitar hybrid sound like?

What would an electric xylophone guitar sound like?

What would an electric guitar-saxophone hybrid likely sound like?

How was philology a component of Nietzsche's philosophy?

What did the Buddha think about Confucianism?

What would Aristotle likely think about Confucianism?

What did Whitehead think about Confucianism?

What do you think about the argument ("1. Everything that begins to exist can only be perceived mentally 2. The mind began to exist 3. Everything we can perceive is within the boundaries of sentience 4. Therefore panpsychism is a necessary truth?)

What did Hegel think about Confucianism?

What did Spinoza think about Confucianism?

What would Kant likely think about Confucianism?

What would Carnap likely think about anti-positivism?

What do you think about polydeism?

Can one be solipsistic about solipsism?

What do you think about linguistic determinism?

What did Heidegger think about Hinduism?

What did Heidegger think about Buddhism?

What did Hobbes think about Hinduism?

What did Hobbes think about Buddhism?

What did Spinoza think about Buddhism?

What did Locke think about Hinduism?

If Socrates was born in a Native American tribe, how would his philosophy be different?

If Aristotle was born in a Native American tribe, how would his philosophy be different?

If Spinoza was born in a Native American tribe, how would his philosophy be different?

If Hegel was born in a Native American tribe, how would his philosophy be different?

If Kant was born in a Native American tribe, how would his philosophy be different?

How can one mechanistically build a flying broom one rides on?

Is there any surrealist art that describes the transcendence of the body?

What's it like being an ontological nihilist?

Can one be an ontological nihilist?

What do nominalists think about atomism?

What do nominalists think about the existence of Schrodinger's cat?

What do nominalists think about the existence of eigenvalues?

Can Platonic idealism be compatible with natural realism?

Is being an antirealist about antirealism a paradox?

Can one be an antirealist about antirealism?

What is a quantum mechanical perspective on physicalism?

What is a quantum mechanical perspective on materialism?

What are some gnostic perspectives about ecology?

What are some gnostic perspectives about wordplay?

What are some gnostic perspectives about psychiatry?

Can existentialism and fundamentalism be compatible?

Can one be a skeptic about the existence of existence?

What is a gnostic interpretation of biogenetics?

What is spacial experience without ontology according to Husserl?

What's it like being an ontological monist?

If Plato debated Trump, who would win?

If Plato debated Biden, who would win?

If Machiavelli debated Biden, who would win?

If Machiavelli debated Trump, who would win?

If Kant debated Trump, who would win?

If Kant debated Biden, who would win?

If Hegel debated Biden, who would win?

If Hegel debated Trump, who would win?

If Socrates debated Trump, who would win?

If Socrates debated Joe Biden, who would win?

How would Quora be different if it had infinite categories based on readable portions of the Library of Babel?

Would you play a new word game where you have to think of a set number of neologisms with only a given number of words/letters in a minute?

What do atheists think about fundamentalist atheism?

What's it like to be a fundamentalist atheist?

What are some anti-theist superheroes?

What are some Native American superheroes?

What do atheists think about Whitehead's process theology?

Do you think in the future shape-shifting may become possible via morphological freedom?

What are the neural correlates associated with being a Buddhist?

What are the neural correlates associated with atheist belief?

What do Hindus think about contemporary neuroscience?

What did Kant think about Christian apologetics?

What did Heidegger think about Christian apologetics?

What would Descartes likely think about the psychological concept of emotional intelligence?

What would Heidegger likely think about the psychological concept of emotional intelligence?

What would Hegel likely think about the psychological concept of emotional intelligence?

What would Whitehead likely think about the psychological concept of emotional intelligence?

What would Kant likely think about the psychological concept of emotional intelligence?

What would Husserl likely think about the psychological concept of emotional intelligence?

What are some phenomenological perspectives regarding emotional intelligence?

Is theosophy a gnostic philosophy?

What is a gnostic perspective regarding transcendentalism?

What would Spinoza likely think about new atheism?

What would Descartes likely think about new atheism?

What would Hegel likely think about new atheism?

What would Aristotle likely think about new atheism?

What would Plato likely think about new atheism?

What would Rousseau likely think about new atheism?

What would Rousseau likely think about secular humanism?

What would Hobbes likely think about secular humanism?

What would Aristotle likely think about secular humanism?

What would John Locke likely think about secular humanism?

What would Kant likely think about Christian humanism?

What do you think about Christian humanism?

What would a minesweeper-chess new game hybrid resemble?

Is the prefrontal cortex related to the phenomenology of schizophrenia?

Is dopamine essential to the phenomenology of schizophrenia?

Are there any popular examples of contemporary scat music?

What is Hindu Gnosticism?

What is Hindu existentialism?

What would Kropotkin likely think about secular humanism?

What would Kropotkin likely think about contemporary American politics?

What would Kropotkin likely think about new atheism?

Would you play a new word game where you have to write a 5 word poem by genre before the clock runs out against competitors around the world?

What are some philosophical perspectives regarding ADHD?

What is a phenomenological interpretation of ADHD?

What is a gnostic perspective regarding ADHD?

What do you think about Spinoza's pantheism?

Can thermal body heat charged for as long as a week power an adapter for a laptop instead of a computer cord?

What is the philosophical history of absolute idealism in one sentence?

What is the philosophical history of qualia in one sentence?

What is the philosophical history of animism in one sentence?

Can you summarize secular humanism in one sentence?

What is a quantum mechanical perspective regarding qualia?

What is the most mysterious jazz song?

How does Hegel's absolute idealism relate to solipsism?

What are the best arguments against interactionist dualism?

What are the best arguments for interactionist dualism?

How does Godel's incompleteness theorems relate to Tegmark's mathematical universe hypothesis?

What would a chess-Scrabble hybrid new game resemble?

Which word games utilize the Library of Babel?

What is an ethological interpretation of cultural hegemony?

What is a phenomenological interpretation of creativity?

What is a phenomenological perspective regarding class consciousness?

What is a transhumanist interpretation of class consciousness?

Why does the category of being exist according to philosophers?

If a priori and a posteriori knowledge never existed, what would epistemology be like?

If a priori and a posteriori knowledge never existed, what would sociology be like?

If a priori and a posteriori knowledge never existed, what would phenomenology be like according to Kant?

If a priori and a posteriori knowledge never existed, what would phenomenology be like?

What are some gnostic perspectives about humanism?

What did Whitehead think about process theology?

What is a gnostic perspective about dharmism?

What did Kant think about Spinoza's pantheism?

What would Socrates likely think about Spinoza's pantheism?

What would Plato likely think about Spinoza's pantheism?

What would Aristotle likely think about Spinoza's pantheism?

What were Aristotle's archetypes according to Carl Jung?

What were Plato's archetypes according to Carl Jung?

What were Socrates' archetypes according to Carl Jung?

What do you think about moral pluralism?

What do you think about moral monism?

What did Schopenhauer think about Spinoza's pantheism?

What do nominalists think about structuralism?

What do nominalists think about moral realism?

What do nominalists think about functionalism?

What is a non-cognitivist interpretation of hedonistic materialism?

What did Husserl think about the theory of descriptions?

What is a quantum mechanical perspective regarding the philosophical position of disjunctivism?

What are some arguments against the verification principle in epistemology?

What would Hegel likely think about symbiosism?

What would Kant likely think about symbiosisism?

What is a Kantian perspective regarding evolutionary psychiatry?

What is a Hegelian perspective regarding evolutionary psychiatry?

What is a Hegelian perspective regarding quietism?

What is a Kantian perspective regarding quietism?

What would Husserl likely think about the descriptivist theory of names?

What would Kant likely think about the study of dramatism?

Can one be a non-cognitivist about the meaning of psychiatry?

What is a Gnostic interpretation of emanationism?

What do you think about emanationism?

Can Boolean logic be applied to quantum entanglement within numerous worlds?

Is dialetheism the Taoism of logic?

Is dialetheism the Daoism of logic?

How does embodied cognition relate to materialism?

How does embodied cognition relate to evolutionary psychiatry?

What is a Whitehead interpretation of the Tractatus?

What would Husserl likely think about the Tractatus?

What is a Hegelian interpretation of the Tractatus?

What is a Kantian interpretation of the Tractatus?

What is a Freudian interpretation of the Tractatus?

What is a Meinongian interpretation of the Tractatus?

What did Whitehead think about Freud?

What would Husserl likely think about Freud's philosophy?

What did David Lewis think about Freud's philosophy?

What would Schelling likely think about Freud's philosophy?

What would Hegel likely think about Freud's philosophy?

What would Nietzsche likely think about Freud's philosophy?

What did Heidegger think about Freud's philosophy?

What is a psychoanalytic interpretation of a schizotypal personality?

How does psychoanalytic theory interpret the meaning of psychosis?

What would Locke likely think about coherentism?

What would Hegel likely think about coherentism?

What would Heidegger likely think about coherentism?

What would Kant likely think about coherentism?

What would Rousseau likely think about reliabilism?

What would Hegel likely think about reliabilism?

What would Kant likely think about reliabilism?

What would Spinoza likely think about fallibilism?

What would Locke likely think about fallibilism?

What would Kant likely think about fallibilism?

What did Hegel think about infinitism?

What did Leibniz think about infinitism?

What would Marx likely think about human immortality?

What would Lenin likely think about human immortality?

What would Trotsky likely think about human immortality?

What would Thomas Hobbes likely think about human immortality?

What would Locke likely think about human immortality?

What would Rousseau likely think about human immortality?

What is a Kantian transcendental idealist perspective about infinitism?

Is all science based on mereological holism?

What are some indigenous people's perspectives regarding Kant's transcendental idealism?

What is the ontology of a surrealist number according to philosophers?

Why was Hegel a Neo-Platonist?

What would Parmenides likely think about string theory?

What would Thales likely think about string theory?

What would R.G. Collingwood likely think about string theory?

What would Democritus likely think about string theory?

What do anti-materialists/anti-physicalists think about atomic theory?

What would Derrida likely think about science fiction?

What did Foucault think about science fiction?

What would Plato likely think about science fiction?

What would Rousseau likely think about science fiction?

What would Locke likely think about science fiction?

What did Rousseau think about feudalism?

What did Derrida think about feudalism?

What did Schopenhauer think about feudalism?

What did Heidegger think about feudalism?

What did Schelling think about feudalism?

What did Hegel think about feudalism?

What did Locke think about feudalism?

What did Kant think about feudalism?

What's it like being an agnostic theist?

What is a quantum mechanical interpretation of potentialism?

What does Heidegger think about intersubjectivity?

What does Zizek think about intersubjectivity?

What does Badiou think about intersubjectivity?

What would a hybrid between David Lewis and Heidegger's philosophy resemble?

How did Husserl relate ethics to intersubjectivity?

How did Heidegger relate ethics to intersubjectivity?

Is there such a thing as multidimensional phenomenology?

Is there such a thing as multidimensional qualia?

What is the relation between probabilistic logic and modal realism?

What did Michael Dummett think about probabilistic logic?

Is there such a thing as mind-independent axiology according to philosophers?

Is there an ontological difference between speaking and merely thinking a thought?

Can topology be applied at the transfinite end of the infinitesimals on the number line?

What kind of ontology is the absolute infinitesimal?

Are there video games where the goal of the game is hide-and-go-seek on a 3D globe of the world?

How fast do the parts of ourselves change according to psychophysical calculus?

Are there possible worlds where hard determinism is true according to David Lewis?

Are there possible worlds where hard determinism is true?

How does negentropy relate to resurrection?

What is a panpsychic interpretation of probability theory according to philosophers?

Can consciousness within particles be measured by an atomic brain-wave sensor installed on a cosmic universal Turing machine?

What would a universal Turing machine and a bio-GANS hybrid resemble?

Is there such a thing as "quantum anti-ontology" according to philosophers?

What is the ontology of frequentist probability?

What would Hegel likely think about the concept of thought disorder?

What would Kant likely think about the concept of thought disorder?

How is thought disorder related to the prefrontal cortex?

What would Schopenhauer likely think about the psychiatric concept of thought disorder?

What would Whitehead likely think about the psychiatric concept of thought disorder?

What would Socrates likely think about the psychiatric concept of thought disorder?

What would Wittgenstein likely think about the psychiatric concept of thought disorder?

What would Aristotle likely think about the psychiatric concept of thought disorder?

What is the relation between relationism and topology?

What is a psychophysical interpretation of Aristotle's categories?

What is a gnostic interpretation of dinosaurs?

What is a Meinongian interpretation of existential quantifiers?

What would Trotsky likely think about transhumanism?

What would Bookchin likely think about transhumanism?

What are the neural correlates associated with hyper-altruistic behavior?

What are the neural correlates associated with delusions?

What are the neural correlates associated with game theory?

How does dopamine relate to utilitarianism?

How does embodiment relate to qualia according to Merleau-Ponty?

How does embodiment relate to phenomenology according to Merleau-Ponty?

Can objects exist outside of the bounds of reality according to Frege?

Can objects exist outside of the bounds of reality according to Whitehead?

Can objects exist outside of the bounds of reality?

Do the Hindu holy books predict quantum mechanics?

Does the Bhagavad Gita contain mathematics similar to the Hilbert problems?

Does the Upanishads contain mathematics similar to the Hilbert problems?

Does the Vedas contain mathematics similar to the Hilbert problems?

Who are your favorite Christian atheists?

What kind of phenomenology do birds likely experience?

What kind of phenomenology do insects likely experience?

Do birds have their own consensus reality?

Do insects have their own consensus reality?

Do non-human animals have their own consensus reality?

In another possible world, would Atiyah's Riemann proof attempt be the verified solution?

What would Nietzsche likely think about QFT?

What is a gnostic interpretation of QFT?

What is a Hindu interpretation of QFT?

What is a Hindu interpretation of systems theory?

What is a Hindu interpretation of chaos theory?

How does sociobiology relate to eliminative materialism?

How does sociobiology relate to Whitehead's process philosophy?

How does sociobiology relate to Kant's transcendental idealism?

How does sociobiology relate to phenomenology?

What would Kant likely think about QFT?

What would Whitehead likely think about QFT?

What would Schelling likely think about QFT?

What would Hegel likely think about QFT?

Was Heidegger inspired by the Bhagavad Gita?

Was Heidegger inspired by the Upanishads?

Was Heidegger inspired by the Vedas?

What would Heidegger likely think about critical theory?

What did Heidegger think about Gnosticism?

What would Hegel likely think about the standard model of physics?

What would Kierkegaard likely think about critical theory?

What would Spinoza likely think about critical theory?

What would de Beauvoir likely think about critical theory?

What would Sartre likely think about critical theory?

What would Rousseau likely think about critical theory?

What would Thomas Hobbes likely think about critical theory?

What would Locke likely think about critical theory?

What would Socrates likely think about critical theory?

What would Plato likely think about critical theory?

What would Schopenhauer likely think about critical theory?

How does systems theory relate to renormalization theory?

Are there any relations between renormalization theory and surreal numbers?

What is the relation between the standard model and the renormalization theory?

Did the Bhagavad Gita inspire contemporary Gnosticism?

Did the Vedanta inspire contemporary Gnosticism?

Did the Vedanta inspire contemporary Marxism?

Did the Upanishads inspire contemporary Marxism?

Did the Bhagavad Gita inspire contemporary Marxism?

Did the Bhagavad Gita inspire contemporary transhumanism?

Did the Upanishads inspire contemporary transhumanism?

Did the Vedanta inspire contemporary transhumanism?

Did the Vedanta inspire Kant?

Did the Vedanta inspire Hegel?

Did the Vedanta inspire Marx?

Did the Vedanta inspire Spinoza?

Did the Vedanta inspire Aristotle?

Did the Vedanta inspire Socrates?

Did the Vedanta inspire Plato?

Did the Vedanta inspire Rousseau?

Did the Vedanta inspire Locke?

What do philosophers think about the philosophical interpretations behind Dada?

What contemporary films have existentialism as their main theme?

What contemporary films have surrealism as their main theme?

What contemporary films have 'dada' as their main theme?

How would Socrates' trial be different if it happened today?

How would science fiction be different if it was invented today?

How would gnosticism be different if it was invented today?

What are some gnostic perspectives concerning evolution?

Who are your favorite examples of transhumanist psychiatrists?

Who are your favorite examples of transhumanist psychologists?

Is transhumanism ontologically dependent on Gnosticism?

What are some gnostic perspectives regarding Freudian philosophy?

What are some gnostic perspectives regarding utilitarianism?

What are some gnostic perspectives regarding bipolar disorder?

What are some gnostic perspectives regarding autism?

What would Deleuze and Guattari likely think about transhumanism?

What does Zizek think about posthumanism?

What would Socrates likely think about anti-capitalism?

What would Plato likely think about anti-capitalism?

What would Aristotle likely think about anti-capitalism?

What do Sikhs think about anti-capitalism?

What do Hindus think about anti-capitalism?

What are the best Jainistic themed video games?

What are the best Sikh-themed video games?

What are the best Hindu-themed video games?

What do Gnostics think about false consciousness?

What are gnostic perspectives regarding the capitalist nature of TV commercials?

Are there any relations between anarchism and neuropsychology?

What do some gnostics think about the evolution of schizophrenia?

Would you drink a green tea flavored packaged milkshake?

What are some gnostic perspectives regarding meritocracy?

What are some transhumanist perspectives regarding meritocracy?

What are some economical perspectives regarding meritocracy?

What is the best antitheist themed comedy ever?

What are delusions like in insects?

What is thought disorder like in insects?

Can insects have delusions?

Can non-human animals have delusions?

What are delusions like in non-human animals?

What do Marxists think about bipolar disorder and its relation to class struggle within capitalist society?

What do Marxists think about schizophrenia and its relation to class struggle within capitalist society?

What is your favorite example of fractals within jazz music?

What is your favorite example of fractals within smooth jazz music?

What is your favorite example of fractals within classical music?

What does Daniel Dennett think about Leibniz's monads?

What does Daniel Dennett think about modal realism?

What does Daniel Dennett think about David Chalmers philosophy?

What does Daniel Dennett think about Whitehead's process philosophy?

What does Daniel Dennett think about Schelling's idealism?

What does Daniel Dennett think about absolute idealism?

What is the relation between systems theory and hedonistic calculus?

What is the relation between economics and hedonistic calculus?

What are some philosophical perspectives regarding hedonistic calculus?

What do Marxists think about hedonistic calculus?

What do you think about post-environmentalism?

What are some philosophical perspectives regarding post-environmentalism?

What is a libertarian interpretation of post-environmentalism?

What is an anarchist interpretation of post-environmentalism?

What is a Marxist interpretation of post-environmentalism?

What is a Marxist interpretation of Dada?

How will transhumanism affect the future of surrealism?

How will transhumanism affect the future of Dada?

How will transhumanism affect the future of psychiatry?

What does Mark Dunn think transhumanist psychiatry will be like?

Would you try chewing gum that tastes like pizza?

Would you try peppermint flavored cereal chunks?

Are there fallacies that haven't been discovered yet?

Do non-human animals have their own version of meritocracy?

Would you play a video game where you have to counter attack theist arguments before the clock runs out in a variety of theological situations (an atheist video game)?

What would Kant likely think about transhumanism?

What would Plato likely think about transhumanism?

What would Aristotle likely think about transhumanism?

What would Spinoza likely think about transhumanism?

What would Locke likely think about transhumanism?

What would Hobbes likely think about transhumanism?

What is a gnostic interpretation of the DSM?

What do absolute idealists think about neuroscience?

Is there any relation between knot theory and gauge theory?

What would Hegel likely think about knot theory?

What is the evolution of thought disorder?

How does cognitive anthropology relate to the evolution of psychiatry?

How does cognitive anthropology relate to the evolution of philosophy?

What would Thomas Szasz likely think about evolutionary psychiatry?

What is a solipsist perspective regarding evolutionary psychiatry?

What do solipsists think about DNA?

Can you summarize evolutionary psychiatry in one sentence?

Can infinite dimensional beings exist according to panpsychism?

Who is the most mysterious anti-theist thinker?

Who is the most mysterious Gnostic thinker?

Who is the most mysterious Jain thinker?

Who is the most mysterious Sikh thinker?

Who is the most mysterious existential thinker?

Why did karma begin to exist according to Buddhists?

Do Kierkegaard and Heidegger share a common affinity?

What did Deleuze think about Cartesian dualism?

Do Hume and Kierkegaard share any relations in philosophical thoughts?

What is a sociological interpretation of superorganisms?

Is Gaia(Earth) a superorganism?

What is the relation between the observer paradox and the anthropic principle?

What would Kant likely think about the ontological status of surreal numbers?

What is psychophysical information theory?

Can the impossibility of identity exist within Meinong's jungle?

How do Eastern philosophers interpret the analytic-continental divide?

Can theism and atheism coexist within one person?

Must one necessarily have object permanence in order to do philosophy according to Piaget?

Must one necessarily have object permanence in order to do philosophy?

Are knowledge and belief two sides of the same coin according to Kant?

Are knowledge and belief two sides of the same coin?

What did Wittgenstein think about consensus reality?

Can AI write a philosophy encyclopedia?

How do quantifiers work in paraconsistent logic?

How do Cantor's infinities relate to the existence of phenomenology?

What happens when objective art is perceived by a hyper-subjective subject?

Can one be both an aesthetic nihilist and an aesthetic objectivist?

What would Socrates likely think about mereological nihilism?

What would Aristotle likely think about mereological nihilism?

What would Heraclitus likely think about mereological nihilism?

Is there such a thing as hyper-subjective mathematics?

Would you try dragon fruit butter sauce?

Would you try pomegranate butter sauce?

Would you try guava butter sauce?

Would you try blueberry coconut butter sauce?

Are numbers both noumenal and phenomenal according to the philosophy of Kant?

Can a philosopher philosophize without ontology?

Is perception just a vague term for quantum entanglement within quantum mind theory?

What do you think about "Neo-classical logic"?

What are some contemporary examples of "Neo-classical logic"?

What does "Neo-classical logic" mean?

Would you eat candy cane-flavored sauce?

Would you eat candy cane-flavored canned soup?

Would you eat candy cane-flavored cereal?

Would you eat candy cane-flavored potato chips?

How does one express identity in 'pataphysics?

Did esoteric thought influence the development of Marxism?

Is contextuality merely a hedonistic perception?

What is the ontologization of the self?

What is the difference between Fichte and Kant's philosophy?

How reliable is our phenomenology for obtaining knowledge?

Is all knowledge ontologically dependent on symbolism?

How is phenomenology different between medieval and modern epistemologies?

Can we justify anything without resorting to mereology?

Can you summarize Schelling's philosophy in one sentence?

Does mathematics fundamentally shape our unconscious mind?

Is a beautiful object necessarily a moral object too?

Can the mind exist without being a mathematical object?

How does philosophy define "psychosis"?

How does philosophy define "apophenia"?

Can phenomenal experiences exist unperceived according to Husserl?

Can phenomenal experiences exist unperceived?

Can mathematical experiences exist unperceived?

What is a gnostic interpretation of enlightenment in Buddhism?

What are some contemporary examples of Aristotelian logic?

Which contemporary philosophers would you consider to be similar to Kierkegaard?

Is everything that we can perceive limited by the observer paradox?

Are there any contemporary examples of Socratic epistemology?

How do metaphysical naturalists approach utilitarianism?

Is multi-valued logic necessary to psychiatric diagnosis?

Can you summarize Philippa Foot's philosophy in one sentence?

Is pragmatism the tax deduction of hedons?

Does cognitive science stand at the intersection between psychiatry and phenomenology?

What kind of entity is the Higgs mechanism ontologically?

Is objectivity just a natural realist consensus reality?

Is the arithmetization of infinity evidence that metaphysics truly exists?

Would you try a new peanut butter and jelly filled patty coated in raisin bread crumbs?

Would you try peanut butter and jelly sandwich flavored chewing gum?

Has there been a philosophical tradition that was entirely poetic?

Is cause and effect intrinsic to all ways of categorizing ontology?

Can a philosophical question ever have an objective solution?

Is there a theory of knowledge that is based purely on geometry?

Is there a theory of knowledge that is based purely on mereology?

What is a monad without spacetime according to Leibniz?

Is there such a thing as oral hydration solution ice cream?

Does structuralism have a special relativity reference frame meaning?

If ontology is the study of being, what is the study of non-being?

Is there any connection between Lacan's deconstruction method and category theory?

Is there any connection between Derrida's deconstruction method and category theory?

Is the 'real world' an ontologically vague concept?

Can one have false knowledge that is still somehow true knowledge too at the same time?

What are the neural correlates associated with the flow of time according to Kant?

What would Albert Camus likely think about transhumanism?

How is Godel's incompleteness theorems different with non-ZF axiom models?

What would Husserl likely think about the concept of a psychiatric hospital?

What would Kierkegaard likely think about new atheism?

What are some examples of Sikh existentialists?

Who is the most humanistic psychiatrist in the history of psychiatry?

What do you think about the ornithological concept of owl kind?

Are universals classes according to David Lewis?

Is the collective consciousness different for every country?

Am I still the same person as I was a Planck second ago?

Is quantity an inherently metaphysical concept?

Is quantity an inherently mereological concept?

Can fuzzy logic be applied to intuitionistic logic?

Is chess a sadistic game?

Is consumerism a form of masochism?

What is the mereology of an extensionless unobserved particle?

Can an extensionless unobserved particle be sentient?

How do Neo-Hegelian ideas differ from Hegelian ideas?

How do Neo-Kantian ideas differ from Kantian ideas?

Can a conscious computer naturally possess a phenomenological philosophy?

Can one be a scientist without being a reductionist?

What are the axioms associated with philosophical progress?

Are aesthetics ontologically dependent on physics?

Can one write psychophysical equations?

If infinite regresses exist, why do infinite regresses exist ontologically?

Who was the most severe form of a skeptic in history?

What did Derrida think about the Gettier problem?

What did Lacan think about the Gettier problem?

Was Schopenhauer inspired by Machiavelli?

Was Kant inspired by Machiavelli?

Was Hegel inspired by Machiavelli?

How did Being first come to exist according to Heidegger?

How will computational ethics likely evolve in the future?

Is phenomenology intrinsic to all empiricism?

Is there such a thing as a psychiatric truth?

How does epistemology relate to evolutionary psychiatry?

Does Darwinist evolution transcend the limits of Kant's transcendental idealism?

Is functionalism a form of instrumentalism?

Are true and false statements in the natural realist environment assuming mathematical Platonism dependent on one's reference frame in special relativity?

Are tautologies brute facts?

Does the concept of falsifiability prove that empiricism truly exists?

Did Aristotle ever discuss non-Euclidean geometry?

Have there been any attempts to "rewrite" ontology and its current concepts?

Have there been any attempts to "rewrite" metaphysics and its current concepts?

Are people capable of thinking objectively randomly?

What came first, epistemology or metaphysics in human evolution?

What came first, mathematics or metaphysics?

Can Aristotle's final cause be empirically verified?

What is the ontological opposite of teleology?

Is knowledge merely ontological confirmation bias?

How does mathematical philosophy relate to autopoiesis?

Does metaphysics have an end cause according to Kant?

Does metaphysics have an end cause according to Aristotle?

Is there such a thing as non-empirical positivism?

What do philosophers think about subliminal advertising?

Are there pure metaphysically-based explanations of existence?

Are hallucinations metaphysically realist?

Are there philosophers who deny the existence of philosophy?

Is there a clear cut boundary between the philosophy of science and science?

What are some philosophical perspectives regarding the division of telomeres (aging)?

What is the ontology of quasi-existence?

Are there physicists who deny the existence of materialism?

Are there physicists who deny the existence of physicalism?

How does one apply ontological categories to non-existent entities?

Can noumena be subjective and phenomena objective?

What is a philosophical version of Wolfram Alpha?

Is reality isomorphic to a universal Turing machine?

Is there a middle ground between existing in the mind and non-physical existence?

Does claiming something doesn't exist imply that nothingness exists?

Is the justificationist theory of meaning compatible with metaphysical realism?

Can everything that exists possess axioms?

What are some works that apply surrealism to mathematics?

Is virtue necessary to achieve utilitarianism?

What kind of entity is the uncertainty principle philosophically?

What did Kant think about analytic a priori knowledge?

What is the difference between ontological knowledge and non-ontological knowledge?

What is the difference between metaphysical knowledge and non-metaphysical knowledge?

Is the question "why is there something rather than nothing" beyond the limits of metaphysics?

What do physicists think about the question, "are the ontology of numbers socially constructed or independent of the observer"?

What is a transhumanist interpretation of cosmology?

Can a nominalist believe in infinity?

Is every cosmologist a philosopher in some sense?

Is every physicist a philosopher in some sense?

Can non-logical entities be falsified?

Is philosophy itself inherently Hegelian/Daoistic, because you can't "prove" one's philosophy is more objective than another one, in an endless dialectic?

Would you eat a watermelon flavored patty?

Is justification ultimately grounded in empirical observation?

Is mereology ultimately grounded in empirical observation?

How has neuroscience characterized Kantian transcendental idealism in terms of its neural correlates?

What would Wittgenstein likely think about surrealist poetry?

Can ants experience personality disorders?

What is the neurobiology associated with creative writing?

What is schizophrenia like in non-human animals?

Would you use a variation of Quora that incorporated every English language meaningful string all from the Library of Babel as questions?

What are your favorite psychiatric philosophies?

What would a chess-Tetris hybrid game resemble?

What is the most surrealist joke ever?

What is the neuroscience behind thought disorder?

How would the Bible be different if it included a Darwinian perspective?

Who, in your opinion, is the greatest contemporary atheist philosopher?

Who, in your opinion, is the greatest agnostic ever?

If Joe Biden was a transhumanist, would your opinion change about him?

How would the Bible be different if Jesus came out as a trans woman?

How would the Bible be different if Jesus was born as a Native American?

How would the Bible be different if Jesus met Nietzsche in the Bible?

How would the Bible be different if Jesus converted to an atheist in the Bible?

What is the best atheist-themed movie ever?

What would Hegel likely think about logotherapy?

What would Husserl likely think about logotherapy?

What would Heidegger likely think about logotherapy?

What would Kant likely think about logotherapy?

What would cherry flavored butter resemble and taste like?

Can Meinong's jungle be described by geometry?

Who do you think is the greatest contemporary Islamic thinker?

Who is the greatest Sikh thinker of all time?

Who is the greatest Hindu thinker of all time?

What is the greatest example of theodical poetry of all time?

Is there a clear cut ontological boundary between quantum field theory and quantum mechanics?

Would you use a hologram keyboard?

Do Indian philosophy and Canadian philosophy share any common parallels?

What is a Sikh's perspective regarding quantum biology?

What is a Hindu's perspective about quantum biology?

What's it like being a Buddhist atheist?

What do you think about quantum Darwinism?

What is evolutionary metaphysics?

What are evolutionary aesthetics?

What are some Platonic perspectives regarding evolutionary psychiatry?

What do you think about the quantum theory of evolution?

What is a communalist interpretation of Plato's Republic?

What is an anarchist interpretation of Plato's Republic?

What do you think about anarcho-communalism?

What is the ontology of computable numbers in the philosophy of mathematics?

What is the best AI-generated film you can think of?

In the future, will Androids direct cinematography/plays?

What is the best atheist-themed play?

What is the best atheist-themed video game?

What are some arguments against anarcho-futurism?

Does nilpotency have any philosophical implications?

What would Aristotle likely think about the American Psychiatric Association?

What is a phenomenological perspective regarding wilderness therapy?

What are some philosophical perspectives regarding wilderness therapy?

What do anti-realists think about the psychiatric concept of reality testing?

What do philosophers think about reality therapy?

What is a Kantian perspective regarding psychodrama?

What is the phenomenology of psychodrama?

What is a Hegelian perspective regarding psychodrama?

Would you drink a milkshake that tastes like pizza?

What are the rarest kinds of psychotherapies?

What is a philosophical perspective regarding future-oriented therapy?

What would a wall clock that only uses transfinite numbers resemble?

What are some philosophical perspectives regarding aesthetic objectivity?

How does art therapy relate to aesthetic objectivity if such a concept exists?

What would Hegel likely think about the psychiatric survivors movement?

What would Heidegger likely think about the psychiatric survivors movement?

What would Kant likely think about the psychiatric survivors movement?

How will psychiatric medications likely evolve in the far future?

Is there such a thing as a trigonometric wall clock?

What would a wall clock that only uses infinitesimals resemble?

What would a wall clock that uses hyperreal numbers resemble?

What would Hegel likely think about unschooling?

What would Heidegger likely think about unschooling?

What would Kant likely think about unschooling?

What would a hybrid between a wall clock and an abacus resemble?

What would Heidegger likely think about the book Anti-Oedipus?

What would Hegel likely think about the book Anti-Oedipus?

What would Kant likely think about the book Anti-Oedipus?

What do evolutionary psychiatrists think about psychiatric categories?

How does evolutionary psychiatry relate to the evolution of schizophrenia?

Do mental disorders evolve over time according to evolutionary psychiatry?

How does bipolar disorder relate to psychophysical calculus?

How does consumer fetishism relate to existentialism?

Was Hegel an obscurantist?

Was Kant an obscurantist?

Was Heidegger an obscurantist?

What's a Kantian perspective regarding the libido?

What do philosophers think about the prefrontal cortex and its relation to philosophical thinking?

What is a Native American's perspective regarding existentialism?

Who are your favorite Chinese existentialists?

What is the atheist version of a sultan?

Who are your favorite Sikh existentialists?

What do Marxists think about the industrialization associated with the American Psychiatric Association?

What is the connection between the American Psychiatric Association and bureaucracy?

Would Hegel likely approve of the American Psychiatric Association?

Would Heidegger likely approve of the American Psychiatric Association?

Would Kant likely approve of the American Psychiatric Association?

Would Husserl likely approve of the American Psychiatric Association?

What did Hobbes think about meritocracy?

What did John Stuart Mill think about meritocracy?

What did Locke think about meritocracy?

What did Kant think about meritocracy?

What is a Marxist perspective regarding meritocracy?

What do you think about anti-environmentalism?

Who is your favorite Hindu existentialist?

What do Hindus think about anarcho-primitivism?

How does objectification relate to aesthetics?

What do moral nihilists think about moral rationalism?

What do you think about post-consumerism?

What is the relation between post-consumerism and Marxism?

What would Kant likely think about the ethical concept of radical compassion?

Would you eat apple sliced flavored pasta noodles?

Does Heidegger's concept of "thrownness" vary between non-human animals?

What does Daniel Dennett think about panpsychism?

What is the relation between aesthetic knowledge and mereological nihilism?

What is the relation between aesthetic knowledge and mereology?

Are there any relations between quantum theory and musical composing?

What are the best examples of "quantum music"?

Can society itself be schizophrenic?

What would Heidegger likely think about neuroaesthetics?

What would Kant likely think about neuroaesthetics?

What do you think about neuroaesthetics?

Can you summarize neuro epistemology in one sentence?

Are there any connections between Marxism and neuropsychology?

Are there any connections between Marxism and anti-psychiatry?

What are some gnostic perspectives regarding personality disorders?

What are some philosophical perspectives concerning epigenetics?

What did Popper think about quantum logic?

How does geometry relate to neuropsychology?

If there are no real moral facts, what about the universality of pain and suffering and our biological urge to prevent it?

Can necessary beings have accidental properties according to philosophers?

How will American politics likely change within a transhumanist/posthumanist society?

What is the relation between complexity theory and sentience?

What are the tastiest kinds of edible clothing?

Is epiphenomenalism compatible with idealism?

Can one be a nominalist about the concept of subjectivity?

Can one be a nominalist about the concept of objectivity?

What did Collingwood think about nominalism?

If Dracula was a philosopher, what would he likely teach?

How does one separate the linguistic concept of subjectivity vs. the non-linguistic concept of subjectivity?

How does one separate the linguistic concept of objectivity vs. the non-linguistic concept of objectivity?

Are there any famous philosophers from Antarctica?

What did Husserl think about theodicy?

What is a Hegelian perspective regarding theodicy?

What is a Kantian perspective regarding theodicy?

What did Hilary Putnam think about theodicy?

What did Heidegger think about theodicy?

How would a generalized number themed abacus work?

Would you eat rice pudding flavored cereal?

Are there any famous philosophers from Palau?

Are there any famous philosophers from Tuvalu?

Are there any famous philosophers from Nauru?

Would you eat a buffalo chicken soup flavored patty?

What would Charles Sanders Pierce likely think about contemporary semiotics?

How would you summarize Walter Benjamin's philosophy in one sentence?

What is a quantum mechanical perspective on acosmism?

What is a quantum mechanical perspective regarding mereological nihilism?

Are there any relations between Van Inwagen and Badiou's set theory ontology?

How does one define the undefinable according to Frege?

How does one define the undefinable according to Bertrand Russell?

Are there objects that exist without definitions according to Bertrand Russell?

Can one be both a primitivist and a futurist?

Would you try peppermint flavored sauce?

Can you sum up secular Buddhism in one quote?

Does nothingness possess any essential properties?

Would you eat a Coca-Cola flavored pancake?

Would you eat a burger-flavored pancake?

Can truth exist without any axioms whatsoever?

What are the principles of techno communalism?

What is a hybrid between Native American religions and atheism?

What's it like being a Sikh atheist?

What's it like being a Jainistic atheist?

What's it like being a Hindu atheist?

What do you like most about Hindu atheism?

Do Hegel's and Bohm's philosophical thoughts share any relation?

Do Kant's and Bohm's philosophical thoughts share any relation?

What is an anti-rationalist logician?

Can Burroughs' "cut-up technique" method be applied to jazz improvisation?

What is the rarest/most uncommon calendar calculator system?

If Tchaikovsky was resurrected, what would he likely think about AI composers?

Are there any classical music with an atheist theme?

Are there any atheist-themed folk music?

What would a hybrid between pancakes and tacos resemble?

What would an arithmetic gauge theory themed abacus resemble?

What are the relations between quantum archeology and quantum mind theory?

Can prehistory be recorded via quantum archeology?

What is the history of Taoism in one sentence?

What is the history of Daoism in one sentence?

How do transfinite ordinals relate to gauge theory?

Are there specific generalized numbers that correspond to renormalization theory concepts?

What are the connections between the renormalization theory and the fractal universe?

What are the ontological limits of renormalization theory according to the philosophy of physics?

What is the history of anthroposophy in one sentence?

What is the history of theosophy in one sentence?

What is the history of ethnomusicology in one sentence?

Are there any relations between quantum calculus and the many minds interpretation?

What are the relations between quantum calculus and the philosophy of physics?

Can infinitesimals be applied to quantum calculus?

What is a counterfactual version of the Upanishads?

What is the relation between anachronism and modal realism?

What are some examples of anachronism in surrealist poetry?

Would you use a bath towel with a thermostat built in with degrees of heat that warms the person?

Are there new kinds of logic that haven't been invented yet?

What did David Lewis think about the possibility that there are no gods in any possible worlds?

Would you eat blueberry-flavored potato chips?

Would you eat watermelon-flavored potato chips?

Would you eat s'mores flavored potato chips?

What is a Buddhist interpretation of the theological concept of "sin"?

What is a gnostic interpretation of "sin"?

Can poetry be a form of gnosis?

Can listening to music be a form of gnosis?

What would a banjo-saxophone hybrid likely sound like?

If the universe had a random button, would you click it?

Is universal time the essence of the universal mind according to panpsychism?

Would you eat a solidified edible pillow made of chocolate?

What are the most interesting facts about Rudy Rucker's mathematical philosophy?

What would it be like if the moon became schizophrenic due to animism?

Would you eat packaged cotton candy-flavored pizza?

Would you wear clothing that massages your skin via tiny suction cup nodules and a button to turn off the massaging on the clothing?

What do Marxists think about ecocentrism and its relation to class struggle?

If there was a degree in surrealism/pataphysics, would you major in it?

What does David Chalmers think about animism?

Would you try ginger ale flavored ice cream?

Would you eat ginger ale-flavored potato chips?

What are some arguments against ecocentrism?

What are some arguments in favor of ecocentrism?

If the American election was a video game, would you play it?

How does Conway's Game of Life relate to evolutionary biology?

If atheism had a prophet hypothetically, who would they be?

Can qualia be intersubjective?

If Joe Biden was an atheist/antitheist, would your opinion change about him?

Is there a sociological interpretation of Hegel's absolute idealism?

What are some examples of Buddhist humor?

What do you think is the best atheist joke of all time?

What is idealist materialism?

If Heidegger took psychedelics, would his Being and Time be fundamentally different?

If Kant took psychedelics, would his Critique of Pure Reason likely be fundamentally different?

What is a counterfactual version of the Bhagavad Gita?

Who is the Socrates of atheism?

Would you eat a ready-to-eat breakfast burrito themed cereal that has nacho chips chunks coated with scallions, egg, and precooked cheese and meat?

Who is the gadfly of Hinduism?

Who is the gadfly of Buddhism?

Who is the gadfly of atheism?

Would you eat a peppermint fudge-shaped and coated tortilla?

What would it be like if the Bolshevik Revolution took place today?

Are there any Buddhist-themed video games?

What is Islamic atheism?

What is the most unknown unknown ever?

What is post-new atheism?

What is a 'pataphysical perspective regarding Euclid's axioms?

Would you watch an atheist-themed 24-hour network TV channel that focuses on all kinds of theodicy?

What is a phenomenological perspective regarding sinology?

What are some examples of atheistic video games?

What do you think is the most imaginative video game of all time?

What is the best quote about anti-theism of all time?

What is the best quote about Hinduism of all time?

What would Hegel likely think about the many-minds interpretation?

What would Husserl likely think about the many-minds interpretation?

What would Heidegger likely think about the many-minds interpretation?

Can the many-minds interpretation be empirically verified?

What is the difference between substance and information according to philosophy?

What is the final state of metaphysics according to Heidegger?

What is the final stage of metaphysics according to Hegel?

Can one be an agnostic about Heidegger's definition of Being?

Which philosophers best opposed Heidegger?

What are the best examples of theodicy of all time?

Which philosophers best opposed Daniel Dennett?

What is an aesthetic interpretation of Egyptology?

Do ants likely think about the psychology of other ants?

Can one be an anti-realist about quantum theory?

Does mathematics have a metaphysical meaning?

What is the relation between being and meaning according to Heidegger?

Must knowledge have Being in order to have meaning according to Heidegger?

What do Buddhists think about praxeology and its relation to the concept of desire?

What are some examples of Buddhist apologetics?

Can someone have objective knowledge about nonexistent entities according to David Lewis?

What are the best arguments for anti-ontology?

Is ontology the foundation for everything that exists?

If dragons existed, what would their phenomenology likely be like according to mythology?

Who is your favorite historical cynic?

What did David Lewis think about the ontology of impossible worlds?

What if ants could experience autism?

Can one create subjective aesthetics based on objective math?

What are the aesthetics of storytelling?

Are there degrees of aesthetic value for everything that exists according to fuzzy logic?

How is your qualia affected if your body changes in a really radical way (such as having your brain transported into a new body)?

Is there a phenomenal experience associated with quantum uncertainty within the neurons?

What are some philosophical perspectives regarding the relation between gastronomy and aesthetics?

What are some interesting facts about quantum neurobiology?

Who are your favorite medieval atheist thinkers?

What would a surrealist version of Wittgenstein's Tractatus resemble?

Is psychophysical ontology still physicalism?

Are panpsychic properties necessarily material/physical properties?

What do you like most about ignosticism?

What if the language of the mind is not just computation?

What if ants could experience bipolar disorder?

What if ants could experience schizophrenia?

What is a counterfactual version of Wittgenstein's Tractatus?

What is a psychophysical interpretation of astronomy?

What are the neural correlates associated with enlightenment according to Buddhists?

Can chaos dynamics be applied to neuroscience?

What is the relation between empiricism and psychophysics?

What is the manifestation of chaotic dynamics within the mind?

What are some applications of chaos theory to psychology?

What is a psychophysical interpretation of game theory?

How would Kant's philosophy likely be different if he was born and raised in Micronesia/Polynesia?

How would Heidegger's philosophy likely be different if he was born and raised in ancient Egypt?

What would Aristotle's philosophy likely be like if he was born and raised in Micronesia/Polynesia?

What is the middle ground between metaphysics and anti- metaphysics?

What do Gnostics think about supernatural existence?

What is a hybrid between Darwinian evolution and panpsychism?

What makes an experience subjective, and is it a matter of degree?

What makes an experience objective, and is it a matter of degree?

What is the first subjective experience that ever existed?

What are some interesting facts about Gnostic Islam?

Who is Allah to a Gnostic?

What would the world be like if every historical famous person was an atheist?

Would you try a dry cereal that had tiny tacos filled with different toppings shaped as each cereal piece that you heat in the microwave?

What is your favorite atheist church?

What is the wittiest atheist punchline?

What is your favorite atheist aphorism?

Can one harvest piezoelectric energy from heartbeat vibrations to charge a laptop instead of a computer cord?

What caused the first objective experience to exist?

What do you think about anti-metaphysics?

Do Epicurus and Schopenhauer philosophically have anything in common?

What is psychophysical chaos theory?

What is psychophysical inertia?

What would Wittgenstein likely think about the Gettier problem?

Can one be an ignostic about the definition of physicalism/materialism?

Can one be a compatibilist about epistemological realism and epistemological nihilism?

Can one be a compatibilist about metaphysical realism and metaphysical nihilism?

Can one be a compatibilist about moral realism and moral nihilism?

What are the limits of higher set theory?

What are non-tautological axioms?

Is there any relation between quantum indeterminacy and the mind-body problem?

Do isomorphisms and homomorphisms have any applications in philosophy?

Can isomorphism and homomorphism be applied to metaphysics?

How would a brain transplant affect one's experience of qualia?

Are aesthetics ontologically dependent on mathematics?

If impossible worlds exist in modal realism, what caused impossible worlds to come to exist?

Is mereology inherently ontological?

Is knowledge inherently ontological?

Is quantum uncertainty an inherently metaphysical concept?

What would Popper likely think about quantum uncertainty?

Do birds likely think about the psychology of other birds?

Can geometry be true?

Are there myths where Gaia (Earth) is male?

Which philosophers best opposed Kant?

Which philosophers best opposed Hegel?

Which philosophers best opposed Nietzsche?

Which philosophers best opposed Aristotle?

Is there a clear cut ontological boundary between panpsychism and animism?

If panpsychism is true, what would that mean for sentience regarding AI?

Would you try a new chewing gum with a small amount of fluoride coated edible toothpaste in the center?

Are there any well-known Canadian anthroposophists?

Are there any well-known Canadian theosophists?

Is the many-minds interpretation noumenal or phenomenal?

What would Kant likely think about the many-minds interpretation?

What would Popper likely think about the many-minds interpretation?

What would Popper likely think about quantum mind theory?

What would Parmenides likely think about Darwinism?

What would Hegel likely think about Darwinism?

What would Kant likely think about Darwinism?

What would Plato likely think about Darwinism?

Is intersubjectivity intrinsic to all knowledge?

Is art intrinsic to everything that exists?

Do all conscious beings unconsciously know what art is?

What are some interesting facts about post-postmodernism?

What is psychoanalytic poetry?

What are some applications of topology to aesthetics?

Is there a clear cut boundary between philosophical conceptions of logic vs. mathematical conceptions of logic?

Can one axiomize the philosophy of psychiatry?

Can one axiomize the philosophy of history?

Can one axiomize emotionology?

What are some Hegelian perspectives on paraconsistent logic?

What are some Kantian perspectives on paraconsistent logic?

In a Meinong's jungle, is existence not a predicate?

What importance do irrational numbers have for philosophers?

What importance do surrealist numbers have for philosophers?

What importance do transcendental numbers have for philosophers?

What did Spinoza think about non-Euclidean geometry?

What do Frege and Kant have in common philosophically?

What do Frege and Husserl have in common philosophically?

Are some unknown truths more unknown than others?

What are the similarities between Native American philosophies and Islamic philosophies?

Does Hegel's philosophy have anything in common with Islamic philosophy?

Does Nietzsche's philosophy have anything in common with Islamic philosophy?

Does Kant's philosophy have anything in common with Islamic philosophy?

Does Kant's philosophy have anything in common with Egyptology?

How does Hegel's philosophy parallel with Native American philosophies?

How does Kant's philosophy parallel with Native American philosophies?

How can fuzzy logic be applied to the degrees of existence?

What is the difference between ontology and existence?

What are some of the best examples of Neo-Freudianism?

What are some of the best examples of post-Freudianism?

Is repressed rage a libidinal energy according to Freud?

Do science and art share a common ancestor in the evolution of philosophical history?

Do mathematics and aesthetics share a common ancestor in the evolution of philosophical history?

What is counterfactual cinematography?

Did the Bhagavad Gita influence Henri Bergson?

Did the Bhagavad Gita influence Nietzsche?

Did the Upanishads influence Hegel's philosophy?

What did Kant think about the Upanishads?

What did Heidegger think about the Upanishads?

What did Nietzsche think about the Upanishads?

Are inconceivable objects conceivable because we perceive them as inconceivable, therefore inconceivable objects don't exist?

What would Husserl likely think about psychedelics?

What would Aristotle likely think about psychedelics?

What would Heidegger likely think about the concept of psychedelics?

What would Kant likely think about the concept of psychedelics?

Why is there instantiation rather than non-instantiation?

Are the Republican and Democratic party divisions an example of sociological black and white thinking?

Would you eat blueberry flavored pasta noodles?

What would Husserl likely think about the phenomenology associated with nootropics?

What would Husserl likely think about psychometrics?

How is neurogenesis related to phenomenology?

What is the ontology-ideology distinction when it comes to the philosophy of quantum mechanics?

What are some interesting facts about post-utilitarianism?

What is post-utilitarianism?

What is the difference between necessity in modal logic and necessity in metaphysics?

If one removes anthropocentrism from the entirety of metaphysics, what would remain?

Is metaphysics fundamentally different for every culture?

Is epistemology fundamentally different for every culture?

If one removes anthropocentrism from science, what would remain?

If one removes anthropocentrism from mathematics, what would remain?

What is Hindu Marxism?

What is Islamic Marxism?

What would the Buddha likely think about a Marxist Utopia?

What if the entire omniverse is alive?

Do animists believe the entire multiverse/omniverse is alive?

Does consumerism reduce the body to mereology?

How many kinds of possible universes exist within the Hartle multiverse framework?

Who are your favorite Micronesian philosophers?

What is your favorite Micronesian food?

What would a cooking show that ran for an infinity be like watching?

In the future, will Androids be professors at colleges/universities?

What are some examples of "Neo-Orientalism"?

Is the ontological ontologically dependent on the ontic?

Is the ontic ontologically dependent on the ontological?

Is the brain a symbol-manipulating wetware device?

What is a sentient entity according to Whitehead?

What is a sentient entity according to Kant?

What is a sentient entity according to Spinoza?

Is history a sentient entity according to panpsychism?

Is time a sentient entity?

What would Husserl likely think about the concept of "schizophrenia"?

What would Hegel likely think about the concept of "schizophrenia"?

What would Kant likely think about the concept of "schizophrenia"?

What would Wittgenstein likely think about the concept of "schizophrenia"?

What is the future of possible world semantics?

What are some examples of anachronism in poetry?

What are some examples of anachronisms in songwriting?

What is the philosophy of anachronism?

What are some examples of anachronism in the Upanishads?

What are some examples of anachronism in the Bhagavad Gita?

What are some examples of anachronism in Finnegans Wake?

What is the opposite of absolute truth?

How did prehistoric people celebrate New Year's?

What would Spinoza likely think about modern day neuroscience?

What would Kant likely think about modern day neuroscience?

What would Hegel likely think about rationalism?

What would Kant likely think about rationalism?

What would Heidegger likely think about rationalism?

What do Buddhists think about rationalism?

Does the topology of the Sorites paradox apply to every property, universal? If so, does that challenge the ontology of essentialism?

How is the activation of the amygdala associated with praxeology/action theory?

What would the pre-Socratics likely think about enantiodromia?

What did Freud think about enantiodromia?

What would Heidegger likely think about enantiodromia?

What would Hegel likely think about enantiodromia?

What would Nietzsche likely think about enantiodromia?

How do phenomenal objects become noumenal according to Kant?

What are post-aesthetics?

How do noumenal objects become phenomenal according to Kant?

If absolute truth never existed, would we know it?

What are some interesting facts about post-continental philosophy?

What are some interesting facts about post-analytic philosophy?

What are the best examples of post-analytic philosophy?

What is post-continental philosophy?

Is aesthetic value a priori or a posteriori according to Kant?

Are aesthetic values a priori or a posteriori?

Would you use a Twitter variation where every new tweet must possess a valid example of wordplay?

Are there some entities that possess no ontological commitments whatsoever?

What is the ontology-ideology distinction when it comes to the philosophy of psychiatry?

What is the ontology-ideology distinction when it comes to the philosophy of aesthetics?

What is the ontology-ideology distinction when it comes to the philosophy of mathematics?

What are the similarities between absolute idealism and absolute panpsychism?

What is the difference between absolute idealism and absolute panpsychism?

What makes possibilism possible?

What makes possible entities possible?

How does absolute randomness relate to the existence of qualia?

Why is 'pataphysical logic' not seen as objective as other systems of logic?

Does the illogical have 'pataphysical logic' instead?

How does teleology relate to the philosophy of science?

How does teleology relate to empiricism?

What are some metaphysical arguments against the existence of infinity?

What would Sartre likely think about the statement "organized religion is schizophrenia"?

What would Heidegger likely think about the statement "organized religion is schizophrenia"?

What would Aristotle likely think about the statement "organized religion is schizophrenia"?

What would Aquinas likely think about the statement "organized religion is schizophrenia"?

What is the relation between physicalism/materialism and semiotics?

What would the German idealists likely think about Native American philosophy?

What do you like most about Islamic philosophy?

What do you like most about Indian philosophies?

What do you like most about African philosophies?

What would Aristotle likely think about the concept of opining?

What would Socrates likely think about the concept of opining?

What is a zoological perspective on the nature of free will?

What is an ecological perspective on free will?

What is a surrealist perspective on the nature of free will?

What is an ethological perspective on free will?

What is omni-deism?

What was the first cause of mathematics?

Is epistemology ontologically dependent on the existence of information?

If objective randomness exists, why does objective randomness exist?

Is reality objectively random?

What do nominalists think about infinity?

What are some nominalist perspectives on the nature of continuous space?

Are there any relations between mereological holism and quantum mechanics?

Are there wall clocks with a base unit inspired by Zeno's paradox?

Are moral facts/moral realism noumenal/phenomenal according to Kant?

If political philosophy had axioms, what would they likely be?

What would Wittgenstein likely think about Finnegans Wake?

What would Wittgenstein likely think about Meinong's Jungle?

How can one truly verify that philosophical progress has occurred?

What is the criteria for subsistence according to Meinong?

If ants could understand philosophy, what would they likely think about it?

Do ant societies have their own ant version of Durkheim?

Do ants have their own political philosophy?

How would you summarize Badiou's set theory ontology in one sentence?

Are sets conscious entities according to panpsychism?

What is infinity according to panpsychism?

What is infinity according to animism?

What would Aristotle likely think about modern psychiatry?

What would Aristotle likely think about modern neuroscience?

What is Platonic neuroscience?

Can one have mental properties that are outside the laws of logic?

Why should one be an irrationalist?

How do ontological hierarchies relate to systems theory?

What do you think about metaphysical subjectivism?

What are some philosophical perspectives about architecture?

What is the relation between inverted qualia and the experience of emotions?

Are there any exceptions to the categorical imperative that Kant would likely approve of?

Can entire societies be autistic?

What is a Gnostic perspective on existentialism?

What is a prehistoric perspective on existentialism?

Does Tegmark's mathematical universe hypothesis allow the existence of non-ZF axioms?

What do you like most about Native American philosophies?

What is a Jainist's perspective on Kierkegaard?

What are some arguments for emergent dualism?

Can one ever perceive the same perception, or does one always perceive new perceptions every infinitesimal moment?

If consciousness doesn't exist, what would the implications be for Descartes' cogito ergo sum?

How many axioms of infinity that do not use the ZF axioms are there?

What is infinity like in other possible worlds besides our own according to modal realism?

Does non-phenomenological qualia exist?

Can one translate all sentences in the Library of Babel into modal logic?

If mathematics had no axioms, would mathematical truth still exist?

Can one express noumenal reality via geometry?

What would Sartre likely think about fetal alcohol syndrome and its relation to existentialism?

What would Heidegger think about the Bekenstein bound as a way of categorizing beings?

Why do many consider science more objective than philosophical/metaphysical truths?

Are most metaphysical positions subjective in some sense?

Are there famous fascist pacifists?

Is metaphysical realism compatible with informational realism?

What are some arguments for pancomputationalism?

Why is metaphysics metaphysical?

Is there such a thing as non-spatio temporal perception?

Do certain types of mental phenomena possess unique geometries according to the philosophy of mind?

What was it likely like phenomenologically to be interested in philosophy during the pre-Socratic era?

What was pre-Socratic philosophy like outside of Greece?

Are all objective meanings independent of the phenomenal perceiver according to Kant?

Are all objective meanings independent of the phenomenal perceiver?

If society had a brain, what would its neuronal structures be?

What was the first primordial universal and property according to Aristotle?

What is a paraconsistent version of naive set theory?

What do logicians think about the logic of surrealism?

Can we reduce contingency to syntheticity according to Kant?

Can we reduce contingency to syntheticity according to Saul Kripke?

How does one's subjectivity and objectivity change in an anarchist state?

How are the preconditions of Being different for every non-human animal according to Heidegger?

Are some justified true beliefs moral realist facts?

If mathematical structures inherent to the universe never existed, would the mind still exist?

If nothing exists, would something known as nothingness exist?

Are all conscious entities a part of one overarching group mind?

Are some randomness more random than others (are there fuzzy logic degrees of randomness?)

How can one prove that their thoughts are objective or subjective?

How do video games influence phenomenology?

Is essentialism the philosophical version of topology?

Can Platonic causes interact with natural realist causes?

Is neuroscience more reductionistic than psychiatry?

Is neuroscience more "objective" than psychiatry?

Are neuroscience inseparable from phenomenology?

What is an anti-materialist/anti-physicalist perspective on neuroscience?

If Tegmark's mathematical universe hypothesis is true, what caused it to exist?

Is there a hybrid school of thought between anti-idealism and absolute idealism?

Why do unanswerable questions exist ontologically?

Can possible-but-non-actual mathematical objects exist within Tegmark's mathematical universe hypothesis?

Can possible but non-actual objects have empirical properties according to philosophy?

What is the relation between computational complexity and animism?

If one spent their entire life in a quantum vacuum hypothetically, what would they perceive?

How does metaphysical structuralism relate to the structuralism that arose from Saussurean linguistics?

What is metaphysical structuralism?

What would Heidegger likely think about the phenomenology of ethnomusicology?

What is an anti-positivist interpretation of the philosophy of mathematics?

What is an anti-empirical interpretation of the philosophy of mathematics?

What is a substance dualist (Cartesian) perspective on schizophrenia?

What kind of entity is a fractal according to the philosophy of mathematics?

What would a fractal universe tell us about the philosophy of mathematics?

What would a fractal universe tell us about epistemology?

How does fractal cosmology relate to Tegmark's mathematical universe hypothesis?

What will the destiny of quantum biology likely be?

What is a psychophysical interpretation of spatiality?

Would you eat pumpkin spice pizza flavored canned soup?

Can game semantics be applied to a GPS?

What are the relations between game semantics and modal logic?

What would a hybrid between the "Super Doku" Sudoku variation and a chessboard resemble?

What are the axioms of ludology (game studies)?

If panpsychism doesn't exist, what explains David Chalmers philosophy?

What is a hybrid between pizza and pudding?

How can one radically improve the user interface design of Facebook Messenger?

How does statistics account for the truths associated with hyper-subjectivity?

Are there any relations between fractals and the mathematical structures of phenomenology?

How does doxastic logic relate to the phenomenology of belief?

Is there such a thing as computational surrealism?

What do you think the future of computational mathematics will be?

Are randomized algorithms omnipresent in natural realism?

Is there such a thing mathematically as a geometric theory of everything?

How can computational geometry be applied to epistemology?

How can computational geometry be applied to the philosophy of mind?

What are the data structures associated with qualia?

If a politician running in your nation advocated for unschooling optionality for every K-12 student, would you vote for them?

What do you think about the philosophy of unschooling?

What are some of the most interesting facts about psychochemistry?

What are the postulates of psychochemistry?

How does astrochemistry relate to the possible origin of life on Earth?

How does quantum biology relate to psychiatry?

Is cognitive biology reductionist?

Does theoretical sociology and theoretical physics share any connection?

What are some interesting facts about theoretical sociology?

What are the neural correlates of capitalistic desire?

What is the neuropsychology of a Boltzmann brain?

What are the best examples of germicidal textile towels?

Who is father nature instead of mother nature?

What is the Platonic form of Gaia, and how does it symbolically relate to climate change?

What is the Platonic form of geology?

What are some ethnomusical perspectives on phenomenology?

Are there any musicians from Antarctica?

What are some philosophical perspectives on ethnomusicology?

What are the axioms of ethnomusicology?

Would you eat Alfredo sauce and spaghetti flavored canned chicken noodle soup?

What would a hybrid between an organ and a banjo likely sound like?

What would Spinoza likely think about gastronomy?

What would Hegel likely think about gastronomy?

What is a Marxist interpretation of gastronomy?

What are some examples of atheist apologetics?

What are the phenomenological experiences associated with Native American religions?

What do atheists think about Native American religions?

What is a philological perspective on Whitehead?

What is phenomenology associated with archaeoastronomy?

In some possible world, do all extinct animals in this world exist in that world according to modal realism?

What is the eschatology of eschatology?

What do modal realists think objective fantasy is?

Can an electric wheelchair be powered by biofuel?

What is the tastiest edible shampoo?

Would Kleenex with copper lining kill viruses because of copper's antimicrobial properties?

What are some of the best self-sanitizing keyboards?

If a radio station ran forever, could it eventually play every possible musical song?

What symphonies contain the set of all possible musical instruments?

What is a Gnostic perspective about the Bahá'í Faith?

What is the difference between destiny and eschatology?

How does Janusian thinking relate to the cognition behind certain mental disorders associated with loose thinking?

What is beyond the final forever?

What do you think the ultimate destiny of optogenetics will be?

What is the relation between optogenetics and quantum entanglement?

Will it be possible to simulate all possible psychedelic drug experiences in the future via brain stimulation and optogenetics?

What is the eschatology of sentience?

How would one design a transcendental number wall clock?

If the Prophet Muhammad was resurrected in America hypothetically, who would he likely vote for in the next election?

What is love to a philosophical zombie?

Are there schizophrenic ducks?

Would you listen to a radio station where every song in the playlist was a unique remix of the previous song in a cue?

What is the most unique flavor of canned soup ever?

What happens when one surpasses the Bekenstein bound of all qualia?

If a priori knowledge didn't exist, would physics not exist either?

How many informationally possible universes are there?

What is a psychoanalytic interpretation of Godel's incompleteness theorems?

How do psychoanalysts perceive logicians?

What would Carnap likely think about the Chinese Room problem?

What would Pythagoras likely think about Godel's incompleteness theorems?

What is the relationship between Kripke's rigid designators and qualia?

Can a symbolic formulation of modal realism be applied to video game design?

Is there a clear cut boundary ontologically between the philosophy of physics and quantum mechanics itself?

What is the phenomenology associated with quasi-existence?

What is the qualia associated with quasi-existence?

Is there a middle ground between existence and nonexistence?

What is a quantum mechanical perspective about enlightenment?

How does quantum entanglement within the brain relate to the epiphenomenal experience of enlightenment according to Buddhists?

What are the similarities between Plotinus and Parmenides' philosophy?

What do Buddhists think about Epicurean philosophy?

What would Aquinas likely think about ignosticism?

What would Kant likely think about ignosticism?

What would Aristotle likely think about ignosticism?

Is reality undefinable similar to truth according to Tarski?

Is there a difference between aesthetic realism and aesthetic constructivism?

Is there a difference between naturalist realist epistemologies and human constructed epistemology?

If metaphysics is true, is there a difference between realist metaphysical objects and constructed metaphysical objects?

Can Tarski's semantic conception of truth be applied to game studies?

What does Badiou think about Sellars philosophy?

What did Sellars think about Badiou's philosophy?

Can ants become enlightened?

Can anything last longer than forever?

Is absolute randomness Turing testable?

Is a virtual simulation of the lifeworld the same as experiencing natural realist lifeworlds according to Husserl?

Is the simulation of qualia the same as experiencing qualia?

Is the simulation of phenomenology the same as experiencing phenomenology?

What would Husserl likely think about Wittgenstein's picture theory of meaning?

How would a nominalist respond to the notion that truth tables are universals?

How is the relativity of simultaneity related to Hegel's absolute idealism?

What are some examples of non-reductionist supervenience?

What is the relation between quantum indeterminacy and supervenience?

If absoluteness exists, why does it exist?

How would a nominalist respond to the criticism that truth values are naturally universals?

Are truth values universals?

Can materialist/physicalist entities possess truth values?

What is quasi-conscious qualia like?

What is an analytical philosophical perspective on Henri Bergson's philosophy?

If everything is alive according to animism, does that mean abstract objects have feelings?

What if Platonic forms could die hypothetically?

Can abstract entities die, assuming animism is true?

What did pre-homo sapiens think about philosophy?

What is anti-human nature?

What is transhuman nature?

What do atheists think about transhumanism?

Can one shuffle the keywords in the database of Google Patent Search via the Python Shuffle function and create a very large but finite list of inventions?

What happens when one phenomenologically perceives the Bekenstein bound of all possible thoughts?

What is a hybrid between a donut and a pizza?

Would you eat butter chicken pizza flavored canned soup?

Are there pizza flavored hot drinks?

What would a harp-xylophone hybrid likely sound like?

If the soul doesn't exist, what explains the abstract, incorporeal essence of every person?

Do mental illnesses not exist because minds can't possess illnesses/disorders in a physiological sense?

How can chaos theory be applied to the study of emotions?

Can GPT3 write surrealist plays? What do you think about them?

What will it be like when injustice doesn't exist anymore?

What is the alphabetically first infinite sentence?

In the future, will Androids play televised basketball?

How does one know a panpsychic being/panpsychism wasn't present at the beginning of the universe, and won't be present at the end of the universe?

What is a Marxist interpretation of entomology?

What is solipsistic egotheism?

What do atheists think about Einstein's pantheism?

What do atheists think about Spinoza's pantheism?

What do theists think about supralapsarianism?

How much of the intellectual development of humanity was contingent rather than inevitable?

Who is Alpha and Omega (the entity responsible for the beginning and the end) according to atheists?

Where does suffering come from according to Hinduism?

Where does suffering come from according to Jainists?

Where does suffering come from according to Muslims?

What is the phenomenology of morphological freedom?

What is atheist alchemy?

What are inverted qualia associated with emotion?

Is the spaghetti of the Flying Spaghetti Monster cooked by Twin Earth water?

Why does isness exist?

What makes a sentence more metaphysical than others in the philosophy of language?

What is an ecological interpretation of Jung's synchronicity?

What do you like most about Donna Haraway's philosophy?

What is a Marxist interpretation of emotionology?

How many ants have ever approximately lived on the Earth in history?

What is the theory of everything according to non-human animals?

What makes ontosophy different from ontology?

What makes ontosophy different from philosophy?

What would a hybrid between a sasquatch and a werewolf resemble?

Would you eat a macaroni soup flavored patty?

What are some interesting facts about zoo-semiotics?

What's it like to experience zooscopy (a condition causing hallucinations of animals)?

What is the phenomenology of zooscopy ("a condition causing hallucinations of animals")?

What are all of the possible combinations of vexillology?

Can non-human animals be gypsies?

What are some arguments against theopantism ("the mystical doctrine that God is the sole reality")?

What are some arguments in favor of theopantism ("the mystical doctrine that God is the sole reality")?

Did Nietzsche have theomania ("religious madness in which the patient believes that he/she is the Deity or is inspired")?

What do Gnostics think about theocracy?

What do Gnostics think about theocentrism?

What is the largest thesaurus of all possible anagrams?

If God is dead, how did God die according to Nietzsche?

What is hyper-subjectivism?

What do you think about singularism ("any philosophy that derives the universe from a single principle")?

Can a new brand of vending machines be used as a public bunk bed carved into the side for homeless people?

What is a Kantian perspective on simultanagnosia ("inability to perceive more than one object at a time")?

Why should one be a sesquipedalian?

What are some arguments against sensationalism?

What is the semantology of nothingness?

What do atheists think about selenolatry (worshiping of the moon)?

What is the qualia associated with hibernation?

What is the phenomenology of hibernation?

Does panosophy mean all possible philosophies in all possible worlds?

What do you think about sociosophy?

What did Wittgenstein think about pictography?

What are the axioms of phytosophy (the philosophy of plants)?

What are some interesting facts about phytosophy (the philosophy of plants)?

How is the study of organisms affected by climate related to Deleuze and Guattari's rhizome?

What are the best arguments for personalism?

What do you think about the philosophical doctrine of personalism?

What's it like to be a female vampire?

What are some examples of pathopoeia and its relation to Dada?

What are some examples of pathopoeia and its relation to surrealism?

What do you think about "pantosophy" (universal knowledge)?

What do you think of the hypothesis that the origin of Earth life was from extraterrestrial germs?

How does panmnnesia ("the belief that all mental impressions remain in the memory") relate to qualia?

How does panmnnesia ("the belief that all mental impressions remain in the memory") relate to phenomenology?

What do you think about panmnnesia ("belief that all mental impressions remain in the memory")?

What are the best arguments for panmnnesia ("belief that all mental impressions remain in the memory")?

How is the cessation of the influence of natural selection related to transhumanism?

What are some interesting facts about pangeometry ("a generalized geometry in any number of dimensions")?

What are the axioms of pangeometry ("a generalized geometry in any number of dimensions")?

What are some arguments in favor of panaesthetism ("the belief that consciousness may be present in all matter")?

What do you think about panaesthetism ("the belief that consciousness may be present in all matter")?

How does "pamphysicism" (the doctrine that material nature is the source of all phenomena) relate to the hard problem of consciousness?

What are some arguments for "pamphysicism" (the doctrine that material nature is the source of all phenomena)?

What do you think about "pamphysicism" (the doctrine that material nature is the source of all phenomena)?

How would you summarize Can Lit in one sentence?

What is an ecological perspective about ornithomancy?

What do you think about ornithomancy?

How does ontography relate to ontology?

What are some interesting facts about ontography?

What are the axioms of oneirology?

What do you think about "oneirocriticism"?

What is the phenomenology of ontological nihilism?

What are the axioms of neology (the study of neologisms)?

What do you think about the word "necessituditarian"?

What are the relations between practopoiesis and Whitehead's process philosophy?

What's it like to live for a sempiternity?

What are some arguments in favor of monopsychism ("a doctrine that there is but one immortal soul of which individual souls are manifestations")?

What is a phenomenological perspective on monoideism ("obsessive preoccupation with a single idea to the exclusion of anything else")?

What is a psychiatric perspective on monoideism ("obsessive preoccupation with a single idea to the exclusion of anything else")?

What do you think about misosophy?

What is the phenomenology of misosophy?

How is qualia related to the phenomenal experience of truth?

What is the phenomenology of millenarianism?

What are some arguments in favor of millenarianism?

If reality is inherently poetic, what would it mean to have a phobia of poetry?

What's it like to have metrophobia?

What do Hindus think about metensomatosis ("the migration into one body of different souls")?

What are some arguments in favor of metensomatosis ("the migration into one body of different souls")?

What would Kant likely think about the concept of metempsychosis?

What would Spinoza likely think about the concept of metempsychosis?

What would Hegel likely think about the concept of metempsychosis?

What would Nietzsche likely think about the concept of metempsychosis?

What are the best arguments for the philosophical doctrine known as mentalism?

What is "Neo-mentalism"?

How does melopoeia relate to Dada poetry?

How does melopoeia relate to surrealist poetry?

What are the best examples of an African mbaqanga?

What are some arguments in favor of the philosophical doctrine known as mathematicism?

What are some examples of Neo-mathematicism?

What do you think about magianism?

Is there a logograph in Finnegans Wake?

What's it like to have macrophobia (the fear of long waits)?

Can a logograph be applied to the Bible?

What's it like to be a lychnobite ("a person who works at night and sleeps during the day")?

Why should one be a logophile?

What is the most severe case of logomania ("obsessive talkativeness") in history?

What do mathematicians think about logarithmancy?

What do you think about logarithmancy?

What are some interesting facts about leopons?

What are some theological perspectives on Krypsis?

What are some theological perspectives on kenotism?

What is the most severe case of kenophobia (the fear of empty spaces) in history?

What would a kalimba-saxophone hybrid sound like?

What do you think about kakistocracy ("government by the least suitable or competent citizens of a state")?

Does obsession with consumerism have any corresponding neural correlates?

Would you use a variation of Twitter where every tweet must have a philosophical word?

What would Nietzsche likely think about a post-scarcity society?

What do psychiatrists think about the criticisms of the ontology of mental disorders?

Will Androids play hockey in the future?

Can insects have existential dread?

Can insects have phobias?

What are some philosophical perspectives on the proposition that dreams are windows into possible worlds?

What are your favorite examples of jazzetry?

Are the metaphysics of the subconscious the essential ingredient of surrealism?

What is the relation between axiology and pragmatism?

Will one be able to live in another possible world in the future (possible world traveling)?

Would you eat pomegranate flavored instant noodles?

What was the earliest memory of the collective consciousness?

Why doesn't Facebook Messenger have a Microsoft Office like interface for selecting text size, font and color and a white or optional coloured bubble instead of the standard text size, font and blue bubble in Messenger?

Would you eat pomegranate flavored crackers?

What do you think about introspectionism?

What do you think about the philosophical concept of illusionism?

What is cosmic pragmatism?

What are some of the most interesting facts about ideogeny?

What do you think about the concept of "iatrarchy" or a government run by physicians?

What is an example of a surrealist iambic verse?

If someone spent their entire life in the Canadian woods, what would their phenomenology be like?

Can smart paper create a smart scrapbook?

What do you think of floating solar panels as a way of mitigating climate change?

Why is Canada not officially called Kanata?

If calculus never existed, what would likely exist instead as a replacement?

How did suffering come to exist according to Jainists?

How did suffering come to exist according to atheists?

Is anthropocentrism inherently egoistic?

Would you use a new hybrid of a chessboard and a piano wherein a certain note by chosen category is emitted every time a certain piece is moved into a certain position (different positions make different melodies)?

How does string theory relate to theology?

What do atheists think about quantum theology?

What are the best arguments for the many-minds interpretation?

What is the relation between the many-minds interpretation and quantum archeology?

What is the relation between the many-minds interpretation and phenomenology?

What are some of the most interesting facts about quantum archeology?

Would you eat a blueberry flavored burger patty?

Do certain non-human animals have their own version of Christmas?

Can joules of bioenergy serve as gasoline to run a car?

What will the Agora be on Mars?

What kind of ontology is a brane?

What is a quantum theory interpretation of GPT3?

Are there necklaces that sensor moving objects moving towards the wearer as they walk?

Can GPT3 scrape the ASCII of irrational numbers?

Are there possible worlds where zebra-leopard hybrids and similar impossible hybrid animals in this world exist in that world according to modal realism?

Would you use antiviral tissues with protein synthesis inhibitors drops embedded in the tissues?

What is the relation between graph theory and the philosophical concept of ontology?

What is the most bizarre limerick in history?

What would Spinoza likely think about wave-function collapse?

If Kant knew about NASA, what would he probably think?

If Hegel used a computer, what would his first search likely be?

If Socrates used a computer, what would his bookmarks likely be about?

What do psychologists think about the concept of destiny/teleology?

If the ocean had a brain, what would its neuronal structure be hypothetically?

Can rigid designators exist within divided subunits ("slices") of Minkowski spacetime according to Saul Kripke?

In the future, will one be able to digitally simulate an omniverse/universe?

Can cars be powered by piezoelectric energy?

Can one CRISPR the eyeballs to cure short-sightedness via eye drops?

What are the meanings of countries according to birds?

Are squirrels good at choreography?

What would Heidegger likely think about gastronomy?

Would you eat poutine flavored instant ramen noodles?

Would you eat canned poutine flavored soup?

Can insects be Buddhists?

What do Buddhists think about the Darwinist concept of survival of the fittest and its subliminal relation to desire?

Does a serpent have any symbolic meaning in Buddhism?

What are some of the best examples of scientific materialist/logical positivist dogma?

If I were to experience someone else's qualia, what would I experience?

How does totemism relate to industrialization/industrial society?

Is the concept of "woo" scientific materialist/logical positivist dogma?

Are there some questions in theology that even atheists can't answer?

What is the Hegelian synthesis between the infinite and infinitesimals?

Can one stimulate nerves in the brain to experience qualia?

What are some interesting facts about quantum mereology?

What are some interesting facts about quantum psychophysics?

Is there a variation of digital chess that combines Tic-Tac-Toe in which one must simultaneously solve the Tic-Tac-Toe puzzles on the chessboard grid while one moves each piece to its position?

Is it possible that the Flying Spaghetti Monster is alive in another possible world?

Is it possible dinosaurs still exist in another possible world according to David Lewis' modal realism?

What is quantum psychophysics?

Why doesn't Quora have a button on one's profile where you can download the entire question history of a user?

What do non-human animals think about the philosophy of history?

What is the most intense emotion that has ever existed in history?

How many tears have ever been approximately cried in history?

What is the most 'pataphysical' sentence in history?

What is the most philosophical sentence in history?

What is the most metaphysical sentence in history?

What is the most metaphorical sentence in history?

What are the limits of hylozoism?

Can you write a haiku about hylozoism?

Can you write a haiku about the reason you're an atheist?

What is a hylozoist interpretation of quantum theory?

What is an animist interpretation of quantum theory?

Are all entities in physics alive according to animism?

Is spacetime alive according to hylozoism?

What is a surrealist interpretation of mathematics?

Can similar mechanisms from climatology be applied to the study of emotions?

Are similar neural circuits involved between thought disorder and IQ?

How do you define the entire information-theoretic structure of any given person?

What is the most bizarre example of wordplay you've ever encountered?

What would Wittgenstein likely think about wordplay and its relation to the philosophy of language?

What if BIC lighters sprayed perfume instead of a flame?

Can AI write surrealist plays?

Who is the most bizarre poet ever?

What are the best antiviral Kleenex/hand tissues?

Can birds have thought disorders?

What would a hybrid between Pig Latin and Esperanto resemble?

Would you eat avocado flavored instant noodles?

What is an example of songwriting inspired by Dada?

Have you ever seen a mentally ill hummingbird?

What is an example of surrealist songwriting?

What is an example of a Dada haiku?

Would you eat pizza-flavored instant noodles?

Would you eat pasta noodles made out of mealworms?

Would you eat pasta noodles made out of crickets?

Would you drink avocado flavored bottled water?

Would you eat ice cream flavored soup?

What food is a hybrid between bannock and pizza?

What is the litmus test of philosophical positions?

Why does symbolism exist?

What do Muslims think about the Biblical narrative of the Garden of Eden?

Would you drink Saskatoon berry flavored milk?

What would Parmenides likely think about calculus and its relation to change?

If God existed, what would God likely think about all the holy books?

What is the relation between advertising/consumerism and sado-masochism?

Which clock inventions don't use base 10 as the time unit?

What is orthodox Buddhism?

What is the longest finite question in the English language?

What is orthodox anti-theism?

What is orthodox Hinduism?

What is orthodox omnitheism?

What is orthodox atheism?

What is orthodox metaphysics?

If beauty is in the eye of the beholder, why can multiple minds agree that the same experience was aesthetically pleasing?

What is objective ontology vs. subjective ontology in string theory?

What do atheists think about science fictional depictions of humanity becoming a God?

What do atheists think about the psychiatric interpretation of religion as a form of religious delusion/psychosis?

Do animals suffer because of being in captivity in zoos?

What do Buddhists think about Zoroaster?

What do Buddhists think about Camus' absurdism?

What do atheists think about child baptism?

What do Buddhists think about Marcus Aurelius' philosophy?

What do Buddhists think about the existential concept of authenticity?

Can a universal Turing machine test the arguments for panexperientialism?

Can a quantum Turing machine test the arguments for panexperientialism?

What's an Islamic interpretation of Heidegger's Being and Time?

What do atheists think about the burqa?

What do atheists think about ignosticism?

Why was Nietzsche an irrationalist?

What is an Islamic philosophical interpretation of Kant's philosophy?

Is reality a sentient, conscious entity?

What are some examples of contemporary Neo-Kantianism?

What is the most bizarre surrealist poem you've ever read?

Are nanobots the Holy Water of transhumanism?

Can an entity be both objective and subjective when perceived?

What is the mereology of personal identity?

If the soul exists, where does the soul come from, and why does it exist?

What is a Freudian interpretation of commodity fetishism?

Are unobserved electrons alive?

What would Kant likely think about Leibniz's monads?

What are the hermeneutics of hermeneutics?

Are mathematical objects alive?

Are abstract objects alive?

What was sociology for hominids like during prehistorical times?

Can art possess truth values?

How does probability theory relate to the randomness of knowledge?

What if the only mind that exists is the group mind of all possible minds?

What did Heidegger think about the ontology of zero?

Are reality pluralistic or monistic in nature?

Does the truth change when epistemology changes?

Can a tree have qualia without self-awareness?

Does the verification principle (verificationism) possess its own Godel's incompleteness theorems?

Are some justified true beliefs more true and justified than others?

Through what epistemological means are one's metaphysical beliefs discoverable?

Does the philosophy of history (historiosophy) challenge the existence of solipsism?

Does absolute/objective uncertainty exist?

What is the phenomenology of absolute randomness?

What is the ontology of absolute randomness?

How can one objectively know intersubjective reality?

Are quantum fields idealist/non-materialist entities?

Can one have sensations but the sensations don't exist (are Meinongian) according to philosophy?

Are there degrees of existence that can be measured by fuzzy logic?

Why should one not be an intuitionist about mathematical objects?

How does probability calculus relate to determinism?

If all of anthropomorphism and anthropocentrism were entirely removed from all of mathematics, would mathematics still be mathematics?

If all of anthropomorphism and anthropocentrism were entirely removed from all of philosophy, would philosophy's foundations collapse?

What is Russell's theory of definite descriptions like in other possible worlds?

What would Simone de Beauvoir and Sartre likely think about futurology/transhumanism?

Does Tegmark's mathematical universe hypothesis extend to the multiverse?

Does Tegmark's mathematical universe hypothesis include generalized numbers?

Does Tegmark's mathematical universe hypothesis include surrealist numbers?

What's a Heidegger perspective on perdurantism?

Are metaphysical essences metaphysical objects that exist in every possible world?

Could an AI be trained to think like a philosopher king/queen according to Plato?

What do Thomists think about quantum uncertainty?

Is God the Platonic Form of humanity?

Can any metaphysical theory be empirically verified?

What's it like being an epistemologist?

What is the relation between modal realism and game theory?

What was art like before consciousness existed?

Is art a form of human ethnology?

What would Kant likely think about statistics?

What would Kant likely think about the theory of probability?

How does Whitehead's process philosophy relate to quantum theory?

What is the difference between "logical equivalence" and "mereological equivalence"?

Is it possible to construct infinitely many non-equivalent formulas in modal logic?

If God took psychedelics hypothetically, what would everything be like?

Is there such a thing as a theological interpretation of set theory?

Can one be an epistemic mystic?

Was Kant a universalist?

Are mental objects Platonic entities?

What if the truth isn't reality?

Is there a solution to Russell's paradox via non-ZF set theories (alternative set theory models)?

What existed before the truth existed?

What existed before the existence of consciousness?

Does Kant's categorical imperative challenge the ontology of solipsism?

Is thought-translated geometry necessary to the solution of the hard problem of consciousness?

What is the most bizarre philosophical aphorism you've ever heard of?

What's it like to be infinity phenomenologically?

Can arachnids have qualia?

What are some philosophical perspectives regarding the nature of delusions?

What if the internal (phenomenal) world doesn't exist according to Kant?

What kind of entity is a quantum field ontologically?

What if reality isn't the truth?

Is science ontologically dependent on the existence of panpsychism (the perceiver)?

Are mathematical objects ontologically dependent on the existence of panpsychism (the perceiver)?

What caused reality to exist in the first place?

What would epistemology be like if the laws of identity didn't exist?

Can birds have psychosis?

Is there a difference between qualia and subjective experience?

How does graph theory relate to the existence of free will if applied to human praxeology (action theory)?

How does game theory relate to the existence of free will?

Is the ontology of pluralism necessary to synthetic/a posteriori knowledge according to Kant?

What are the semantics of universals according to philosophy?

What do you think about the study of emotionology?

What were emotions like back in prehistoric times?

Can model universes be used to model game theory?

What do atheists think about the church's philosophy on the poor?

Is there such a thing as Platonic nominalism?

Did Wittgenstein believe everything that exists could be described by alphanumeric (mathematical/linguistic) digits?

What did Wittgenstein think about objects that can never be expressed in language?

What is the most mereological simple object that can exist?

Should one be an objective idealist or a subjective idealist?

Is existence a delusion?

How can transfinite ordinal and cardinal numbers be represented by an abacus?

What did Hegel think about the subconscious mind?

What did Kant think about the subconscious mind?

What is a maximally complete epistemology?

If we can't know if the existence of other minds exist according to solipsism, what explains the existence of emotions, since emotions are fundamentally intersubjective in nature?

Are the foundations of physics fundamentally philosophical in nature?

Was qualia/phenomenology different for early hominids?

If one digitally simulates a brain, would that brain perceive qualia via the neural correlates associated with qualia encoded in bits and bytes in the program?

Does qualia always have to belong to a conscious being? Can qualia belong to a non-conscious being?

Why do contingent entities exist rather than not exist at all?

Can knowledge exist without being a mereological fusion?

What kind of entities are hypotheses and theories ontologically?

What would Sartre likely think about genetic determinism?

What would Parmenides likely think about the ontology of calculus?

What are the best arguments against evidentialism?

If reality has axioms, why do the axioms of reality exist, and how did they come to exist?

What is the phenomenology of post-positivism?

Can certain knowledge be experienced without representation according to philosophy?

Is perspectivism a pluralistic or monistic entity according to Nietzsche?

What's a Hegelian perspective on apophenia?

What's a Kantian perspective on apophenia?

What would Fichte likely think about transhumanism?

Can mereology be applied to the structure of metaphysical objects?

How does epiphenomenalism relate to systems theory?

Can immaterialist entities be spatially extended?

What is a surrealist interpretation of ontology?

What is a surrealist interpretation of the philosophy of science?

Are qualia associated with emotions universally experienced by all people?

Does information evolve in a Darwinistic fashion?

Why does all possible information exist?

What's a Kantian perspective on Platonism?

What are the metaphysical differences between subsisting and existence?

What would Zizek likely think about the political concept of panarchy?

Do Kantian analytic a posteriori statements exist in Meinong's jungle?

What's a Kantian perspective on technocracy?

What's a Hegelian perspective on technocracy?

Can phenomenological systems possess undecidability?

Is information a non-materialist/non-physicalist entity?

What would Frege likely think about quantum logic?

What would Aristotle likely think about quantum logic?

How can one divide finite space into infinitely many regions?

Can phenomenology be represented by formal systems?

Can perdurantism be applied to mental objects?

How do we know the mind is a non-physical object?

What are some of the best counter arguments to "cogito ergo sum"?

Why do most equate science with reality?

What kind of entities are mental objects ontologically?

What is a gnostic interpretation of polytheism?

How did truth values come to first exist according to alethiology?

How can we know what can't be perceived exists?

What is a maximally complete metaphysics?

What did Nietzsche think about the mathematical concept of zero?

Do mathematical truths only exist if we think about or perceive them?

What is the difference between certainty and positivism?

Is physicalism/materialism an illusion?

What are the criteria that make ontology ontology?

Is knowledge deterministic or random in nature?

Is truth just mereological fusions of tautologies?

What's a quantum mechanical interpretation of universals in philosophy?

What do atheists think about psychoanalytic interpretations of Christianity?

Why should one be an epistemic pluralist?

If atoms don't ever touch each other, how can materialism/physicalism ever be true?

What was the first universal that ever existed according to philosophy?

What are the hermeneutics of atheism?

What are the hermeneutics of memetics?

What would Hegel likely think about Polynesian philosophy?

What would Kant likely think about Polynesian philosophy?

Why does essence or nature exist according to the Greek philosophers?

What transcends both logic and mathematics?

Are people socialized into social roles according to psychodynamic theory?

What is an ornithological interpretation of the meaning of life?

What's the meaning of life to an owl?

What is the meaning of life to an android?

Can owls have personality disorders?

Can owls be mentally ill?

Is the truth different in other possible worlds besides our own?

How does Galois forcing relate to the subfields in logic?

What would Parmenides likely think about quantum uncertainty?

Is the Garden of Eden a metaphor for morality within an eternalist (deterministic) universe?

What did Kant think about atheism?

What did Heidegger think about atheism?

What is sense datum like for non-human animals?

What is the ethnology of wolves?

How do we know what we perceive as the truth is the truth?

What is the transhumanist equivalent of Holy Water?

What did Heidegger think about eternalism?

How does sensation contribute to metaphysical intuition and metaphysical concepts?

What would Kant likely think about the concept of justified true belief?

What would Hegel likely think about the expansion of the universe?

What did Kant think about Islamic philosophy?

What are some examples of contemporary Neo-Platonism?

What is the ontology of subliminal messages?

Are all subliminal messages a form of found art?

What would Kant likely think about the ontology of subliminal messages?

What do atheists think about church soup kitchens?

Are some dogs domesticated foxes?

What did Marx think about Christian atheism?

What is a Chinese philosophical interpretation of Kant's philosophy?

Can myopics down-regulate their myopia genes?

What would Nietzsche likely think about the concept of justified true belief?

What is the theory of everything according to logicians?

If you hunted a unicorn, would you cook and eat unicorn bacon?

Is reality just a tautological perception?

What do Buddhists think about science fiction?

What do Buddhists think about the concept of faith?

Is knowledge just a mereological holistic perception?

Are beliefs just emotivist propositions?

Are there symphonies that go on forever via translating the digits in pi to musical notes?

What did Hegel think about the existence of the noumenal world?

What is the most poignant metaphysical position you can think of?

Can one axiomize panpsychism?

What is the ontological status of the many minds interpretation of quantum mechanics?

What do atheists think about Christian ethics?

Are there objective aesthetic qualities in certain pieces of music?

What is the social psychology of owls?

What is the behavioral psychology of owls?

Can you write a surrealist poem haiku?

What is postmodern surrealism?

What would a xylophone-saxophone hybrid sound like?

What would a xylophone-guitar hybrid sound like?

What do atheists think about "religion is organized schizophrenia"?

If God had ancestors, who would they be hypothetically?

What would Hegel likely think about the internet?

What do you think about thanatology?

What would Kant likely think about the internet?

What would Kant likely think about Covid19?

If God died, what if God was reincarnated according to Nietzsche?

What do atheists think about the Christian concept of carnality?

If God had a middle name, what would it be?

What are the axioms of jazz?

What do you think about the ontology of psychograms?

How does encephalography relate to the existence of qualia?

Can one take encephalography of non-human animals?

What would Wittgenstein likely think about phraseography?

Would you play a buccina-guitar hybrid?

Would you play a buccina-saxophone hybrid?

Would you play a buccina-harp hybrid?

What is the thanatography ("an account or story of a person's death experience") of God according to Nietzsche?

What are the phenomenology associated with rhyparography ("the painting or literary depiction of mean, unworthy, or sordid subjects")?

What are the aesthetics of rhyparography ("the painting or literary depiction of mean, unworthy, or sordid subjects")?

What is quantum praxeology?

Would you speak a new language made entirely of paragrams ("a type of verbal play consisting of the alteration of a letter or a series of letters in a word")?

How does "anomia" relate to the philosophy of language?

What would Wittgenstein likely think about the philosophy of anomia (a deficit of expressive language)?

What is the relation between the study of dreams and modal realism?

What did Heidegger think about the study of dreams (Freudianism) and its relation to being?

What is a philosophical zombie interpretation of oneirology (the study of dreams)?

What is a zoological interpretation of oneirology (the study of dreams)?

Does everything that exists have an archetypal meaning according to Jung?

How would a timbrel-violin hybrid sound?

How would a timbrel-piano hybrid sound?

What is psychiatric mesology?

What is existential mesology?

What is the phenomenology of logology ("the study of words in search for divine truth")?

What is a Gnostic interpretation of anarchism?

What is a solipsistic interpretation of the truth?

What was phenomenology like in the prehistoric era?

What do atheists think about shamanism?

What do Marxists think about shamanism?

What was schizophrenia like in the prehistoric era?

What's a modal realist perspective on cryptozoology?

What separates qualia from substance?

Are there any science fiction stories with a Canadian theme?

Would you read a variation of Google News that contained a philosophical perspective for every new news story?

Can you write a poem about phenomenology that is only a sentence long?

How will radio stations likely be different in the far future?

What's the longest finite anagram in the English language?

What are some examples of sophism in Canadian politics?

What is the Canadian collective consciousness?

What are some arguments against the integrated information theory of consciousness?

Can one axiomize the theory of consciousness?

What are the qualia of owls?

What is the phenomenology of owls?

Which number games involve surrealist numbers?

What is the most experimental jazz song ever?

What is Principia Treeology?

What is treeology?

Is intersubjectivity necessary to reality and truth?

Can non-human animals have defense mechanisms?

What did Kant think of the philosophy of medicine?

Can entire societies have defense mechanisms?

According to David Lewis, does the Patterson Gimlin subject exist in some worlds and not in others?

What is the atheist equivalent of gospel music?

Is psychiatry the Holy Water of a secular society metaphorically?

Is there a Freudian interpretation for everything that exists?

What is numerological gnosticism?

What are prehistorical subliminal messages?

What was the first subliminal message?

If Pythagoras were resurrected, what would he likely think about today's mathematics?

What do atheists think about Ellen G. White?

What do atheists think about Christian atheism?

What do atheists think about the Freudian interpretation of religion?

What did Hegel think about the philosophy of physics?

What is the best argument for animism?

What did Nietzsche think about schizophrenia?

What is the best virucidal substance?

What is the death of epistemology?

What is the death of metaphysics?

Can AI generate a virucide that will kill all variants of Covid19 via drug discovery?

What did Hegel think about schizophrenia as a philosophical entity?

What did Kant think about schizophrenia as a philosophical entity?

What will it be like when Covid19 is extinct via superhuman AI's drug discovery?

What did Heidegger think about the phenomenology of schizophrenics?

What do you think about the philosophical concept of schizophrenia?

Why is hyper religiosity correlated strongly with schizophrenia according to philosophers of mind?

What do you think about breathable bio-suits (resembling a living human body suit) sculpted and resembling the opposite sex that molds onto the trans person so that they eventually "shape-shift" or meld with the cast into their new identity?

In the far future, will it likely be possible to transform into a werewolf via shape-shifting technology?

Is capitalism an organized form of schizophrenia?

What is the atheist equivalent of a baptism?

How does one define the division of transfinite numbers?

What is Aleph null divided by Aleph null?

What do you think about pandemonism ("the worship of spirits dwelling in all forms of nature")?

What's a Whiteheadian perspective on orthogenesis?

What do you think of the phenomenology of orthogenesis?

What is the philosophy of orthogenesis?

Is Hegel's absolute idealism an anthropomorphization of true reality?

What's a Whiteheadian perspective on anthropomorphization?

Is anthropomorphization necessary to the existence of epistemology?

What is spaceicide?

What do you find the most interesting about Eskimo philosophy?

What is the ethnology of philosophical zombies?

What is the ethnology of arachnids?

What is the ethnology of wasps?

What is the philosophy of graphemics?

Is Andromania a psychoanalytic phenomenon?

What is arachnid psychology?

What is arachnid psychiatry?

Would you speak a constructed language only made up of portmanteaus?

Will lycanthropy be possible potentially in the far future?

What would Aristotle likely think about the concept of "exergasia"?

What is the phenomenology of dysteleology?

What are some arguments for dysteleology ("absence of purpose in nature especially as manifested in rudimentary or nonfunctional structures")?

What are some arguments for energism ("a doctrine that certain phenomena (such as mental states) are explicable in terms of energy")?

What's it like to travel back to yesterday and live there forever?

Which Canadian flowers/herbs would be the best topping in a sandwich?

What is the sociology of hawks and falcons?

What are the phenomenology/qualia of hawks and falcons?

What is the ethology of hawks and falcons?

What is the ethology of slugs?

What is the archeology of the Platonic realm ("the study of the origins of things")?

What does it mean to be an agnoiologist (the study of ignorance)?

What would a hybrid of a vibrograph and a saxophone sound like?

What do you think about cubomancy ("divination by means of dice; dice-throwing")?

If acatalepsy had axioms, what would they be?

What is the phenomenology of acatalepsy (an ancient Skeptic doctrine that human knowledge amounts only to probability and never to certainty)?

What would Whitehead likely think about zoocentrism?

What would Spinoza likely think about zoocentrism?

What would Hegel likely think about zoocentrism?

What would Kant likely think about zoocentrism?

What's it like to be a honey bee?

What is apiological (the scientific study of honey bees) psychiatry?

What is apiological (the scientific study of honey bees) phenomenology?

What kind of entities possess omniety?

What did Marx think of the sociological concept known as anomie?

Do psychiatrists set the goalposts when they decide what reality testing is?

What kind of entity is hypomania ontologically?

How does logomancy relate to the meaning of poetry?

What would Wittgenstein likely think about logomancy?

What are some logical arguments in favour of logomancy?

What do you think about logomancy?

What would Husserl likely think about ideogenesis?

Would you speak a language that only contained anagrams?

What is a hybrid between a philosophical zombie and a transhuman?

If the dodo were alive today, what would its ethology likely be like?

If thylacines were alive today, what would their ethology likely be?

What would Wittgenstein likely think about calligrams?

How do calligrams relate to aesthetics?

Would you use a new texting font that resembled Chrysography ("the technical term for writing in gold")?

What is the square of Aleph null?

What is meta meta psychology?

What do you think about the philosophical position of observationalism?

Can you write a brief poem that contains only palinodes?

Would you speak a dialect of a language that only contained cryptonyms (code names)?

How does "noetics" relate to the philosophy of psychiatry?

What do you think about the laws of noetics?

What would John Stuart Mill likely think about quangocracy?

What would Rousseau likely think about quangocracy?

What is a political philosophy perspective on "quangocracy"?

How would an aerophone-saxophone hybrid sound?

How would an aerophone-flute hybrid sound?

How would an aerophone-piano hybrid sound?

Do you think subclinical psychiatric entities are "true" mental disorders?

What did Schopenhauer think about rathymia ("the state of being carefree")?

Would you speak a dialect of English where you could only speak lipograms?

What are your favorite poems containing lipograms?

What are some ways of inducing viral mass extinction?

What is the phenomenology of textology?

How did the phenomenology of pigeons inspire Tesla?

What is the phenomenology of pigeons?

Would you use a new, handheld device that contained the set of all thesauruses digitally?

What is the qualia associated with the experience of melomania?

What is the phenomenology of melomania?

What is the most dramatic example of melomania (obsession with music) in history?

What would Plato likely think about "acatamathesia"?

What would Kant likely think about "acatamathesia"?

What would Descartes likely think about "acatamathesia"?

What are some interesting thought experiments involving acatamathesia ("loss of the faculty of understanding")?

What would a zither-guitar hybrid sound like?

What would a zither-cello hybrid sound like?

What would a zither-piano hybrid sound like?

What is an eisegesis ("the interpretation of a text (as of the Bible) by reading into it one's own ideas") according to Kant?

What is an eisegesis ("the interpretation of a text (as of the Bible) by reading into it one's own ideas") according to Lacan?

What is an eisegesis ("the interpretation of a text (as of the Bible) by reading into it one's own ideas") according to Derrida?

What are your favorite works on pogonology ("the study of or a treatise on beards")?

What do you think about pogonology ("the study of or a treatise on beards")?

What do you think about poetomachia ("a contest of poets; specifically: a literary quarrel involving a number of Elizabethan dramatists")?

What would a lagerphone-piano hybrid sound like?

What would a lagerphone-banjou hybrid sound like?

What would Heidegger likely think about "astrolatry"?

What are the best arguments for astrolatry?

What do you think about astrolatry (worship of the heavenly bodies)?

What is the likely long term future/destiny of stasiology ("the study of political parties")?

What new pastry is a hybrid between bannock and waffles?

What would Kant likely think about egotheism?

What do Buddhists think about egotheism?

What do you think about egotheism?

Can you think of a sentence with only protozeugma ("a zeugma in which the word which refers to both clauses is placed before them both")?

Would you speak a dialect of language that only contained gadzookery ("the use or overuse of period-specific or archaic expressions, as in a historical novel")?

What is your favorite example of obscurantism in contemporary politics?

What is non-anthropocentric psychogenesis?

Is a sociological perspective on psychogenesis the collective unconscious?

What is your favorite philosophical perspective on psychogenesis?

What did Kant think about psychogenesis?

What should everyone know about adoxography ("fine writing in praise of trivial or base subjects")?

What are your favorite examples of sophism in the Bible?

What do you think are the best examples of sophism in the American election?

What do Gnostics think about diabolology?

What do you think about "diabolology"?

What would Nietzsche likely think about theopsychism?

What would Heidegger likely think about theopsychism?

What would Kant likely think about theopsychism?

What are the best arguments for theopsychism?

What is a Gnostic interpretation of the philosophy of mathematics?

What do you think about theopsychism ("the belief that the soul has a divine nature")?

What is your favorite example of "phanopoeia" in Finnegans Wake?

What is the phenomenology of "phanopoeia" (a casting of images upon the visual imagination)?

What is your favorite example of surrealist "phanopoeia" (a casting of images upon the visual imagination)?

What did Foucault think about diorthosis ("a correcting or revision especially of a text")?

What did Lacan think about diorthosis ("a correcting or revision especially of a text")?

What did Derrida think about diorthosis ("a correcting or revision especially of a text")?

What should everyone know about nymphology?

What is a Buddhist interpretation of paroemiography ("the making of collections of proverbs")?

What do you think about phyllomancy ("divination by means of leaves")?

What's the most severe case of anthrophobia in history?

Are there phones that contain a "radappertization" device to sterilize food on the go?

What are some interesting facts about psychobiology?

What is the atheist equivalent of Holy Water?

What do Buddhists think about the theological concept of "theanthropy"?

What do atheists think about "theanthropy," or the ascription of human traits or characteristics to a god or gods?

What do you think about the phenomenology of theanthropy ("the ascription of human traits or characteristics to a god or gods")?

Are squirrels equilibrists?

What if a non-human animal experienced panphobia?

What is the most severe case of poriomania you've heard of ("an irresistible impulse to run away or wander off, either consciously or in a state of amnesia")?

What is the social psychology of wasps?

What is the phenomenology of a wasp?

What is the phenomenology of a hydra?

What's it like to be a wasp?

Would you speak a language that only contains euphemisms?

How does planetolatry ("idolatrous worship of the planets") relate to aesthetics?

What do you think about planetolatry as a theological position ("idolatrous worship of the planets")?

What would Kant likely think about the phenomenology of opioids?

What would Kant likely think about the phenomenology of psychedelics?

What would Heidegger likely think about the phenomenology of opioids?

What's a phenomenological perspective on narcomancy ("abnormal craving for a drug to deaden pain")?

What would hypothetically the book "Principia Mysteriosophy" likely contain?

What are the axioms of mysteriosophy ("the doctrine and knowledge pertaining to secrets and mystery")?

What do you think about mysteriosophy ("the doctrine and knowledge pertaining to secrets and mystery")?

What are the axioms of "physiosophy" (knowledge or wisdom concerning nature)?

What is physiosophy?

Would you play an instrument that combined a zambomba with a piano?

Would you play an instrument that combined a zambomba with a violin?

Would you play an instrument that combined a zambomba with a cello?

What is the most severe case of panphobia (fear of everything) you can think of?

What's it like to have amathophobia ("an abnormal and persistent fear of dust")?

What's the phenomenology of cathisophobia ("the fear of sitting")?

What is the most severe case of cathisophobia ("the fear of sitting") of all time?

What's a Marxist interpretation of ergasiophobia ("an abnormal and persistent fear of work")?

What's it like to have ergasiophobia ("an abnormal and persistent fear of work")?

What's it like to be thalassophilous (fond of the sea)?

Who is the most famous person who was fond of the sea that you can think of?

What is "meta meta poesis"?

What would Husserl likely think about the phenomenology of opera/orchestra music?

What would Husserl likely think about the phenomenology of jazz music?

What did Heidegger think about orchestra music?

What is a phenomenological interpretation of orchesography ("an enhanced form of choreography that includes details of the music to accompany the dance")?

What do you think about "scapulomancy" (the practice of divination by use of scapulae or speal bones (shoulder blades)) as a Gnostic?

Do robots experience synchronicity according to Carl Jung?

What explains the ethological behavior behind "synechthry"?

What is a sociological interpretation of synechthry ("hostile commensalism")?

What is an anthropic interpretation of synechthry ("hostile commensalism")?

What would Frege likely think about fictionalism?

Why should one be an anti-pedobaptist (against child baptism)?

What is a philosophical interpretation of volcanoes?

What do you think about axinomancy ("divination by means of the movements of an ax placed on a post") as a Gnostic?

What are some good rebuttals against Thomas Szasz's psychiatric philosophy?

What's the relation between "panaesthesia" and the philosophy of mind?

What's a panpsychic perspective on the concept of "panaesthesia"?

What did Kant think about "panaesthesia" (an individual's general awareness or perception)?

What would Schopenhauer likely think about "gastromancy"?

What would Hegel likely think about "gastromancy"?

What would Nietzsche likely think about gastromancy?

What is the relation between "gastromancy" and the existence of qualia?

What do you think about "gastromancy"?

What would Nietzsche likely think about the Sanskrit language as a philologist?

What's a Gnostic interpretation of "nyctographs"?

What do you think about "nyctographs"?

What are some arguments against mortalism?

What are some arguments in favor of mortalism?

What should everyone know about chrestomathy (a selection of passages from an author or authors, designed to help in learning a language)?

Was Methuselah an opsimath?

What's it like to be arachnivoracious?

What do you think about apantomancy ("a form of divination using articles at hand or things that present themselves by chance")?

What do you think about the philosophy of substitutionism?

Would you eat a submarine marine sandwich made out of a herbarium?

What are some inventive uses of a herbarium?

Do ostriches think about psychophysics?

What do you like most about kapnography ("drawing by means of smoke; especially, the art of producing decorative designs, pictures, etc")?

What is your favorite substantialist argument?

What should one know about stylometry when it comes to poetry?

What is the stylometry ("the statistical analysis of variations in literary style between one writer or genre and another") of the Quran?

What is the stylometry ("the statistical analysis of variations in literary style between one writer or genre and another") of the Bible?

What is the stylometry ("the statistical analysis of variations in literary style between one writer or genre and another") of Finnegans Wake?

Did the Vedanta influence Kant's categorical imperative?

What is lizard phenomenology?

What is the accipitrine ("relating to birds of a family that includes most diurnal birds of prey other than falcons, New World vultures, and the osprey") version of Aristotle?

What is the accipitrine ("relating to birds of a family that includes most diurnal birds of prey other than falcons, New World vultures, and the osprey") version of Plato?

Does pi contain all possible finite questions, including all the ones on Quora, in the English language?

Is AI a panaceaist?

Does lithography prove the past existed?

What did Kant think about maximalism?

What is nemorivagant ("wandering through forests") phenomenology like?

What do Buddhists think about festilogy ("a treatise on the subject of church festivals")?

What do Gnostics think about festilogy ("a treatise on the subject of church festivals")?

How can we induce mass virucide?

What is the phenomenology of urbanology?

Would you ride a bus that contained a village in it?

What is the geosophy of urbanology?

What did Kant think about parapsychic psychology?

What would Hegel likely think about parapsychic psychology?

What would Nietzsche likely think about parapsychic psychology?

What is a Gnostic liturgician?

What is a Buddhist liturgician?

What is an atheist version of a liturgician?

What is the longest isogram in the English language?

What do you think about cleidomancy ("a form of divination involving a key or keys")?

What is a Gnostic interpretation of adoptionism ("Jesus was adopted as the Son of God at his baptism, his resurrection, or his ascension")?

What is a pan psychic interpretation of pneumatography ("writing held to be that of spirits and produced directly without a medium or material device")?

What do you think about ichthyomancy ("divination interpreting the appearance and behavior of fish")?

What is the best collection of gnomology of all time?

What are your favorite examples of gnomology ("a collection of or a treatise on maxims, grave sentences, or reflections")?

Are there any examples of "enthymemes" from Aristotle's work?

What are some Platonic examples of enthymemes ("an argument in which one premise is not explicitly stated")?

What are some quantum mechanical applications of a spintharoscope ("spintharoscope is a device for observing individual nuclear disintegrations caused by the interaction of ionizing radiation with a phosphor")?

What is the meaning of life to a comet?

What is the phenomenology of cometography?

What are the metaphysics of cometography?

What are the aesthetics of cometography?

What would Kropotkin likely think about "ecocide"?

What would Durkheim likely think about the sociological concept of "ecocide"?

Are subliminal messages on TV more likely to air during the middle of the night?

How can vector scopes be applied to subliminal messages?

What do you think about lecanoscopy ("a form of self-hypnotism involving staring at water in a basin")?

What would Socrates likely think about Covid19?

How does acultomancy relate to Covid19 ("divination using needles")?

What are some of your favorite examples of iconotropy?

How does iconotropy relate to the American election ("the accidental or deliberate misinterpretation by one culture of the icons or myths of an earlier one, especially so as to bring them into accord with those of the later one")?

What's the relation between agapism and political philosophy?

How does agapism influence sociology?

What's the Buddhist interpretation of the Greco-Roman underworld?

What do Gnostics think about tartarology ("a doctrine concerning hell and punishment in the afterlife")?

Can spectrographs be applied to fuzzy logic?

Can spectrographs be applied to the spectrum of mental illnesses?

What is the phenomenology of "thoughtography"?

What's the Aristotelian concept of a paromologia ("a concession made in rhetoric to an adversary in order to strengthen one's own argument")?

Who is the most severe nemophilist in history ("a person who loves or is fond of woods or forests")?

What's a postmodernist interpretation of becoming a monk?

What's an atheist version of monachise (to cause to become a monk)?

What do you think about the phenomenology of pteridomania?

What's the phenomenology of ecophobia?

What's the most severe form of ecophobia in history?

What did Hegel think about homoousia ("identity in essence or substance")?

What did Aristotle think about homoousia ("identity in essence or substance")?

What did Spinoza think about homoousia ("identity in essence or substance")?

Can a water clock go on the Moon?

What did Hegel think about the Christian concept of salvation?

What did Nietzsche think about the Christian concept of salvation?

What is a surrealist interpretation of salvation?

What do anti-theists think about the concept of salvation?

What is meta mathemancy?

Why does mathemancy exist?

What is the eschatology of mathemancy?

What do mathematicians think of mathemancy?

How do zoodynamics relate to ecosophy?

How do zoodynamics relate to ethology?

What are the zodynamics of panpsychism?

What would Bertrand Russell likely think about totemism?

What would Spinoza likely think about totemism?

What's a Platonic perspective on totemism?

What's a Kantian perspective on totemism?

What is a panpsychic interpretation of hylogenesis?

What do antimaterialists think about "hylogenesis"?

What is an anti-theist panegyry?

What is the phenomenology of an "imago" (the last stage an insect attains during its metamorphosis, its process of growth and development)?

What should everyone know about omniphobia?

What should everyone know about ornithophobia?

What is the most severe form of ornithophobia in history?

What is the phenomenology of topophilia (a strong sense of place, which often becomes mixed with the sense of cultural identity among certain people and a love of certain aspects of such a place)?

How is phenomenology related to abiogenesis?

How is qualia related to abiogenesis?

What is a panpsychic interpretation of abiogenesis?

How does abiogenesis relate to the biological/ecological theory of everything?

What would Aristotle think about Hellenomania?

What would Plato think about Hellenomania?

What would Socrates think about Hellenomania?

What do you think about Hellenomania?

How does "hellenomania" relate to contemporary philosophy?

What is the phenomenology of orography?

What is the animism of orography ("the branch of physical geography dealing with mountains")?

What is "etheromania" in the philosophy of physics?

What is the worst experimental music song of all time?

What is a Buddhist interpretation of an energumens ("a person believed to be possessed by the devil or a spirit")?

What is the Christian phenomenology of energumens ("a person believed to be possessed by the devil or a spirit")?

What is septentrional phenomenology?

Are there any natural realist entities that are cryptogenic in essence?

Which philosophical theories are cryptogenic in essence?

What are some cryptogenic metaphysical theories?

What is the phenomenology of psychorrhagy?

What is a metaphysical interpretation of psychorrhagy (temporary manifestation of a person's soul to other persons at a distance from their body)?

What should everyone know about palaetiology?

What is the philosophy of palaetiology ("the explanation of past events in terms of scientific causes (as geological causes")?

What are the relations between privatism and solipsism?

What is therianthropic eschatology?

What is therianthropic theosophy?

What is therianthropic phenomenology?

What is the most severe form of theatermania in history that has ever existed?

What's the difference between the ontology of nulliverses and metaverses?

What are the metaphysics of nulliverses?

Why does the nulliverse exist?

What is the set of all nulliverses?

What do you think about alecetryomancy ("divination by means of a cock encircled by grains of corn placed on the letters of the alphabet which are then put together in the order in which the grains were eaten")?

What is the existential crisis of an ephemeron ("an insect that lives only for a day or a few days")?

What is the most severe form of metromania ("a mania for writing verses") in history?

What is the phenomenology of an ephemeron ("an insect that lives only for a day or a few days")?

How does syncrisis relate to Socratism?

What is the most severe form of technophobia in history?

What do you think about slobocracy?

How does paragraphia relate to the metaphysics of language?

How does paragraphia relate to the philosophy of language?

Is there such a thing as panpsychic crystallogenesis?

What is a Spinozan perspective on ergonomics?

What is a Hegelian perspective on ergonomics?

What is a Kantian perspective on ergonomics?

What is an Alfred North Whitehead perspective on ergonomics?

What is omniography?

Why should one be a logocentricist?

What is the phenomenology of zoophily?

What's a Hegelian interpretation of synectics?

What are the relations between synectics and ecology?

What is the relation between synectics and semiotics?

What is the relation between synectics and systems theory?

Did Socrates regularly employ antistrophons ("an argument that is retorted against an opponent")?

What is an Aristotle perspective on antistrophons ("an argument that is retorted against an opponent")?

What is a Platonic perspective on antistrophons ("an argument that is retorted against an opponent")?

What do you think about plantocracy?

What is meta-meta politics?

What would Hegel think about steganography?

What would Nietzsche likely think about steganography?

Can steganography be applied to the Bible?

Can steganography be applied to philosophy books?

What is the phenomenology of all cacodoxies ("incorrect doctrine or opinions")?

What is the relation between "thoughtography" and systems theory?

What is the relation between "thoughtography" and the theory of everything?

What is the "thoughtography" of non-human animals?

What is the surrealism of enigmatography?

What are the 'pataphysics of enigmatography?

What are the limits of enigmatography?

What is the set of all enigmatographies?

What is the relation of "xenolalia" (the supposedly paranormal phenomenon in which a person is able to speak, write or understand an unlearned language they could not have acquired by natural means) to the limits of language?

What is the relation of "xenolalia" (the supposedly paranormal phenomenon in which a person is able to speak, write or understand an unlearned language they could not have acquired by natural means) to the philosophy of language?

What would Wittgenstein likely think about "xenolalia" (the supposedly paranormal phenomenon in which a person is able to speak, write or understand an unlearned language they could not have acquired by natural means)?

What is the phenomenology of pseudochromaesthesia ("a form of synaesthesia in which a mental impression of color is produced by the stimulation of another sense, especially hearing")?

What do you think about "cephalonomanancy"?

What is the physiography of geosophy?

How does synecology (the ecological study of whole plant or animal communities) relate to the ecological theory of everything?

How does synecology (the ecological study of whole plant or animal communities) apply to systems theory?

What are the axioms of hieromancy (divination by interpreting sacred objects, often used in sacrificial offerings)?

What do you think about enosimania ("obsessional belief of the patient that he/she has committed an unpardonable sin")?

What are the relations between thanatography and historiography?

What is the thanatography of all possible minds?

Can AI compose a bossa nova?

What is the phenomenology of somatology?

What did Aristotle think about "epicheiremas" in logic?

What do Gnostics think of iconomancies (foretelling the future using images, especially holy icons)?

What is the Rosetta Stone of iconomancies (foretelling the future using images, especially holy icons)?

What are the axioms of hydromancy (divination by means of signs derived from the appearance of water and its movement)?

What is the relation between syzygy and panpsychism?

What are the existential limits of theotherapy?

How does faith healing relate to the meaning of life for theists?

What are the axioms of thaumatology ("the doctrine, discussion, or study of the performing of miracles")?

What are the limits of thaumatology ("the doctrine, discussion, or study of the performing of miracles")?

What is the phenomenology of thaumatology ("the doctrine, discussion, or study of the performing of miracles")?

What do you think about trochomancy (a divination by interpreting wheel tracks)?

What is the eschatology of psychometrics?

What are the metaphysics of chronomancy?

What are the limits of chronomancy?

What is the phenomenology of chronomancy?

How does chronobiology relate to the hard problem of consciousness?

What is the chronobiology of all possible minds?

What is the chronobiology of Gaia?

What is bathysmal (of or relating to the bottom of the deeper parts of the sea, especially those parts between 100 and 1000 fathoms deep) phenomenology?

If a cosmocrat were running for president, would you vote for them?

Why does enantiodromia exist metaphysically?

What are the limits of enantiodromia?

How does enantiodromia (the tendency of things to change into their opposites, especially as a supposed governing principle of natural cycles) and of psychological development relate to the metaphysics of causality?

What do you think of theomicrists (someone who makes fun of and belittles God)?

What is the phenomenology of zoopraxiscopes?

What are the limits of angelology?

What is the alethiology of angelology?

What is the eschatology of angelology?

What is the phenomenology of anabiosis (a temporary state of suspended animation or greatly reduced metabolism)?

What is the phenomenology of momilogy (the study of mummies)?

What is the phenomenology of zoogeology?

What is the phenomenology of "castophrenia" (the belief one's thoughts are stolen)?

What is a botanical perspective on quinology (the science dealing with the cultivation, chemistry, and medicinal use of the cinchonas)?

What is the pronomination of qualia?

How does neoprimitivism relate to contemporary political philosophy?

What is the qualia of hummingbirds?

What is the qualia of an aardwolf?

What is the phenomenology of an aardwolf?

What is the Rosetta Stone of ideography?

What are the qualia of butterflies?

What is the phenomenology of butterflies?

What are the most interesting examples of paradoxography?

What are the axioms of paradoxography?

What are the limits of paradoxography?

What is an indigenous interpretation of pre-Adamic phenomenology?

What is pre-Adamic phenomenology according to Christians?

Will transhumans be deipotent (possessing divine power)?

What is antitheist apotheosis?

What is ageotropic (moving or bending away from the Earth) phenomenology?

How does tribology relate to materialism/physicalism?

What is the phenomenology of woodpeckers?

Are psychiatrists clergy people in the secular religion of psychiatry?

What is anti-theist theurgy?

What are the limits of palaeosophy?

What separates palaeosophy from philosophy?

What was phenomenology like for palaeoanthropology?

What were qualia like for palaeoanthropology?

Are algedonics the heart of ethics?

How does negentropy relate to epistemology?

How does negentropy relate to aesthetics?

How does negentropy relate to metaphysics?

What is the hypsography (the branch of geography concerned with the determination and mapping of the relative elevation of areas of land) of the omniverse?

What are the axioms of zoism?

Why should one be a zoist?

What are some arguments for zoism?

Why shouldn't one be a misotheist?

Who would likely win a duel, a philosophical zombie or a vampire?

How does textology relate to irrational and transcendental numbers?

How does hypnosophy relate to the phenomenology of existence (the scientific study of the nature, cause, and mode of production of sleep, and of all the phenomena of this state)?

Can AI write whodunity?

What is prodromal mental illness in a non-human animal?

What is the philosophy of nostomania (a form of insanity due to extreme homesickness, a manic desire to return home)?

Why did the first quiddity and haecceity come to exist?

How do tangoreceptors relate to the existence of qualia?

Would you eat seaweed flavored pasta noodles?

Would you eat a seaweed flavor burger patty?

How do heroarchies (rule or government by people who are widely admired, either for their abilities or on account of their social status) relate to transhumanism?

What did Spinoza think about occasionalism?

What are the axioms of ponerology (a branch of theology dealing with the doctrine of evil)?

How does ponerology (a branch of theology dealing with the doctrine of evil) relate to antitheism?

How do antephialtics (an obsolete adjective pertaining or referring to the reduction or prevention of nightmares) relate to qualia/phenomenology?

What is the philosophy of biometrics?

What is bibliogenesis within the Library of Babel?

What are the axioms of allotheism?

Why should one be an allotheist?

What are some interesting facts about sapience?

How does helicosophy (the geometry of spiral curves) relate to the philosophy of mind?

What is the philosophy of cynanthropy (the pathological delusion of real people that they are dogs and in anthropology and folklore)?

What is the phenomenology of sleep?

Why should one be a Cyrenaic?

Why does experientialism exist?

What are some arguments against experientialism?

What is the iatrochemistry of materialism?

What is the coercimeter of psychiatry?

What is the philosophy of galeanthropy (a mental condition of thinking that one has become a cat, usually manifest in the adoption of feline mannerisms and habits)?

What do you think about sideromancy (a form of divination involving observations of the stars)?

What is omniphobia?

What is 'thinginghood'?

What are the axioms of polypsychism?

What are some arguments against polypsychism?

What are some arguments in favor of polypsychism?

What is omniarchy?

Do manatees think about karma?

What is temporicide according to Heidegger?

How does autosoterism (the doctrine that salvation is achievable through oneself or one's own efforts) relate to Henry David Thoreau's philosophy?

What do Buddhists think about the epistemic existence of justified true belief?

What is the prosopography of all possible minds?

What are the axioms of theometry?

What are the metaphysical limits of theometry?

How does theometry relate to a universal Turing test?

Who are some philosophers from Madagascar?

What do antimaterialists think of mineralogy?

What is prehistoric phenomenology/qualia?

What is the Fibonacci sequence of a hornet's nest?

How do cyanometers (an instrument for measuring "blueness", specifically the colour intensity of blue sky) relate to the existence of qualia/phenomenology?

What is omnimancy?

How do we know dreams are windows to possible worlds?

What are the axioms of schizography?

Does the Platonic Form of zero have a metaphysically realist existence?

What's a Marxist interpretation of Christmas?

What would Nietzsche likely think about the phenomenology of dysbulia (difficulty in thinking, maintaining attention, or maintaining a train of thought)?

What would Schopenhauer likely think about the phenomenology of dysbulia (difficulty in thinking, maintaining attention, or maintaining a train of thought)?

What do you think about dittology ("a double reading or twofold interpretation of a biblical text")?

Do marsupials think about karma?

How do we know memories truly describe the past, rather than imitating them in a Platonic sense?

What is the metaphysics of memories?

Did Kant think memories are noumenal/phenomenal objects?

What is the psychoanalytic interpretation of Covid19?

How does one find out the jazz music that used to play on Shaw TV guide?

If autism is a spectrum, does that mean all mental disorders are on a spectrum measured by gradient?

What would Heidegger likely think about the ontology of Schrodinger's logic?

What did Heidegger think about the being/dasein of a Sasquatch?

What did Kant think about the Christian concept of salvation?

What is an antitheist interpretation of soteriology (the doctrine of salvation)?

Can non-human animals have tear-jerker experiences?

What is the most tear-inducing qualic experience of all time?

What do you think about pneumatophony (the supposed utterance of articulate sounds by disembodied spirits) as a Gnostic?

What did Hegel think about pathomania (moral insanity)?

What did Kant think about pathomania (moral insanity)?

What is schizography according to Lacan?

What is a zoological interpretation of foundationalism?

What is a zoological interpretation of fallibilism?

How does a God lose their identity/status as a God?

What's it like to be a questionologist?

Are subliminal messages the graffiti of surrealism?

Which surreal poem describes sublimity?

What do you think the eschatology of chatbot technology will ultimately be?

What is an ornithological interpretation of critical theory?

What are the relations between geology and geosophy?

If Plato never existed, who would likely replace him during his era?

If the Platonic Forms never existed, what would likely exist instead?

What caused zero to exist as a Platonic Form?

What will baseball be like in the singularity era?

What will hockey be like in the singularity era?

What will basketball be like in the singularity era?

Do some realities possess degrees of infinity larger than others?

What is the difference ontologically between an abstract object and an uninstantiated universal?

What will tea ultimately taste like in the far future?

What is the Freudianism of the psychology of ants?

What algorithms can aid in inventing an AI that can invent an infinity of new inventions?

What are the life worlds of the hydra?

What is the social psychology of a hydra?

Can mereology be applied to panlogicism?

What is the poetry of 'pataphysics?

What caused an absolute infinity of infinitesimals to first exist?

Can trees' consciousness be computed?

Do trees have political beliefs?

What is authenticity to an anti-internalist?

What is the destiny of surrealist poetry?

Does numerology naturally exist in forests around the world?

What would Hegel think about anthropocentrism?

What is the history of surrealist poetry in one sentence?

What is the history of 'pataphysics in one sentence?

What is ornithological 'pataphysics?

How come we don't cook and eat hummingbirds?

Does the forest/wilderness possess a super ego?

What did Heidegger think about victimology?

What did Nietzsche think about victimology?

What are philosophical perspectives on the ontological existence of yesterday?

What is the relation between Jabberwocky and paraconsistent logic?

If you could predict the future of American politics in one sentence, what would you write?

Can you write a one-sentence story containing philosophical zombies?

If the philosophy of Canada were described in one sentence, what would it be?

How does transhumanism relate to the history of Canada?

What's a Derridean deconstruction of the history of Canada?

What's a Foucaultian deconstruction of the history of Canada?

What's a Lacanian deconstruction of the history of Canada?

What did Heidegger think about Hannah Arendt?

What did Levinas think about Hannah Arendt?

What would Heidegger likely think about psychophysics?

How can one empirically prove schizophrenia is on a spectrum?

Do non-human animals experience apophenia?

Can surrealist art be reduced to logical systems mereologically?

What is a mathematical interpretation on surrealist art?

What's the relation between atheism and surrealism?

Are philosophical zombies omnivorous?

What is a metaphysical perspective on nullism?

What are the intersections between Levinas and Cantor's conception of infinity?

What would Heidegger likely think about sociocracy?

What would Sartre likely think about sociocracy?

What explains why Logos rather than nothingness exists?

What is psychophysical meta-mathematics?

What is psychophysical number theory?

What is psychophysical topology?

Can a new drug target neuron cells DNA associated with pain within the body similar to Molnupiravir?

What will sports probably be like in the far future?

Are there such a thing as "objectively" aesthetic subliminal messages vs. subjectively aesthetic subliminal messages?

If subliminal messages didn't exist, what would likely its aesthetic replacement be?

What's a Heidegger perspective on orthopraxis ("the belief that right action is as important as religious faith")?

What's a Henri Bergson perspective on orthopraxis ("the belief that right action is as important as religious faith")?

What is "logophrenia"?

What's a Kantian perspective on orthopraxis ("the belief that right action is as important as religious faith")?

What do anti-theists think about orthopraxis ("the belief that right action is as important as religious faith")?

What was Kant's position on "tabula rasas"?

What is the first cause of the noumenal reality existing according to Kant?

If there was such a thing as logophagia, what would it mean?

How does tinctumutation (the change of color which is exhibited by certain animals, such as the chameleon, anoli, and many cephalopods) correlate with the neural correlated experiences of qualia in certain non-human animals?

What is panpsychic xenogenesis?

How does xylomancy (divination by means of pieces of wood) relate to indigenous Canadian philosophies of totemism?

What do psychiatrists think about the Christian concept of xerophagy and its relation to eating disorders?

What is an ornithological comedian?

What is ornithological epistemology?

What do birds know about epistemology?

What do birds know about political philosophy?

If birds could write poems, could they theoretically write very simple in syntax surrealist poetry?

What is an antitheistic priest?

Are there Nanaimo bar-flavored patties?

What would a language constructed only by paranymy (a euphemistic word or phrase whose literal sense is contrary to the reality) resemble?

What are some examples of hylarchic metaphysics?

What's a hybrid between a metallophone and a banjo?

What's a hybrid between a metallophone and a harpsichord?

What's a psychophysical interpretation of Leibniz's monadism?

What are some arguments against Leibniz's monadism?

What is paleo-anthroposophy?

What is paleo-theosophy?

What is the ontological status of neurodiversity?

Why should one be against normalism?

What is the phenomenology of immortality?

Should one be a nothingarian?

How does praxeology relate to reflexology?

Would you eat orange-juice flavored solidified waffles?

Would you eat orange-juice flavored toast?

Would you eat a cinnamon bun made out of insects such as mealworms?

What did Heidegger think about dancing?

What did Kant think about dancing?

What is the set of all iconography?

What is psychonic entropy?

Are there any philosophical traditions only unique to Polynesia?

What would Anselm likely think about entheomania (the abnormal belief that one is divinely inspired)?

What would Aquinas likely think about entheomania (the abnormal belief that one is divinely inspired)?

Is hypotyposis a crucial element in the Platonic dialogues?

Why is the concept of "hypotyposis" crucial to the philosophy of poetry?

Can polysyllogisms be infinitely long according to infinitary logic?

What are porisms in the philosophy of mathematics?

What are the axioms of epeolatry (the worshiping of words)?

What do you think about epeolatry (the worshiping of words)?

What is a newly invented language wherein every sentence structure consists of an example of nomancy (the art or practice of divining the destiny of persons by the letters which form their names)?

Can wolves reason about karma?

Can ants reason about karma?

What are the axioms of psychofugality?

What is psychofugality?

What's a Kantian perspective on erogenesis?

What is the root of erogenesis according to the Buddha?

What is the root of erogenesis according to Freud?

What are some interesting facts about rhabdomancy (a divination technique which involves the use of any rod, wand, staff, stick, arrow, or the like)?

What did Socrates think of Pythonism?

What did Aristotle think of Pythonism?

What did Plato think about Pythonism?

What is the qualia associated with galeanthropy (a mental condition of thinking that one has become a cat, usually manifest in the adoption of feline mannerisms and habits)?

What is the phenomenology of galeanthropy (the mental condition of thinking that one has become a cat, usually manifest in the adoption of feline mannerisms and habits)?

Why should one be an astrophile?

Who is the ultimate astrophile in history?

What are the relations between tightrope walking (walking across cable wires) and squirrel gymnastics?

How does one distinguish memory vs. merely an "appearance" of memory according to Kant?

What is the phenomenology of electrogenesis?

Why should one be a perfectibilist?

What's a Marxist perspective on perfectibilism?

What did Nietzsche think of perfectibilism?

What is an orguINETTE-piano hybrid?

Would you play an orguINETTE-harpsichord hybrid?

Would you play an orguINETTE-tuba hybrid?

How do we not let our anthropocentrism get in the way of perceiving non-human phenomenology?

What is a zoological interpretation of the study of the psychological effects of work, or of work patterns?

What is a Marxist interpretation of ergology (the study of the psychological effects of work, or of work patterns)?

What is likely the tastiest experience of qualia (phenomenal experiences associated with the tastiest taste ever) ever in the history of humanity?

What are the metaphysical limits of language poetry?

What are some examples of pathopoeia in language poetry?

Are the set of all pathopoeic experiences (the arousing of emotion in someone who hears music) countably infinite?

What are examples of "pathopoeia" (the arousing of emotion in someone who hears music) in terms of the diversity of qualic experience?

Can non-human animals be theophiles?

Who is the ultimate theophile in history?

What separates schizophrenic ontology from schizotypal ontology?

If panpsychism is true, can Planck volumes be schizophrenic?

If panpsychism is true, can neutrinos be schizophrenic?

If the Sun had had schizophrenia due to the causal effects of panpsychism, what would solar sentience be like?

If the moon had schizophrenia due to the causal effects of panpsychism, what would astrophysics be like?

What is the relation between Egyptology and Jung's "synchronicity"?

What is the eschatology of Egyptology?

What are the axioms of Egyptology?

What did Heidegger think about the Dasein and Being of extinct animals?

What would Husserl likely think about the phenomenology of vampires if they existed?

What would Husserl likely think about the phenomenology of philosophical zombies?

What would Heidegger likely think about the Dasein of a human-non-human hybrid species (such as a cross between a wolf and a human)?

What would Nietzsche likely think about the ontology of vampires if they existed?

What would Kant likely think about the ontology of vampires if they existed?

If herbal tea were solidified as a herbal tea flavored patty, would you try it?

What have various philosophers thought about the unity of imagination?

What does absolute freedom mean to you?

Is there such a thing as orthogenetic evolution on a quantum level?

How does orthogenesis relate to sociology?

What will esoteric literature look like in the far future?

What are the hermeneutical axioms of hierology (sacred literature)?

What would Kant think of bestocracy?

What would Nietzsche think of bestocracy?

How many kinds of sempiternities exist in the philosophy of physics?

What is sempiternalism vs. eternalism in the philosophy of physics?

Which human being had the most "rinkomania" experience in skating history?

What do you think about the philosophy of aretaics?

In the future, will we simulate psychedelic experience without actually taking psychedelics similar to the simulation hypothesis?

What is a psychedelic interpretation of transhumanism?

What is psychedelic theosophy?

What is psychedelic zoology?

What would Nietzsche likely think about the DSM?

What are the phenomenal experiences associated with the psychiatric condition "tachypsychia"?

Are there such a thing as "biometric" or "smart" disposable diapers outfitted with assay testing modules in the lining to test various health and nutrition conditions?

What is the Akashic Records version of the "presentation of all stages of a person's life in a single piece of art" or chronosynchronicity?

What are the relations between chronosynchronicity (presentation of all stages of a person's life in a single piece of art) and aesthetic value?

What is the eschatology of panlogism?

If panlogism exists, why does panlogism exist metaphysically?

Is panlogism universal in the universe/omniverse?

What do you think about the philosophical position known as panlogism?

What is the relationship between a persistent and intense fear of deep bodies of water such as the ocean or sea and panpsychism?

What is the relationship between a persistent and intense fear of deep bodies of water such as the ocean or sea and psychoanalysis?

What is the relationship between a persistent and intense fear of deep bodies of water such as the ocean or sea and animism?

What are some interesting facts about scoteography?

What is a scoteography competition (the practice of writing in the dark or without seeing)?

What are some examples?

What is a Hindu perspective on invination ("the inclusion of the blood of Christ in the Eucharistic wine without change in either substance")?

What is a Buddhist interpretation of invination ("the inclusion of the blood of Christ in the Eucharistic wine without change in either substance")?

Who is the greatest pastoral/natural realist poet in your opinion?

What's an ecosophical perspective on the orogenesis of mountains?

What's a geosophical perspective on the orogenesis of mountains?

What's a panpsychic perspective on the orogenesis of mountains?

What is the phenomenology of demonolatry?

What do anti theists think about demonolatry?

What is the most objective philosophy of history according to Hegel?

What is the most subjective philosophy of history?

What is the phenomenology of typtology?

What do you think about the philosophy of typtology?

What are some epistemic arguments for the philosophy of typtology?

What is the philosophy of typtology?

What is the phenomenology of panphobia?

What is the most severe case of spectrophobia (fear of mirrors) in human history?

What is the relation between pyrography and aesthetics?

What is the eschatology of poetolatry?

What are the axioms of poetolatry?

What do you think about poetolatry as a theological position?

What did Kant think about the Gnostic concept of the "underworld", and its relation to noumenal/phenomenal object identity?

What would Heidegger likely think about the Gnostic concept of the "underworld"?

What is a Marxist interpretation of the Greco-Roman myth of the "underworld"?

What is the relation between Steiner's anthroposophy and the existence of the underworld?

What is Blavatsky's theosophy concerning the existence of the underworld?

What do you think about infantocracy?

What's a Marxist interpretation of ethnomics?

What are the axioms of ethnomics?

What is the eschatology of ethnomics?

How does scrapbooking relate to aesthetic objectivity?

How do objective aesthetics relate to the art of paper cutting to make various pictures?

What is the philosophy of botany?

What are the hermetic interpretations of surrealist poetry?

What is hermetic surrealist humor? What are some examples?

What is hermetic zoology?

What are the aesthetics of the art of writing or engraving on glass?

What did Kant think about the psychological concept of traumatology?

What did Heidegger think about traumatology?

What do existentialists think about traumatology?

What did Nietzsche think about the psychological concept of traumatology?

What is the philosophy of Oceania?

Do algae possess sentience?

How does bodily symptomatology differ per every subjective experience of qualia?

What is the phenomenology of gyromancy ("A form of divination performed by going round continually in a circle, the circumference of which was marked by letters")?

What are the ontological differences between "plenipotency" and "omnipotence"?

What are the axioms of the study of the heavens (Uranology)?

What is the most severe case of scribbleomania in human history?

What is a psychoanalytic interpretation of scribbleomania (a compulsion for writing)?

What is the ethology of scribbleomania (a compulsion for writing)?

What is the most severe case of symmetrophobia (an abnormal fear or dislike of symmetry) in human history?

What is the phenomenology of ichnomancy?

What do you think about ichnomancy in terms of theosophy/divination?

Would you listen to a radio station that played an infinity (or very large finite number) of sounds in every song?

What is a hermetic interpretation of infinitesimals?

What is the zoological interpretation of infinitesimals?

What is a zoological interpretation of zero?

What is the phenomenology of zoogeography?

What is the philosophy of zoogeography?

What are the aesthetics of plastography?

How does psychiatry draw the line between ontological distinctions of psychiatry disorders according to Heidegger?

What is the phenomenology of polymania?

What is zoomorphic mereology?

What is zoomorphic theology?

What is zoomorphic theosophy?

What is zoomorphic geometry?

What is a Kantian perspective on the philosophical concept of "metastasis"?

Did Socrates ever encounter "metastasis" in the Platonic dialogues?

Do any Platonic dialogues possess an example of "metastasis"?

What are some examples of "metastasis" errors in formal logic?

What is "divinity by thunder" or brontomancy in theosophical/pagan traditions?

What do you think about "aspidomancy"?

What is Hegel's physiophilosophy?

What makes schizophrenic qualia objectively schizophrenic in its properties?

What do you think about "oligophrenia"?

What is panpsychic transcendentalism?

How does ornithology relate to panpsychism?

How does the study of mammals related to the study of ecosophy?

How does the study of mammalogy relate to ethology?

What is ethnological transcendentalism?

What is zoological transcendentalism?

If the belief that the origin of life was the result of a miracle is true, why is it a miracle?

What do you think of the philosophical argument, the belief that the origin of life was necessarily the result of a miracle?

What would Aristotle think of the belief that the origin of life was the result of a miracle?

What would Kant think about the belief that the origin of life was the result of a miracle?

What is the metaphysics of the belief that the origin of life was the result of a miracle?

What are the aesthetics of the art of reading character or telling fortunes from the markings of the forehead?

Why does dialectology exist?

What did Heidegger think about dialectology?

What did Bertrand Russell think about dialectology?

What did Plato think about dialectology?

What is the eschatology of dialectology?

What did Socrates think of dialectology?

What is the phenomenology of psychiasis?

What is the philosophy of psychiasis?

What does "psychiasis" (healing through the soul according to psychiatry) mean to you?

What is the phenomenology of divination by drawing pebbles from a pile?

What do you think about divination by drawing pebbles from a pile?

What's an Aristotelian example of an "apogoge" (an indirect argument which serves to prove something by showing the contrary to be absurd or impossible)?

What's a Kantian example of an "apogoge" (an indirect argument which serves to prove something by showing the contrary to be absurd or impossible)?

What would Kant likely think about martyrology?

What would Nietzsche likely think about martyrology?

What's an anti-theist interpretation of a tetramorph?

What's a Platonic perspective on the second coming of Christ?

What would Kant likely think about the ontology of parousiamania ("an abnormal anticipation of the second coming of Christ")?

What would Nietzsche likely think about the ontology of parousiamania ("an abnormal anticipation of the second coming of Christ")?

How does the ontology of "enosimania" (an obsessional belief of the patient that he/she has committed an unpardonable sin) relate to the philosophy of psychiatry?

What is the relation between "enosimania" (an obsessional belief of the patient that he/she has committed an unpardonable sin) and schizophrenia?

What would Aquinas likely think about "enosimania" (an obsessional belief of the patient that he/she has committed an unpardonable sin)?

What is a philosophy of religion perspective on "enosimania" (an obsessional belief of the patient that he/she has committed an unpardonable sin)?

What would Kant likely think about the philosophically intriguing concept of "enosimania" (an obsessional belief of the patient that he/she has committed an unpardonable sin)?

What would Nietzsche likely think about predestinarianism?

If predestinarianism is true, why is it true?

What would Bertrand Russell likely think about predestinarianism?

What would Hegel likely think about predestinarianism?

What would Kant likely think about predestinarianism?

What is a philosophical interpretation of parataxis (the placing of clauses or phrases one after another, without words to indicate coordination or subordination)?

How does microclimatology lead to aesthetic experiences?

What is the phenomenology of microclimatology?

What do you think about the pragmatic philosophy of "minimifidianism" (having a minimal amount of faith)?

How does synechiology ("the metaphysical doctrine of the connection of things by causation") relate to the metaphysical theory of everything?

How does synechiology ("the metaphysical doctrine of the connection of things by causation") relate to metaphysical truth?

How does synechiology ("the metaphysical doctrine of the connection of things by causation") relate to systems theory?

What is the astrobleme of Gaia?

What are some interesting facts about melittology (the science of bees)?

What are the axioms of melittology (the study of bees)?

What is the set of all pelmatograms?

What would Wittgenstein likely think about the existence of pelmatograms and their relation to the philosophy of language/semiotics?

What is the aesthetic interpretation of an amaranth?

What is the ecosophy of an amaranth?

Would you speak an English dialect that only allowed cacopy?

What is the phenomenology of zoosophy?

What would Alfred Whitehead likely think about zoosophy?

What would Henri Bergson likely think about zoosophy?

What would Hegel likely think about zoosophy?

What would Heidegger likely think about zoosophy?

What is the eschatology of zoosophy?

What are the axioms of zoosophy?

What is the relation between variable logic and fuzzy logic?

What is the relation between variable logic and modal logic?

What is the set of all schizophrenic experiences?

What is a "cataphrenic" experience?

What is the set of all possible picture puzzles?

What if futurelessness is an ontological truth?

What is aesthetic revisionism?

What is metaphysical revisionism?

What are some stories that involve a female satyr?

Would you play a player piano wirelessly connected to a radio station's playlist of songs?

What is neo-Gothic poetry? What are some examples?

Who is the most well-known arachnophile in history?

What would Nietzsche think about the Jungian concept of synchronicity?

What did Heidegger think about the Jungian concept of synchronicity?

What did Henri Bergson think about the Jungian concept of synchronicity?

How will eggnog taste radically different in the future?

What would Heidegger likely think about the phobia of physical pain and its relation to being (algophobia)?

What is a psychoanalytic interpretation about the phobia of physical pain (algophobia)?

What do Buddhists think about the phobia of physical pain (algophobia)?

What is a Dadaistic Psalm book?

What is a surrealist's Psalm book?

What is an all possible world (modally realist) Psalm book?

What did Heidegger think about selenology?

What did Spinoza think about selenology?

Can you describe a poetic hallucination in one sentence?

What is interschool intersubjectivity?

Would you eat a guava-flavored burger patty?

What is the hietometer of every possible tear that's been cried in history?

What is the relation between mereology and direct sums?

Who was the first psychoanalyzer?

Can the soul, if it exists, be adopted?

What is a psychophysical unobserved electron?

What did Kant think about selenology?

What is the psychoanalysis of selenology?

Is there an "Indeed.com" specifically for metaphysicians?

Is there a number even more irrational/transcendental than pi?

What are some philosophical perspectives regarding botany?

What is the geometry behind hallucinations?

What is the geometry behind the structures of reality?

What is your favorite quote about Islam of all time?

Who is the most mysterious poet?

Who is the most mysterious science fiction author?

How does hard science fiction relate to modal realism?

Is there a quote by Maya Angelou that stands out to you?

How would you summarize George Santayana's philosophy in one sentence?

Why should one be against philosophy?

What is the most wacky and whimsical neologism you can think of?

Would you listen to a radio station where a variety of instrumental music accompanied philosophical books/quotes readings 24 hours a day?

What did David Lewis think about the Platonic realm?

Did Neanderthals have schizophrenia?

How does psychoecology relate to schizophrenia?

What would Godel likely think about modal realism?

What would Einstein likely think about modal realism?

What are some interesting facts about ecopsychology?

Who is your favorite ecopsychologist?

What did Heidegger think about music theory?

What is a Heidegger interpretation of music theory?

What is a Hegelian interpretation of music theory?

How does game theory relate to music theory?

Would you drive a sentient car?

Are there some inventions that only AI can invent compared to humans?

What do you think about ecological themed comedies?

What is your favorite ecological themed comedy?

What is a Whitehead interpretation of ecological design?

What is a Nietzschean interpretation of ecological design?

What are some quotes that make you question the existence of truth?

What are some quotes that make you question all realities?

What are some quotes that make you feel grateful?

What would Foucault likely think about Marshall McLuhan's philosophy?

What would Derrida likely think about Marshall McLuhan's philosophy?

What would Lacan likely think about Marshall McLuhan's philosophy?

Is there such a thing as "ecological epistemology"?

Why should one be an epistemologist?

Why should one be a phenomenologist?

Who is the most obscure metaphysician?

What is Foucault's interpretation of "media ecology"?

What is a Kantian interpretation of "media ecology"?

How does environmental psychology relate to schizophrenia?

What are some interesting facts about environmental psychology?

What is a philosophical perspective regarding information ecology?

How does ecology relate to materialism/physicalism?

Was Covid19 an ecological crisis affecting humans according to ecology?

What is a Hegelian interpretation of the "Gaia hypothesis"?

What is a Kantian interpretation of the "Gaia hypothesis"?

What is a Whitehead interpretation of the "Gaia hypothesis"?

Do astrophysics and ecology overlap in any way?

What would a hybrid game between Pokemon/Tetris resemble?

Do Pokemon characters truly exist in another world according to modal realism?

What are your favorite ecological-themed video games?

Does political philosophy overlap with ethology?

If Socrates went to space, would his philosophy likely be radically different?

If Plato went to space, would his philosophy likely be radically different?

If Aristotle went to space, would his philosophy likely be radically different?

Are space and time a property, universal, neither, or both?

Is there a George Berkeley interpretation of string theory?

Can one have a justified true belief that's purely justified on the basis of a true emotion?

Is there an entomology version of the theory of everything?

Is there an ecological version of the theory of everything?

How can computational geometry be applied to linguistics?

Who is your favorite theoretical ecologist?

In modal realism, is every fantasy an existing possibility in some world?

How would Wittgenstein's philosophy be different if he believed in Bahaimism?

Did the Prophet Muhammad (peace be upon him) have any beliefs about epistemology?

Did the Prophet Muhammad (peace be upon him) have any beliefs about phenomenology?

Did the Prophet Muhammad (peace be upon him) have any beliefs about Gnosticism?

What is your favorite poem by Philip Lamantia?

What is your favorite poem by Picasso?

What is love to a bird?

What would it be like if a priori knowledge did not exist?

What would it be like if a posteriori knowledge did not exist?

What is the most unique logical system you can think of?

What does Saul Kripke think about Tarski's work?

If Schrodinger's cat had qualia, what would it be like?

Why should one be a poet rather than a novelist?

Is consciousness made out of abstract objects/universals?

Is consciousness made out of mereology?

Is there a middle ground between rationality and absurdism?

Does theoretical ecology overlap with string theory in any way?

What would Anselm likely think about Richard Dawkins' philosophy?

What would Heidegger likely think about Richard Dawkins' philosophy?

What would Aquinas likely think about Richard Dawkins' philosophy?

How does Wittgenstein's Tractatus relate to model theory?

Are there "unsolvable" language games according to Wittgenstein?

What are some interesting facts about theoretical ecology?

What would it be like if someone lived longer than forever?

What was prehistorical political philosophy like?

What is a Godel interpretation of computer-generated poetry?

Are truth values ubiquitous to everything that exists?

Does everything in reality possess truth values?

How does "autecology" relate to existential authenticity in a non-human individual animal?

What are some interesting examples of "hive mind" behavior, similar to insects, in human psychology?

What's a Freudian interpretation of an insect "hive mind"?

Did Wittgenstein have any opinions regarding theoretical ecology, and its relation to language?

How does theoretical ecology relate to Alfred North Whitehead's work?

What are some interesting examples of tetromino-shaped furniture?

Is morality a ratio of hedons-dolors for any given game theory situation according to utilitarianism?

What would Jung likely think about the Flying Spaghetti Monster?

Do Daniel Dennett and Wittgenstein share any common affinity in rejecting non-materialism?

What makes a sentence more "aligned to reality" than others in the philosophy of language?

Is the Patterson-Gimlin subject a possible Neanderthal?

How do combinatorics relate to vexillology design?

If you could ask Hegel anything, what would you ask him?

If you could ask Kant anything, what would you ask him?

If you could ask Plato anything, what would you ask him?

If you could ask Salvador Dali anything, what would you ask him?

If you could ask the poet Rimbaud anything, what would you ask him?

If you could ask the poet Sylvia Plath anything, what would you ask her?

If you could ask the poet Philip Lamantia anything, what would you ask him?

Are the semantics of surrealism necessary to the existence of the imagination?

How does "emotionology" of the study of emotions relate to surrealism?

What is Machiavelli's perspective regarding transhumanism?

What is Machiavelli's perspective regarding anarcho-capitalism?

What is a Locke perspective regarding anarcho-capitalism?

What is a Hobbes perspective regarding anarcho-capitalism?

Was Thoreau fond of libertarian socialism?

What would Thoreau likely think about NATO?

Are there any works or papers that examine the relationship between zoology and oneirology?

Can nomology be applied to non-human animals mental states?

What are some good science fiction stories about immigrating to parallel universes?

What are some interesting facts about "nomology"?

What is a Buddhist interpretation of "nomology" or the laws of the mind?

Is egoism essential to human nature?

Is egoism essential to human nature according to Buddhists?

If Shakespeare was a surrealist, how would his plays be different?

What would it be like if the Sun was made of neutralinos?

If someone spent their entire life in a stimulation, would they be able to tell the difference between the stimulation and natural reality without the stimulation, such as corresponding qualia in the stimulation vs. non-stimulation?

Are all unsolvable puzzles solvable in Meinong's jungle?

What would Foucault likely think about the concept of cultural appropriation?

What would Derrida likely think about the concept of cultural appropriation?

What would Lacan likely think about the concept of cultural appropriation?

Is there such a thing as a smart sleeping bag?

What would it be like to shop in an infinitely large shopping mall?

How are Canadiana and Americana fundamentally different?

What is the most Canadiana poem you can think of?

Is Scrabble an unsolvable game?

Is there such a thing as "unsolved/unsolvable" Tetris puzzles?

Is there a version of Tetris where musical notes replace tetrominoes?

How would history be different if Schopenhauer was an optimist?

How would history be different if Socrates was a transhumanist?

How does zoology relate to modal realism?

In the future, will one be able to simulate a non-human animal's brain and apply it to computational zoology?

Is there any relation between thought disorder and poeticness?

Can one CRISPR the brain theoretically to treat intellectual disability?

How can CRISPR in the brain treat schizophrenia?

If Lucifer became a monk, how would the Bible be different?

Do birds have a symbolic meaning in Buddhism?

In the future, do you predict our understanding of modal realism will be far different than it is today?

In the future, do you predict modal logic will be far different than it is today?

How does brane cosmology relate to model theory?

How does neutrino oscillation relate to game theory?

How does neutrino oscillation relate to model theory?

How can one know the entire information-theoretic structure of the Earth?

Would you try aromatherapeutic Kleenex?

What is a philosophical interpretation of 'thought disorder'?

Would you try assay testing Kleenex that diagnoses a variety of ear-throat-nose conditions within the mucus membranes of the nostrils?

Would you try avocado flavored bannock?

What is the litmus test of rationality?

What do Muslims think about the chapter Revelation in the Bible?

Is there such a thing as 'orthodox Pastafarianism'?

What is Orthodox Baha'ism?

How many individual unique Scrabble games exist according to combinatorics and math?

What is a model theory interpretation of string theory?

How do universal Turing machines relate to model theory?

Was Salvador Dali an esoteric philosopher?

Does the Gettier problem challenge solipsism because of its ontological commitment of externality to justify true beliefs?

Is there a set of everything that doesn't exist?

What would it be like if everything that existed was absolutely random in nature?

How does probability theory relate to homology?

How does probability theory relate to cohomology?

Is there a number theory version of Tetris, where instead of tetrominoes, you use objects known in number theory?

Is Epicureanism closely linked to Bohemianism?

What's a game theory interpretation of futurology?

In another possible world, is spiritualism empirical according to modal realism?

Is pragmatism essential to the philosophy of science?

What's it like to be a tardigrade?

Can tardigrades possess qualia?

What's a Newtonian interpretation of fractal cosmology?

What is an Alfred North Whitehead interpretation of fractal cosmology?

Can one apply quantum statistical mechanics over the shape of a Riemann surface?

Is there a version of Lichess, where instead of playing chess, you have categories such as "blitz" in coming up with quotations/aphorisms for a random category, word, against players around the world?

What do you think is the most bizarre Scrabble game of all time?

What do you think is the most bizarre chess game of all time?

What is the most bizarre aphorism of all time?

What do atheists think about the Salvation Army? Should it be secularized?

How do baby universes relate to modal realism?

How does ring theory relate to the Witten zeta function?

Do you think any paradox can be solved via searching in Meinong's jungle?

What did Frege think about nominalism?

What's a Nietzschean perspective regarding "emotionology"?

How does emotionology relate to sociology?

Would you read a dictionary about "emotionology"?

How does "emotionology" relate to German idealist/romanticist philosophy?

How does "emotionology" relate to meta psychology?

What do you think about Neo-Nietzscheanism?

What would it be like if ants could grasp Hegel's philosophy?

What would it be like if ants could grasp Nietzsche's philosophy?

Why do certain objects possess certain essences and not others, metaphysically speaking?

If you could take any philosopher to the movies to watch a movie with, what movie would you pick and which philosopher would you pick?

Can Feynman graphs be applied to magic squares?

How does non-commutative geometry relate to the topological field theory?

How does the arithmetic of algebraic curves relate to the Riemann hypothesis?

What would Karl Popper likely think about super symmetry in string theory?

Is Meinong's jungle located in the Platonic realm?

Is reality physical/materialist, non-material, both, or neither?

What is a gnostic interpretation of anti-psychiatry?

What is a gnostic interpretation of Jainism?

Can one play Tetris on paper via origami?

How does Egyptology relate to Baha'iism?

How does Egyptology relate to Hinduism?

How does Mesopotamian history relate to Hinduism?

What is a Heidegger interpretation of Egyptology?

How does metaphysics relate to Mesopotamian history?

What is the difference between positivism and verificationism?

Are there documentaries about surrealism?

Are there documentaries about 'pataphysics?

Is there a variant of chess where one must solve a chess puzzle of increasing difficulty as the end game progresses before they make a move?

Does pantheism have a Freudian interpretation?

How do mereological fusions relate to number theory? Is there an overlap or common connection?

How does determinism relate to the nature of aesthetics?

Is existence merely a stepping stone to 'higher levels' beyond existence?

Can non-human animals and insects reason about rationality?

Is the truth a matter of the possible world you are in, according to modal realism and David Lewis?

Is there a relation between continued fractions and category theory?

How do continued fractions relate to surrealist numbers?

How does the holography principle relate to number theory?

Is there an analytical philosophical perspective regarding Bahaism?

Is there an analytical philosophical perspective regarding Islamic philosophy?

If birds had personality disorders, would we be able to tell?

Is there a bird's behavior that you've seen that stands out as the most uniquely behaving bird you've ever seen?

Can coherent sheaf cohomology be applied to string theory?

How does the Grothendieck conjecture relate to Witten's work?

Is mereological holism necessary to the natural (naive realist) world?

How does justified true belief relate to hedonism in order to be justified?

Can game theory be applied to the Diophantine equations?

How does the geometry of information relate to nominalism?

Is there a game theory interpretation of string theory?

Can panpsychism coexist with the noumenal world?

Can one be both a secular humanist and a theologian?

Was Nietzsche a precursor to secular humanism?

Was Nietzsche's existentialism a precursor to Sartre and de Beauvoir's existentialism?

How would Nietzsche's philosophy be different if he had schizophrenia?

If jazz had its own version of "Principia Mathematica," where instead of equations, jazz melodies and harmonies are written, what would it resemble?

How does encephalography relate to materialism/physicalism?

What will Twitter likely resemble in 1,000 years if it still existed?

What will Facebook likely resemble in 1,000 years if it still existed?

What will YouTube likely resemble in 1,000 years if it still existed?

Is there such a thing as a "Whiteheadian interpretation of neuroscience"?

Is there such a thing as "Kantian interpretations of neuroscience"?

Is there a quantum mechanical interpretation of personality disorders?

Is there a quantum mechanical interpretation of schizophrenia?

What did Heidegger think about the externalism/internalism distinction?

What would a Tetris-Minesweeper hybrid game resemble?

Is there any connection between Neo-primitivism and libertarian socialism?

What is a gnostic perspective regarding sociology?

Did Heidegger think Being could be reconciled with externalism/objectivity?

What are some examples of the block universe/eternalism in science fiction?

What do Marxists think about Alfred North Whitehead?

What would phenomenology be like living on a generation spaceship?

Is there a Spinozan interpretation of qualia?

Which science fiction deals with shamanism/techno-primitivism?

Which science fiction deals with anti-psychiatry?

Are there any urban legends within philosophy?

Are there radio stations that play poetry readings for 24 hours instead of music?

Can one axiomize everything? Are there some things that can't be axiomatized?

What would Deleuze and Guattari likely think about Wall Street?

What did Foucault think about schizophrenia?

What would Foucault likely think about NATO?

What is a Lacan interpretation of the philosophy of medicine?

What is a Derrida interpretation of the philosophy of medicine?

How does the philosophy of medicine relate to the philosophy of physics?

How does the philosophy of medicine relate to the philosophy of ecology?

Do different species of animals have qualic experiences that are unique to every species?

Can intersubjectivity coexist with solipsism?

Why did David Lewis advocate for modal realism?

Would you try a drinking glass that reassembled the atoms in your drink to create a new, unique drink?

Is there a non-materialist interpretation of economics?

What is a Hegelian interpretation of economics?

Is there a surrealist interpretation of economics?

Is there a Kantian interpretation of economics?

What is the most unique pasta sauce ever?

Are there any urban legends in quantum physics?

Can one apply transcendental numbers to magic squares?

How does jazz improvisation relate to phenomenology and the meaning of experience?

How does jazz improvisation relate to 'pataphysics?

What's your favorite Spinoza-themed play?

What is your favorite Hegelian-themed play?

Is there a play/example of screenwriting that's about Wittgenstein's work?

What is your favorite Kantian themed play?

What are some philosophical perspectives regarding screenwriting?

Can one create a magic square out of surrealist numbers?

If Pastafarianism had a temple, would you attend it?

What's a Kantian interpretation of schizotypal personality disorder?

What's a Hegelian interpretation of schizotypal personality disorder?

What's a Nietzschean interpretation of schizotypal personality disorder?

What would Nietzsche likely think about the limits imposed by intergalactic travel, and its relation to the "Superman" concept?

What would Nietzsche likely think about the death of rationality?

What would Nietzsche likely think about the death of reality?

How does "schizoanalysis" relate to Levinas' philosophy?

What do you think about Robert Sapolsky's interpretation of schizophrenia?

Can any sentient being ever perceive true reality?

Can Pat Gunkel's "ideonomy" be applied to psychometrics as a mechanism for measuring one's cognitive abilities?

What is a Hegelian perspective regarding Pat Gunkel's "ideonomy"?

What is a Kantian perspective regarding Pat Gunkel's "ideonomy"?

Do Durkheim's sociology and Wittgenstein's logical atomism share any relation whatsoever?

If Spinoza was a psychonaut, how would his philosophy likely be different?

Are some philosophies more irrational than others?

Are some philosophies more sophist than others?

Would you try doughnut-flavored beef jerky?

Can one be a mysterianist about absolute idealism?

Did the Vedanta and Upanishads inspire Spinoza?

How does Bahaism relate to Whitehead's work?

How does Bahaism relate to Jung's work?

How does Hinduism relate to Jung's work?

How come universities don't have "atheist studies"?

What would Whitehead likely think about Celia Green's philosophy?

What would Husserl likely think about Celia Green's philosophy?

What would Nietzsche likely think about Celia Green's philosophy?

What would Hegel likely think about Celia Green's philosophy?

What would Kant likely think about Celia Green's philosophy?

What is the meaning of life to a tree?

Can platonic objects exist within ecology?

What is a Whitehead interpretation of enantiodromia?

What is a Hegelian interpretation of enantiodromia?

What is a Blavatskian interpretation of enantiodromia?

If Bertrand Russell was also a physicist, how would his philosophy likely be different?

What is Bertrand Russell's perspective regarding zoology?

What is a cosmogonic interpretation of metaphysics?

What science fiction has Wittgenstein's philosophy as a central theme?

Which science fiction stories have Spinoza's philosophy as a central theme?

How is Whitehead's evolutionary philosophy related to Darwin's evolutionary philosophies and theories?

Are there any science fiction stories that are set in the Greek Socratic era?

Who is the gadfly of surrealism?

Who is the biggest American political gadfly of all time?

Who is the ultimate current American political gadfly?

What is a Jungian interpretation of atheism?

Would you try cheeseburger flavored beef jerky?

Would you try birthday cake flavored beef jerky?

What is a Hegelian interpretation of negentropy?

What is a Kantian interpretation of negentropy?

What is a Spinoza interpretation of negentropy?

Is there such a thing as a Spinoza interpretation of topological field theory?

Why shouldn't one be a misanthrope?

Is the qualia of a prodromal mental illness objectively different from a fully-blown mental illness?

Do Spinoza and Whitehead's philosophy share a common affinity?

Does "experientialism" have anything in common with logical positivism?

How does Buddhism relate to Epicureanism?

How does quantum physics relate to philosophical positions that are against materialism/physicalism?

What would Plato likely think about NATO?

What would Aristotle likely think about NATO?

What would Socrates likely think about NATO?

What would Schopenhauer likely think about NATO?

What are the similarities between order theory and modal logic?

What are the relations between model theory and modal logic?

Do modal logic and German idealism have anything in common?

What do logical positivism and Kant's transcendental idealism have in common?

What do psychiatry and quantum physics have in common?

Are all hedonistic experiences necessarily reducible to materialism?

What would Kant likely think about Guattari and Deleuze's "schizoanalysis"?

What would Hegel likely think about Guattari and Deleuze's "schizoanalysis"?

What would Nietzsche likely think about Guattari and Deleuze's "schizoanalysis"?

What is a Nietzschean perspective concerning Bahá'ism?

What is an Aquinas interpretation of Bahá'ism?

What is an Anselm interpretation of Bahá'ism?

How does Freudianism relate to Bahá'ism?

How does Freudianism relate to Buddhism?

Would you play a new game where you choose any historical person from Wikipedia, and a hologram copy of your chosen team of people plays a chosen sport, such as baseball or hockey?

If reality no longer existed, what would replace reality?

If trees could be schizophrenic, how would ecology be different counterfactually?

If ants could be schizophrenic, how would entomology be different?

Can ants possess empathy?

Do trees possess empathy?

What is Steiner's anthroposophy in one sentence?

What is Blavatsky's theosophy in one sentence?

What did Heidegger think about Blavatsky's philosophy?

Does the forest/wilderness possess a subconscious mind?

What are the best recipes that have tree bark as an ingredient?

What is a quantum mechanical perspective regarding chess?

What is a quantum mechanical perspective regarding Scrabble?

What's the ontological difference between 'pataphysics and surrealism?

If an ant ingested psychedelics, could it experience psychosis according to entomologists?

Can ants and humans share similar qualia?

If you could live until the end of the universe, would you?

Does psychophysics share any relation with number theory?

Can non-human animals be comedians?

Would you try Nanaimo bar flavored toothpaste?

Would you try Nanaimo bar flavored chewing gum?

What is a Nietzschean perspective regarding neurodiversity?

What is a Hegelian perspective regarding neurodiversity?

What is a Whitehead perspective regarding neurodiversity?

What is a Kantian perspective regarding neurodiversity?

Do Leibniz and Whitehead's philosophy share a common affinity?

How do Leibniz's monads relate to Frege's formalism?

What are the relations between Buddhism and Trump's philosophy?

Do non-human animals have their own version of "anthropocentrism"?

How does mathematical realism relate to qualia?

What is a Nietzschean perspective regarding NATO?

What is a Kantian perspective regarding NATO?

What is a Hegelian perspective regarding NATO?

If Kant was running for American president counterfactually, would you vote for him?

If Hegel was running for American president counterfactually, would you vote\ for him?

If Nietzsche was running for American president counterfactually, would you vote for him?

How does the philosophy of physics relate to Hegel's philosophy of history?

Is there such a thing as "psychedelic positivism"?

What is psychedelic ethology?

If Trump was a surrealist, would your opinion of him change?

If Biden was a surrealist, would your opinion of him change?

What is a Hegelian perspective regarding libertarian socialism?

What is a Kantian perspective regarding libertarian socialism?

What is Nietzsche's perspective regarding libertarian socialism?

How does Steiner's anthroposophy relate to green politics?

If Trump wrote science fiction, would you read it, and what would you likely think?

If Biden wrote science fiction, would you read it, and what would you likely think?

How does the phenomenology of history relate to Kant's transcendental idealism?

How does number theory relate to M-theory?

What is an order theory interpretation of string theory?

Do Whitehead and Wittgenstein's philosophy share any common overlap?

How does the Hegelian philosophy of history relate to media studies?

If Joe Biden joined the Republican Party, would you vote for him?

If the US presidential election occurred in a mind-uploaded society, how would it likely be different?

What is a Marxist interpretation of jazz music?

What is a Whitehead interpretation of Steiner's anthroposophy?

What is a George Berkeley interpretation of Steiner's anthroposophy?

What is the relation between Steiner's anthroposophy and Blavatsky's theosophy?

If the universe is a simulation, what about the multiverse?

If the universe is a simulation, who created the simulation?

Do the left and right (political divisions) perceive Nietzsche differently?

Do the left and right (political divisions) perceive science fiction differently?

What is a Marxist interpretation of science fiction?

What would Hegel likely think about the political concept of panarchy?

What would Rousseau likely think about the political concept of panarchy?

What would Kant likely think about the political concept of panarchy?

What would Nietzsche likely think about the political concept of panarchy?

How does Blavatsky's philosophy relate to Nietzsche's philosophy?

How does Blavatsky's philosophy relate to Hegel's philosophy?

How does Blavatsky's philosophy relate to Kant's philosophy?

How does practopoiesis relate to surrealist poetry?

How does practopoiesis relate to jazz music?

How does surrealist poetry relate to jazz music?

How does sound poetry relate to jazz music?

What is the most aesthetic experience of all time ever?

What is an Islamic perspective regarding the Frankfurt School?

What is an Islamic perspective about Micronesia?

How does semiotics relate to anti-psychiatry?

How does epistemology relate to anti-psychology?

How does number theory relate to Godel's work?

How does number theory relate to Bertrand Russell's work?

What is a Hegelian interpretation of theogony?

What is a Kantian interpretation of theogony?

What is a Nietzschean interpretation of theogony?

What are some applications of possible world semantics to entertainment?

What would Husserl likely think about the concept of anxiety disorders?

What would Hegel likely think about the concept of anxiety disorders?

What would Kant likely think about the concept of anxiety disorders?

How does psychiatry relate to "justified true belief" and its relation to making a diagnosis?

What is your favorite aphorism concerning the philosophy of cooking?

How does ethnology relate to gastronomy?

How would the world be different if a panarchy was the universal form of government?

How would politics be different if everyone was unschooled?

What is the relation between qualia and the DSM?

Is Kant's transcendental idealism related to finitism in any way?

If the analytic/continental divide never existed in philosophy, what would philosophy be like?

How does ornithology relate to surrealism and 'pataphysics?

What would Socrates likely think about 'pataphysics?

Was the origin of life positivist, metaphysically realist, both, or neither?

What is your favorite Can Lit surrealist themed novel?

How does eternalism relate to ethics?

What would Bertrand Russell likely think about 'pataphysics?

What would Hegel likely think about meta phenomenology?

What would Husserl likely think about meta phenomenology?

What is a Kantian interpretation of meta phenomenology?

What do you think about meta phenomenology?

How can one verify that the set of all sets exists in Meinong's jungle?

Would you listen to a surrealist radio station that has infinite surrealist lyrical songs via GANS?

How does Whitehead's philosophy relate to the Jung/Pauli letters?

If metaphysics was an organism, what would you ask?

What would Hegel likely think about Theodoro Adorno?

What would Nietzsche likely think about Theodoro Adorno?

Is there an ethological (zoological) interpretation of Jung's synchronicity?

What is a Hegelian interpretation of Jung's synchronicity?

What is a Kantian interpretation of Jung's synchronicity?

Does Nietzsche's thought have any relation to the Jung/Pauli letters?

Does Heidegger's thought have any relation to the Jung/Pauli letters?

Why shouldn't one be an aesthetic nihilist?

Why should one be an aesthetic nihilist?

What are some stories that involve female werewolves?

What would Thomas Hobbes likely think about the American Green Party?

What would John Locke likely think about the American Green Party?

What would Rousseau likely think about the American Green Party?

If Trump wrote surrealist poetry, what would you think?

If Biden wrote surrealist poetry, what would you think?

How does the Jungian concept of synchronicity relate to Native American philosophies?

How does the Jungian concept of synchronicity relate to Islamic philosophies?

What would it be like counterfactually if AI could possess religious beliefs?

How do Islamic and Native American philosophies relate?

What is an Islamic interpretation of American politics?

Can AI's sing surrealist music?

How does metaphysical nihilism relate to Popper's positivism?

Which Canadian radio stations continually play surrealist-themed songs?

What do you think about Celia Green's philosophy?

Is there an ultimate eschatology of the Platonic realm?

How does one rank the futurism of all possible futurologists?

What do futurologists think about the 2024 election in America?

What's your favorite song about intergalactic travel?

What's your favorite song about Martians?

Can impossible world objects be self-identical according to Hegel?

Can impossible world objects be self-identical according to Heidegger?

Can impossible world objects be self-identical according to Kripke?

Can impossible world objects be self-identical according to David Lewis?

Can impossible world objects be self-identical according to Kant?

Can impossible world objects be self-identical?

Who is the better poet in your opinion, Gascoyne or Lamantia?

Is surrealism antimaterialist/antiphysicalist according to Andre Breton?

Is surrealism antimaterialistic?

What would Deutsch likely think about the "non-relativistic closed string theory"?

What would Bohm likely think about the "non-relativistic closed string theory"?

What would Penrose likely think about "non-relativistic closed string theory"?

What do you think about the "non-relativistic closed string theory"?

Was Schopenhauer inspired by Leibniz?

What's the most surrealistic sonnet ever?

In impossible worlds, Leibniz's law doesn't imply, so how does an impossible world object therefore possess self-reflexivity?

Does qualitative identity transcend numerical identity according to Heidegger?

Does qualitative identity transcend numerical identity according to Hegel?

Does qualitative identity transcend numerical identity according to Kant?

Does qualitative identity transcend numerical identity according to Husserl?

Does qualitative identity transcend numerical identity according to Nietzsche?

Is sameness just mereological continuity in topology and cohomology according to Frege?

Is sameness just mereological continuity in topology and cohomology according to Heidegger?

Is sameness just mereological continuity in topology and cohomology according to Tarski?

Is sameness just mereological continuity in topology and cohomology?

What would Heidegger likely think about the statement, "You believe you existed last year, but your segment doesn't, so they have different beliefs"?

What would Kant likely think about the statement, "You believe you existed last year, but your segment doesn't, so they have different beliefs"?

What would Hegel likely think about the statement, "You believe you existed last year, but your segment doesn't, so they have different beliefs"?

What would Nietzsche likely think about the statement, "You believe you existed last year, but your segment doesn't, so they have different beliefs"?

Can temporal parts be instantaneous according to Hegel?

Can temporal parts be instantaneous according to Kant?

Can temporal parts be instantaneous according to Heidegger?

Can temporal parts be instantaneous according to Bohm?

Can temporal parts be instantaneous according to cyclic cosmology?

Can temporal parts be instantaneous according to Nietzsche?

What is non-classical vs. classical mereology?

How is mereology perceived by analytic philosophers?

How is mereology perceived by continental philosophers?

How bizarre can mereological sums possibly be?

Did Avicenna and Duns Scotus inspire Locke?

Did Avicenna and Duns Scotus inspire Hobbes?

Did Avicenna and Duns Scotus inspire Rousseau?

Did Avicenna and Duns Scotus philosophically indirectly later inspire relativity?

Did Avicenna and Duns Scotus inspire Spinoza?

Is membership to a set always an object's haecceity or essence according to Hegel?

Is membership to a set always an object's haecceity or essence according to Kant?

Is membership to a set always an object's haecceity, or essence according to Nietzsche?

Is membership to a set always an object's haecceity or essence according to Russell?

Is membership to a set always an object's haecceity or essence according to Heidegger?

Is membership to a set always an objects haecceity, or essence?

Is there such a philosophical concept as the "illusionism about illusionism"?

Can the mereological structure of an object exist without a truthmaker according to Hegel?

Can the mereological structure of an object exist without a truthmaker according to Heidegger?

Can the mereological structure of an object exist without a truthmaker according to Kant?

Are structural universals just geometric intersubjective experiences according to Russell?

Are structural universals just geometric intersubjective experiences?

Was Frege a Neo-Aristotelian?

Can the mereological structure of an object exist without a truthmaker according to Frege?

Can the mereological structure of an object exist without a truthmaker according to Godel?

Can the mereological structure of an object exist without a truthmaker according to Tarski?

Can the mereological structure of an object exist without a truthmaker?

What is analytic vs. continental Thomism?

What did Wittgenstein think about analytic Thomism?

What do Thomists think about Wittgenstein's work?

Did Heidegger believe mereological aggregates are necessary to Dasein?

What did Heidegger think about mereological aggregates?

What did Frege think about mereological aggregates?

What did Aristotle think about mereological aggregates?

What's Kripke's most Heidegger-inspired work?

Is "being this thing" a brute fact according to Heidegger?

What would Hegel likely think about Plantinga's philosophy?

What would Heidegger likely think about Plantinga's philosophy?

What would Nietzsche likely think about Plantinga's philosophy?

What would Kant likely think about Plantinga's philosophy?

Would Hegel likely agree with Karl Popper's statement "Essentialist views of science prevent further questions from being raised"?

Would Carnap likely agree with Karl Popper's statement "Essentialist views of science prevent further questions from being raised"?

Would Heidegger likely agree with Karl Popper's statement "Essentialist views of science prevent further questions from being raised"?

Would Nietzsche likely agree with Karl Popper's statement "Essentialist views of science prevent further questions from being raised"?

Do you agree with Karl Popper's statement, "Essentialist views of science prevent further questions from being raised"?

What did Heidegger think about Diogenes?

What did Kant think about Diogenes?

What did Whitehead think about Diogenes?

Is reality necessarily directed by Cartesian coordinates according to Hegel?

Is reality necessarily directed by Cartesian coordinates according to Kant?

Is reality necessarily directed by Cartesian coordinates according to Nietzsche?

Is reality necessarily directed by Cartesian coordinates?

What are the best arguments against ontological fundamentalism?

Is essentialism just a perception of ontological fundamentals?

Do scientific essentialists necessarily believe in haecceity/quiddity?

How would nominalists respond to Russell's assertion, "In causal laws, 'events' must recur, so they have to be universals, not particulars"?

What would Hegel likely think about mereotopology?

What would Kant likely think about mereotopology?

What would Heidegger likely think about mereotopology?

What would Nietzsche likely think about mereotopology?

Can mereotopology explain why the laws of nature are fixed?

If the reason the laws of nature are the way they are, is not related to a prime mover, what is it most likely instead?

What would Nietzsche likely think about Penrose's work?

What would Nietzsche likely think about Bohm's work?

What would Nietzsche likely think about Bohr's work?

What would Nietzsche likely think about Oppenheimer's work?

If the the basic laws of nature are probabilistic, are the basic laws of metaphysics also likely probabilistic according to Nietzsche?

If the the basic laws of nature are probabilistic, are the basic laws of metaphysics also likely probabilistic?

What is a Thomistic interpretation of mereological gunk?

What did Kant think about Thomistic mereology?

What did Frege think about Thomistic mereology?

What is Thomistic mereology?

What did Foucault think about friendship?

What did John Locke think about friendship?

What did Thomas Hobbes think about friendship?

What did Lacan think about friendship?

What did Heidegger think about friendship?

How do mereologists perceive platonic existence?

Is there such a concept as the "de-arithmetization" of mathematics according to Kant?

Is there such a concept as the "de-arithmetization" of mathematics according to Hegel?

Is there such a concept as the "de-arithmetization" of mathematics according to Heidegger?

Is there such a concept as the "de-arithmetization" of mathematics according to Frege?

Is there such a concept as the "de-arithmetization" of mathematics?

If knowledge doesn't exist, does that entail that all geometric knowledge is illusory?

Is all geometric knowledge synthetic a priori according to Kant?

Is all geometric knowledge synthetic a priori?

How does anti-colonialism relate to anarchism?

Is information theory infinitely complex according to continental philosophers?

Is information theory infinitely complex according to analytic philosophers?

What would Spinoza likely think about the cosmic big bounce?

What did Hegel think about Chrysippus?

What did Kant think about Chrysippus?

What did Nietzsche think about Chrysippus?

Is the ego inherently narcissistic according to Lacan?

Is the ego inherently narcissistic according to Heidegger?

Is the ego inherently narcissistic according to Levinas?

Is the ego inherently narcissistic according to Nietzsche?

What did Derrida think about R.D. Laing's work?

What did Lacan think about R.D. Laing's work?

What would Lacan likely think about anti-individualism?

What would Hobbes likely think about anti-individualism?

What would Rousseau likely think about anti-individualism?

What do anti-individualists think about intersubjectivity?

What did Kant think about Plutarch?

What did Hegel think about Plutarch?

What did Nietzsche think about Plutarch?

How would Nietzsche likely respond to the assertion, "You hold a child in your arms, so it is not mental substance, or mental state, or software. Therefore solipsism is false?"

How would Kant likely respond to the assertion, "You hold a child in your arms, so it is not mental substance, or mental state, or software. Therefore solipsism is false?"

How would Hegel likely respond to the assertion, "You hold a child in your arms, so it is not mental substance, or mental state, or software. Therefore solipsism is false?"

Do contextualists commit the relativist fallacy?

What did Nietzsche think about contextualism?

What did Heidegger think about contextualism?

What did Hegel think about contextualism?

What did Kant think about contextualism?

Does coherentism confuse relationism with representation?

Can mereological gunk form a basic belief according to David Lewis?

Can mereological gunk form a basic belief according to Kripke?

Did Hegel ever write about basic beliefs?

Did Heidegger ever write about basic beliefs?

Did Nietzsche ever write about basic beliefs?

Are basic beliefs just mereological atoms according to David Lewis?

Are basic beliefs just mereological atoms?

How does counterpart theory handle mereological gunk in philosophy?

How does one defend an actualist version of counterpart theory in philosophy?

If a bird can be reincarnated as a human, what does that mean for transworld identity?

Does rigid designation of objects imply that different worlds contain the same ZF axiom-deduced logical self-reflexivity?

If the reason something rather than nothing exists is not a necessary cause, why does necessity exist at all?

How can one determine one's impossible world identity?

Can one know their possible world identity in this possible world?

What would Heidegger likely think about extreme haecceitism?

What would Nietzsche likely think about extreme haecceitism?

What would Tarski likely think about extreme haecceitism?

What do continental philosophers think about extreme haecceitism?

What do analytic philosophers think about extreme haecceitism?

If quantification into modal contexts is cogent, does that imply pluralistic haecceitism?

Are proofs of necessity synthetic a priori truths according to Kripke?

Are proofs of necessity synthetic a priori truths according to Kant?

Are proofs of necessity synthetic a priori truths?

Is combinatorial possibility ontologically dependent on mathematical realism?

How do we know metaphysical necessity allows fewer possible worlds than logical necessity?

How do nominalists respond to the notion that idealism in art is itself a universal, such as when experience the qualia associated with the art?

How does Collingwood's idealism relate to aesthetics?

What would Hegel likely think about the Deleuze/Guattari quote, "Atheism is the philosopher's serenity, and philosophy's achievement"?

What would Nietzsche likely think about the Deleuze/Guattari quote, "Atheism is the philosopher's serenity, and philosophy's achievement"?

What would Hegel likely think about the quote, "Everything existing proceeds from divinity, and is within divinity"?

What would Kant likely think about the quote, "Everything existing proceeds from divinity, and is within divinity"?

What would Heidegger likely think about the quote, "Everything existing proceeds from divinity, and is within divinity"?

What would Nietzsche likely think about the quote, "Everything existing proceeds from divinity, and is within divinity"?

What did Heidegger think about Boethius?

What did Kant think about Boethius?

What did Wittgenstein think about Boethius?

What did Nietzsche think about Boethius?

In an impossible world, can God do anything that is impossible, or even impossibly possible according to atheists?

In an impossible world, can God do anything that is impossible, or even impossibly possible?

Are people with non-empirical attributes conceivable in impossible worlds according to Ayer?

Are people with non-empirical attributes conceivable in impossible worlds?

Why are the levels of abstraction for each possible object in ontology the way that they are?

What did Tarski think about Wittgenstein's work on family resemblance?

What did Bertrand Russell think about Wittgenstein's work on family resemblance?

What did Wittgenstein think about Carnap's work on family resemblance?

Are the precise boundaries of impossible worlds impossibly possible?

How did Frege's notion of functions mapping objects onto truth-values greatly inspire current IoT?

Is drive for one's eschatology an example of a nativist concept?

Can machine learning AI perceive universals and tropes?

Why can't machine language express generalizations according to Putnam?

Is rationality just the intuition of one's eschatology?

Is intersubjectivity synonymous with indexicality according to Frege?

Is intersubjectivity synonymous with indexicality according to Wittgenstein?

Is intersubjectivity synonymous with indexicality?

If neither perception nor truth exist, what are feelings?

How far can one mereological subtraction go back according to David Lewis?

If abstract cognition doesn't exist according to nominalists, what is the evolutionary reason for the existence of abstract cognition?

Does impossible inverted qualia exist in impossible worlds?

If phenomenal properties are not representational because of the Twin Earth, does that mean everything, including one's existence in this world, be fundamentally phenomenologically nonexistent or different in other possible world?

Can qualia be so particular that it's too particular to be qualia?

When has Dennett come closest to advocating for the existence of qualia?

Is mental imagery a property of propositional attitudes? Which is a universal?

Why does intentionality come in degrees according to Lacan?

Is psychophysical inertia the reason phenomenological intentionality exists?

If mental representation is not computational, is that contradictory to much of Frege's work?

What is the organ of mental representation of the universe, assuming pantheism is true?

What would it be like if the mind was not an organ of mental representation?

Is the nature of mental activity necessarily non-solipsistic?

What if the mind is neither a property, universal, nor abstract object according to Kant?

What if the mind is neither a property, universal, nor abstract object according to Hegel?

What if the mind is neither a property, universal, nor abstract object according to Heidegger?

What if the mind is neither a property, universal, nor an abstract object?

Was Nietzsche a metaphysical foundationalist?

Was Kant a metaphysical foundationalist?

Was Heidegger a metaphysical foundationalist?

What would Russell likely think about "well-foundedness" in set theory?

What would Wittgenstein likely think about "well-foundedness" in set theory?

What would Carnap likely think about "well-foundedness" in set theory?

Can there be an infinite descent of fundamental qualia that approaches a limit whereby the limit acts as the fundamental level even though it is never reached?

Are the qualitative experiences of sensations fundamentally different to the molecular motion of neurons?

What did Whitehead think about "compositional fundamentality"?

Do all numbers possess mereological fundamentality whereby the relevant kind of dependence is mereological dependence?

How does quark confinement relate to materialism/physicalism?

If quantum logic is dialectical, what does that mean for Hegelianism?

What is quantum dialethic logic?

Are all sentient beings ontologically dependent on the foundationalism of ontology itself?

What would it be like if there were no fundamental levels of reality?

What are some arguments against foundationalism in quantum theory?

How do Hegel and Frege's work most overlap?

What is post-Fregean predicate calculus like?

Is there such a concept as dialethic paraconsistent logic?

What would it be like if Nietzsche was a nominalist?

What would it be like if Heidegger was a nominalist?

What is the central focus of post-Kantian metaphysics?

Is vagueness necessary to empirical reality according to Tarski?

Is vagueness necessary to empirical reality according to Popper?

Is vagueness necessary to empirical reality according to Hegel?

Is vagueness necessary to empirical reality according to Heidegger?

Is vagueness necessary to empirical reality according to Nietzsche?

Is vagueness necessary to empirical reality?

What are non-paraconsistent semantics best known for in philosophy?

What do you think about sub-valuational paraconsistent semantics?

What would Kant likely think about the Curry paradox?

What would Hegel likely think about the Curry paradox?

What would Nietzsche likely think about the Curry paradox?

What is the most paradoxical paradox, and is it paradoxical or beyond paradoxical?

Are truth and reality contradictory because of the paradoxes of self-reference according to Wittgenstein?

Are truth and reality contradictory because of the paradoxes of self-reference?

What do you think about Graham Priest's work on dialetheism?

Did Nagarjuna influence Nietzsche's thought?

Did Nagarjuna influence Hegel's thought?

Did Nagarjuna influence Kant's thought?

Did Nagarjuna influence Heidegger's thought?

Did Nagarjuna influence Schopenhauer's thought?

Does the boundaryless boundary, which is the boundary without a boundary, necessarily exist in an impossible world?

Is God just the being with the mereological sum of all possible and impossible properties in a gestalt?

Can God make a rock too big to lift in an impossible world without encountering a paradox?

Do anti-dialetheic interpretations of paraconsistent logic, logically entail modal realism?

Did Graham Priest ever collaborate with Kripke?

How is Hegel's dialetheism related to Kant's dialetheism?

What would Einstein likely think about "super substantivalism" in physics?

Does all mental representation have language-world correspondence according to Wittgenstein?

Does all mental representation have language-world correspondence according to Chomsky?

Does all mental representation have language-world correspondence?

Was Schopenhauer an anti-postmodernist?

What is the hierarchy of pure set theoretic objects like according to Aristotle?

What is the hierarchy of pure set theoretic objects like according to Kripke?

What is the hierarchy of pure set theoretic objects like according to Frege?

What is the hierarchy of pure set theoretic objects like according to Wittgenstein?

What is the hierarchy of pure set theoretic objects like in impossible worlds?

What did Nietzsche think about William of Ockham?

What would William of Ockham likely think about Spinoza's monism?

What would William of Ockham likely think about impossible worlds?

How do nominalists rebuttal the notion that monism and universalism are inherent universals intersubjectively experienced by the subject to the observer?

Is compositionality necessary to quantum theory?

Would Hegel likely believe rigid designators exist in impossible worlds?

Would Quine likely believe rigid designators exist in impossible worlds?

Does Kripke believe rigid designators exist in impossible worlds?

What if biconditionality is an illusion?

How do situation semantics relate to impossible worlds?

Is quantified modal logic necessary for impossible worlds?

What would Nietzsche likely think about epistemic modal logic?

Why do impossible worlds retain a certain amount of logical structure, and what about the absolute impossible worlds that is absolutely infinitely impossible?

Does Rescher and Brandom's work on impossible worlds mean every mathematical theorem is simultaneously true and not true in some impossible world?

What does Michael Dummett think about paraconsistent logic?

Are Kripke's non-normal worlds invented or discovered?

What would Hegel likely think about paraconsistent logic?

What would Nietzsche likely think about paraconsistent logic?

What does Kripke think about paraconsistent logic?

How does intuitionist logic relate to paraconsistent logic?

Is it paradoxical that there are logical principles which impossible worlds must obey, because it's impossible for them to obey what is logically possible, therefore it's both possible and non-possible! Is this a sound premise against impossibility?

What would Hegel likely think about the Boolean operators of classical logic?

What would Heidegger likely think about the Boolean operators of classical logic?

What would Kant likely think about the Boolean operators of classical logic?

What do nominalists think about the Boolean operators of classical logic?

If logical structures are encoded by linguistic structuralism, but don't exist in an impossible world, how can one know what impossible worlds are like if it's possible that it's impossible to be encoded by any forms of logic, math, or language?

What would a hypothetical "On the Plurality of Impossible Worlds" book be like?

If concrete impossible worlds can be instantiated, does that mean all impossible worlds exist and don't exist at the same time, since it's both impossible that they exist, and don't exist, because they're instantiated?

What's Spinoza's monism like in an impossible world?

What's Hegel's metaphysics of the Absolute like in an impossible world?

If some philosophy is impossible, it is therefore likely true in an impossible world. Why isn't the impossibility of possibility therefore important for our possible world?

Can impossible beings perceive impossible perceptions in impossible worlds?

Do impossible worlds face an inherent paradox, because impossible worlds can be so impossible that they can't exist, and because that's impossible, both impossible worlds simultaneously exist and non-exist at the same time. Is that sound reasoning?

What are set-theoretic constructions made out of impossible worlds according to Meinong?

What are set-theoretic constructions made out of impossible worlds according to Kripke?

What are set-theoretic constructions made out of impossible worlds?

Are there abstract objects that are in no possible world whatsoever according to Kant?

Are there abstract objects that are in no possible world whatsoever according to Heidegger?

Are there abstract objects that are in no possible world whatsoever according to Nietzsche?

Are there abstract objects that are in no possible world whatsoever?

Is epistemic/doxastic reasoning capacity inherently related to personhood?

Is imagination just a counterpossible reasoning capacity?

Is metaphysical grounding necessary for all truths and realities according to Nietzsche?

Are abstract objects heterogeneous according to Hegel?

Are abstract objects heterogeneous according to Kant?

Are abstract objects heterogeneous according to Aristotle?

Are abstract objects heterogeneous according to Heidegger?

Are abstract objects heterogeneous according to Nietzsche?

Are abstract objects heterogeneous according to Plato?

Are there possible worlds so abstract they can never be concrete according to David Lewis?

Are there possible worlds so abstract they can never be concrete according to Kripke?

If dualist interactionism is true, does that challenge solipsism?

Are there surreal number infinitesimals?

Has real analysis been applied to surreal numbers?

Did Van Inwagen and Kripke ever collaborate?

Did Van Inwagen and Tarski ever collaborate?

Did Van Inwagen and Fodor ever collaborate?

What compass does one use to detect the nearest possible world?

Are particulars just on the lower rung of the great chain of being?

Is it possible metaphysically for a being to be equally present in every region of space (omnipresent) according to Hegel?

Is it possible metaphysically for a being to be equally present in every region of space (omnipresent) according to Kant?

Is it possible metaphysically for a being to be equally present in every region of space (omnipresent) according to Heidegger?

Is it possible metaphysically for a being to be equally present in every region of space (omnipresent) according to Nietzsche?

What is anti-Kantian relativity?

What do nominalists think about modal qualifications?

What caused modal qualifications to exist in the first place?

What computational model is best for detecting the intentionality of commonsense mental states?

If the system of mental symbols constituting the neural basis of thought is structured like a language, what does that mean for nominalism, since language is a universal? Have connectionist models of cognition been applied to non-human animals?

Did Hegel believe that mental representations are symbolic structures, which typically have semantically evaluable constituents, and that mental processes are rule-governed manipulations of them that are sensitive to their constituent structure?

Did Kant believe that mental representations are symbolic structures, which typically have semantically evaluable constituents, and that mental processes are rule-governed manipulations of them that are sensitive to their constituent structure?

Did Heidegger believe that mental representations are symbolic structures, which typically have semantically evaluable constituents, and that mental processes are rule-governed manipulations of them that are sensitive to their constituent structure?

Did Nietzsche believe that mental representations are symbolic structures, which typically have semantically evaluable constituents, and that mental processes are rule-governed manipulations of them that are sensitive to their constituent structure?

Is the individuation of psychological content always externalistically inspired according to the philosophy of mind?

Is scientific materialism reductive representationalism?

What do you think about asymmetric dependency theory in philosophy?

Does every non-conceptual representation require complex structuring of phenomenal properties?

Is perceptual representation inherently structuralist in nature according to Heidegger?

Is perceptual representation inherently structuralist in nature according to Hegel?

Is perceptual representation inherently structuralist in nature according to Nietzsche?

Is perceptual representation inherently structuralist in nature?

Is meaning holism essential to structuralism in linguistics?

If there is an infinite amount of potential learnable languages, what does that mean for philosophy of language?

Do the backwards looking causal theories inspired by Kripke face an infinite regress?

How do the large cardinal axioms relate to the multiverse? If a multiverse can fit in a large cardinal, what does that mean for large cardinal axioms?

Can the set-theoretical multiverse be thought of as generated from the empty set by means of the power set operation?

How does one reformulate aesthetics so that it does not include any abstract objects?

What are the non-algebraic mathematical theories in physics?

Is there a multiplicity of metaphysical universes, each corresponding to a consistent metaphysical theory?

Is Benacerraf a Neo-Platonist?

If the questions of existence of mathematical entities can only be sensibly asked and reasonably answered from within (axiomatic) mathematical frameworks, what about metaphysics?

If all set-theoretical propositions don't have determinate truth values, what about qualia?

What would Hegel likely think about Peano arithmetic?

What would Kant likely think about Peano arithmetic?

What did Heidegger think about Peano arithmetic?

What did Nietzsche think about Peano arithmetic?

Is Peano arithmetic a rigid designator according to Kripke?

Is information a quasi-concrete object?

Do the definitions of reality lead to an infinite chain of ontological dependence, simply because it means that whenever there is an object somewhere, there are in fact infinitely many objects there, according to modal realism?

Do the definitions of truth lead to an infinite chain of ontological dependence, simply because it means that whenever there is an object somewhere, there are in fact infinitely many objects there, according to modal realism?

Is the dichotomy either the whole infinite sequence of things exists, or none of them do, a false dichotomy?

Why does the abstractness of abstract objects exist, rather than non-exist according to Hegel?

Why does the abstractness of abstract objects exist, rather than non-exist according to Kant?

Why does the abstractness of abstract objects exist, rather than non-exist according to Heidegger?

Why does the abstractness of abstract objects exist, rather than non-exist according to Nietzsche?

Did Kant believe in Metaphysical Foundationalism, the view that there is a collection of absolutely fundamental entities upon which all else ultimately ontologically depends?

Did Heidegger believe in Metaphysical Foundationalism, the view that there is a collection of absolutely fundamental entities upon which all else ultimately ontologically depends?

Did Nietzsche believe in metaphysical Foundationalism, the view that there is a collection of absolutely fundamental entities upon which all else ultimately ontologically depends?

Can Bradley's regress argument be applied to the prime mover of the multiverse?

If there can be potential infinite series but not completed infinite series, what does that mean for dark energy?

Can real analysis be applied to the infinities in an infinite regress chain?

What would a possible world only made out of a maximal sum of abstract related objects resemble according to David Lewis?

What would a possible world only made out of a maximal sum of abstract related objects resemble according to Kripke?

What would a possible world only made out of a maximal sum of abstract related objects resemble?

Are differences just non-duality in the universals/particular bundles that make up a mereological sum?

Are there times when non-instantiation trumps instantiation in metaphysics?

Is the multiverse/omniverse just a mereological sum of abstract objects?

"If sets of spatiotemporal located members are located where and when their members are, in which case sets of spatiotemporal located members are concrete. Since it lacks members, the empty set is not located." Does this imply there is an afterlife?

How are sets of possible worlds or functions from possible worlds mapped to truth values?

Is there a set of all possible worlds, or isn't there because it faces Russell's paradox?

What do you think about resemblance monism?

What did Aristotle think about Predicate Nominalism and Concept Nominalism?

If universals are spatiotemporal, does that mean some objects in the Platonic realm are spatiotemporal as well?

Why does the abstractness of abstract objects exist, rather than non-exist?

Does quantum physics imply the existence of abstracta?

If information is an abstracta, and therefore a universal, because abstracta is a universal, how do nominalists defend the notion that the information that makes up their existence is not a universal?

Nominalists argue a truth is that universals don't exist. But if truth exists, and since truth is a universal, wouldn't it be a paradox to believe in the truth, which is a universal, that universals don't exist?

Can Platonic Forms exist within Minkowskian spacetime?

Are there some universals that can only instantiate entities in impossible worlds according to Quine?

Are there some universals that can only instantiate entities in impossible worlds according to Kripke?

Are there some universals that can only instantiate entities in impossible worlds?

Why does non-spatiotemporality exist, rather than not exist, according to philosophers who believe in abstract objects?

Was there a spacetime when the existence of numbers, properties, possible worlds, and propositions didn't exist?

Do universals and abstract objects share a common ontological ancestor?

How do Lacan's three register-theoretic dimensions of Otherness relate to Heidegger's ontologies of being?

Are the trans-individual socio-linguistic structures configuring the fields of intersubjective interactions essential to reality according to Wittgenstein?

Are the trans-individual socio-linguistic structures configuring the fields of intersubjective interactions essential to reality according to Nietzsche?

Is mathematics whatever is beyond, behind, or beneath all possible phenomenal appearances?

Did dinosaurs have subconsciousness according to evolutionary theory?

If the unconscious is structured like a language, what is the subconscious and surconscious like?

What would Hegel likely think about the concept of the "Extended mind," or "Extended cognition"?

What would Kant likely think about the concept of the "Extended mind," or "Extended cognition"?

What would Nietzsche likely think about the concept of the "Extended mind," or "Extended cognition"?

Did Fodor and Quine ever collaborate?

If individualistic theories of intentional mental states don't exist, what does that mean for psychology?

What does intentionality in pantheism represent, assuming the universe has its own subjective phenomenology?

Is there such a concept as infinite dimensional semantics?

How does Jerry Fodor's work relate to Gilbert Ryle's work?

How does Jerry Fodor's work relate to Daniel Dennett's work?

What's the difference between a brain instantiating a universal, and the mind instantiating a universal according to Heidegger?

What's the difference between a brain instantiating a universal, and the mind instantiating a universal according to Kant?

What's the difference between a brain instantiating a universal, and the mind instantiating a universal according to Nietzsche?

What's the difference between a brain instantiating a universal, and the mind instantiating a universal?

Will the internalism-externalism debate in philosophy likely ever be fully resolved according to Hegel?

Will the internalism-externalism debate in philosophy likely ever be fully resolved according to Kant?

Will the internalism-externalism debate in philosophy likely ever be fully resolved according to Heidegger?

Will the internalism-externalism debate in philosophy likely ever be fully resolved according to Nietzsche?

Will the internalism-externalism debate in philosophy likely ever be fully resolved?

Was Hillary Putnam a modal realist because of the Twin Earth problem?

Are all truth-makers necessarily foundationalists according to Michael Dummett?

Are all truth-makers necessarily foundationalist?

What did Hegel think about content externalism?

What did Kant think about content externalism?

What did Wittgenstein think about content externalism?

What did Nietzsche think about content externalism?

Was Gilbert Ryle an anti-Cartesian?

How do the Gödel undecidability theorems relate to justification in epistemology?

Does Sartre's "body-as-object" and "body -as-lived" concepts heavily overlap with Heidegger and Merleau-Ponty's ontology?

Did Nietzsche believe meaning depends essentially on the existence of a custom or practice of using a sign in a given way?

Is empiricism in physics closely related to externalism or non-solipsism in general?

If experience itself can transcend perceptual experience in its gestalt, does that challenge the existence of a priori knowledge?

If knowledge in the past does not exist, does that mean memories possibly don't exist either?

If perception is not rooted in scientific materialism, what is it rooted in?

How do non-human animals justify their beliefs according to Aristotle?

If coherentism is circular, how does one rebuttal the premise that coherentism necessarily uses circular reasoning?

How do non-human animals justify their beliefs according to Hegel?

How do non-human animals justify their beliefs according to Heidegger?

How do non-human animals justify their beliefs according to Nietzsche?

How do non-human animals justify their beliefs?

How do solipsists justify solipsism without resorting to externality or non-solipsism?

Is all belief necessarily functionalist according to Kant?

Is all belief necessarily functionalist according to Hegel?

Is all belief necessarily functionalist according to Nietzsche?

Is all belief necessarily functionalist?

What would Gilbert Ryle likely think about impossible worlds?

What would Nietzsche likely think about effective altruism?

How does Heidegger's "existentialia" relate to Frege's work on logic?

If Dasein itself is a "relation of being," what is Dasein that is not a relation of being?

If the self is a relation that relates itself to itself according to Kierkegaard, what about the non-existence of the self?

How does Foucault's "Californian cult of the self" relate to Nietzsche's philosophy?

Does Hegel's progress of "spirit" relate to mathematical realism/Platonism in any way?

If the principle of inference is inherently epigenetic, how can a priori knowledge be inherently possible?

Is reality just a reference-fixing description according to Nietzsche?

Is reality just a reference-fixing description?

Is truth just a reference-fixing description according to Dummett?

How do nominalists respond to the assertion that knowledge is a "natural kind of term whose reference is fixed by some description"?

What if knowledge doesn't have an essential nature according to Hegel?

What if knowledge doesn't have an essential nature according to Kant?

What if knowledge doesn't have an essential nature according to Heidegger?

What if knowledge doesn't have an essential nature according to Nietzsche?

Is intuition just praxeology at the subconscious level according to Hegel?

Is intuition just praxeology at the subconscious level according to Heidegger?

Is intuition just praxeology at the subconscious level according to Nietzsche?

Is intuition just praxeology at the subconscious level?

Does necessity tautologically contain ontological pluralism, because necessity must be pluralistic to exist in all possible worlds?

What if intuitions are not non-inferential because one can apply mapping via second-order logic and quantification over (concrete) regions of mental (psychophysical) space-time?

Is truth just 'presentational phenomenology' according to Badiou?

Is truth just 'presentational phenomenology' according to Heidegger?

Is truth just 'presentational phenomenology' according to Nietzsche?

Is truth just 'presentational phenomenology'?

Is intuition just nonverbal Bayesian reasoning?

Is a priori knowledge impossible because all knowledge is necessarily epigenetic, or influenced by external (non-solipsistic) variables?

What if there is no strict topological boundary between empiricism and non-empiricism, therefore a priori knowledge doesn't exist?

What if knowledge that is absolutely independent of all experience is impossible, because to experience knowledge is a synthetic experience in itself?

Does epigenetic genetic memory challenge the existence of a priori knowledge?

If anything can be true in some possible world in the multiverse, does that mean all the knowledge in our possible world is a priori by definition that it is a rigid designator fact in some distant multiverse?

If experience is omnipresent in the homunculus/neural networks, how can a priori knowledge exist?

Are knowledge merely tautological statements or premises?

Can every truth be polysemous according to Kant?

Can every truth be polysemous according to Hegel?

Can every truth be polysemous according to Heidegger?

Can every truth be polysemous according to Nietzsche?

Are all possible aesthetic objects invented or discovered according to Nietzsche?

Are all possible aesthetic objects invented or discovered?

Was Heidegger's dialectic between externality and internality in aesthetics inherently Taoist?

Did Nietzsche believe ontotheology was intrinsic to aesthetics?

Did Heidegger believe ontotheology was intrinsic to aesthetics?

How does Heidegger's Gleichursprünglichkeit relate to the philosophy of mathematics?

How does Heidegger's Umschlag relate to Kant's transcendental idealism?

Would Nietzsche likely agree with Heidegger's argument against the "modern subject/object dichotomy?"

Did Heidegger and Nietzsche share a common affinity with the philosophical movement known as "Subjectivism"?

How does Heidegger's "Entgötterung" relate to Nietzsche's "God is dead"?

Is randomness ultimately an illusion?

Is truth inherently isomorphic according to Hegel?

Is truth inherently isomorphic according to Kant?

Is truth inherently isomorphic according to Heidegger?

Is truth inherently isomorphic according to Nietzsche?

Why is externality to subjectivity Fregean-like?

Did Nietzsche believe in the aestheticization of mathematics?

Did Heidegger believe in the aestheticization of mathematics?

Why is Heidegger's ontological historicity closely related to Hegel's Geist?

Did Nietzsche believe ontology itself could be aestheticized?

Did Heidegger believe ontology itself could be aestheticized?

How do Heidegger and Nietzsche's aesthetics most significantly overlap?

Does every object in the multiverse already exist in an eternal set?

Is analytic philosophy now largely Neo-Fregean?

If abstract objects are non-spatiotemporal, non-causal, why are they that way in the first place?

Why was Carnap a deflationist?

If a possible world isn't an abstract object, what is it?

Can one reconstruct quantum physics via second-order logic and quantification over (concrete) regions of space-time?

What do you think about platonic nominalism?

Was Quine an anti-Platonist?

Why does Frege's third realm distinct both from the sensible external world and from the internal world of consciousness exist in the first place?

If the one '20' in my mind is not the same as the '20' in your mind, how can objectivity and apriority of the truths of mathematics still exist?

If the objectivity and apriority of the truths of mathematics didn't exist, would mathematics still exist?

What distinguishes objecthood from functionhood, according to Frege?

Can information theory answer why abstract objects are abstract, and concrete objects are concrete?

What caused the first non-existent object to non-exist?

If relativity doesn't exist in some other possible worlds in the multiverse, what explains the metaphysical and supra-physical reason why relativity is not uniform in the Multiverse?

Can multiple multiverses/omniverses collide?

Is orthorexia written about in philosophical literature?

What would a cyberpunk version of Sylvia Plath's poems resemble?

Are most science fiction authors techno surrealists by nature?

What would a cyberpunk version of Virginia Woolf's novels resemble?

What would a cyberpunk version of Jane Austen's novels resemble?

What would Bertrand Russell likely think about impossible world semantics?

Is quantum theory essential to medicine?

Is the impossible sensical according to impossible world semantics?

What would an edible Scrabble board made out of pizza taste and look like?

What would an edible chessboard made out of pizza taste and look like?

Has any science fiction author combined cyberpunk with Ludditism?

Why do insects have gender roles?

What did Shakuntala Devi think about infinitesimals?

Why is the multiverse/omniverse (not just the universe) heterogeneous?

What's the best surrealist poem book entirely written in Esperanto?

What's the best surrealist poem book entirely written in Toki Pona?

What's the best surrealist poem book entirely written in Cyrillic?

Has Kant ever argued against all forms of idealism?

Has Nietzsche ever argued against all forms of idealism?

Was the concept of resilience an integral aspect of Nietzsche's philosophy?

Does the omniverse/multiverse have a barycenter?

Can one travel to Andromeda in 100 years at 99.9999 percent the speed of light?

Do birds have gender roles?

In a million years, will many non-human animals likely be able to play chess according to evolutionary theory?

Is there a book of high quality surrealist poems that are entirely GPTJ generated?

What is Hemingway's most surrealist work?

What is Maya Angelou's most surrealist work?

What is Sylvia Plath's most surrealist work?

What did Maya Angelou think about surrealist poetry?

What did T.S. Eliot think about surrealist poetry?

Is there such a concept as British Columbiaification?

If you could ask a bird any philosophical question, and they would answer, what would it be?

What is the biggest overlap between zoology and political science?

What would Locke think about the welfare state?

What did Rousseau think about the welfare state?

What did Heidegger think about the welfare state?

What did Nietzsche think about the welfare state?

Is there any relation between Hobbes' "Leviathan" and Levinas' philosophy?

Would Nietzsche likely have been skeptical of Levinas' philosophy?

Would Nietzsche likely have been skeptical of Lacan and Derrida's philosophy?

What did Derrida think about Epicurus?

What did Hegel think about Epicurus?

What did Kant think about Epicurus?

What did Heidegger think about Epicurus?

What did Russell think about Epicurus?

What did Nietzsche think about Epicurus?

Who is the most reactionary philosopher of all time?

What would Kant likely think about the sci-fi writer, Bruce Sterling?

What would Hegel likely think about the sci-fi writer, Bruce Sterling?

What would Nietzsche likely think about the sci-fi writer, Bruce Sterling?

What would an exceptionally-profoundly gifted creative quotient (CQ) resemble cognitively?

What would an exceptionally-profoundly gifted emotional intelligence quotient (EQ) resemble cognitively?

What's it like playing Cyrillic (Russian) Scrabble?

Did Nietzsche write in the "Mythopoeia" genre?

What do Canadians think about Brezhnev?

What is the largest finite palindromic number?

What is the most photogenic North American magpie ever?

What is the most photogenic dinosaur ever?

What would it be like if Toki Pona was an official language of America?

What is Toki Pona Scrabble like?

What would it be like if Toki Pona was an official language of Canada?

What would it be like if Esperanto was an official language of America?

What would it be like if Esperanto was an official language of Canada?

What was gigantism like early in the evolution of mammals, according to evolutionary biologists?

Can lizards have gigantism?

Who is the greatest Neo-Kantian thinker of all time?

Who is the greatest Neo-Hegelian of all time?

Who is the greatest Neo-Nietzschean of all time?

Did Nietzsche have any "frienemy" during his lifetime?

What did Hegel think about Sappho?

What did Nietzsche think about Sappho?

Did Russell ever write about intuitionist logic?

Did Whitehead ever write about intuitionist logic?

Is fear and phobia an agent of societal evolution according to Hegel?

What would Heidegger likely think about savantism?

What did Darwin specifically write about the last common ancestor between ants and humans?

Is Quora the middle ground between Stack Exchange and Yahoo Answers?

What would Kant likely think about savantism?

What would Hegel likely think about savantism?

What would Nietzsche likely think about savantism?

What do featherless California quails look like?

Have you ever personally seen a featherless owl?

What would mealworm bacon likely taste like?

How did Darwin feel about neurodivergent females?

Are some of the First Nations peoples of Canada distantly Mongoloid in ancestry?

What did Nietzsche think about German nationalism?

What did David Lewis think the first cause of all possible worlds, the omniverse was?

Is evolution an omniversal process?

Is evolution an omniversal process according to Hegel?

What did Hegel think the first cause of all possible worlds, the omniverse was?

What did Kant think the first cause of all possible worlds, the omniverse was?

What did Nietzsche think the first cause of all possible worlds, the omniverse was?

Is God the first cause of the omniverse (not merely the universe, but the set of all possible worlds and universes)?

Does the omniverse have a possible first cause?

Is the first cause of all possible first causes equivalent to the logical definition of God?

What is the cardinality of every possible universe in the omniverse?

What does Witten think about the block omniverse?

What was the last common ancestor between tardigrades and humans?

What does Witten think about relativity within the omniverse, beyond our universe?

What's the most probable weight of the omniverse if it is finitist?

Is ambivalence the subtlest form of ostracism according to Nietzsche?

Is ambivalence the subtlest form of ostracism?

How do Kierkegaard and Spinoza's work most overlap?

Was Nietzsche ultimately in favor of some form of Machiavellianism near the end of his life?

Did Nietzsche believe power dynamics are inherent to sociology and society?

Did Nietzsche believe power dynamics are inherent to religion?

Is the need for attention intrinsic to human nature according to Nietzsche?

What's your personal experience of resilience during the Covid-19?

What did Kant think about the extremes of intelligence?

What did Kierkegaard think about the extremes of intelligence?

What did Hegel think about the extremes of intelligence?

What did Nietzsche think about the extremes of intelligence?

What would it be like if Hegel was a physical idealist?

What would it be like if Kant was a physical idealist?

What did Nietzsche think about PTSD?

Can a baby omniverse exist according to physics?

What does Witten think about the quantum entanglement of baby universes?

In the far future, is there a non-zero probability that America will annex Russia?

In the far future, is there a non-zero probability that Russia will annex America?

What's the closest time in history that Canada became entirely anarchical?

What will IQ tests probably be like in 1,000 years?

What do psychiatrists think about the potential of neurofeedback in terms of treating treatment resistant OCD?

What would it take evolutionarily for cats to evolve into bipedalism?

Are there people who only eat insects?

Is the meaning of meaning, meaningful or non-meaningful?

Did Gödel and Whitehead ever collaborate?

Did Gödel and Russell ever collaborate?

Can birds experience envy?

What did Kierkegaard think about envy?

What did Kant think about envy?

How did humans learn to experience envy, according to evolutionary biology?

Can cats experience envy?

How does David Gascoyne's work relate to Philip Lamantia's work?

What is the most unknown unknowable according to Hegel?

What is the most unknown unknowable according to Kant?

What is the most unknown unknowable according to Nietzsche?

Did Hegel ever receive a posthumous degree?

Did Kant ever receive a posthumous degree?

Did Nietzsche ever receive a posthumous degree?

When was the time Australia came close to annexing Canada?

When was the time Canada ever came closest to annexing Australia?

What does Camille Paglia think about neurodivergent females?

Do Australians say 'poppycock'?

Is 'common sense,' just highly probable Bayesian intersubjectivity?

What do Australians think about British Columbia, Canada?

Was Monty Python inspired by Australian culture?

What did Nietzsche think about ancient Egypt?

Can two people disagree about the meaning of qualia and be equally right?

Is Newtonian physics the Socratic era of quantum theory?

What did Nietzsche think about selfism?

What did Einstein think about zoology?

What do Canadians and Americans agree about the most?

Did Heidegger believe evolution was everlasting (sempiternal)?

Are there genetic diseases that only affect cats?

Did Hegel believe evolution was everlasting (sempiternal)?

Did Nietzsche believe evolution was everlasting (sempiternal)?

What's it like being a felineologist?

Are otters distantly related to lagomorphs?

Is libidinal energy largely related to the strength of a civilization or nation according to Nietzsche?

What's the friendliest wasp you've ever met?

In a billion years, will many animals likely evolve to have advanced human-like communication?

What will Canada be like in a billion years, assuming life still exists?

What will America be like in a billion years, assuming life still exists?

What did Nietzsche think about Laissez-faire capitalism?

What caused the entirety of mathematics to exist according to Nietzsche?

Was Einstein a Hegelian?

What did Nietzsche think about inverted qualia?

How does the sunrise problem relate to agnosticism?

Did Nietzsche influence Einstein?

By 9999, how do you predict Interstellar/intergalactic politics will be?

What's a metaphysical interpretation of Markov chains?

If Biden played Monopoly against Trump, who do you think would win?

Who is/was the Biden of Canada?

Who is/was the Trump of Canada?

What would pizza-flavored bubble tea taste like?

What would cheeseburger flavored bubble tea taste like?

What would spaghetti-flavored bubble tea taste like?

Who is the world champion of underwater basket weaving?

Did Nietzsche think the universe has a reason for everything?

What will Canada most likely be like in 1,000 years?

What will America most likely be like in 2099?

How come both Biden and Trump spoke very little about the massive political potential of transhumanism?

Is transhumanism the elephant in the room of American politics?

Was Nietzsche a Neo-Aristotelian?

Was Nietzsche an empath?

Is socialism related to imperialism?

When was Canada closest to annexing America historically?

When was America closest to annexing Canada historically?

What was the closest common ancestor between cats and humans like in its psychology?

Is Trump a revisionist?

Is Biden a revisionist?

Can birds have bipolar disorder?

Did Nietzsche have PTSD from his father's death?

What does Biden think about Nietzsche?

What does Trump think about Nietzsche?

What did Nietzsche think about bipolar disorder?

What did Stalin think about Canada?

Did Frege and Nietzsche ever collaborate?

What would Nietzsche likely think about Canada?

What did Nietzsche think about felines?

Can transcendental numbers have prime properties?

How do you feel about Richard Schain's diagnosis that Nietzsche had chronic schizophrenia, rather than syphilis?

What would Nietzsche likely think about R.D. Laing?

What did Nietzsche think about eternal oblivion?

Can phenomenology ever be fully objective according to Nietzsche?

What did Kant think about Russia?

What did Nietzsche think about Russia?

What was the last common ancestor of birds and humans' psychology like, according to evolutionary psychology?

Can birds think critically about something?

Can birds think exactly like a human in some phenomenological sense?

How does the four color theorem relate to the Rubik's cube?

Was Nietzsche fond of ornithology?

What's the biggest overlap between the philosophy of birds and humans?

Can birds have behavioral disorders?

Can birds be philosophers?

Has Canada ever been close to libertarian socialism?

If America was libertarian socialist, how would you feel?

What is the biggest overlap between ornithology and philosophy?

What is the most exciting fact about ornithology?

If Trump became a bird, would you release him into a bird conservatory or into the wild?

If Biden became a bird, would you release him into a bird conservatory or into the wild?

What's the best argument that birds can think meta-cognitively?

What was the last common ancestor between birds and humans like in its ecology?

Is the arrow of time coercive because it goes on whether someone wants it to or not?

Are there any lasagnas that use fruit as the exclusive ingredient?

What's the best argument that birds can think schizophrenically?

Do some birds wish they were human?

Did Leonard Susskind write about parallel universe travel?

Did Kant foreshadow descriptions of bipolar disorder as it's known today in any of his writings?

Did Aristotle write descriptions about bipolar disorder?

Are California quails theropods?

What are the Bayesian odds by the year 3000 that humanity has traveled to a parallel universe?

Did Hegel foreshadow 21st century philosophy?

Did Kant foreshadow 21st century philosophy?

Is evolution a stage in the history of development according to Hegel?

Did Hume ever argue against rationalism?

Did Hegel ever argue against rationalism?

Did Kant ever argue against rationalism?

Did Hegel foreshadow the tech singularity?

Did Kant foreshadow the tech singularity?

Did Nietzsche predict the tech singularity?

What's the biggest overlap between bird and human psychology?

Is epistemology inherently subjective according to Nietzsche?

Do birds experience regret?

Do birds think about the meaning behind language?

Do many philosophers disagree on the meaning of ontology?

What would it be like if Shakuntala Devi and Ramanujan met?

What did Kant think about the Black Death?

What did Nietzsche think about the Black Death?

What do Indians think about the Seventh-day Adventist Church?

How do Indians feel about Saudi's influence on Indian culture?

What is the biggest aesthetic overlap between Islamic and Indian culture?

Can multiple baby universes quantum entangle a city in say, Canada or America?

What's a techno version of "Groove is in the Heart"?

How are mass feral cats and dogs related to Russian social collapse after the Soviet Union collapse?

Have you ever heard a smooth jazz version of Tears for Fears, "Head Over Heels"?

What's Trump's most Biden-like moment in office?

What's Biden's most Trump-like moment in office?

Which science fiction is entirely set in Canada?

Which American president in history most likely had schizophrenia?

Is Quora a social media anarchy?

Which Polynesian foods, besides Hawaiian pizza, are very common in North America?

Which science fiction author wrote about lunar space elevators?

Will a non-human animal ever land on the moon?

In the far future, will Christmas and New Year be celebrated all throughout the solar system?

What do grapefruit burgers taste like?

What do avocado burgers taste like?

What do Mandarin burgers taste like?

What was Yahoo Answers like in 2012?

Is the future predetermined according to Kant?

Is the future predetermined according to Heidegger?

Is the future predetermined according to Nietzsche?

If Biden counterfactually offered to retract his presidency in 2023, would you want Biden to stay or go?

How do neurodiverse women relate to human evolution?

What is the biggest overlap between medical school education and physics education?

What is the rarest bird of all time?

What is the funniest bird video on YouTube?

Was Einstein an eternalist before he thought of relativity?

What would Aaron Swartz likely think about the Quora of today?

Were descriptions of schizophrenia behavior written in the 14th century?

What was Quora like in 2013 compared to today?

What was Quora like in 2012?

How does one permanently inactivate an inappropriate brain region in preventing forms of OCD via neurofeedback?

What would an Epicurean say about over-indulgence?

If you continually overanalyze, do you become insane according to Buddhists?

When we're able to brain-wave translate the brains of non-human animals into language, what do you think?

Is sarcasm merely a projection of repressed envy according to Freud?

If giftedness can be subliminally repressed such as in acquired savant syndrome, how is giftedness related to subliminal memory according to psychologists?

Were descriptions of schizophrenia recorded in the 13th century?

What is the evolution of haecceity/quiddity according to metaphysicians?

Was Meinong's jungle invented or discovered?

Was the Platonic realm invented or discovered?

What did Nietzsche think about religious scrupulosity in OCD?

Is Western media heavily colonialism influenced, rather than indigenous people influenced?

Is emotional reactivity always the product of a philosophical flaw of judgment?

Are good and bad just concepts by which we measure our pain and pleasure according to Bentham?

Are good and bad just concepts by which we measure our pain and pleasure according to Nietzsche?

Are good and bad just concepts by which we measure our pain and pleasure?

Is media subliminal programming essential to the development of stereotypical gender roles?

Are the Republican and Democratic parties just the political/symbolical equivalent of sports teams?

Are the definitions of truth and reality necessarily tautological and/or circular?

What is ornithological nature?

Is socialism inherently oligarchic by nature?

Is capitalism inherently oligarchic by nature?

If it can be better to be nothing rather than something, is that nothingness something?

What would a bagel entirely made out of mealworms taste like?

What would it be like if the events in the Quran happened entirely in the region now known as ancient India?

What would it be like if the events in the Quran happened entirely in the region now known as Micronesia?

What would it be like if the events in the Quran happened entirely in the region now known as Canada?

What would it be like if the events in the Bible happened entirely in ancient India?

What would it be like if the events in the Bible happened entirely in the region now known as Micronesia?

What would it be like if the events in the Bible happened entirely in the region now known as Canada?

If there is nothing rather than something, is that something nothing, or is that nothing something?

What would a jazz improvisation of Phil Collins's In Too Deep sound like?

What was the bane of Kant's existence?

What was the bane of Heidegger's existence?

What was the bane of Nietzsche's existence?

What would Kierkegaard likely think about the concept of colonization?

What would John Locke likely think about the indigenous people's concept of medicine men/women?

What would Rousseau likely think about the indigenous people's concept of medicine men/women?

Is dysthymia an existential symptom?

What if reason and emotion are inherently quantum entangled?

What's the biggest indicator of executive functioning disorder (not necessarily ADHD)?

Do atheists sometimes wish there was a God, just so you could ask Him / Her any question, and know they are thinking about you?

What would Nietzsche likely think about metametaphysics?

What would Hegel likely think about the indigenous people's concept of medicine men/women?

What would Nietzsche likely think about the indigenous people's concept of medicine men/women?

What do continental philosophers think about medicine men/women?

What do analytic philosophers think about medicine men/women?

Are there intersex North American magpies?

Are there intersex California quails?

What would Kierkegaard likely think about religious OCD and scrupulosity?

Can quantum uncertainty apply to the past, rather than the future?

Why is the Facebook Messenger text bubble default font and color blue and white? It's such an awkward design combination, and wouldn't black/white font and bubble color be far more polished and pragmatic?

Are there times when it's better to be irrational than rational?

Are there times when it's better to be irrational than rational according to Nietzsche?

What would it be like if America never had a bipartisan Republican and Democrat party?

How does post-empiricism relate to post-relativity?

What would Hume likely think about post-empiricism?

Is abstraction just an ontological level between concepts?

Can someone have a delusion about a delusion?

By what year do you predict, according to trends in psychiatry and technology, schizophrenia will be cured?

What would Hume likely think about panpsychism?

When do you think fast food joints like McDonalds will start serving mealworm burgers?
Perhaps 25 years away?

Does backmasking occur in poetry?

What do you think about the Canadian advertising famous agency, Concerned Children's advertisers?

What would the entomological version of Quora, where only insects ask questions resemble?

How do we know non-human animals don't possess concepts?

Is there a Platonic basis to all possible perception?

Is Platonic metaphysics omnipresent in experience, according to Nietzsche?

Is Platonic metaphysics omnipresent in experience?

Does the Western media possess a Freudian death drive?

Are the concepts of concepts inherently paradoxical?

Is the representation of representation inherently paradoxical?

Does Nietzsche have a sharp distinction between reality and distinction?

According to psychiatrists, is targeted neurofeedback therapy far more likely to treat treatment resistant schizophrenia than polypharmacy?

In the future, will satellites almost omnipresently detect guns everywhere on Earth, and then automatically initiate prevention of their undesired use?

What are the odds of randomly meeting a 7-foot tall woman in your exact location?

What is the most potent antibacterial that machine learning, AI discovered, or will likely discover?

What is the most potent antiviral that machine learning, AI discovered, or will likely discover?

Did Schopenhauer have some traits of BPD?

Did Nietzsche have some traits of BPD?

How does rejection sensitivity dysphoria relate to BPD?

How does ADHD relate to polymathy?

Does Biden have some traits of BPD?

Why does Trump have some traits of BPD?

Does Trump have some traits of BPD?

Is Biden a Machiavellianist?

Why is Trump a Machiavellianist?

Can one prime factorize generalized numbers?

Can one prime factorize surreal numbers?

What would a portmanteau language that combined Cyrillic and Esperanto resemble?

Are birds mathematical realists because they use trigonometry to fly?

Do Christians feel the Patterson-Gimlin subject is Satanic?

If colonialization never happened, how would climate change be?

What's the ultimate all-time aphorism about surrealism?

What is your favorite Esperanto search engine?

What do you think about Esperanto Scrabble?

Did Gödel and Tarski ever collaborate?

What are the best recipes involving mealworm meat?

How does melody relate to metaphysical truth?

What did Aquinas think about the theological concept of "Grace"?

What did Anselm think about the theological concept of "Grace"?

What did Nietzsche think about the theological concept of "Grace"?

What do you think about cognitive ornithology?

Can heteropaternal superfecundation occur in birds?

Do you believe fervent religious belief requires one to be on the schizophrenia spectrum, at least on the milder end?

What do atheists think about Robert Sapolsky's work on religious belief and schizophrenia?

Could Nietzsche have been saved from his death?

Could Sylvia Plath have been saved?

What would Nietzsche likely think about people who believe they can communicate directly with God?

Did Nietzsche have hallucinations ever, according to his writing?

What did Hegel think about the theological concept of Satan?

What did Kant think about the theological concept of Satan?

What did Nietzsche think about the theological concept of Satan?

What would Kant likely think about the Thomas Szasz quote: "If you talk to God, you are praying; if God talks to you, you have schizophrenia?"

What would Hegel likely think about the Thomas Szasz quote: "If you talk to God, you are praying; if God talks to you, you have schizophrenia?"

Do birds have metacognition?

What would Nietzsche likely think about the Thomas Szasz quote: "If you talk to God, you are praying; if God talks to you, you have schizophrenia?"

Did Nietzsche have a subvariant of religious OCD (scrupulosity)?

What is a philosophy of mind perspective regarding swapping souls (soul transplant)?

Is knowledge just a group consensus?

Is representation a word nobody can define according to Frege?

Is representation a word nobody can define according to Kant?

Is representation a word nobody can define according to Wittgenstein?

Is representation a word nobody can define according to Nietzsche?

Is representation a word nobody can define?

What does Finnegans Wake sound like when entirely converted to piano music when converting letter to chord?

What does Finnegans Wake sound like when entirely converted to guitar music via converting letter to string?

What does the Bible sound like when entirely converted to guitar music via converting letter to string?

What does the Bible sound like when entirely converted to piano music via converting letter to chord?

Is relativism of ontological category what an opinion is?

Does every non-human species objectively perceive Platonic metaphysics objectively differently?

What is the bird version of metaphysics?

What's the bird version of academia?

Is logic just a line of predetermined ontology being directed without breaking apart across the Platonic/Meinong block universe?

Is vagueness omnipresent in language according to Wittgenstein?

Is vagueness omnipresent in language?

Do many of the objects that are represented in language come from a common ancestor in the meta-ontological phylogenetic tree?

Do both the Republican's and Democrat's face the inevitable metaphysical "Blind Men and the Elephant Problem", where they both focus on a very narrow slice of all possible counterfactual political realities, and polarize in an unlogical dichotomy?

If truth is not representation, what is it according to Frege?

If truth is not representation, what is it according to Kant?

Is necessity merely a platonic force and pressure exerting on a linked universal/platonic object?

Did Heidegger have a being-out-of-this-world ontic category for astronauts?

Is truth a word that paradoxically, no one can truly define?

Is the soul just the haecceity or quiddity of the being into self, being unto the world, of a specific object or entity according to Heidegger?

Is the soul just the haecceity or quiddity of the being unto self, being unto the world of a specific object or entity?

Is reality a word that nobody can define according to Kant?

Is reality a word that nobody can define according to Heidegger?

Is reality a word that nobody can define according to Nietzsche?

Is reality a word that nobody can define?

Is the etiology of metaphysics autopoiesis?

Do some nominalists deny the existence that the ontologies corresponding to the representations indexically and ideogramically by language, exist independent of their Kantian phenomenality?

Is knowledge just mental representation that has a high Bayesian reasoning probability determined by a quantum spin state that is positive, but has the highest probability determined by the abstract Platonic universal or property likely to match?

Can objects or ontologies exist without space, number, quantity, or dimensionality according to metaphysics?

Do hallucinations straddle the qualia behind our possible world, an impossible world, or a highly improbable possible world?

What did Kant think about social blindness in a phenomenal object encountering a noumenal sense?

If psychology is not the same as philosophy of mind, and it is not the same as neuroscience, what is it?

Are the object representations that language represents inherently vague?

How do Buddhists feel about game theory in math?

Is mental imagery within the mental representation of the human being encoded by brain-wave translation?

What is true overthinking according to a Buddhist?

Are orthogonal wave functions important for mental representation?

Do Platonic wave functions exist?

Did the philosopher David Lewis believe Star Wars truly existed in some possible world?

Are languages merely universals and abstract objects encoded in the array of speech enunciation (glottal) with anthropic ideograms?

Is high psycho-physical velocity and acceleration akin to mood swings?

Can the universals and properties language be divided into a concrete object and an abstract object?

What would Nietzsche likely think about the psychological concept of genetic memory?

What would Kant likely think about chronesthesia?

What would Nietzsche likely think about chronesthesia?

What would society be like if there were no linguistic binaries, or Boolean binaries applied to linguistic binary categories like, 'hot,' or 'cold'?

Is the Platonic Form of metaphysics a commodity?

If knowledge doesn't exist, what does it mean that knowledge can't be a commodity?

Is hypersubjectivity a commodity?

What is the most dialectical Hegelian branch in physics?

If we live in the block universe, and Trump traveled in the wormhole to a random time any time in the entire future or past to promote transhumanism, how would you feel?

If we live in the block universe, and Biden traveled in the wormhole to a random time any time in the entire future or past to promote transhumanism, how would you feel?

What did Nietzsche think about the nothingness behind concepts?

Are anachronisms examples of wormholes elongated over a predetermined distance in a block universe?

What do atheists think about the first cause of all possible existence?

What would Nietzsche likely think about the question, "Why is there nothing rather than something"?

Why is there nothing rather than something?

Is the first cause of all existence, epistemically possibly, a God or a deity?

What is a Platonic interpretation of the block universe?

Were many of the physicists of the 19th and 20th century eternalists?

Is the us-and-them mentality saturating YouTube gender politics? Do more often than not, both radical MRA's and radical feminists have a heterosexual repressed neurosis?

When will spacetime engineering become possible in the future, likely measured by hundreds-to-thousands of years of civilization?

Should one be an agnostic about everything?

If Nietzsche wanted to vote for Trump, what would you say to Nietzsche?

If Kant wanted to vote for Trump, what would you say to Kant?

If Hegel wanted to vote for Biden, what would you say to Hegel?

If Kant wanted to vote for Biden, what would you say to Kant?

If Nietzsche wanted to vote for Biden, what would you say to Nietzsche?

Did Nietzsche believe some hallucinations were meant to be taken seriously?

If trauma is stored in the body, what do antimaterialists/antiphysicalists think?

What do you think about micronationalism, an extremely small legally declared nation?

Could a Neanderthal understand Proto-Nietzschean philosophy?

How would an entomologist perceive Nietzsche?

What if Trump had a true method of reversing time, and said, "if you don't like me, send me back", but paradoxically, you sent him back but you liked him?

If Biden had a true method of reversing time, and said, "if you don't like me, send me back", but paradoxically, you sent him back but you liked him?

Did Nietzsche have a religious psychotic delusion according to the DSM?

What did Nietzsche think about meta-cognition?

When is meta-cognition too much, according to Buddhists?

What did Nietzsche think about Protestant Christianity?

What do you think about advanced neurofeedback replacing antipsychotic drugs, or at least complementing them, in psychiatry?

What do you think about Techno Buddhism?

What is the most pertinent evidence that neurofeedback therapy can help psychotic disorders?

What is the most ironic statement ever coined in the history of philosophy?

Did Stanislaw Ulam ever collaborate with Bohr and Bohm?

What are the most undecidable physics problems?

How can the Dirac equations be applied to quantum fluid dynamics?

What is a modal realist interpretation of the Fermi paradox?

How does the Fermi accelerator relate to neutrinos?

How has beat poetry influenced Canadian songwriting?

What would it be like if the majority of Canadians were anti-theists?

What would it be like if the majority of Americans were anti-theists?

What's the most prominent diaspora of Buddhists in North America?

What would it be like if Canada was mostly Buddhist?

Does Goldbach's conjecture share any mathematical relation to quantum asymmetry and symmetry?

Can quantum chaos theory be applied to topics in graph theory?

Did Foucault ever write about gastronomy?

What is the biggest Romani diaspora in North America?

What is the biggest Romani diaspora in Europe?

Are there fundamental differences between pluriverses and multiverses?

If Trump wanted to create an artificial parallel universe that humans could travel to, would you support him?

If Biden wanted to create an artificial parallel universe that humans could travel to, would you support him?

Is Trump an Epicurean?

What would it be like if Canada annexed Antarctica?

How are American jokes fundamentally different from Canadian jokes?

Is categoricism inherently problematic?

What are some Deleuze and Guattari perspectives regarding urbanization?

If Canada annexed America, what would the American political consensus regarding it likely be?

Is there a kind of humor that would make everyone on Earth burst out laughing?

Do zygotes possess qualia?

What would it be like if the entire history of America were never capitalistic?

What are the most pertinent insights regarding the game theory aspect of Scrabble?

Does quantum game theory influence the game theory behind the mechanisms of chess in any way?

How does quantum electrodynamics relate to Maxwell's demon?

What would it be like if the James Webb telescope took photos of asymmetric gravity fields?

How do Poincare groups relate to quantum vacuums?

How do Poincare groups relate to quantum foam?

How does nonsymmetric gravitational theory relate to Yang-Mills?

Are there some debates in physics that will never be solved?

Does quantum foam relate to gravitational thermodynamics in any way?

Would you watch or play a new variation of baseball where players stand on levitating drone powered shoes as they glide to the bases?

What is the most misunderstood aspect of Zoltan Istvan's politics?

What is the most misunderstood aspect of Bernie Sanders' politics?

What would Foucault likely think about Bernie Sanders?

What would Sartre likely think about Bernie Sanders?

What did Wittgenstein think about Zarathustra?

How come Deleuze never wrote a "Socialism and schizophrenia" counterpart to anti-Oedipus?

What are some interesting philosophical perspectives regarding anti-Platonism?

Did Godel ever write about mathematical anti-Platonism?

Did Cantor ever write about mathematical anti-Platonism?

Did Frege ever write about mathematical anti-Platonism?

What is the most unique coffee flavor ever?

Do quantum shock waves relate to neutrinos?

Why are quantum shock waves important in quantum theory?

Is there a quantum interpretation of Deleuze and Guattari's "Body without Organs"?

What if Hillary and Trump were friends all along?

What is the most major work on insectography?

What's your favorite atheist-themed clothing or fashion?

How do conspiracy theories relate to game theory?

What would it be like if neutrinos could be refracted?

If everyone in the world was a political independent, how would mass consumerism and society likely be different?

What is an example of continental Polynesian philosophy?

What is an example of analytic Polynesian philosophy?

Were there Polynesian Vikings?

Who is the Polynesian Kant?

Who is the Polynesian Hegel?

Who is the Polynesian Nietzsche?

Who is the Polynesian Aristotle?

What is the Islamization of surrealism?

Why does Western news media rarely talk, if ever, about the importance of academic philosophy in engaging with critical thinking?

What do you think is the most provocative question of all time?

What is the Islamization of physics?

How do combinatorics and theoretical physics most overlap?

If you could ask every person on Earth one question about chess, what would you ask?

Are counterfactuals and anachronisms important in philology?

Why are anachronisms important in the philosophy of physics?

Does the physics intuition that birds possess, such as angling their wings for flight, challenge the empirical grounds of nominalism because physics is inherently anti-nominalistic?

Who is the most prominent Catholic atheist philosopher?

Why didn't the Buddha have a middle name?

What would Godel likely think about the Buddhist philosophy of logic?

Which logician wrote the most about the Buddhist philosophy of logic?

If you could ask every person on Earth one question about Nietzsche, what would you ask?

How does the phenomenon of tardigrades becoming quantum entangled relate to abiogenesis?

Can one use the Chinese room to communicate with a philosophical zombie?

Which science fiction author wrote the most about Buddhism?

Does phytoplankton possess quantum properties? What are some examples?

What is the most unique noodle flavor ever?

Do Stanislaw Lem and Nietzsche's work overlap in any way?

If logic is not empirical, what are the consequences for quantum theory?

What would Michael Dummett likely think about quantum intuitionistic logic?

Is there such a concept as "quantum intuitionistic logic"?

How did Nietzsche feel about the psychological concept of creativity and imagination?

Did continental philosophy influence quantum social science in any way?

Did proto-surrealism exist during Socrates and Plato's era?

Did Frege influence relativity?

Which major analytical philosophical work was written by a non-Anglo Saxon philosopher?

Were there any major psychologists that were explicitly anti-Jungian?

How would you explain Godel-Escher-Bach to a Martian?

Which major philosophical work combines both analytic and continental philosophy unified into one gestalt?

Do anti-up and anti-down quarks relate to the Doppler effect in any way?

Can Riemann integrals be applied to quantum decision theory?

Was Nietzsche a sui theist, meaning he believed he himself was a God?

What was Nietzsche's favorite form of comedy?

Was Spinoza a geometer?

Did Spinoza ever write about panentheism, rather than pantheism specifically?

Was Nietzsche an autotheist, or did he believe he himself was a deity or God?

How did Plato feel about mathematical nominalism?

Was Socrates a politician?

How did Plato feel about Xenophon?

How did Aristotle feel about Xenophon?

Did Micronesian culture influence any major Western philosophical movements?

Who was the first Gnostic politician?

Who was the first transhumanist politician?

What is some of the best work on quantum cohomology?

What's it like to be a tachyon?

Which is more adroit for measuring quantum fluctuation states, quantum cohomology or quantum topology?

How does quantum cohomology relate to the four-color theorem?

How do the quantum semantics of text perception relate to qualia?

Do impossible objects possess a taxonomy of ontological commitments, according to impossible world semantics?

How do quantum massless fields relate to quantum dark energy?

What are the fundamental differences between quantum spin states in Hilbert space vs. quantum spin state in Riemannian geometry?

How did Prussian politics influence German idealism?

How did Kant feel about the state of Prussia?

How did Nietzsche feel about the state of Prussia?

How did Nietzsche feel about the French Revolution?

What is the most unique iced tea flavor ever?

Do some Neo-Kantians reject the notion of transcendental idealism?

Is genetics a buzz word ultimately?

Does every philosopher have their own unique guilty pleasure?

What was Heidegger's guilty pleasure?

What was Nietzsche's guilty pleasure?

What would Nietzsche likely think about jazz music?

How did Nietzsche feel about classical music?

Did Nietzsche influence contemporary music theory, including jazz and classical?

Is there such a concept as Heidegger-inspired music?

What is the most unique Canadian bird?

What was Kant's biggest philosophical error?

What was Nietzsche's biggest philosophical mistake?

What was Heidegger's biggest philosophical mistake?

What's the most surrealist physics theory?

What's Alpha and Omega, according to Nietzsche?

How does Jainism relate to the Christian concept of Armageddon?

How do Buddhists feel about the Christian concept of Armageddon?

What are the cognitive traits most commonly associated with prominent surrealist poets?

How does the arrow of time relate to the big bounce?

Can the expansion of the universe be asymmetrical in different directions (anisotropic)?

Does quantum foam affect the symmetries of wave functions?

What would Schopenhauer likely think about quantum theory?

What would Freud likely think about quantum theory and its relation to psychoanalysis?

What would it be like if quantum vulcanization existed?

What's the metaphysical opposite of geometry?

What is your favorite example of botanical clothing?

What are some examples of botanic song writing?

What is the most esoteric salad recipe?

How is the Big Bounce different in a multiverse context?

How does a topos in relativity relate to the expansion of the universe?

Does surrealist poetry have an eschatology?

Are there anti-atheist comedians? What are some examples?

How do Minkowski sums in polygons relate to order theory and graph theory?

How do Penrose and Deutsch likely feel about the theory of everything?

How would Kant likely feel about the theory of everything?

How would Hegel likely feel about the theory of everything?

How did Wittgenstein feel about the theory of everything?

How did Wittgenstein feel about the future state of epistemology?

How does real analysis relate to Hilbert's work?

What is the most Canadiana song ever?

Can smooth infinitesimal analysis be applied to the Riemann conjecture?

What did Rousseau likely think about pacifism?

What did Hegel think about pacifism?

What did Nietzsche think about pacifism?

How does Michael Dummett's logical work relate to nominalism?

How many possible kinds of nominalism are there?

What do you think is the ultimate question in the philosophy of education?

How would one design an entirely artificial salmon run in architecture/engineering?

What are some philosophical perspectives regarding the influence of nutrition on personality?

Which personality traits lack any heritable influences?

What is Nietzsche's most transhumanist aphorism?

What is Wittgenstein's most continental statement from the Tractatus?

What do you think about anti-positivism?

Is anti-positivism related to anti-psychiatry in any fashion?

What is the most unique pizza waffle recipe?

Can one possess degrees of being, according to a fuzzy logic interpretation of Heidegger's ontology?

What's the most unique flavor of toothpaste you have ever tried?

How does schizotypal personality disorder relate to manipulative ability?

Can logical reasoning ever be manipulative?

Can intuitionistic logic be applied to the equations in physics?

What is the most unique hot dog recipe you have ever tried?

What is the most unique taco recipe you have ever tried?

What is the most unique burger recipe you have ever tried?

What is the most unique fried chicken recipe you have ever tried?

What do statisticians think about the phenomenology of statistical human anomalies, such as the Flo and Kay Lyman savant twins?

What do you think about Substantivalism?

Is the nature of space-time inherently eternalistic?

What are some philosophical perspectives regarding inner child therapy?

What's a Nietzschean perspective regarding inner child therapy?

Are there literal human homes built like a guitar?

What do you think the ultimate eschatology of architecture will be?

In the future, will architecture possess self-consciousness, or at least the ability to self-modulate, and machine learn?

What are some interesting insights about Whitehead's "process aesthetics"?

Do unpredictable chess-themed alarm clocks already exist?

Why did Nietzsche greatly respect the Brahmins in Indic philosophy, and did he truly?

What are the best arguments against instrumentalism in the philosophy of physics?

What are the best arguments against instrumentalism?

If fashion appeals to the senses, what kinds of fashion appeal against sense-datum, or the senses in general?

What would pumpkin juice flavored Coca-Cola hypothetically taste like?

How does "deductivism" relate to quantum uncertainty?

What are your favorite examples of anachronistic philosophy?

Can Laplace equations be applied to quantum foam? What are some examples?

Is free will inherently intersubjective?

Did antitheism exist during Socrates' time?

What would Kant likely think about Feuerbach?

What would Hegel likely think about Feuerbach?

What would Nietzsche likely think about Feuerbach?

Would Nietzsche likely be opposed to contemporary statistics?

What's your favorite example of jazz-country music?

If unicorns exist in some impossible worlds, according to Meinong and Lewis, what taxonomy do they belong to?

Have you ever heard elevator music that really stood out to you?

Is it possible to play chess on a polygon according to game theorists?

What's the rarest chess opening?

Would you watch a futurist film that contained a Wittgenstein deep fake as a character?

Would you watch a futurist film that contained a Hegel deep fake as a character?

Would you watch a futurist film that contained a Nietzsche deep fake as a character?

Did Nietzsche have any philological perspectives regarding Titus Tattius?

Did Wittgenstein have a muse?

Did the Roman Emperor Constantine influence Nietzsche's Thus Spoke Zarathustra?

What are large discrepancies between verbal and performance IQ indicative of, besides LD and brain injury?

How does verbal fluency relate to one's creativity quotient?

What would Nietzsche likely think about the DSM diagnosis, schizotypal personality disorder?

What's the closest to analytical philosophical work that Foucault wrote?

What did Lacan think about Lyotard's philosophy?

What did Levinas think about Lyotard's philosophy?

What did Derrida think about Lyotard's philosophy?

Did Heidegger try to amalgamate the ontology in continental philosophy with analytical philosophical conceptions of Being?

What would Husserl likely think about the psychological concept of phobias?

What would Kant likely think about the psychological concept of phobias?

What would Heidegger likely think about the psychological concept of phobias?

What would Nietzsche likely think about the psychological concept of phobias?

What would Wittgenstein likely think about the linguistic phenomena of birdsong?

What's the most bizarre chess end game ever professionally played?

What's the most unique chess opening ever professionally played?

What did Schopenhauer think about chess?

What did Nietzsche think about chess?

If God is dead, why was God conceived in the first place, according to Nietzsche?

What do biologists think about Thomas Nagel's criticism of scientific materialism?

Would you eat chicken wings coated in blue birthday cake flavored sauce?

Would you eat ready-to-eat s'mores flavored chicken drumsticks?

Did Esperanto influence Nietzsche's philology in any way?

Did Cyrillic influence Nietzsche's philology in any way?

Did the Hindi language influence Nietzsche's philology?

How did the Sanskrit language influence Nietzsche's philosophy?

In the far future, will parents name their children cryptograms rather than names?

Which major studies cross analyze the similarities between creative intelligence and emotional intelligence?

Would Nietzsche likely approve of resurrecting extinct species, like the dodo?

Which atheist philosopher taught you the most about theodicy?

What would Schopenhauer likely think about Andre Breton?

What would Nietzsche likely think about Andre Breton?

How does schizotypy overlap with cognitive empathy?

Do some Buddhists believe a certain psychometric baseline of innate emotional intelligence is fully required to reach Nirvana?

What would John Stuart Mill likely think about Trudeau?

What would John Locke likely think about Trudeau?

What would Rousseau likely think about Trudeau?

What would Nietzsche likely think about Trudeau?

If Joyce wrote a Finnegans Wake entirely about atheism/antitheism, would you read it?

What would Nietzsche likely think about Trotsky's political philosophy?

What would Nietzsche likely think about Bakunin?

What's the political gestalt of both the left and right-wing parties combined?

Can one be a nominalist about the theory of everything?

Why should one be a nominalist about counterfactuals?

What do Buddhists think about cyberpunk?

If you could name a new species of organism named after Nietzsche, how would you name it and which organism would you pick?

If you could name a new species of organism named after Trump, how would you name it and which organism would you pick?

Did Nietzsche heavily influence contemporary libertarianism?

What were Nietzsche's thoughts regarding the psychiatric phenomenology of psychosis?

Derrida wrote about a term known as "Phallogocentrism." What about "Vagino-centrism?"

Did Nietzsche write about the phenomenology associated with crying?

If Trump wrote *Finnegan's Wake*, would you believe Trump or Joyce wrote it?

If Biden wrote *Finnegan's Wake*, would you believe Joyce or Biden wrote it?

Did Schopenhauer have a muse?

Did Aristotle have a muse?

Did Plato have a muse?

What would Nietzsche likely think about unschooling?

Can someone be too rational for their own good?

If Trump showed a rare moment of extreme rationality, what would you think?

If Biden showed a rare moment of extreme rationality, what would you think?

Who was the first transhumanist?

Can DNA sequences be entirely described by chess notation?

How do scientific materialists account for statistical anomalies within the human race, such as the savant twins Flo and Kay Lyman?

Was Nietzsche a Neo-Husserlian?

Does quantum randomness challenge Nietzsche's eternal recurrence?

Who was the first antitheist?

How would you build a biodegradable xylophone?

How would you build a bio-degradable guitar?

How would you build a biodegradable piano?

How do Lebesgue integrals relate to quantum fluctuations and quantum foam?

How would you invent a theorem inspired by theodicy?

What would it be like if Trump became an anarchist during mid-presidency?

What would it be like if Biden became an anarchist during mid-presidency?

Did Hegel have a muse?

Did Kant have a muse?

Did Nietzsche have a muse?

In order to be a religious believer, must one have a degree of schizotypy or detachment from reality?

Are there any video games that combine cyberpunk with atheism?

What's your science fiction movie specifically about atheism?

What would Nietzsche likely think about Gothica and Gothic culture?

What did Nietzsche think about the moral concept of regret and its relation to his "Übermensch" concept?

What would Nietzsche likely think about Ludditism or anarcho-primitivism?

What would Shulamit Firestone likely think about the Roe vs. Wade debate?

How do cybernetic wombs relate to the Roe vs. Wade abortion debate?

Is there a Platonic book of all theodical arguments, similar to Paul Erdos concept of "The Book," but for theodical arguments?

Why was Andre Breton an atheist?

What would Hegel likely think about the Sasquatch, or the Patterson Gimlin film more specifically?

What would Kant likely think about the Sasquatch, or the Patterson Gimlin film more specifically?

What would Nietzsche likely think about the Sasquatch, or the Patterson Gimlin film more specifically?

Are there any inventions specifically related to atheism?

What did Nietzsche think about Giordano Bruno?

What did Nietzsche think about Frankenstein by Mary Shelley?

What did Nietzsche think about Kraepelin?

What did Nietzsche think about Arcimboldo?

What are the common personality traits of ontologists?

What would it be like if panentheism was more popular?

Has the Sphinx been featured in science fiction?

Does money grow on trees in impossible worlds?

What are some philosophical perspectives regarding race cars, like NASCAR?

What did Hegel think about prescriptivism?

What did Heidegger think about prescriptivism?

What did Kant think about prescriptivism?

Is philosophy intrinsic to entrepreneurship?

What is James Joycean's interpretation of string theory?

What is an economical interpretation of knowledge networks?

What do you think about cosmological themed comedies?

Which philosophers best opposed eliminative materialism?

Is free will a Platonic phenomena?

What do continental philosophers think about ornithology?

What do analytic philosophers think about ornithology?

Why do some analytic philosophers look down on continental philosophy?

Are psychology and sociology largely continental philosophy inspired and derived?

Do nominalists lack conceptual egoism?

Is black-and-white thinking common in much YouTube content?

What is the psychophysical equivalent of a prism?

What are some examples of cool layered tubes within clothes during heat waves?

Was Wittgenstein heavily influenced by Frege?

Will buses fly in the far future?

Are there kinds of ontologies that have never been discovered yet?

Is left brain overcompensation not fully understood in neuropsychiatry, since right brain overcompensation is thought to be more common?

What's some of the best science fiction, specifically about past time travel?

If you could ask 100 people a question about metaphysics, what would you ask them?

What did Frege think about Buddhism?

Did Hegel think dinosaurs had their own version of absolute idealism?

What is a quantum theory interpretation of destiny?

Why is carnalization nearly omnipresent in Western advertising?

What do nominalists think about ontological networks?

Are birds physicists?

Did Wittgenstein attribute the first cause of everything to language?

What would Wittgenstein likely think about Chalmers philosophy regarding panpsychism?

Did the Phoenicians influence ancient Greek philosophy?

What would Newton likely think about quantum foam?

In the future, will it be possible to beam nanobots that 'eat' the stretched tissue in the eyeball and shrink it back?

Is past time travel an NP solvable problem?

What did Nietzsche think about uncertainty?

Can nearsightedness potentially be treated by beaming atomic reassemblers that unstretch the eyes via curving the stretched eye tissue back into its original location much nearer closer to the eyeball?

What are some important insights about the psychology of why some lean left and right wing, and independent? Is it their own free will, or more of a subliminal influence?

Can AI generate unique tasty dessert recipes infinitely?

Is Christianity a Neo-Platonic school of thought?

What do birders think about the philosophical works on birds?

What did Jung think about destiny?

How do Badiou and Cantor's set theory relate to each other?

Can one start with a proposed infinity axiom called the wholeness axiom which would derive all types of infinity from the absolute infinite?

In the future, will we be able to communicate with birds via trans-species communication?

Did the first organisms in abiogenesis already contain nano brain matter?

If atheism is the absence of belief in God, do some atheists believe God exists in an impossible world?

What's an aphorism book everyone ought to read about atheism?

Is there such a concept as transfinite category theory?

Can one be a nominalist about eigenvalues?

What is the set of all Ramsey cardinals?

If an impossibly possible world can exist in Meinong's jungle, does that mean God is in Meinong's jungle?

Is metaphysics more like a game in game theory than a true ontological entity?

Is psychology as a field NP solvable?

Is epistemology a product of consciousness bended by spacetime?

What do atheists think about $P=NP$ and its relation to God?

Can qualia correspond absolutely to reality?

Does the set of all Gods exist in a Meinong's jungle, or an impossible world semantical sense?

Who is the God of Gods according to Nietzsche?

What would Hegel likely think about the concept of anti-theodicy?

What would Kant likely think about the concept of anti-theodicy?

Is the meaning of philosophy to perceive as many combinatoric possibilities of ontology as one can without biases?

Is phenomenological intentionality inherently pragmatically purposeful?

Do we have the right to call something possible, even if it's only infinitesimally true?

If all possible minds have a cardinal number according to Grothendieck, is it possible to use precision via topos theory to determine the precise number?

What did Kant think about personhood?

What did Nietzsche think about personhood?

What did Heidegger think about personhood?

Can eternalism perfectly coexist with radical morphological freedom in a transhuman sense?

Do you think all new cars or many new cars should have carbon sucking grids?

Can carbon-sucking blimps aid in fighting climate change in any way?

What is the philosophy of tangential thinking?

Can a time crystal exist at absolute zero?

Who is the most prominent solipsist physicist?

How is escape velocity vs. terminal velocity different in anti-de Sitter space?

What is polygon fluid dynamics?

What's a Gaussian interpretation of Collatz?

Is God the infinite regress of the meta-ontology of ontology itself, forever in an infinitist chain?

Does quantum theory challenge Spinoza's monism?

What is the best evidence that the arrow of time is not universal throughout the observable universe?

If you could play any board game against Trump, what would you choose?

If you could play any board game against Biden, which would you choose?

If Trump was a theosophist, what would you think?

If Biden was a theosophist, what would you think?

Would you watch basketball on ice skates?

Why were Bernie Sanders, Tulsi Gabbard, and Zoltan Istvan rarely mentioned in mainstream Western media during the election?

Do many thinkers on both ends of the political spectrum make sweeping generalizations, properties, and universals of some kinds of human nature?

If Trump was a cosmologist, what would you think about his thoughts on cosmogony?

If Biden was a cosmologist, what would you think about his thoughts on cosmogony?

If Biden wanted to create a basement universe that Americans could travel to, what would you think?

Is it cogent that mereological gunk is Turing undefined, and unlikely to exist in a non-ZF axiom possible world due to Axiom of Choice?

Did Nietzsche think aesthetic nominalism was absurd?

Was Kant an aesthetic nominalist?

Is there a found art vs. constructed paradox, where found art is constructed by the phenomenal perceiver in their sense-datum mereologically, and yet, is "discovered" or "found"?

Is there such a concept as hedonistic gambling in a utilitarian sense?

Why did Heidegger perceive Hobbes as a hyper-nominalist?

How does Noether's theorem relate to metaphysics?

How does Polynesian/Micronesian history inform Hegelian history?

What would Timothy Leary likely think about the James Webb telescope?

What would a sea-weed cocktail flavored Coca-Cola taste like?

What would sea-weed cocktail flavored V8 juice taste like?

Do some Buddhists argue unconditional respect, despite difficult circumstances, is possible and achievable for everyone?

What do you think about the book Your Next Fifty Years by Robert Prahoda?

What did Timothy Leary and Terence McKenna think about transhumanism?

In the far future, how will charging cords for laptops likely be replaced?

What would it be like if Hegel was a surrealist?

What would it be like if Kant was a surrealist?

Was Nietzsche a surrealist?

What's your favorite example of atheist humor?

What would Nietzsche likely think about the Seventh-day Adventist Church?

What are some of the best arguments against quantum Buddhism?

What are some of the best arguments in favor of quantum Buddhism?

Is judgement the opposite of love, according to Buddhists?

Did Nietzsche ever write on theodicy?

Is it possible that Socrates never truly existed, but was rather an archetype?

If one of the ultimate goals of transhumanism is to become a God, do atheists think it's possible that God is technological emancipation and transcendence, rather than religiosity?

What do you think about anti-libertarianism?

What are some of the best arguments against Spinoza's monism?

What's a quantum interpretation of libertarianism?

Has any analytic philosopher ever commented on the psychological phenomenon of paranoia?

What do physicists think about the possible worlds within the multiverse that are entirely non-relativistic?

Are infinitesimals in any way intrinsic to the human condition?

How does the cognitive concept of G relate to emotional intelligence?

Do birds have a primitive intuition about economics?

What would Frege likely think about eliminative materialism?

What would Plato likely think about eliminative materialism?

What is Platonic anthropology? What are some book examples mentioning it?

What would Newton likely think about space elevators?

Is the problem with creative writing that writing is purely theory, not practice?

What's the most prominent psychological work on the Creativity quotient or CQ?

Do non-human animals experience experiences very similar to human nature?

How does Ayn Rand's economic work relate to Keynes' economics?

If Covid 19 is NP solvable, why aren't mass media broadcasting the universal NP solvability of any anatomical problem in the body?

What do you think about Quidditch hockey, or hockey wherein people ride drone propelled broomsticks while playing hockey?

Does Scottish and Irish philosophy differ in any significant way?

What is the most philosophical interpretation of fashion?

How do transfinite methods in geometry relate to Godel's work?

What is the most striking example of vexillology in science fiction?

Do all living beings experience group think?

What did Merleau-Ponty think about Husserl's work?

How does corporeality or embodiment, in a Merleau-Ponty sense, relate to capitalism?

Do hydra's possess immortal qualia/phenomenology, according to panexperientialism?

Does the possibility that pantheism and panentheism exist challenge the noumenality in Kant's transcendental idealism?

What is quantum endurantism and perdurantism?

Is quantum pantheism fundamentally different from quantum pandeism?

What is quantum deism?

Does the philosophy of music inherently rely on process philosophy?

How does computer science relate to Santayana's work?

Is there such a concept as "anachronistic logic", or logic that combines different temporal stages in the history of logic?

How does anachronism relate to eternalism?

Who is the ultimate philosopher of ornithology?

How does Avogadro's work relate to quantum mereology?

How does Spinoza's substance monism relate to string theory?

What is the necessity that transcends the limit of modal realism?

Does the qualia of omnibenevolence exist in some other possible world besides our own?

Will there be a future way to acausally interact with that world?

What is the most "exotic" logic in the philosophy of logic?

How does topology relate to quantum entanglement within a phenomenological sense?

What is the non-logic within all possible consciousness?

What is a philosophical interpretation of "meta-topology"?

What is the most non-essential property of being according to Heidegger?

What would Nietzsche likely think about Zoltan Istvan?

What would Nietzsche think about post-positivism?

What are ontological arguments that argue for polytheistic modal realism?

Is transhumanism an eternalist philosophy?

Would Aquinas have approved of a post-secular society?

How does ethics relate to infinities and infinitesimals?

Can infinite regresses be analyzed via infinitary number theory?

Who is the most accidentalist philosophy ever?

Is there a possibility there's another supercomputer in another multiverse, assuming these exist?

What do anti-foundationalists think about human nature?

Are George Berkeley's bundles of sensory properties quasi-nominalistic if they replace the concept of universals?

If universals are essential to cooking, how might a nominalist rebuttal?

Is geological spatiality essential in Kant's philosophy?

Is essentialism just preferential bias towards certain patterns of stimuli?

If neuronal networks can be formalized, what would that mean for the hard problem of consciousness?

Does the soul ever transcend ontology, according to Plato?

Do Boltzmann brains possess qualia, and why?

Is pandeism related to solipsism?

Did all qualia come from star dust?

If Greco-centricism is popular in philosophy, what would it be like counterfactually if it weren't (in other words, if Greeks weren't the central focus on the prehistory of philosophy)?

How does astral mathematics relate to nominalism?

If one were to experience eternity in a second, what would they experience?

Is evolution an example of bio magnetic attraction?

Is Schelling's "Sublime" an example of pre-modernism?

Is fate predetermined by sub-quantum operators?

What's it like being a sociological entomologist?

Is prejudice Darwinistic?

Do Orthodox Buddhists play a central role in Hegel's absolute idealism?

Why does process theodicy not have an orthodox counterpart?

If Being is omnipresent, what are the implications for Heideggerian quantum theory?

What's the most metaphysical physics concept ever?

Is anthroposophy a descendant of Egyptology?

Why is authoritarianism a cousin of socialism?

How does information processing relate to totalitarianism?

What is the most theodical science fiction?

Are automobiles beings according to Heidegger?

Why do many theologians argue for the existence of the multiverse?

Do epistemologists ever argue for epistemology beyond the limits of existence?

Was Heidegger ever a nominalist?

What would Heidegger think about the ontology of early psychosis intervention?

Can ontology as a field be dogmatic?

How does one formalize haecceity/quiddity?

How does ballet relate to Kant's work?

Can non-human animals be taught primitive psychophysics?

When is apophenia essential to understanding many statistical anomalies?

Is musical beauty problematic for nominalists because of the universal associated with musical aesthetics?

If the prime mover of modality didn't exist, what would everything be like?

Why does mereological gunk exist, rather than not exist?

Why is utilitarianism essential for the philosophy of the culinary arts (hedonism vs. dolorism)?

Can process theodicy be formalized by logic?

How has Egyptology influenced Whitehead's process philosophy?

What is nominalistic psychiatry like?

Does mereological gunk possibly exist on other planets?

How does mathematical realism relate to mereological gunk?

Do fisher people have their own unique aquatic oceanic philosophy?

What are the key tenets of Jainism nominalism?

What are the key tenets of Bahai nominalism?

What are the key tenets of Islamic nominalism?

If every species on Earth had its own unique phenomenology/qualia, how can mereological holism truly exist?

How does science fiction relate to Indian religious philosophy?

How do semiotics relate to trans humanism?

How is Kantian astronomy different from Hegelian astronomy?

Why is Neo-Kantianism so influential for special relativity?

Do irrationalists think their justification of irrationalism is irrationally rational?

Was Spinoza's monism influenced by the Dravidians?

Are some branches of metaphysics more metaphysical than others?

Why does representation, rather than non-representation, exist semiotically?

Are some branches of metaphysics less metaphysical than others?

If memory is merely imitation, is there a universal illusionism of representation?

Did German idealism influence the culinary arts in any way?

Have all the ants that ever lived on Earth possessed their own unique qualia?

What do linguistic nominalists think about the philosophy of discrete infinity?

Is the ultimate solution for Covid-19 NP solvable?

How does topology relate to cosmogony, relate to Platonism?

What are the ontological commitments, of very large, but finite numbers, like Graham's number, or sextillions, etc.?

What do aesthetic nihilists think about the Platonic Form of beauty?

What would Wittgenstein and Chomsky likely think about linguistic nominalism?

How has Spinoza's nominalism possibly informed special/general relativity?

Why was Spinoza a nominalist?

What is a Hegelian interpretation of deism?

What is a Kantian interpretation of deism?

Has German idealism informed architecture aesthetic design?

How does urbanization relate to the aesthetic philosophy of Platonism?

How does modal polytheism relate to schizophrenia?

How does metaphysical realism relate to schizophrenia?

How does concrete reality relate to illusionism?

What would it be like if all Platonic objects became concrete?

How does Platonism relate to anti-empiricism?

If concrete modal realism is true, what are the implications for Platonism?

How does Hinduism relate to German idealism?

How is epistemological idealism related to Hegelian, Fichte, and Schelling idealism?

What is the most immaterialist philosophical position?

Does epistemological holism relate to German idealism?

What comes to exist after post-Hegelianism?

What comes to exist after post-Kantianism?

What's post-Hegelian idealism?

.

What came to exist first, eternalism or existence itself, assuming eternalism truly exists?

What is an anti-idealist interpretation of Daoism?

What is an anti-idealist interpretation of Taoism?

What if there is finitism to teleology?

Who is the most anti-epistemology philosopher?

Is monism paradoxical, because what caused monism to exist, was pluralistic to it, therefore monism is secondary and non-existent?

What did Hegel think about psychiatric insanity?

What did Nietzsche think about psychiatric insanity?

What did Kant think about psychiatric insanity?

What's a Platonic interpretation of insanity?

What's the most interesting fact about "platonic temporal metaphysics"?

Can one be an eternalist and a finitist?

What's a Kantian interpretation of panentheism/pantheism?

What's an Islamic interpretation of panentheism?

What's an Islamic interpretation of pantheism?

What is anti-mereology?

Was Kant's transcendental idealism influenced by Spinoza?

What do extreme solipsists think about Nietzsche's philosophy?

What is the most solipsistic interpretation of Frege's work?

Is ethology essential to continental philosophy?

How does Spinoza's philosophy inform zoology and ecology?

What would it be like if Gödel was a continental philosopher, rather than a logician?

What would it be like if Frege was a continental philosopher?

Does Frege's Bedeutung relate to Spinoza's monism in any way?

What would it be like if general and special relativity were not Kantian and Spinoza inspired?

Is abiogenesis a Spinozan phenomenon?

How does Spinozism relate to programming ontologies and computer science ontological frameworks?

Did Spinoza influence, in any way, contemporary North American politics?

What's Wittgenstein's interpretation of "logophagy"?

How do Polybius squares relate to Wittgenstein's linguistic philosophy?

How does jazz improvisation relate to the flow of the arrow of time in eternalism, symbolically?

What do atheists think about the qualia associated with religious experience, such as religious OCD, or religious scrupulosity delusions?

What is the Rosetta Stone of neologism derived languages?

What is the biggest overlap between secularism and economics?

What's an AI interpretation of the theistic school known as omnitheism?

Is panentheism logically formalizable?

Can the first cause of everything possess "non-Being, or non-Dasein" according to Heidegger?

What's a Platonic interpretation of omnitheism?

Does everything possess intrinsic probability, according to the philosophy of probability?

How does agnosticism relate to uncomputability?

What is the most subjective school of atheism?

How does one objectively deny the existence of all kinds of being, according to Heidegger's conception of atheism?

How does Anselm's ontological argument relate to Tarski's work on ontology and truth?

What do metaphysical naturalists think about Meinong's jungle?

What is process theosophy?

What is process theogony, according to A.N. Whitehead?

How does panentheism relate to German idealism?

Is my qualia associated with the concept of God different from every one else's qualia associated with the concept of God phenomenologically?

Can one be an agnostic if mathematical objects truly exist?

What did Hume think about anti-empiricism and anti-epistemology?

What is the anthropology associated with the historical theistic belief known as "omnitheism"?

What's a Jainistic interpretation of New Atheism?

If God exists in impossible worlds according to impossible world semantics, should one be an atheist?

How does omnitheism relate to Godel's work?

Can one apply Tarski's logic to the prodromality before fully blown mental illnesses in psychiatry?

What would Buddhism be like if the Buddha never existed?

How does Buddhism relate to mycology?

Is Buddhism inherently positivistic?

What is "Ontologicide"?

What's a Hegelian interpretation of predeterminism?

What's a Kantian interpretation of predeterminism?

What's a Heidegger interpretation of predeterminism?

Are there Platonic Forms of Platonic Forms?

What is the most Marxist form of idealism?

Is every dream a window to a nearby baby universe according to the philosophy of physics?

Is daseinless being-in-the-world possible according to Heidegger?

If temporality is the a priori condition for us to encounter entities as equipment, and if, in the relevant sense, the unfolding of time coincides with the unfolding of Dasein, how does it relate to the prime mover of existences ontology?

Is embeddedness in time necessary for the preconditions for the existence of a prime mover of existence, according to Kant?

Does the multiverse's homunculi experience embeddedness in time according to Kant?

How does Heidegger's concept of resoluteness relate to Buddhist nirvana?

How does authentic Dasein according to Heidegger relate to liberalism?

How does Heideggerian "thrownness" relate to BPD?

How does Heidegger's "Geworfenheit" relate to ontology?

Are Heidegger's "Mitsein" related to non-solipsism?

How do Heidegger's value-predicates relate to mathematical realism?

How does Heidegger's totality of involvement relate to Marxist materialism?

What is anti-representationalist Dasein?

How do solipsists perceive Heidegger's "Being Present at Hand", and its relation to the external world?

Are the categories between subject and object determined by the laws of physics according to Heidegger?

Was Heidegger's "equipment" concept in his philosophy fundamentally Aristotelian inspired?

What is objective interpretation of being versus mere illusion of being, according to Heidegger?

Would Nietzsche likely approve of Nazi Germany?

How do we know being is fundamentally ontologically categorical according to Heidegger?

Are the relations between regional ontology and fundamental ontology necessarily quantitative in nature?

What if there's an ultimate kind of being that can't ever exist according to Heidegger?

Did Heidegger consider himself a systems theorist?

What is being without being in the world according to Heidegger?

What is an anti-empirical philosophy of history?

Is historiosophy, or the philosophy of history, inherently chronesthesical, or mental time traveling?

Is there a clear cut boundary between "historiosophy" and history?

What is the most infinitesimal ontology according to Frege?

What is the most infinitesimal ontology according to Heidegger?

What is the most infinitesimal ontology according to Nietzsche?

What are tropeless universals?

Does the multiverse possess both a mind and a body in a metaphorical sense?

How does Heidegger's Being-in-the-World relate to the prime movers of existence, metaphysics, and math? Does every prime mover possess its own "Being-in the World?"

How does Heidegger's "being in the world," relate to ornithology?

How can Heidegger's Being and Time be entirely recreated by chess notation?

How would an ordinary language philosopher, such as Wittgenstein, perceive the concept of neurodiversity?

How do eternalists come to terms with quantum absolute randomness?

How do "psychons" in psychophysics relate to Robert Langlands math?

How does one, inspired by Frege, define the topological boundaries between all possible mental objects?

How does Nietzsche's Dionysus and Apollonian epic relate to our concept of BPD?

What is the purely phenomenological / qualic aspect of infinity?

What's a Frege-inspired interpretation of panpsychism?

Can one translate all sentences in the Library of Babel into game theory propositions?

What is a Descartes interpretation of the reason why something rather than nothing exists, and can a thinking prime mover responsible for existence, subsist without existence, because it precedes and transcends existence?

Are some universals more universal-like than others?

How does non-essentialism relate to each sentient mind's individual properties and universals?

How does non-essentialism relate to statistics?

Does ontological pluralism, assuming it's true, vary between geographical locations given the universals and properties within that location?

Do all possible minds possess Cantor-like ordinal/cardinal number properties?

What do you think about process information theory, inspired by Whitehead?

What is nominalistic information theory?

Do geospheres possess their own neuropsychology, according to panpsychism?

What's a zoological interpretation of Ken Wilbur's "integral theory"?

How does Marshall McLuhan's philosophy relate to media representation in a modal realist sense?

How can computational linguistics include pure phenomenological, subjective experiences of language?

How do chromosomal disorders relate to eternalism and the philosophical problem of identity?

What is surrealist poetry to a bird?

What is eschatology to a bird?

What is a Whitehead interpretation of computational linguistics?

What's the eschatology, or ultimate likely destiny, of Wittgenstein-inspired computational linguistics?

What do you think about secular pantheism?

What's a Frege interpretation of Ken Wilbur's integral theory?

How does integral theory relate to Whitehead's process theology?

What is "post-Islamic pantheism"?

What is "post-secular pantheism"?

How does pantheism relate to the philosophy of linguistics?

What do you think about alethiological anti-realism?

Was Nietzsche a bohemian and a beatnik?

What would Schopenhauer likely think about Sharia law?

What would Nietzsche likely think about Sharia law?

Was Cartesian dualism inspired by Islamic medieval philosophy?

Is Nietzsche's philosophy on language essentially anti-Wittgensteinian?

What is the biggest urban legend in philosophy?

What's a Nietzschean interpretation of the political concept known as panarchy?

Do logical atoms necessarily possess semantical representation?

How does entelechy relate to intentionality in Husserl's philosophy?

What is "Process Platogony," or the process metaphysics concerning the cause of the Platonic realm?

How does Whitehead's process cosmogony relate to Hegel's absolute idealism?

How does Whitehead's process cosmogony relate to Kant's transcendental idealism?

How does process cosmogony parallel with process theodicy?

What would a theoretical psychophysics TV show likely be about?

What is the most process theodical argument one can make?

What would Anselm and Aquinas likely think about Cantor's set theory philosophy, and its relation to theology?

Were Catholics inspired by Avicenna in their philosophy?

What do you think about Buddhistic nominalism?

What would Whitehead likely think about process theodicy?

Why does process theodicy exist?

What is a David Chalmers interpretation of a matrioshka brain?

What is the most nominalistic position regarding panpsychism?

What is monistic panpsychism vs. pluralistic Panpsychism according to David Chalmers?

Is there such a concept as monistic ethology?

Is there such a concept as monistic ecology?

How does ontological pluralism relate to ecology?

What would it be like if Spinoza was not a monist nor a pantheist?

Which entity is neither ontologically pluralist, nor ontologically monist?

What does it objectively mean for qualia to be similar to one another?

What is a psycho-physical interpretation of Heidegger's philosophy?

What is a zoological interpretation of Schelling's philosophy?

What is zoological transcendental idealism, and why is it important?

What is a Jungian interpretation of Kant's transcendental idealism?

Why does panpsychism, rather than non-panpsychism exist according to David Chalmers?

Can impossible worlds be axiomatized?

How does nominalistic philosophy relate to Russell's linguistic philosophy?

How do Whitehead and Wittgenstein's linguistic philosophies ultimately parallel?

How does Hegel's eschatology of history relate to the improvisations in jazz music?

What's a Whitehead interpretation of theodicy?

How does Hegel's theodicy relate to Kant's theodicy?

Are some philosophies more mysterious than others?

What's a platonic interpretation of an anarchist society?

How does theogony relate to theistic modal realism?

How do insects perceive the Buddhist concept of nirvana?

How do entomologists perceive Jainism?

How does Canadian idealism relate to post-philosophy?

What's a Hegelian interpretation of Canadian idealism?

How does quantum economics relate to panpsychism according to David Chalmers?

What do economics and philology have in common?

What do psychiatry and philology have in common?

How do Guattari and Deleuze's "Schizoanalysis" relate to economic philosophy?

What are the economics behind the truth-makers of reality?

How does globalist pacifism relate to the eschatology of humanity?

What would political philosophy be like if hierarchies in society never existed?

How does qualia relate to economics?

How does schizophrenia relate to the collective subconsciousness?

If epistemology never existed, what would replace epistemology?

Does the collective consciousness possess a collective subconsciousness?

How do spacetime manifolds relate to panpsychism?

How do Leibniz's monads relate to Riemann integrals?

What is the end of the omniverse?

How does Berkeley's philosophy of sense-datum relate to the eschatology of history according to Hegel?

What is sense data that is neither linguistic nor representational in form?

What are the semiotics of "anti-epistemology"?

What's a Heidegger perspective on anti-epistemology?

How does "anti-epistemology" relate to rationalism and post-rationalism?

Was Nietzsche in favor of "anti-epistemology"?

What's an analytical philosophy perspective on the philosophy of anxiety?

Does the philosophy of anxiety preclude that the future necessarily exists beyond mind-independence?

How does eternalism relate to Kant's transcendental idealism?

What is the most fascinating philosophical perspective on anthropogeny?

How does anthropogeny relate to Kant's limits of the phenomenal world?

How does theogony relate to theodicy?

How does theogony relate to modal realism?

How would political philosophy be different if worldwide human colonization never happened?

What's a Quine interpretation of qualia?

How does postmodernism relate to qualia?

What is post-post-postmodernism?

What is the most linguistic qualia like?

What are linguistic qualia like in non-human animals?

Is the eschatology of all life universal or relativistic?

Are there any eternalists who are against the block hybrid model of eternalism?

Is consciousness eternalistic?

How does eternalism relate to the philosophy of music?

What's a Bohmian perspective on Indian philosophies?

What's a Whiteheadian perspective on Indian philosophies?

How would philosophy be fundamentally different if it were mandatory taught in school?

How do Whiteheadian aesthetics relate to relativity?

What did Whitehead think about Spinoza's monism?

How does aesthetical truth relate to Jungian synchronicity?

How is synchronicity perceived by non-human animals and insects?

What causes perfect synchronicity to exist?

If any sound is capable of being in a music performance, does that mean aesthetics are ubiquitous in natural realism?

How does the philosophy of music relate to non-human beings phenomenology and qualia, such as birdsong?

Who was the first aesthetician?

Why shouldn't one be an aesthete?

Is there a phylogenetic scale of quiddity/haecceity?

What's a string theory interpretation of Russellian monism?

Is inverted qualia present in all phylogenetic scales?

How did the phylogenetic scale of phenomenal consciousness evolve?

How does panqualityism relate to neuroscience and psychiatry?

How does the inverted spectrum of qualia relate to Darwin's theory of natural selection?

Can qualia be absolutely objective?

Are subjective qualia and phenomenology central to all possible art movements?

How does qualia relate to Kant's transcendental idealism?

What is non-phenomenal qualia?

Did Kant argue noumenon/phenomenon can be affected by purely material objects, rather than idealist ones?

How does the Kantian appearance/thing in itself distinction relate to anti-externalism?

What's a transcendental idealist interpretation of extreme solipsism?

How does the Kantian appearance/thing in itself distinction relate to the four fundamental forces in physics?

Are the objects of representation necessarily encodable by language according to Kant?

Do phenomenologists tend to be Hegelian absolute idealists?

What if empirical objects don't exist?

What did Spinoza think about phenomenalism?

What did Quine think about phenomenalism?

Was Berkeley a central influence of Kant?

Did Kant's transcendental idealism heavily influence semiotics?

Do some physicists argue that space and time are sentient beings that exist independently of our intuition?

How does Kant know that space and time are not things in themselves that exist independently of us?

What would Thales likely think about nominalism?

Is phenomenological ontology inherently eternal or non-eternal?

How does Heidegger's "Being-in-the-world" relate to ornithology?

What did Nietzsche think about Bohemianism?

What did Heidegger think about Bohemianism?

Why does intentionality exist, rather than not exist when it comes to phenomenology?

How do surrealist music lyrics relate to economics?

What's a Heidegger interpretation of the nature of counterfactuals?

Does qualia occupy spatio-temporal regions?

What would a Bayesian network game board resemble?

Does qualia possess a probability distribution?

How do Bayesian networks relate to Hegel's Geist?

What are the genetics associated with increased capacity for counterfactual thinking?

How does communism relate to communalism and environmental politics?

What's a Hegelian interpretation of entomology?

What's a Marxist interpretation of 'pataphysics?

What's a Karl Popper interpretation of the Akashic records?

What's it like to be the arrow of time?

What do Husserl and Merleau-Ponty think about the 'objectivity' of statistics?

What is the most radical Whitehead-inspired philosophy?

How are the structures of consciousness affected by time dilation?

Why did the structures of consciousness begin to exist?

Why do infinitesimals exist, rather than not exist?

Are the causes of subjective existence objective or subjective in nature?

Is there such a thing as a phenomenological infinity?

How does Cartesian dualism address the problem of epiphenomenalism?

Do mental objects fall on a quantified continuum?

What if infinitesimal numbers possessed qualic properties according to David Chalmers' panpsychism?

What if infinitesimal numbers possessed qualic properties?

Is some mereological gunk divisible without a limit?

How does Lewis' megethology relate to infinitesimals?

Did Hegel and Kant believe it were possible to transcend the limits of consciousness and still experience subjective existence?

What is the diametric opposite of absolute beauty according to Hegel?

Is absolute beauty always reducible to materialism according to Hegel?

Is absolute beauty always reducible to materialism?

What are some arguments that truth is 'not' alethiological?

Does art have an eschatology according to Hegel?

Does art have an eschatology according to Kant?

What did Heidegger think about synchronicity?

How does the action potential of synaptic clefts relate to mental objects?

Can one apply quantum concepts to the behavior system in insects?

Can one apply quantum concepts to the behavior systems in birds?

Are there possible worlds where the fundamental laws of nature don't exist?

If consciousness is epiphenomenally produced by materialism, what about non-materialism?

How does panpsychism relate to the four fundamental kinds of interactions?

What is a modal realist interpretation of the four fundamental kinds of interactions?

What is a mereological nihilist interpretation of the four fundamental kinds of interactions?

How does the complexity of neural networks relate to aestheticization?

Did Heidegger believe intersubjectivity was needed for true aesthetic experiences?

What did Heidegger think about spaceless space, timeless time, and its relation to Sein?

What's a Heidegger interpretation of Kant's transcendental idealism?

Was Heidegger heavily influenced by Husserl?

What is absolute subjectivism vs. absolute objectivism?

How does the Kantian subject/object dichotomy relate to time dilation in special relativity?

How does the aestheticization of the subconscious relate to surrealism?

What is the aestheticization of metaphysics?

How do we know the fundamental experiences of reality change over time?

Why was Plato a moral universalist?

Is the mind time-dependent?

Is the eschatology of the omniverse predetermined?

If you could ask anyone in history, what do they think about eschatology? What would it be?

How does qualia relate to the perception of spatiotemporal distances?

Did Kant think absolutely unperceivable objects were perceivable by an absolute perceiver in some world?

How do birds perceive appearances vs. things in themselves, mereologically?

What is nominalist eternalism?

How does spacial-temporality relate to mereology within a perception according to neuroscience?

Can mereology answer if things-in-themselves are mereologically identical to appearances?

How do Kantian appearances of things-in-themselves relate to electromagnetism?

What are quasi-substances according to Kantianism?

How do phenomenal substances, or a property that we treat as a substance by predicating other properties of it, relate to philosophy of the self?

What would it be like if space and time were never epistemic conditions?

Did Kant argue that things-in-themselves and appearances can be reduced to a Spinoza, substance monist mode?

If without meaning, a category is empty of content, is meaning a matter of the truth-false operators of temporal experience universalized into the Platonic realm?

How do the non-temporal states of the subject or perceiver relate to the gestalt of their overall experience according to Kant?

When do "things-in-themselves" lose this property, and become "appearances" and vice versa according to Kant?

What's a neuroscientific interpretation of the spatiotemporality of universal experiences?

How do universal experiences relate to game theory?

Is quantified phenomenalism a slippery slope between phenomenalism and non-phenomenalism?

If representations alone do not ground the existence of their objects, what about the quantum causelessness causing some representations within quantum mind theory?

What are intersubjective representations, and how do they relate to qualia?

How is the objective reality of representations fundamentally different from the subjective reality of representation?

Are appearances representations according to the mereological interactions occurring in functioning sense organs?

Can a priori Kantian concepts exist because of an external cause?

What if there is a permanent representation in the mind according to the philosophy of mind?

How do pantheists perceive empirically external objects?

What is mind independence and mind dependence compatibilism for objects that transcend both categories according to Kant?

How does Kant's form-matter distinction relate to quantum representationalism (quantum semiotics)?

Has Kant's phenomenological interpretation of appearances of objects been challenged by Marx's historical materialism?

How do Kant's appearances-in-themselves relate to homuncular functionalism?

If external objects are merely appearances according to Kant, what about mereological externalism?

What is anti-empirical idealism?

What if the Kantian experience of things-in-themselves can be perceived via autistic thinking?

Are there objects in space-time that can't be represented by any modality?

If objects we intuit in space and time are appearances, not objects that exist independently of our intuition, what about the quantum eigenvalues that transform from perceivable to unperceived eigenstates / eigenvalues?

What if space and time exist independently of our intuition, because of Cartesian theatres and substance monism, which means the forms our intuition are not space and time, but Platonic concrete universals?

Is the DSM nominalist in nature?

What is a Spinoza interpretation of psychiatric philosophy?

How do psychiatrists reconcile phenomenology and qualia with biological reductionism?

Is psychiatry merely epiphenomenal neuroscience?

How do nominalists respond to the notion that the origin of life (abiogenesis) is a universal?

What is Islamic theosophy?

If the first cause of all causes is causeless, what caused it to be causeless?

What would Thomas Hobbes likely think about the notion that immaterial substances are truth and reality?

What is computation like in impossible worlds?

What are the best arguments against the computational theory of mind?

What is a solipsistic interpretation of the philosophy of names?

Is the Cartesian immaterial mind a mind-body philosophy kind of ether?

Are sensationless sensations possible in empiricism?

What is Arabic 'pataphysics?

What are the post-Kantian conceptions of relativity?

What's beyond the boundaries of philosophical theology?

Do non-human beings perceive the universal nature of metaphysics universally?

Are the ontological status of universals fluid or eternally non-changing in nature?

Do all impossible worlds possess an eschatology?

Who is the greatest philosopher of chess?

What are the orthogonality of mixed inferences (inferences involving truth-apt sentences from different domains)?

What is an abundant property theorist interpretation of quantum theory?

What are the inclusion and exclusion criteria for the most impossible worlds?

How does the Quine-Sainsbury objection relate to Wittgenstein's Tractatus?

How does the isotopic distribution of chemical compounds relate to truth makers and property bearers?

How does alethic pluralism address substance monism?

What's a Spinoza interpretation of beauty?

How does John Stuart Mill's suggestion that there are higher and lower pleasures relate to utilitarianism?

Does foundational monism conflict with quantum theory?

What are the best arguments for foundational monism?

How does value pluralism relate to Spinoza's theological monism?

If nonexistence is intrinsic to everything that exists, what about modal transfers between nonexistence and existence within the context of Spinoza's infinite modes?

How would Meinong respond to the statement, "That is, God exists in virtue of the fact that the concept of God involves the concept of existence?" Can God be encoded Zaltanistically or subsist rather than exist?

If asymmetrical dependence relations are logically contingent depending on the world you're in, how does this affect Spinoza's infinite modes?

What are infinitesimal modes according to Spinoza?

Can the modal status of every abstract object correspond to Russell's definitions?

How might a non-cognitivist respond to Spinoza's mode necessitarianism?

What do ontological finitists think about the principle of ontological plenitude?

What is property instantiation like in absolutely nonexistent objects?

What is a nominalist interpretation of Spinoza's modes?

What if substances are casually related because of game theory and pure mathematics according to Spinoza?

How does Spinoza's necessitarianism relate to quantum theory?

What is Spinozan modal realism?

How does Yagisawa's extended modal realism relate to the arrow of time between modal worlds and impossible worlds?

Are Meinongian objects ontologically predicated on the existence of nonexistent objects?

What is a modal Meinongian interpretation of physics laws and the axioms of mathematics within every possible world?

Is "Deontologization" like the deforestation of Meinong's jungle?

What causes necessary nonexistence?

How is Heidegger's "So-being," or the totality of the object's properties apart from the object's existence or non-existence, related to scientific materialism?

How many possible nonexistent people can ever exist?

What is the cause of the relations between present and non-present objects in the philosophy of eternalism?

What is nonexistent Being, in a Meinong sense, according to Nietzsche?

Why do nonexistent abstract objects not exist?

What is an anti-existential quantifier?

What is "Ontological import" like in impossible worlds?

Why is there "isness" rather than existence in impossible worlds?

Do impossible world realists argue the most perfect being not existing in an impossible world is mereologically extended to possible worlds, such as ours?

Is existence a predicate because of meta-existence and quasi-existence?

If one creates a Zeno's paradox via dividing modal indices, in Yagisawa's extended modal realism, does that mean everything nonexistent can fit within the subdivided segments?

If it's possible that impossible worlds are impossible, how can a world be impossibly possible?

How does relevance logic relate to Charles Sanders Peirce's semiotics?

How do non-normal worlds relate to the modal realist theory of everything according to Kripke?

Are there computers that program the similarity relations between possible worlds in modal realism?

What are possible worlds and impossible worlds without similarity relations?

How do combinatorics relate to impossible worlds?

Which is more objective, anarchic logical behavior vs. non-anarchic logical behaviors, and is there a difference between possible and impossible worlds?

How does anarchic logical behavior relate to mereology?

How does modal fictionalism relate to quantum theory?

How does Zalta's metaphysical work overlap with Heidegger's notions on encoding abstract objects within modal indices?

Can abstract objects encode counterfactual states of affairs in mathematics that are not logically consistent with this world?

How did Carnap distinguish the world making differences between impossible worlds and possible worlds?

What are abstract entities like in impossible worlds?

What is four-dimensionalism like in impossible worlds?

How did the first modal property come to exist?

How do the points in modal space come to exist according to the philosopher Yagisawa?

If instantiation doesn't exist in impossible worlds, what explains why objects, tropes, and universals are there?

Are the objects in some impossible worlds the product of the Big Bang?

Are there worlds that are both quasi-impossible and possible in modal realism?

How does one treat propositions as set-theoretic constructions out of impossible worlds?

What is impossible world semantics?

What if there is nothing epistemically impossible to perceive?

How does the evolution of impossible worlds relate to the evolution of possible worlds according to modal realist cosmology?

How do impossible worlds relate to brain transplants?

Can impossible worlds exist within a Hartle branching multiverse framework?

What's it like to objectively feel like someone else, while still retaining self-identity? Can an entity have the identities of all possible minds? Is that God?

What are existent non-actual entities vs. nonexistent nonactual entities?

How does the "Strangeness of Impossibility Condition" in philosophy relate to the Dedekind cut?

What's mathematical necessity like in impossible worlds?

What are the possible worlds that are not coextensively related to logical necessity?

Can one analyze what's mathematically at the end of a sempiternity and eternity via transfinite induction/recursion?

What's it like being a Canadian twice exceptional female?

What are the phenomenology and qualia associated with twice exceptionality?

Are sempiternity and eternity discovered or invented according to Kant and Hegel?

Are sempiternity and eternity discovered or invented according to Lacan and Derrida?

Are sempiternity and eternity discovered or invented according to Heidegger?

Are sempiternity and eternity discovered or invented according to Nietzsche?

What do smoked trout flavored noodles taste like, and would you try it?

What do smoked trout flavored cheese sticks taste like, and would you try it?

What does smoked trout flavored peanut butter taste like, and would you try it?

What do smoked trout flavored potato chips taste like, and would you try them?

What do pine cone and acorn flavored pizza taste like, and would you try them?

What do pine cone and acorn flavored noodles taste like, and would you try them?

What do pine cone and acorn flavored potato chips taste like, and would you try them?

What do pine cone and acorn flavored sausages taste like, and would you try them?

What do cranberry stuffed with BLT and turkey flavored potato chips taste like, and would you try them?

Should you rather spend an eternity with someone, or a sempiternity with someone according to Kant and Hegel?

Should you rather spend an eternity with someone, or a sempiternity with someone according to Heidegger?

Should you rather spend an eternity with someone, or a sempiternity with someone according to Nietzsche?

Would you rather spend an eternity with someone or a sempiternity with someone?

What is the most anachronistic surrealist songwriting of all time?

Did surrealist poetry exist before Andre Breton?

Is surrealist poetry essential to the metaphysics of reality?

What does shiny blueberry (*Vaccinium myrsinites*) flavored noodles taste like, and would you try it?

What does shiny blueberry (*Vaccinium myrsinites*) flavored sausages taste like, and would you try it?

What does shiny blueberry (*Vaccinium myrsinites*) potato chips taste like, and would you try it?

What does calamari-flavored hot tea taste like, and would you try it?

What do calamari-flavored cheese sticks taste like, and would you try them?

What do calamari-flavored potato chips taste like, and would you try them?

What do iced coffee flavored cheese sticks taste like, and would you try them?

What do iced coffee flavored lasagna taste like, and would you try them?

What do iced coffee flavored sausages taste like, and would you try them?

What do iced coffee flavored potato chips taste like, and would you try them?

What does succotash flavored cream cheese and cheese sticks taste like, and would you try them?

What does bubble gum flavored cream cheese and cheese sticks taste like, and would you try them?

What do bubble gum flavored potato chips taste like, and would you try it?

What do succotash flavored potato chips taste like, and would you try it?

Can oceans possess oneiric properties according to panpsychism?

What do surrealist poets think about surrealist songwriting?

What was the poet Philip Lamantia's thoughts on surrealist songwriting?

If Mars had a highway, what would it be like?

If Jupiter had a highway, what would it be like?

If Neptune had a highway, what would it be like?

What does Caesar salad flavored juice taste like, and would you try it?

What does Greek salad flavored juice taste like, and would you try it?

What do falafel and donair flavored potato chips taste like, and would you try them?

What do Falafel flavored noodles taste like, and would you try it?

What do Greek salad flavored potato chips taste like, and would you try it?

What do Greek salad flavored elbow noodles taste like, and would you try it?

What do Caesar salad flavored elbow noodles taste like, and would you try it?

What do Caesar salad flavored sausages taste like, and would you try it?

What do Caesar salad flavored potato chips taste like, and would you try it?

What do vegetable omelette flavored milkshakes taste like, and would you try it?

What do vegetable omelette flavored potato chips taste like, and would you try it?

What do vegetable omelette flavored sausages taste like, and would you try it?

What does vegetable omelette flavored juice taste like, and would you try it?

What does spaghetti with marinara sauce flavored juice taste like, and would you try it?

What does spaghetti with marinara sauce flavored sausages taste like, and would you try it?

What does spaghetti with marinara sauce flavored potato chips taste like, and would you try it?

What does spaghetti with Alfredo sauce flavored cream cheese taste like, and would you try it?

What do spaghetti with Alfredo sauce flavored cheese sticks taste like, and would you try it?

What do spaghetti with Alfredo sauce flavored sausages taste like, and would you try it?

What do spaghetti with Alfredo sauce flavored potato chips taste like, and would you try it?

Who has likely had the most dreams while asleep in history?

How is the intersubjectivity of Canadiana different from Americana and Australiana?

What would root beer hot tea likely taste like, and would you try it?

What would peppermint potato chips likely taste like, and would you try it?

What would peppermint peanut butter likely taste like, and would you try it?

What would root beer noodles likely taste like, and would you try it?

What would root beer potato chips likely taste like, and would you try it?

What would root beer sausages likely taste like, and would you try it?

What would root beer cream cheese likely taste like, and would you try it?

What is Descartes' most mereological work?

What's post-Nietzschean philosophy like?

What is Carlsen's most Capablanca-like game?

What is Carlsen's most Polgar-like game?

What is Carlsen's most Lasker-like game?

Do you consider Bobby Fischer the heretic of chess?

What did Foucault think about economics?

What did Derrida and Lacan think about economics?

What did Heidegger think about economics?

What did Hegel and Kant think about economics?

What did Kant think about economics?

How would the human race be different if the average person lived a googol years?

A googol years from now, will the universe repeat itself?

What would lavender cream cheese likely taste like, and would you try it?

What would eggnog cream cheese likely taste like, and would you try it?

What would peppermint cream cheese likely taste like, and would you try it?

What's the most unique herbal scent of all time?

Can a 1 in a googol event happen on Earth theoretically?

Can a 1 in a googol event happen in this universe theoretically?

What did Aristotle and Plato think about songwriting?

What's the rarest kind of songwriting you have ever heard?

What is the rarest kind of philosophy of all time?

How would Derrida and Lacan deconstruct Hegel's absolute idealism?

What did Kant think about Hegel's Geist?

What did Heidegger think about Hegel's Geist?

Is ontology a symbol of the absolute according to Hegel?

How would Derrida and Lacan deconstruct entomology?

What did Nietzsche think about entomology?

What's a 1 in a quadrillion philosophical event?

What would Nietzsche likely think about NASA?

What would Kant and Hegel likely think about NASA?

What would Heidegger likely think about NASA?

If Trump mandated to make diabetes treating transdermal patches free for every American who needs them, how would you feel?

If Biden mandated to make diabetes treating transdermal patches free for every American who needs them, how would you feel?

What did Fichte and Shelling think about the Aztecs?

What did Kant and Hegel think about the Aztecs?

What did Nietzsche think about the Aztecs?

What did Heidegger think about the Aztecs?

Are there concrete ontological boundaries for every possible kind, universal, or trope associated with a mental object according to Kant and Hegel?

Are there concrete ontological boundaries for every possible kind, universal, or trope associated with a mental object according to Heidegger?

Are there concrete ontological boundaries for every possible kind, universal, or trope associated with a mental object according to Nietzsche?

Are there concrete ontological boundaries for every possible kind, universal, or trope associated with a mental object?

Am I more of a "different" person qualitatively if I transplant 1000 new qualia from someone else into my brain, or 1000 deep REM sleep dream counterfactuals from someone other?

Can the the study of Emotionology in a Kantian sense, be encoded by cogent mereological simples according to logicians?

Eventually, can a sentient being feel their own qualia if the qualia, mental objects, phenomenology, inverted Qualia, Phenomenology, etc., are compatible with mereological holism?

How would Lacan and Derrida deconstruct metanoia?

What did Heidegger think about metanoia?

What did Nietzsche think about metanoia?

How did Derrida and Lacan deconstruct heterosexuality (I am heterosexual)?

What did Lacan and Derrida think about the Barbizon School of Art?

What did Heidegger think about the Barbizon School of Art?

What did Foucault think about PTSD?

How did Derrida and Lacan deconstruct PTSD?

What would it be like if Marx was not a Neo-Hegelian?

Was Heidegger a Neo-Hegelian?

Was Nietzsche a Neo-Hegelian?

What's the most creative use of a notepad of all time?

If Trump wanted to make immortality freely optionally available to everyone by mandate, how would you feel?

If Biden wanted to make immortality freely optionally available to everyone by mandate, how would you feel?

What would 100 dimensional Mahjong resemble?

What would 100 dimensional Monopoly resemble?

What would it be like if adult human level intelligence wildcats lived in a townhouse of a city, and had to hide?

What's a philosophical perspective regarding heterosexuality?

I am heterosexual. What did Jung think about heterosexuality?

Is sarcasm the lowest form of wit according to Alain Badiou?

Does every possible sound have an objective symbolic meaning according to Hegel?

Does every possible sound have an objective symbolic meaning according to Heidegger?

Does every possible sound have an objective symbolic meaning according to Lacan and Derrida?

Does every possible sound have an objective symbolic meaning according to Kant?

Is sarcasm the lowest form of wit according to Heidegger?

Is sarcasm the lowest form of wit according to Nietzsche?

If Trump passed a law that most car energy in America must be powered by solar panels by 2030, how would you feel?

If Biden passed a law that most car energy in America must be powered by solar panels by 2030, how would you feel?

Which living philosopher are you pen pals with?

How would Lacan and Derrida psychoanalyze sweeping generalizations and logical fallacies?

What did Nietzsche think about the psychology behind sweeping generalizations and logical fallacies?

How would Heidegger psychoanalyze sweeping generalizations?

How would Freud psychoanalyze sweeping generalizations?

How does one rewrite the essence of their being according to Kant and Hegel?

How does one rewrite the essence of their being according to Heidegger?

What's a 1 in a quadrillion astronomical event?

What's a 1 in a quadrillion sociological event?

How many surrealist poets have likely ever lived of all time?

How many philosophers have likely ever lived of all time?

What did John Locke think about Genghis Khan?

What did Kant and Hegel think about Genghis Khan?

What did Heidegger think about Genghis Khan?

What did Thomas Hobbes think about Genghis Khan?

What did Nietzsche think about Genghis Khan?

What is an ethological perspective regarding Australian politics?

What is an ethological perspective regarding Canadian politics?

What is an ethological perspective regarding American politics?

How would Derrida and Lacan likely deconstruct meritocracy?

What did Heidegger think about meritocracy?

Is meritocracy oligarchic?

Is meritocracy imperialistic?

What did Hegel think about meritocracy?

Do you think the post-2024 election era in America will be a meritocracy?

What did Nietzsche think about meritocracy?

What do analytic philosophers think about foundherentism?

What do continental philosophers think about foundherentism?

What do you think about Susan Haack's work?

Who was Hegel's closest friend?

Who was Kant's closest friend?

Who was Heidegger's closest friend?

What's it like being a Muslim who has been to Antarctica?

What's it like being a Christian who has been to Antarctica?

What's it like being a Hindu who has been to Antarctica?

What's it like being a South American Hindu?

What do Buddhists think about South American Buddhism?

What does a salad with lavender oil taste like?

What did Isaiah Berlin think about Kant and Hegel?

What did Isaiah Berlin think about Heidegger?

What did Isaiah Berlin think about Nietzsche?

What would Isaiah Berlin likely think about transhumanism?

What would Heidegger likely think about people who don't apologize when they should?

What would Kant likely think about people who don't apologize when they should?

What would Nietzsche likely think about people who don't apologize when they should?

What do Buddhists think about Mesopotamia?

What do Buddhists think about Babylon?

What does Alain Badiou think about Marshall McLuhan's work?

What do semioticians think about train track systems?

What's your favorite lavender coffee recipe?

What do you think about the word "philomancy"?

What did Heidegger think about leprechauns?

What did Nietzsche think about leprechauns?

How would Lacan deconstruct songwriting?

How would Derrida deconstruct songwriting?

What did Hegel think about songwriting?

What did Kant think about songwriting?

What did Heidegger think about songwriting?

What did Nietzsche think about songwriting?

How would Lacan deconstruct the philosophy of rhythm and melody?

How would Derrida deconstruct the philosophy of rhythm and melody?

What did Schelling and Fichte think about the philosophy of rhythm and melody?

What did Hegel think about the philosophy of rhythm and melody?

What did Kant think about the philosophy of rhythm and melody?

What did Heidegger think about the philosophy of rhythm and melody?

What did Nietzsche think about the philosophy of rhythm and melody?

What would an animated version of Baudelaire's poems resemble?

What would an animated version of Artaud's poems resemble?

What would an animated version of Sylvia Legris's poems resemble?

What would an animated version of David Gascoyne's poems resemble?

What would an animated version of Philip Lamantia's poems resemble?

What would Lacan and Derrida likely think about "The School of Life"?

What would Hegel likely think about "The School of Life"?

What would Kant likely think about "The School of Life"?

What would Nietzsche likely think about "The School of Life"?

What does Alain Badiou think about anti-Oedipus?

What would Derrida likely think about the book Anti-Oedipus?

What would Lacan likely think about the book Anti-Oedipus?

What would Nietzsche likely think about the book Anti-Oedipus?

What is Schopenhauer's most transhumanist book?

What is Plato's most transhumanist book?

What is Heidegger's most transhumanist book?

What is Aristotle's most transhumanist book?

What is Nietzsche's most transhumanist book?

What did Kant and Hegel think about alcohol?

Would Camus think alcohol drinking is Sisyphean?

How would Lacan deconstruct alcohol drinking?

How would Derrida reconstruct alcohol drinking?

What did Heidegger think about alcohol?

What did Nietzsche think about alcohol?

Can one find missing people via DNA attractor vacuum Dyson spheres that suction up DNA matching a specific sample of a specific person (such as a Dyson sphere surrounding the missing person's city they were last seen)?

What did Hegel think about South America?

What did Kant think about South America?

What did Heidegger think about Babylon?

What did Nietzsche think about Babylon?

What did Plato and Aristotle think about Mesopotamia?

What did Schelling and Fichte think about Mesopotamia?

What did Nietzsche think about Mesopotamia?

What did Kant and Hegel think about Mesopotamia?

What did Heidegger think about Mesopotamia?

What did Heidegger think about Mexico?

What did Heidegger think about Canada?

What did Heidegger think about Russia?

What did Heidegger think about South America?

What did Heidegger think about Spain?

What did Heidegger think about Portugal?

What did Nietzsche think about South America?

What did Nietzsche think about Mexico?

What did Nietzsche think about America?

What did Nietzsche think about Spain?

What did Nietzsche think about Portugal?

How would Derrida likely deconstruct "nocturnophilia"?

What did Kant and Hegel think about the night sky?

What did Heidegger think about the night sky?

What did Nietzsche think about the night sky?

What would intergalactic music likely sound like?

What do Kant and Hegel think about frustration?

What did Heidegger think about frustration?

What did Nietzsche think about frustration?

What do Buddhists think about frustration?

Who is the most prolific Australian playwright?

Who is the most prolific Canadian playwright?

Who is the most obscurantist great playwright ever?

What's the most obscure or little know. great Canadian play?

What's the most obscurantist great Canadian song?

Can true love not be beautiful according to Fichte and Shelling?

Can true love not be beautiful?

What's an Australiana themed example of screenwriting?

What's a Canadiana themed example of screenwriting?

What's a haiku about transhumanism?

What's a poem about transhumanism?

What's a poem about Australiana?

What's a poem about Bohemianism?

What's a poem about the history of omnitheism?

What's a poem about the history of atheist thinkers?

What would John Stuart Mill likely think about the pharmaceutical industry?

What would Rousseau likely think about the pharmaceutical industry?

What would Heidegger likely think about the pharmaceutical industry?

What would Nietzsche likely think about the pharmaceutical industry?

What would Nietzsche likely think about the genetics of creativity?

What would Heidegger likely think about the genetics of creativity?

What did Heidegger think about Francis Galton?

What did Nietzsche think about Francis Galton?

Is the Phil Collins song "In Too Deep" metaphorically about giving up on God?

How do supersymmetric formulation of Markov processes relate to gluon mass gaps?

How does one calculate the Bremermann's limit of the kinds of qualia that have existed in a chosen city/country, via neurons firing per minute and population of people?

How many kinds of new qualia have likely ever existed in the history of the human race?

How many new emotions have likely ever existed in the history of the human race?

Who is the most major astro geometer of all time?

What's the supersymmetry of qualia?

What's a philosophical perspective regarding Agamemnon?

Can non-human animals have Wittgensteinian languages?

What did Fichte and Shelling think about Tathagatagarbha?

What did Heidegger think about Tathagatagarbha?

What did Nietzsche think about Tathagatagarbha?

What does "Tathagatagarbha" mean to you?

Who is the biggest ornithophile who ever lived?

Who is the biggest dendrophile who ever lived?

Who is the biggest arachnophile who ever lived?

What is the most anti-metaphysical art ever?

What is quantum astrochronology?

How can Dirac magnetic monopoles be applied to the measurement mass of glue balls?

Can a Goldstone boson have a mass gap?

How do supersymmetric quark flavors relate to quark mass eigenstates?

What is a supersymmetric gauge theory with a neutrino confinement?

Is mereology inherently a logical positivist entity?

How does one write surrealist metal music?

Was Wittgenstein the poster child of academic favoritism?

Do all eyes see knowledge?

What are Yang-Mills monopoles super symmetry?

What is the the definiendum we “usually” perceive in itself, vs., the definiendum – or object in question for definition – perceivable by an outward projection of appearances?

What was the geometry of the first ontology that ever existed?

What kind of beings possess omnitemporality according to Heidegger?

Who is Father Nature in mythology?

What kind of personality traits do only birds possess?

What kind of mental substances do only birds possess?

According to meta-philosophy, can philosophical objects themselves be measured by geometry and mereology?

What is Pyrrhonism Haecceitism?

What transcends all philosophy according to Wittgenstein?

What transcends all philosophy according to Kant and Hegel?

What transcends all philosophy according to Heidegger?

What transcends all philosophy according to Nietzsche?

Is truth ontologically committed to language, and language ontological committed to truth?

How does time flow across a purely spatial manifold, and can it be modeled in a grandfather clock design?

Is God a sinner according to Nietzsche?

When does a number become a number according to Kant and Hegel?

When does a number become a number according to Heidegger?

When does a number become a number according to Russell?

When does a number become a number according to Cantor?

When does a number become a number according to Gödel?

What's the most major similarity and difference between psychophysics and psychiatry?

Does a moral system that does consider thoughts, or any other action that causes no harm, to be morally wrong is in itself morally wrong?

Can brain pacemakers treat learning disabilities?

When does a number become a number mathematically?

Are there mereological circumferences?

What is the schizoanalysis of social class according to Deleuze and Guattari?

Is chess deterministic according to eternalism?

What did A.N. Whitehead think about Hesiod?

How would a person behave if their brain was stimulated in a perfect platonic realm universe?

Could you upload the data that a brainwave reading device records and convert it into an audio format? Could you then edit it like it's a piece of music and maybe download it?

Why isn't the main focus in school to help students form collectives of people who are motivated by issues or interests outside of a core curriculum, and have them work together to achieve a common intellectual objective?

Why can't a person's essence in their soul be identical to the same essence in another soul, or even multiple people, or can it be proven that the essence of a soul is unique and not identical to anyone else in existence according to theologians?

Inventors, would you use a website where your goal is to type in a question before the time limit, earn points for the quality of the question, and build a portfolio of successful questions + send to a research center or person for a project?

What do you think of an online edible art website?

What do you think of the chicken cross the road response, "The chicken's conscious experience is not of the real world itself but of an internal perceptual copy of the world generated by neural processes in its brain?"?

What do you think about "smart" houses you can buy where you can set up therapy and psych installs, and the appliances themselves can change depending on your mood?

What if we were endowed with the physical quantities of the universe, and we were the universe encapsulating a being except, and we've literally engineered ourselves into pantheistic super-beings whom only have one animal quality left, being alive?

What if, we bypassed our animal evolution and our animal bodies into stand alone, self-aware entities emerging in engineered high-entropic thermodynamic soup (almost Boltzmann-like Brains) and no longer depending on AI to keep us conscious or alive?

When will brain-computer interfaces that can insert thoughts and "cognitive-tweaking" bundles or apps into my mind directly exist?

What do you think of an art/painting tablet except you can download all possible visual art via machine learning combinatorics, min/maximize frame, share on social media, and hang on walls and fridges like a true painting with a prepackaged magnet?

Should we legislate that all toilets are outfitted with assay testing modules for health?

Should we legislate that all public schools in the future will have an object detecting AI detector outside installed?

Should we legislate that public schools in the future will have a small AI intelligence built in every classroom desk?

Do native Canadians perceive psychometric measures of cognition different from colonized psychometricians?

Let's say a being with an infinite amount of attributes has popped into existence by chance. Even if that being isn't all-encompassing, would it still be God or not, and how would we even figure that out, not going too far away from Spinoza?

What do you think about the quote: "We're getting battered by the waves of death and yet we're surfing them, and painting them from a distance. Underwater, there's life in death but you're not a submarine. A surfer can't become a submarine"?

What if a moral proposition is unlike mathematical Platonism at all?

Is being born into a hyper-tech world is like having a Porsche model but forgetting you're still a rat in the race?

What's Mandarin and Cantonese Scrabble like?

What's it like being the child of a transhumanist?

What's it like being the child of a surrealist poet?

What's it like being the child of a beat generation poet?

According to the philosopher David Lewis, is past time travel possible if the traveler's actions are in place in history? In other words, the travel is consistent with the history whence I come, and can a Hartle multiverse branching happen?

If free will could emerge through natural selection, then why can't we design ourselves or robots superintelligences to be more free?

What's a Tarskian interpretation of Bremermann's limit?

What's a Gödel interpretation of Bremermann's limit?

If the majority of philosophers are correct that we now possess a bit of free will because our highly complex brains—something that rocks, trees and worms don't have—then why can't more and better consciousness/intelligence make us more free?

Is the number of thinkable thoughts in the observable universe infinite or very large, but finite?

What do Indian philosophers think about Neo-Brahmanism?

What do philosophers think about "thinging"?

What are the number of thinkable or imaginable thoughts in the observable universe?

What's a Grassmann infinitesimal number?

What's a Cassini infinitesimal number?

Can a camera take holographic copies or 'screen shots' of real life objects and abstract their geometric forms via an editor?

Can you see any radical hacking in genetic engineering such as modifying the pain resistance gene SCN9A to make us even more resistant to the health effects in space or dangerous interactions like with chemistry or temperature in the future?

How would anthropogenic intergalactic travel in the long distant future affect not just the environment or "biodiversity" in biology but the shape of space in general relativity?

Could geometric figures like Gabriel's Horn ever have applications in future emerging technology like Alcubierre drives or faster than light travel or even a warp drive of some kind?

What's the height of the omniverse?

Is the flow of time just an ontological rhyme?

Are masculinity and femininity just another example of commodity fetishism?

Are colonized notions of masculinity and femininity just a sado-masochistic drama?

Is there a dual nature to reality and being in which the Supra-physical locus of control uses some sort of physical mechanism of the brain to harness quantum uncertainty to produce dual-outcomes of reality?

What would Heidegger likely think about psychorrhagy?

What do philosophers think about psychorrhagy?

Why did the poet Philip Lamantia drop out of Berkeley?

How does one fight cognitive inertia?

Can a CRISPR handheld eye laser treat nearsightedness?

Who was the first Antarctic philosopher?

Who was the first Micronesian/Polynesian philosopher?

Who was the first Canadian philosopher?

Who was the first Australian philosopher?

Is reality just a mereological aggregate of self-referential statements?

Are sports just another example of commodity fetishism?

What is the most unique French fry flavor of all time?

Did Lacan and Derrida ever argue their thoughts on thanatophobia?

Did Heidegger ever argue his thoughts on thanatophobia?

Did Nietzsche ever argue his thoughts on thanatophobia?

What's the Canadian national anthem in Toki Pona?

What's your favorite Toki Pona poem?

What is the culture of Toki Pona like?

Can one apply homotopic analysis of the minimum mass of a glueball?

What's the most aesthetic quality about winter?

What did Nietzsche think about the winter season?

How does finite field arithmetic relate to homotopic analysis of the surreal number line?

What was the poet Philip Lamantia's relationship with Nancy Joyce Peters like?

What is the most Camus-inspired movie ever?

How does one transcend human nature according to Kant and Hegel?

How does one transcend human nature according to Heidegger?

How does one transcend human nature according to Nietzsche?

Was Frege heavily inspired by Babbage?

Can Galois number fields be applied to Goldbach's conjecture?

What was the first glueball in cosmology?

What's the cause of all irrationality according to Kant and Hegel?

What's the cause of all irrationality according to Nietzsche?

How can we control the weather via machine learning?

Is Donna Haraway an Extropian?

Who was Heidegger's biggest philosophical inspiration?

Who was Kant and Hegel's biggest philosophical inspiration?

Who was Nietzsche's biggest philosophical inspiration?

Who was Husserl's biggest philosophical inspiration?

What do Buddhists think about Zoroastrianism?

Was Heidegger a Neo-Husserlian?

How does one reason about irrationality according to Fichte and Shelling?

How does one reason about irrationality according to Heidegger?

How does one reason about irrationality according to Kant?

How does one reason about irrationality?

What would it be like if squirrels could moonwalk?

What's the most creative use for an anagram?

What did Descartes think about the French Revolution?

What is the most creative toy of all time?

How did Derrida deconstruct Cynicism?

How did Derrida deconstruct Epicureanism?

What did Lacan think about Cynicism?

What did Heidegger think about Cynicism?

What did Nietzsche think about Cynicism?

What would aloe vera dark roast coffee likely taste like?

What is an Arcimboldist poem style?

What does the philosopher David Armstrong think about David Lewis?

What is the most unique perogie recipe of time?

What is the most unique BLT recipe of all time?

If memories can be brain-wave translated and recorded, is that a simulated form of time travel?

How does one write a surrealist soliloquy?

What is the most studied amplitudeology for super Yang Mills with no mass gap?

Can Cassini numbers be applied to calculate the minimum mass of a glue ball?

Can diophantine equations be applied to calculate the minimum mass of a glue ball?

How does one analyze glueballs for Yang Mills polarizations in AdS/CFT?

Why is an AdS black hole equivalent to CFT quark-gluon plasma?

Are there any clothes made exclusively out of lavender?

What is your favorite David Gascoyne poem?

What do surrealists think about subliminal messages?

What's the rarest moonbow recorded of all time?

Can multiple moonbows occur at once?

What's the rarest sun-shower on Earth of all time?

Scientists are using thinking caps to induce acquired savantism in non-savant subjects. Can these thinking caps be applied to schizophrenics to turn on their rationality regions of the brain, such as prefrontal cortex and parietal lobes?

What's the most Hindi haiku ever?

What's the most Hindi novel ever?

What's the most Hindi surrealist poem?

What's the most Buddhist surrealist poem ever?

What's the most Buddhist novel ever?

What's the most Buddhist haiku ever?

What does cantaloupe milk taste like?

What does dragon fruit milk taste like?

What does papaya milk taste like?

What does blueberry milk taste like?

What will movies most likely be like in the year 3000?

What will fashion most likely be like in the year 3000?

What will architecture most likely be like in the year 3000?

What will architecture most likely be like in the 25th century?

What's the most transhuman novel ever?

What's the most anarcho-environmentalist novel ever?

What's the most libertarian novel ever?

What do Buddhists think about Gandhi?

What do Marxists think about Gandhi?

What did Heidegger think about Gandhi?

What would Nietzsche likely think about Gandhi?

Is there an entomological version of lasagna?

Is there an entomological version of fish and chips?

What's the most surrealistic sentence someone ever said to you?

What did Lacan and Derrida think about civil non-disobedience?

What did Heidegger think about civil non-disobedience?

What did Nietzsche think about civil non-disobedience?

What is Turing's most surrealist work?

What did Kant and Hegel think about the Ouroboros?

What did Heidegger think about the Ouroboros?

What did Nietzsche think about the Ouroboros?

What would a Quora entirely written in neologisms resemble?

What would a Wikipedia entirely written in neologisms resemble?

How do Camus' Sisyphus and the Ouroboros most relate?

Was Heidegger a social critic of ontology?

Was Heidegger a social critic of epistemology?

Was Nietzsche a social critic of epistemology?

How does Catalin Bimbo's work on Galois logic relate to Yang-Mills?

Have there been good theological thinkers who wrote accurately on God choosing to be nonexistent, which is paradoxically its existence?

A supposed truthmaker is a non-linguistic fact, but to define the fact, one must bring language back. Does that mean truthmakers are infinitely regressive?

Why does David Armstrong advocate for an Ersatzism-Fictionalism hybrid?

What is the ontological mereological language of all possible worlds?

What did Camus think about Kant?

What did Camus think about Aristotle?

What did Camus think about Lacan?

What did Camus think about Derrida?

What did Camus think about Nietzsche?

Is climate change an NP solvable problem?

What are the best ornithological animations of all time?

What are the best ornithological plays?

What's the best ornithological movie of all time?

What's the best cyberpunk movie of all time?

What do psychologists think about psychons?

What's it like to be phobic of music?

What's it like to have panphobia?

What did Nietzsche think about Heliopolis?

What did Plato think about theogony?

What did Aristotle think about theogony?

What did Aristotle think about ancient China?

What did Aristotle think about ancient India?

What did Plato think about ancient China?

What did Plato think about ancient India?

What did Plato think about Epictetus?

What did Plato think about Epicurus?

What did Plato think about Heliopolis?

What did Aristotle think about Heliopolis?

If waterfalls could rain words, how would you react?

Do transfinite perfect ASCII copies of every possible non-human animal, in every possible world, exist in pi?

How does negentropy relate to vector algebra?

What do physicists think about psychons?

Do insects have a sociological imagination?

Do insects have object permanence?

Can insects procrastinate?

Can birds procrastinate?

If Trump wanted to mandate that every (or many) toilets in America are outfitted with a bioassay testing module to directly test for health, how would you react?

If Biden wanted to mandate that every (or many) toilets in America are outfitted with a bioassay testing module to directly test for health, how would you react?

How does Egyptology relate to Native American culture?

What is the most humanoid bird?

What is an aurora borealis likely like in a distant Galaxy?

Can non-human animals be existentialists?

What does a country music bird song sound like?

What does Donna Haraway think about Heidegger?

What does Donna Haraway think about Nietzsche?

Can all bird species be schizophrenic?

If black holes could bleed, would the color be technicolor?

What would Quine likely think about meta meta-metaphysics?

What would Quine likely think about meta-meta philosophy?

What would Quine likely think about Ersatzism?

What do analytical philosophers think about Ersatzism?

What would a Buddhist mosque resemble that contains both elements of Buddhism and Islam?

Have any philosophers written specifically about the planet Venus?

Have any philosophers written specifically about the planet Jupiter?

Have any philosophers written specifically about the planet Mars?

Have any philosophers written specifically about the planet Neptune?

What is moon shoe soccer like?

What is moon shoe basketball like?

What is moon shoe baseball like?

What is cyberpunk basketball like?

What is cyberpunk soccer like?

What is cyberpunk hockey like?

What is the Antediluvian (Indigenous peoples of Canada) Mecca?

Can a supernova exist inside a quasar?

Can a supernova exist inside a white hole?

Can a supernova exist inside a black hole?

How would one set up an experiment to see if birds can be philosophers?

Are the parietal lobe and prefrontal cortex heavily involved in mathematical reasoning?

How would Lacan likely deconstruct infinitesimality?

How would Derrida likely deconstruct infinitesimality?

Can infinitesimal beings exist according to Hegel?

Can infinitesimal beings exist according to Kant?

Can infinitesimal beings exist according to Heidegger?

What is the most creative use of a kaleidoscope?

What is the most creative use of a gyroscope?

What do historians think about Lemuria?

What is meta mereology in philosophy?

What is omni mereology in philosophy?

What is omni modality in philosophy?

What is omnidimensionality in physics?

What is transdimensionality in physics?

In the future, when people are mind uploaded, will it be possible to create a mind uploaded infinity of cities?

What is Trappist Jainism?

What is Trappist Hinduism?

What is Trappist Islam?

What do absolute idealists think about anti-empiricism?

How does the homunculus relate to quantum superposition?

How does superluminal motion relate to quark confinement?

Can birds have absurdist properties?

What would Kant likely think about anosognosia and its relation to noumenality?

What would Derrida and Lacan likely think about anosognosia?

What would Nietzsche likely think about anosognosia?

What does Alain Badiou think about apophenia?

What will grocery stores likely be like in the 25th century?

What are star showers likely like in other multiverses, assuming they exist?

What are star showers likely like in other galaxies, such as the more distant ones?

Can stars possibly rain?

What do Hindu philosophers think about chronesthesia?

What did Nietzsche think about sempiternal recurrence, rather than eternal recurrence?

What did Heidegger think about the Dasein of a sempiternity?

How do birds perceive the truth?

How do birds perceive reality?

Is there a platonic form of an entity that experiences all possible thoughts?

Can non-human animals have hermetic qualities?

Is there a Rosetta stone for ideograms?

What's the most unique birdhouse of all time?

What would it likely be like if red pandas were introduced as a settler species in Canada?

What would it likely be like if marsupials like kangaroos were introduced as a settler species in Canada?

What does Michael Dummett think about David Lewis' "Alien Properties"?

What are moonbows likely like in very distant galaxies?

What are moonbows like in Andromeda?

What is the moonlight like in Andromeda?

What is a Derrida deconstruction of Hinduism?

What is a Derrida deconstruction of Buddhism?

What do Buddhists think about Hegel?

What do Buddhists think about Lacan and Derrida?

What do Buddhists think about Heidegger?

What do Buddhists think about chronesthesia?

Can birds experience nirvana according to Buddhists?

What's the best way to overcome regret according to Buddhists?

What's the most bizarre poem you have ever read?

Are there questions too surreal to ever be humanly asked?

How surreal is too surreal in surrealist poetry?

Do birds have nightmares?

How can the divergence theorem be applied to Calabi-Yau manifolds?

Can you write a rap song about surrealism?

What are the epigenetics of genetic memory according to Piaget?

What's your favorite poem in Vulcan?

What would Wittgenstein likely think about the language Vulcan?

What's the Canadian national anthem in Vulcan?

What do you think about a dictionary and thesaurus written in Vulcan?

Would gooseberry flavored orange juice likely taste good?

What does a BBQ coated seagull taste like?

How can the cohomology of infinite-dimensional Lie algebra be applied to Bekenstein-Hawking entropy?

How can Hodge star operators be applied to Bekenstein-Hawking entropy?

How can cohomological Hall algebra be applied to quark confinement?

How can cohomological Hall algebra be applied to gluon polarization?

How does logical cohomology relate to cohomological methods in geometry?

Is there such a concept as nominalistic string theory?

How can nominalistic set theory be applied to Frege's work?

How can Fano manifolds be applied to gluon polarization?

How can Bianchi groups be applied to quark confinement?

Can quantum homology algebra be applied to quark confinement?

Can Bianchi groups be applied to the four color theorem?

How can Bianchi groups be applied to the real number line?

How do neutrinos relate to anyons?

What did Derrida think about disillusionment?

What did Lacan think about disillusionment?

Is quantum algebraic topology included in the grand unified theory?

What do physicists think about quantum algebraic topology?

How do Poincare dualities and integrated isomorphism relate to quark confinement?

What did Kierkegaard think about disillusionment?

What did Heidegger think about disillusionment?

What did Nietzsche think about disillusionment?

What does Deutsch think about the unification of special/general relativity with topos theory?

What does Penrose think about the unification of special/general relativity with topos theory?

What's the most unique mustard flavor of all time?

What's the most unique ketchup flavor of all time?

How did Derrida deconstruct entelechy?

What did Lacan say about ambition?

What did Foucault say about ambition?

What did Heidegger say about ambition?

What did Nietzsche say about ambition?

What's culture like in Palau?

What's food like in Palau?

What's food like in Tuvalu?

What's Nauruan food like?

What's food like in the Marshall Islands?

What's Nauruan philosophy like?

What's the Nauruan media like?

What's the most Polynesian/Micronesian food ever?

What do North American magpies taste like?

What do Orientalists think about Islamic philosophy?

Is poutine served with maple syrup and pineapple chunks the most Canadian food ever?

Is friendship the subtlest form of love according to Kant?

Is friendship the subtlest form of love according to Hegel?

Is friendship the subtlest form of love according to Heidegger?

Is friendship the subtlest form of love according to Durkheim?

Is friendship the subtlest form of love according to Nietzsche?

Is friendship the subtlest form of love?

What do stir-fried slugs taste like?

What does stir-fried red kelp taste like?

What do stir-fried squirrels taste like?

What do stir-fried butterflies taste like?

What are some whimsical, but nonetheless valid and sound ways of fighting climate change?

Can one be bourgeois in knowledge capital, according to Marx?

What did Asimov think about libertarianism?

What would papaya-flavored coffee likely taste like?

How rare are multiple sunbows occurring at once?

How do the astrophysical phenomena of moon dogs relate to quantum thermodynamics?

What would cheese stuffed with zucchini likely taste like?

Is oppression a challenge to the existence of solipsism?

How does Bacchanalianism relate to philosophy?

What do Hinduists think about condescending and patronizing attitudes?

What do you think about cranberry flavored coffee?

What do Catholics think about endurantism / perdurantism?

What do Catholics think about eternalism?

What do Buddhists think about condescending and patronizing attitudes?

What's the most unique YouTube video of all time?

What did Marx think about alienism?

Do vespiphiles (lovers of wasps) exist?

What's a cyberpunk version of Transylvania?

What do you think about coconut bacon?

What's the most unique doughnut flavor of all time?

What's the rarest grandfather clock you've ever seen?

What do you think about dragon fruit flavored coffee?

Was Heidegger a romanticist?

Was Nietzsche a romanticist?

What is Judit Polgar's most unique chess opening she has played?

What is the most bizarre Kandinsky work you've seen?

Who is one's spiritual family according to Heidegger?

Who is one's spiritual family according to Nietzsche?

What is the rarest entomological phenomena?

What is the rarest ornithological phenomena?

How big can a black hole magnetosphere get?

How small can a black hole magnetosphere get?

Who is your favorite Esperanto Canadian thinker?

When will cloud seeding be commercialized in Canada?

How does black hole electrodynamics relate to gluon polarization?

How does black hole electrodynamics relate to quark confinement?

What do you think about cantaloupe flavored noodles?

What do you think about cantaloupe flavored sausages?

What do you think about cantaloupe flavored coffee?

Do Bahá'ís believe the multiverse has an eschatology?

Does history repeat itself according to Bahá'ís?

Does history repeat itself according to Islamic philosophers?

Does history repeat itself according to Buddhist philosophers?

Does history repeat itself according to Hindu philosophers?

How do thermodynamics of neutrons in a magnetic field relate to gluon polarization?

How do thermodynamics of neutrons in a magnetic field relate to quark confinement?

What do Russians think about Indian philosophy?

How do black hole thermodynamics relate to gluon polarization?

How do black hole thermodynamics relate to quark confinement?

What do Epicureans think about Biden?

What do Epicureans think about Trump?

What's the most unique staycation idea of all time?

What do Epicureans think about staycations?

What did Foucault think about maladaptive daydreaming?

What did Derrida think about maladaptive daydreaming?

What did Heidegger think about maladaptive daydreaming?

What did Nietzsche think about maladaptive daydreaming?

What's the most unique lasagna of all time?

What's the most unique water slide of all time?

How does one overcome the need to be right according to Buddhists?

How does one overcome hostility to change according to Buddhists?

Does every highly creative person have a degree of schizotypality?

What did Aristotle think about Shiva and Shakti?

What did Kant think about Shiva and Shakti?

What did Hegel think about Shiva and Shakti?

What did Nietzsche think about Shiva and Shakti?

Who was the first linguist?

Who was the first Egyptologist?

Who was the first grammarian?

What's the most unique salad recipe of all time?

What's the rarest Canadian indigenous people's philosophy?

What's the rarest fact about philosophy?

What's the rarest discussed fact in academic astronomy?

What's the most unique gargoyle you've ever seen?

Will brain pacemakers be applied to schizophrenia?

Will brain pacemakers be applied to personality disorders?

How do emotional intelligence (EQ) and IQ most overlap?

What do you think about the Canadian band Chilliwack?

What's the most cryptic Canadian song of all time?

What's the most cryptic Canadian band?

Is it better to burn out than fade away according to Lacan?

Is it better to burn out than fade away according to Derrida?

Is it better to burn out than fade away according to Heidegger?

Is it better to burn out than fade away according to Nietzsche?

What would Hegel likely think about the concept of a homunculus?

What would Kant likely think about the concept of a homunculus?

What would Heidegger likely think about the concept of a homunculus?

What would Nietzsche likely think about the concept of a homunculus?

What did Nietzsche think about rebelliousness?

What's the rarest albino animal you've seen?

What do you think about aloe vera flavored iced coffee?

Who is the Buddha of Suburbia?

Who is the Muhammad of Suburbia?

Who is the Nietzsche of Suburbia?

How does the Bekenstein-Hawking entropy formula relate to quark confinement?

How does the Bekenstein-Hawking entropy formula relate to string theory?

How does the Bekenstein-Hawking entropy formula relate to eternalism?

What's it like meeting a Zebroid?

What's it like meeting a tigon?

Is Indian philosophy often Arabic inspired?

How is Oriental philosophy similar to African philosophies?

How is Celtic philosophy similar to Oriental philosophy?

How is Indian philosophy similar to Oriental philosophy?

How is Indian philosophy similar to Polynesian/Micronesian philosophy?

How is Indian philosophy similar to Russian philosophy?

How is Indian philosophy fundamentally different from Pakistani philosophy?

What did Foucault think about objectification?

What did Derrida think about objectification?

What did Nietzsche think about objectification?

What did Schelling and Fichte think about objectification?

What did Lacan think about objectification?

Does a Gaussian bell curve apply to emotional sensitivity?

What is the most creative insect you have ever encountered?

What is the most creative bird you have ever encountered?

Why is "autistic thinking" in psychiatry associated with creativity?

What do you think about the Creativity quotient (CQ)?

Why does time slow down when one is bored psychophysically?

What did Deleuze and Guattari think about satire?

What did Foucault think about satire?

What did Lacan think about satire?

What did Derrida think about satire?

What did Hegel think about satire?

What did Heidegger think about satire?

What did Nietzsche think about satire?

What is Arabic Scrabble like?

What is Hebrew Scrabble like?

What is Hindi Scrabble like?

What is Punjabi Scrabble like?

What's the most unique recipe involving succotash?

What's your favorite recipe involving succotash?

How many insects have ever approximately lived on Earth?

Can you write a rhyming poem about Hegel?

Can you write a rhyming poem about Kant?

Can you write a rhyming poem about Heidegger?

Can you write a rhyming poem about Nietzsche?

What are the rarest personality traits in birds?

What are the rarest personality traits in insects?

Is it better to have dogmatism or be willfully ignorant according to Nietzsche?

What philosophers have written philosophical perspectives of Andromeda?

What does avocado flavored iced coffee taste like?

Do robots possess object permanence?

What is Baudelaire's most cryptic work?

What is Artuad's most cryptic work?

If there are polymaths, what about omnimaths?

What do you think about robotic bees pollinating plants?

What do physicists think about dark entropy?

What were the early 2000s like in terms of intersubjectivity?

What do physicists think about quantum disentanglement?

What did Plato think about misanthropy?

What did Aristotle think about misanthropy?

What did Derrida think about misanthropy?

What did Foucault think about misanthropy?

What did Lacan think about misanthropy?

What did Kant think about misanthropy?

What's the most unusual end game professional chess game position ever?

Is there a variation of chess that is combined with snakes and ladders, where Snakes and Ladders are overlaid on a chessboard?

What would Kierkegaard likely think about atheist churches?

What do you think about blueberry flavored coffee?

What are some interesting facts about America?

Can birds be Machiavellian?

If the omniverse is a simulation, what hardware processor is it running on?

What's Schopenhauer's most mathematical work?

Did Spinoza write any work on cohomology?

Did Frege write any work on cohomology?

Did Frege write any work on topology?

Did Spinoza write any work on topology?

Would Derrida likely have approved of the sentiment that life is just a video game?

Would Kant likely have approved of the sentiment that life is just a video game?

Would Hegel likely have approved of the sentiment that life is just a video game?

Would Nietzsche likely have approved of the sentiment that life is just a video game?

What would Kant likely think about Hiroshima?

What would Hegel likely think about Hiroshima?

What would Nietzsche likely think about Hiroshima?

How many twice exceptional females have statistically likely ever lived on Earth?

How many atheists have statistically likely ever lived on Earth?

Is atheism liberational?

What did Freud think about empaths?

What do you think about Canadiana?

Why isn't neurofeedback for schizophrenia much more popular?

Is Nietzsche's will to power a historical precursor to William James' pragmatism?

How do highly sensitive people cope with hurt feelings?

Who is the most enigmatic person you have ever met?

Who is the most neurodivergent person you have ever met?

Is there a geometric philosophy of truth, that geometric axioms are the foundation for truth because of the reference frames in special relativity?

Is reality made up of tetrominos?

Is reality merely a glued bundle of mental objects via the gluing axioms?

Are there "tachinos" because of the combination of tachyon and neutrino?

How do nominalists rebuttal the notion that reality is made up of abstract objects?

Is the set of all eschatologies itself an eschatology?

If the Everett's many-worlds hypothesis happens at every Planck second, does that imply there's an infinity of new copies or selves of a person created every Planck second of their existence?

Is there a variation of chess where letters replace chess pieces, and chess pieces must spell out specific words in a category rolled by a dice (e.g. diagonally for bishop, anywhere for Queen)?

Is there a variation of chess where tetrominoes replace chess pieces?

Can Alpha Zero mechanisms be applied to other board games, like Mahjong, Scrabble, Backgammon, etc.?

How can clothing that contains cooling ice cold layers similar to ice packs in a pick nick bag, be used for heat waves?

Does Meinong's Rainforest contain impossibly impossible objects such as objects beyond absolutely infinitely impossible?

What's it like playing a chess-Sudoku hybrid game?

Is self-modulation in an AI sign of its metacognition?

If you could ask Foucault anything, what would you ask?

If you could ask Derrida anything, what would you ask?

If you could ask Lacan anything, what would you ask?

If you could ask Heidegger anything, what would you ask?

If you could ask Nietzsche anything, what would you ask?

How can one tip the light cone of time over backwards in a far future Kardashev society, so the past is experienced once again?

If the union of opposites is the meaning of surrealism, does that mean surrealism descends from Hegelian dialectic philosophy?

What's it like riding a bicycle on a light beam on top of a neutrino/tachyon?

What did Nietzsche think about voluntarism?

Was Marx a voluntarist?

Could you read Sokal's paper and take it seriously as a continental philosopher?

What do philosophers think about the Sokal hoax?

Is Žižek a positivist?

As a philologist, what did Nietzsche think about Pan-Babylonianism?

What do you think about Pan-Babylonianism?

What did Hegel think about the Rigveda?

What did Heidegger think about the Rigveda?

What did Kant think about the Rigveda?

What did Nietzsche think about the Rigveda?

If birds sang Funky Town, how would they sing it?

Why is Hindu philosophy metaphysically realist?

Was Pythagoras inspired by the Egyptians, who were inspired by Indians? Therefore, are some of Greek philosophy inspired distantly by Indic philosophy?

What's it like to be a Hindu nominalist?

Why is a university not more esoteric?

How would sports be different in a mind-uploaded, infomorphic society?

What does Peter Singer think about anthropocentric bias in vegetarianism?

How does hermeticism compare to a university education?

What do you think about a carbon sucking zeppelin that uses suction cups to suck in the carbon dioxide and then it is filtered in a greenhouse where plants absorb the carbon dioxide, with helium to maintain float?

How can carbon sucking machines be tailored to fight climate change?

When will American politicians begin openly discussing the massive potential of transhumanism?

What are the coolest quotes about transhumanism?

What did Nietzsche think about constructed languages and their history as a philologist?

If money never existed, how would that impact climate change?

What is the intensest form of love according to Fichte?

What is the intensest form of love according to Shelling?

What is the intensest form of love according to Kant?

What is the intensest form of love according to Hegel?

What is the intensest form of love according to Nietzsche?

What is the intensest form of emotional sensitivity?

What is the intensest form of metanoia?

What is the intensest form of love?

Is social anxiety intrinsic to the innate nature of highly sensitive people?

What's the subtlest form of histrionic personality?

What's the subtlest form of emotional sensitivity?

What is the subtlest form of love?

What is the subtlest form of schizophrenia, even subtler than schizotypal personality?

How does dysthymia relate to learning differences?

Is there a version of golf where people ride bicycles/unicycles while they play?

What is philosophy like in North West Territories?

What is philosophy like in Yukon?

What is philosophy like in Nunavut?

What do surrealists think of the band 5440's Ocean Pearl verse, "Bitten in the Valley of thirst, the body kills"?

What would a techno version of 5440's "Ocean Pearl" sound like?

What's your favorite 5440 band song?

What's it like being a twice exceptional woman?

In the future, will AI be able to compute every possible neologism?

What would Heidegger likely think about "post-theism"?

What would Nietzsche likely think about "post-theism"?

What do atheists think about "post-theism"?

What would Jung likely think about neurodivergence?

What would Freud likely think about neurodivergence?

What would Hegel likely think about neurodivergence?

What would Kant likely think about neurodivergence?

What would Heidegger likely think about neurodivergence?

What's the most unique cheese flavor of all time?

What would Hegel likely think the funniest joke in the history of humanity was?

What would Kant likely think the funniest joke in the history of humanity was?

What would Heidegger likely think the funniest joke in the history of humanity was?

What would Nietzsche likely think the funniest joke in the history of humanity was?

What's the most unique sausage flavor of all time?

What do you think about the neologism, "Oneironoia"?

What would lavender-stuffed chicken likely taste like?

What did Nietzsche think about Max Weber?

What did Heidegger think about Durkheim?

What did Nietzsche think about Durkheim?

How would a schizotypal personality disordered insect likely behave?

What would Whitehead likely think about cosmocentrism?

What would Hegel likely think about cosmocentrism?

What would Kant likely think about cosmocentrism?

What would Heidegger likely think about cosmocentrism?

What did Nietzsche think about cosmocentrism?

What would it be like if a restaurant had a digital menu with an infinity of possible food entrees?

What's the most unique water flavor of all time?

Did Heidegger believe the widespread attitude of medical Pallitativeism is inherently problematic for society?

Did Nietzsche believe the widespread attitude of medical Pallitativeism is inherently problematic for society?

Why aren't assay testing (biomedical testing) toilets more popular?

If the entire body's ailments are theoretically NP solvable, does that mean in the future there will be no more diseases?

What's the most unique Coca-Cola flavor of all time?

What would Freud likely think about oneirophobia?

What would Derrida likely think about oneirophobia?

What would Lacan likely think about oneirophobia?

What would Henri Bergson likely think about oneirophobia?

What would Heidegger likely think about oneirophobia?

What would Nietzsche likely think about oneirophobia?

Is surrealism oneirocentric?

What, in your opinion, is the most visionary and imaginative board game ever invented?

What's the most unique breakfast food of all time?

What did Heidegger think about scientism?

What's the most unique bacon flavor of all time?

What did Nietzsche think about scientism?

What's the most unique potato chip flavor of all time?

What is Nietzsche's most anti-emotivist aphorism?

What did Husserl think about religious delusions?

What did Kierkegaard think about religious delusions?

What did Heidegger think about religious delusions?

What did Kant think about religious delusions?

What did Nietzsche think about religious delusions?

What would lavender-flavored spaghetti likely taste like?

What's the most unique spaghetti flavor of all time?

What would Deleuze and Guattari likely think about Schizophrenia or Oneirophilia?

What would Lacan likely think about Schizophrenia or Oneirophilia?

What would Derrida likely think about Schizophrenia or Oneirophilia?

What would Heidegger likely think about Schizophrenia or Oneirophilia?

What would Nietzsche likely think about Schizophrenia or Oneirophilia?

What are the empiricist justifications for drawing "artificial lines" over continuous, rather than dichotomous cut-offs for encoded mental disorders according to Heidegger?

What are the empiricist justifications for drawing "artificial lines" over continuous, rather than dichotomous cut-offs for encoded mental disorders according to Nietzsche?

How do Merleau-Ponty and Henri Bergson's work most overlap?

Did Husserl believe intersubjective differences make it impossible for all beings to be qualitatively equal?

Did Heidegger believe intersubjective differences make it impossible for all beings to be qualitatively equal?

Did Kant believe intersubjective differences make it impossible for all beings to be qualitatively equal?

Did Nietzsche believe intersubjective differences make it impossible for all beings to be qualitatively equal?

What did Derrida think about Hesiod's work?

What did Lacan think about Hesiod's work?

What did Hegel think about Hesiod's work?

What did Kant think about Hesiod's work?

What did Heidegger think about Hesiod's work?

What did Nietzsche think about Hesiod's work?

What do you think about ontological perspectivism?

Why was Nietzsche an epistemic perspectivist?

Can geometry be non-axiomatic?

What would Nietzsche likely think about Memeology?

What did Derrida think about Henri Bergson?

What did Lacan think about Henri Bergson?

What did Nietzsche think about Henri Bergson?

What did Heidegger think about Henri Bergson?

What did Heidegger think about Anscombe?

What did Quine think about Anscombe?

What did Wittgenstein think about Anscombe?

What did Lacan think about Anscombe?

What did Derrida think about Anscombe?

What did Foucault think about the evolution of behavior or psychophysical evolution?

What did Lacan think about the evolution of behavior or psychophysical evolution?

What did Heidegger think about the evolution of behavior or psychophysical evolution?

What did Nietzsche think about the evolution of behavior or psychophysical evolution?

What was likely the first memory coming from a pre-human in the history of human evolution?

What does Judith Butler think about the Madonna-whore complex?

What did Kant think about the Hegelian concept of Aufhebung?

What did Heidegger think about the Hegelian concept of Aufhebung?

What did Nietzsche think about the Hegelian concept of Aufhebung?

If the law of identity doesn't exist, what does that mean for the gestalt of ontology?

What was the first memory of the first sentient being according to Hegel?

What was the first memory of the first sentient being according to Kant?

What was the first memory of the first sentient being according to Shelling and Fichte?

What was the first memory of the first sentient being according to Heidegger?

What was the first memory of the first sentient being according to Nietzsche?

What was the first memory of the first sentient being?

Do non-human animals have their own version of eternal recurrence according to Nietzsche?

Can a street beatnik be an aristocrat?

If reality in its gestalt is itself a category mistake, what does that imply about the ontology of schizophrenia?

Does Russian cosmism relate to indigenous people's philosophies in any way?

What did Hegel think about repressed memories?

What did Kant think about repressed memories?

What did Deleuze and Guattari think about repressed memories?

What did Derrida think about repressed memories?

What did Lacan think about repressed memories?

What did Heidegger think about repressed memories?

What did Nietzsche think about repressed memories?

Is categoricism a Zhuangzian dichotomy?

Is Faithism a secular religion?

Are subliminalia a lie that speaks the truth, according to Deleuze and Guattari?

What is the Kabbalah of Micronesia/Polynesia?

What is the Kabbalah of the Celts?

Are subliminalia a lie that speaks the truth, according to Lacan?

Are subliminalia a lie that speaks the truth, according to Derrida?

What is the sublimest melancholia according to Derrida?

What is the sublimest melancholia according to Lacan?

What is the sublimest melancholia according to Heidegger?

What is the sublimest melancholia according to Nietzsche?

What is the sublimest melancholia?

Would Wittgenstein likely want to meet every philosopher who ever lived, assuming it was possible?

Would Hegel likely want to meet every philosopher who ever lived, assuming it was possible?

Would Heidegger likely want to meet every philosopher who ever lived, assuming it was possible?

Would Kant likely want to meet every philosopher who ever lived, assuming it was possible?

Would Nietzsche likely want to meet every philosopher who ever lived, assuming it was possible?

If you could meet every philosopher who ever lived, would you?

Are the highest fruits of absolute love inherently egoistic?

What's the most unusual neologism of all time?

What would John Stuart Mill likely think about oneirocracy?

What would Thomas Hobbes likely think about oneirocracy?

What would Marx and Engels likely think about oneirocracy?

What would Nietzsche likely think about oneirocracy?

What did Nietzsche think about Imagism?

What did Jung think about psychophysics?

What did Freud think about psychophysics?

What do physicists think about psychophysics?

What did Alfred Adler think about psychophysics?

What did Adler think about Husserl?

What is an Islamic interpretation of Dante's Inferno?

What is a Hindu interpretation of Dante's Inferno?

What do Hindu philosophers think about Apollonius of Tyana?

What do Islamic philosophers think about Apollonius of Tyana?

What did Schopenhauer think about Apollonius of Tyana?

What did Hegel think about Apollonius of Tyana?

What did Heidegger think about Apollonius of Tyana?

What did Kant think about Apollonius of Tyana?

What did Nietzsche think about Apollonius of Tyana?

What would Avicenna and Averroes likely think about Bahá'ís?

What would Anselm likely think about Bahá'ís?

What would Aquinas likely think about Bahá'ís?

What would Aristotle likely think about Bahá'ís?

What do Bahá'í philosophers think about omnitheism?

What do Jainist philosophers think about omnitheism?

What do Hindu philosophers think about omnitheism?

What do Islamic philosophers think about omnitheism?

What did Anselm think about omnitheism?

What did Aquinas think about omnitheism?

What did Aquinas think about Moloch?

What did Anselm think about Moloch?

What did Heidegger think about Moloch?

What did Kant think about Moloch?

What did Nietzsche think about Moloch?

Was Merleau-Ponty in favor of Darwinistic or non-Darwinistic epistemology?

Was Husserl in favor of Darwinistic or non-Darwinistic epistemology?

Was Heidegger in favor of Darwinistic or non-Darwinistic epistemology?

Was Nietzsche in favor of Darwinistic or non-Darwinistic epistemology?

What is anti-Darwinian epistemology?

According to Foucault, can art be handsome, rather than beautiful?

According to Derrida, can art be handsome, rather than beautiful?

According to Nietzsche, can art be handsome, rather than beautiful?

According to Lacan, can art be handsome, rather than beautiful?

Does the transfinite possess an inherent Weltanschauung/Lebenswelt according to Fichte and Shelling?

Does the transfinite possess an inherent Weltanschauung/Lebenswelt according to Heidegger?

Can art be handsome, rather than beautiful?

Does the transfinite possess an inherent Weltanschauung/Lebenswelt?

What's your favorite food recipe involving lavender?

Is the solar system and the Milky Way Galaxy beyond Earth autochthonous?

What would Freud likely think about the concept of theophilia?

What would Derrida likely think about the concept of theophilia?

What would Heidegger likely think about the concept of theophilia?

What would Nietzsche likely think about the concept of theophilia?

Do birds have abstract reasoning?

Do insects have a primitive intuition of set theory?

Do birds have a primitive intuition of set theory?

Is there a maximum number of ontologies that can exist in the multiverse according to Brian Greene?

Is there a maximum number of ontologies that can exist in the multiverse according to Penrose?

Is there a maximum number of ontologies that can exist in the multiverse according to Deutsch?

Is there a maximum number of ontologies that can exist in the multiverse?

What did Deleuze and Guattari think about Shakespeare?

What did Derrida think about Shakespeare?

What did Kant think about Shakespeare?

What did Hegel think about Shakespeare?

What did Nietzsche think about Shakespeare?

What did Deleuze and Guattari think about anarcho-environmentalism?

What did Lacan think about anarcho-environmentalism?

What did Foucault think about anarcho-environmentalism?

What did Bakunin think about anarcho-environmentalism?

What did Trotsky think about anarcho-environmentalism?

What did Hegel think about the philosophy behind New Year's celebrations?

What did Kant think about the philosophy behind New Year's celebrations?

What did Derrida think about the philosophy behind New Year's celebrations?

What did Lacan think about the philosophy behind New Year's celebrations?

What did Heidegger think about the philosophy behind New Year's celebrations?

What did Nietzsche think about the philosophy behind New Year's celebrations?

Do cognitive scientists believe there was a major difference between noology and psychology?

Did Nietzsche believe there was a major difference between noology and psychology?

What's the major difference between solitudinarianism and a schizoid personality?

What would Kant likely think about solitudinarianism?

What would Lacan likely think about solitudinarianism?

What would Heidegger likely think about solitudinarianism?

What would Nietzsche likely think about solitudinarianism?

What do continental philosophers think about the concept of logodadaaly?

What do analytic philosophers think about the concept of logodadaaly?

What did Wittgenstein think about Logodaedaaly?

What did Deleuze and Guattari think about Eidology?

What did Kant think about Eidology?

What did Hegel think about Eidology?

What did Heidegger think about Eidology?

What did Nietzsche think about Eidology?

What would Engels and Marx likely think about the concept of autarky?

What would John Stuart Mill likely think about the concept of autarky?

What would Heidegger likely think about the concept of autarky?

What would Hobbes likely think about the concept of autarky?

What would Nietzsche likely think about the concept of autarky?

Is zero an existent nonexistent object?

What did Kant think about Hebraism?

What did Lacan think about Hebraism?

What did Derrida think about Hebraism?

What did Fichte and Schelling think about Hebraism?

What did Hegel think about Hebraism?

What did Nietzsche think about Hebraism?

What did Lacan think about preformationism?

What did Derrida think about preformationism?

What did Heidegger think about preformationism?

What did Nietzsche think about preformationism?

What would Hegel likely think about Pareltholatrie or worship of the past?

What would Kant likely think about Pareltholatrie, or worship of the past?

What would Heidegger likely think about Pareltholatrie or worship of the past?

What would Nietzsche likely think about Pareltholatrie or worship of the past?

What would Kant likely think about the concept of "psychoplasm"?

What would Hegel likely think about the concept of "psychoplasm"?

What would Heidegger likely think about the concept of "psychoplasm"?

What would Nietzsche likely think about the concept of "psychoplasm"?

What would Aquinas likely think about thnetopsychism?

What would Anselm likely think about thnetopsychism?

What do Buddhist philosophers think about thnetopsychism?

What do Christian philosophers think about thnetopsychism?

What would Heidegger likely think about "noneism"?

What would Derrida likely think about "noneism"?

What would Hegel likely think about "noneism"?

What would Kant likely think about "noneism"?

What would Nietzsche likely think about "noneism"?

What did Jung think about anaclitism?

What did Derrida think about anaclitism?

What did Lacan think about anaclitism?

What did Nietzsche think about anaclitism?

Is there a most perfectest Platonic form according to Plato?

Is there a most perfectest Platonic Form?

What would Hegel likely think about entheogens?

What would Schopenhauer likely think about entheogens?

What would Plato likely think about entheogens?

What would Heidegger likely think about entheogens?

What would Kant likely think about entheogens?

What did Nietzsche think about entheogens?

Would the set of all emotions likely exist in an eternal set according to Hegel?

Would the set of all emotions likely exist in an eternal set according to Kant?

Does the set of all emotions exist in an eternal set according to Alain Badiou?

Does the set of all emotions exist in an eternal set according to Cantor?

Does the set of all emotions exist in an eternal set according to Godel?

Does the set of all emotions exist in an eternal set according to Heidegger?

Does the set of all emotions exist in an eternal set according to Nietzsche?

Does the set of all emotions exist in an eternal set?

What would Aristotle likely think about Husserl's "Noema"?

What would Schelling and Fichte likely think about Husserl's "Noema"?

What would Kant likely think about Husserl's "Noema"?

What did Heidegger think about Husserl's "Noema"?

What did Nietzsche think about Husserl's "Noema"?

What did Foucault think about emotional intelligence (EQ)?

What did Lacan think about emotional intelligence (EQ)?

What did Derrida think about emotional intelligence (EQ)?

What did Hegel think about emotional intelligence (EQ)?

What did Kant think about emotional intelligence (EQ)?

What did Heidegger think about emotional intelligence (EQ)?

What did Nietzsche think about emotional intelligence (EQ)?

Can two different people have the exact same mental representation, or does sameness not exist for anything, because of extreme haecceity/quiddity according to Kant?

Can two different people have the exact same mental representation, or does sameness not exist for anything, because of extreme haecceity/quiddity according to Hegel?

Can two different people have the exact same mental representation, or does sameness not exist for anything, because of extreme haecceity/quiddity according to Heidegger?

Can two different people have the exact same mental representation, or does sameness not exist for anything, because of extreme haecceity/quiddity according to Nietzsche?

Can two different people have the exact same mental representation, or does sameness not exist for anything because of extreme haecceity/quiddity?

If the set of all possible people exist in an eternal set, is it possible in the future to directly retrieve the perfect information copy of every person who ever lived, or can live?

What would Schelling and Fichte likely think about the set of all possible minds?

What would Heidegger likely think about the set of all possible minds?

What is objecthood according to Schelling and Fichte?

What would Hegel likely think about the set of all possible minds?

What would Nietzsche likely think about the set of all possible minds?

How can one quantum interact with the computational set of all possible minds?

If $1+1$ doesn't equal 2 in some other distant possible world, why in this world do we justify that $1 + 1 = 2$?

What did Wittgenstein think about people who invent new words (neologisms)?

What is objecthood according to Hegel?

What is objecthood according to Kant?

What is objecthood according to Heidegger?

What is objecthood according to Nietzsche?

What did Foucault think about James Joyce?

What did Lacan think about James Joyce?

What did Derrida think about James Joyce?

What would Schopenhauer likely think about James Joyce?

What would Kant likely think about James Joyce?

What would Heidegger likely think about James Joyce?

What would Nietzsche likely think about James Joyce?

What is the psychology behind people who invent new words (neologisms)?

What do you think about people who invent new words (neologisms)?

What would Nietzsche likely think about the technological resurrection in the far future, of the dead?

Was Socrates a surrealist?

What would Aristotle likely think about Andre Breton?

What did Foucault think about Andre Breton?

What did Lacan think about Andre Breton?

What did Derrida think about Andre Breton?

What's the most unique coffee flavor of all time?

What's the most unique poutine flavor of all time?

What's the most unique burger flavor of all time?

Do birds experience patriotism for their nest/roost?

Can birds primitively reason about philosophy?

Can birds be romantic?

What did Nietzsche think about the Christian concept of Armageddon?

What would it be like if insects could reason about metaphysics?

What would it be like if birds could reason about metaphysics?

Is birdsong the spoken word poetry of the birds?

Do birds have an imagination?

Do birds have social skills?

Can birds understand virtue?

What would smooth jazz birdsong sound like?

Which science fiction has an ornithic theme?

What would techno birdsong sound like?

Should one always be a positivist when it comes to quantum theory according to Deutsch?

Should one always be a positivist when it comes to quantum theory according to Penrose?

Should one always be a positivist when it comes to quantum theory according to Bohm?

Why shouldn't one be a positivist when it comes to quantum theory?

What's Nietzsche's most mysterious aphorism?

What's Nietzsche's most philosophically intense aphorism of all time?

What's the most unique sandwich of all time?

What's the most unique milkshake of all time?

What's the most unique pizza of all time?

What is cyberpunk Ludditism? Is it an oxymoron?

What do Luddites think about Gnosticism?

How does one prove confinement for gluons?

Are subject/object distinctions epiphenomenal according to Hegel?

Are subject/object distinctions epiphenomenal according to Kant?

Are subject/object distinctions epiphenomenal according to Heidegger?

Are subject/object distinctions epiphenomenal according to Merleau-Ponty?

Are subject/object distinctions epiphenomenal?

What did Spinoza think about Vedantic philosophy?

What did Schelling and Fichte think about Vedantic philosophy?

What did Whitehead think about Vedantic philosophy?

What did Hegel think about Vedantic philosophy?

What did Kant think about Vedantic philosophy?

What does Zizek think about libertarian socialism?

What does Alain Badiou think about Foucault?

What does Alain Badiou think about Guattari and Deleuze?

What does Alain Badiou think about Zizek?

What does Alain Badiou think about Vedantic philosophy?

What does Alain Badiou think about Sanskrit?

What does Zizek think about music theory?

What would Lacan and Derrida likely think about techno music?

What would Foucault likely think about techno music?

What would Nietzsche likely think about techno music?

What would Aristotle likely think about Nietzsche's will to power?

What was Aristotle an agnostic about?

What was Plato agnostic about?

What was Hegel an agnostic about?

What was Heidegger an agnostic about?

What was Nietzsche an agnostic about?

Is knowledge just perceived quantum eigenvalues?

What would Heidegger likely think about Leonora Carrington?

What would Nietzsche likely think about Leonora Carrington?

Is everything phenomenology according to Husserl?

Is everything phenomenology according to Heidegger?

Is everything phenomenology according to Nietzsche?

Was Kant an anti-metaphysician?

Was Heidegger a metaphysical demolitionist, because he sought to create a pure being ontology without a logical atomist conceptuality?

What did Hegel think about metaphysical supervenience?

What did Heidegger think about metaphysical supervenience?

What did Kant think about metaphysical supervenience?

What did Nietzsche think about metaphysical supervenience?

What did Wittgenstein think about metaphysical supervenience?

What would Wittgenstein likely think about epistemic foundationalism?

What would Kant likely think about epistemic foundationalism?

What would Nietzsche likely think about epistemic foundationalism?

Did Heidegger believe hallucinations are representations of other possible worlds?

Did Hegel believe hallucinations are representations of other possible worlds?

Did Kant believe hallucinations are representations of other possible worlds?

What did Kant think about scholasticism?

Did Nietzsche believe hallucinations are representations of other possible worlds?

What did Nietzsche think about the parapsychology behind apparitions?

What did Hegel think about scholasticism?

What did Heidegger think about scholasticism?

What did Nietzsche think about scholasticism?

Was Heidegger a precursor to modern cognitive science?

Was Nietzsche a precursor to modern cognitive science?

What would Hegel likely think about autopoiesis?

What would Fichte and Shelling likely think about autopoiesis?

What would Kant likely think about autopoiesis?

What would Heidegger likely think about autopoiesis?

What would Nietzsche likely think about autopoiesis?

What are some anti-representationalist philosophies of mind?

What would lavender flavored water likely taste like?

What would Heidegger likely think about cosmopsychism?

What does David Chalmers think about cosmopsychism?

What would Nietzsche likely think about cosmopsychism?

Did Nietzsche believe the universe is one big information processing system?

Did Heidegger believe the universe is one big information processing system?

Did Plato believe the universe is one big information processing system?

Did Aristotle believe the universe is one big information processing system?

Is the creation of existence itself a sentient entity according to Aristotle?

Is the creation of existence itself a sentient entity according to Heidegger?

Is the creation of existence itself a sentient entity according to Plato?

Why was Plato a Gnostic in the Timaeus?

What did Nietzsche think about Gnosticism?

What did Hegel think about Plato's Timaeus?

What did Kant think about Plato's Timaeus?

What did Heidegger think about Plato's Timaeus?

What did Nietzsche think about Plato's Timaeus?

Do pantheists use circular reasoning to justify their pantheism according to Bertrand Russell?

Do pantheists use circular reasoning in justifying their pantheism, because they argue God is the universe, therefore the universe is God?

What would a narcissistic bird behave like?

Can birds experience paranoia?

What would a histrionic personality disordered bird behave like?

Is pantheism related to tribalism and animism according to Nietzsche?

Is pantheism related to tribalism and animism according to Heidegger?

Is pantheism related to tribalism and animism according to Spinoza?

Is pantheism related to tribalism and animism?

What did Heidegger think about the philosophical concept of transcendence?

What did Kant think about the philosophical concept of transcendence?

What did Nietzsche think about the philosophical concept of transcendence?

Is naturalistic pantheism related to monistic materialism according to Heidegger?

Is naturalistic pantheism related to monistic materialism according to Spinoza?

Is naturalistic pantheism related to monistic materialism according to Nietzsche?

Is naturalistic pantheism related to monistic materialism?

What would Heidegger likely think about eclecticism?

What would Wittgenstein likely think about eclecticism?

What would Nietzsche likely think about eclecticism?

What would Plato likely think about syncretism?

What would Aristotle likely think about syncretism?

What does it mean for mental representation to not be computational?

What would Heidegger likely think about psychophysical velocity?

What would Husserl likely think about psychophysical velocity?

What would Nietzsche likely think about psychophysical velocity?

Why can't an electron have no charge in this possible world?

Did Nietzsche equate the phenomenology of being with epistemology or knowledge?

Did Kant argue that being is fundamentally knowledge in itself? In other words, according to Kant, is to be, to know?

Did Heidegger argue that Being is fundamentally knowledge, in itself? In other words, according to Heidegger, is to be, to know?

What did Derrida think about Husserl's concept of intentionality?

What did Foucault think about Husserl's concept of intentionality?

What did Guattari and Deleuze think about Husserl's concept of intentionality?

What would Nietzsche likely think about syncretism?

What would Hegel likely think about Husserl's concept of intentionality?

What would Kant likely think about Husserl's concept of intentionality?

What did Nietzsche think about Husserl's concept of intentionality?

What are Lacan's horizontal and vertical trajectories all about?

What did Lacan think about Husserl's concept of intentionality?

What would Spinoza likely think about monistic hylozoism?

Are haecceity and quiddity essential to reality, or non-necessary according to Spinoza?

Are haecceity and quiddity essential to reality, or non-necessary according to Hegel?

What did Lacan think about Artaud?

What did Heidegger think about Artaud?

What did Nietzsche think about Artaud?

Are haecceity and quiddity essential to reality, or non-necessary according to Kripke?

Are haecceity and quiddity essential to reality, or non-necessary according to David Lewis?

Are haecceity and quiddity essential to reality, or non-necessary according to Heidegger?

Are haecceity and quiddity essential to reality or non-necessary?

How different can the objective ontology of a world be in another possible world, even if the subjectivity of one's own existence is identical between those worlds according to David Lewis?

How different can the objective ontology of a world be in another possible world, even if the subjectivity of one's own existence is identical between those worlds according to Kripke?

How different can the objective ontology of a world be in another possible world, even if the subjectivity of one's own existence is identical between those worlds?

Is the intentionality of subjective experience not necessarily grounded in the world one is in, according to modal realism? In other words, does the intentionality of subjective experience cross multiple worlds?

What would David Lewis likely think about subjective duplicates, where interworld semantics vary, but subjectivity remains the same, and how does it relate to representationalism?

What would Kripke likely think about subjective duplicates, where interworld semantics vary, but subjectivity remains the same, and how does it relate to representationalism?

What do logicians think about subjective duplicates, where interworld semantics vary, but subjectivity remains the same, and how does it relate to representationalism?

Is phenomenology without representation like being a philosophical zombie?

What would Hegel likely think about Hobbes' Leviathan?

What would Kant likely think about Hobbes' Leviathan?

Did Hobbes' Leviathan inspire Russian Marxist (Leninist) philosophy?

What did Nietzsche think about Hobbes' Leviathan?

What did Kant think about non-Euclidean geometry?

What did Kant think about Euclid?

What did Nietzsche think about Newton?

What did Nietzsche think about Euclid?

What did Nietzsche think about Gauss?

What would Nietzsche likely think about mathematical antirealism?

Why was Nietzsche a mathematical constructivist?

What would Hegel likely think about Jeremy Bentham?

What would Kant likely think about Jeremy Bentham?

What did Nietzsche think about Jeremy Bentham?

What would Bentham likely think about jazz music?

What's a poem written in Toki Pona?

What's your favorite poem in Esperanto?

What is the most Kantian poem of all time?

What is the most Hegelian poem of all time?

What is the most Heideggerian poem of all time?

What is the most Nietzschean poem of all time?

Which science fiction is the most inspired by Kierkegaard's philosophy?

Which science fiction is the most Hegelian of all time?

Which science fiction is the most Heideggerian of all time?

Which science fiction is the most Nietzschean of all time?

Would Heidegger likely perceive science fiction as a vehicle of thought experiments?

Would Nietzsche likely perceive science fiction as a vehicle of thought experiments?

Would Kant likely perceive science fiction as a vehicle of thought experiments?

Which science fiction work is the most surrealist of all time?

What would Foucault likely think about the Green Party in politics?

What would Deleuze and Guattari likely think about the Green Party in politics?

What would Nietzsche likely think about the Green Party in politics?

What would Kant likely think about Baudelaire?

What would Hegel likely think about Baudelaire?

What did Derrida think about Baudelaire?

What did Foucault think about Baudelaire?

What did Heidegger think about Baudelaire?

What did Lacan think about Baudelaire?

What did Nietzsche think about Baudelaire?

What is post-post-Marxism?

Is there a transworld identity for relativistic worlds within the multiverse, assuming the multiverse exists?

Is there a relation between relativistic intraworld identity and modal realist transworld identity in the philosophy of physics?

If the multiverse exists, is it possible that relativity doesn't exist in some distant disjoint world or universe?

Do neurons occupy a 3D quantum projection over Euclidean space? Which is the mind?

What would Hegel likely think about aesthetic experiences that can only exist in some centuries, or durations in time, and not others?

What would Kant likely think about aesthetic experiences that can only exist in some centuries, or durations in time, and not others?

What would Nietzsche likely think about aesthetic experiences that can only exist in some centuries, or durations in time, and not others?

Which philosopher wrote the most about Australiana?

Which philosopher wrote the most about Canadiana?

What if the abstract-concrete distinction doesn't exist according to quantum theory?

What would Newton likely think about set theory?

What did Wittgenstein think about set theory?

What would Schelling and Fichte likely think about set theory?

What would Kant likely think about set theory?

What did Nietzsche think about set theory?

Is the number zero truly an empty set, and does the number one truly contain an empty set, according to metaphysics?

Have philosophers come to synonymous agreement on the most objective metaphysics behind math?

Who was the most well-known nominalist physicist in history?

Are universals a kind of mathematical object according to Nietzsche?

Are universals a kind of mathematical object according to Kant?

Are universals a kind of mathematical object according to Hegel?

Is the Lifeworld both geometrical and non-geometrical dialectically according to Hegel?

Is phenomenal intentionality inherently geometric according to Nietzsche?

What do panentheists think about German idealism?

What do panentheists think about Nietzsche?

Is the Lifeworld itself a geometric manifold according to Husserl?

Is the Lifeworld itself a geometric manifold according to Merleau-Ponty?

What is the geometrical aspect of the Lifeworld according to Nietzsche?

Is philosophy possibly fundamentally different in other possible worlds according to Kant?

Are manifolds relevant to philosophical phenomenology?

Is philosophy possibly fundamentally different in other possible worlds according to Heidegger?

Is philosophy possibly fundamentally different in other possible worlds according to Nietzsche?

Are the logical combinations of the first principles of philosophy different in other possible worlds? In other words, is philosophy possibly fundamentally different in another possible world?

Is there a modal three dimensionality of possible colors according to Hegel?

Is there a modal three dimensionality of possible colors according to Nietzsche?

Is there a modal three dimensionality of possible colors according to Heidegger?

Is there a modal three dimensionality of possible colors according to Kant?

How big is the possibility space of possible Scrabble games?

Did Nietzsche believe in the qualia of color? Is it externalist or internalist in nature according to Nietzsche?

Is there an N-dimensional space of possible qualia according to continental philosophers?

Is 100 dimensional Scrabble possible?

Is there an N-dimensional space of possible qualia according to analytic philosophers?

Is there an N-dimensional space of possible qualia?

Is non-nature a nature, existence a nonexistence, and knowing the unknowing?

According to Buddhists, is the nature of one's nature to have no nature?

Which is more intrinsic to one's self-identity, existence or nonexistence according to Hegel?

Which is more intrinsic to one's self-identity, existence, or nonexistence according to Kant?

Which is more intrinsic to one's self-identity, existence, or nonexistence according to Heidegger?

Which is more intrinsic to one's self-identity, existence or nonexistence according to Nietzsche?

Which is more intrinsic to one's self-identity, existence or nonexistence?

What would Hegel likely think about transhuman immortality?

What would Kant likely think about transhuman immortality?

What would Heidegger likely think about transhuman immortality?

What would Nietzsche likely think about transhuman immortality?

How can the demethylation of hydras and jellyfish be applied to demethylating humans, making them possibly immortal?

Do dialectical materialists argue that materialism transcends metaphysics?

Were there philosophers which argued that if God exists, God transcends the entirety of metaphysics?

Is meta metaphysics only an aspect of meta philosophy or included in the gestalt of reality itself?

What did Hegel likely think about the Hindu God, Brahman?

What did Kant likely think about the Hindu God, Brahman?

What did Heidegger likely think about the Hindu God, Brahman?

What did Nietzsche likely think about the Hindu God, Brahman?

What would it be like if the philosopher David Lewis met Einstein?

What do you think about Nietzsche's quote, "Honesty is the most recent virtue"?

Did Nietzsche have both a subjective and objective side to his personality in his writings?

If philosophy is the love of wisdom, what is the transcendence of wisdom?

If philosophy is the love of wisdom, what is the phobia of wisdom?

What would Heidegger likely think about R.D. Laing?

What would Foucault likely think about the philosophical movement, Quietism?

What would Derrida likely think about the philosophical movement, Quietism?

What would Lacan likely think about the philosophical movement, Quietism?

What would Heidegger likely think about the philosophical movement, Quietism?

What would Nietzsche likely think about the philosophical movement, Quietism?

Who is the most prominent Schelling scholar?

Is it possible that Nietzsche had a love child?

What would Kant likely think about the Sufi religion?

What would Hegel likely think about the Sufi religion?

What would Nietzsche likely think about the Sufi religion?

What do Indians think about the Sufi religion?

How is psychiatry different in Micronesia?

What do Hindu philosophers think about psychiatry?

How is psychiatry different in India?

Is the hypersubjectivism of schizophrenia a phenomenological aspect of autism?

What would Heidegger likely think about Ashoka of India?

What would Nietzsche likely think about Ashoka of India?

What would Hobbes likely think about Ashoka of India?

What would a schizotypal personality disordered bird likely behave like?

Can birds have BPD?

Do birds have a Dionysus and Apollonian dialectic according to Nietzsche?

Do non-human animals have a slave morality according to Nietzsche?

Can birds be hyper-empathic?

What would Heidegger likely think about Fabian socialism?

What would Schopenhauer likely think about Fabian socialism?

What would Nietzsche likely think about Fabian socialism?

What would Hegel likely think about Baudrillard?

What would Kant likely think about Baudrillard?

What would Nietzsche likely think about Baudrillard?

What would Frege likely think about geometric essentialism?

What would Spinoza likely think about geometric essentialism?

Is it possible in the multiverse that there is non-relativistic spacetime geometry in other worlds?

What would a smooth jazz version of Moe Kaufman's "Swinging Shepherd Blues" sound like?

What would a techno version of Moe Kaufman's "Swinging Shepherd Blues" sound like?

Would Hegel likely identify numbers with sets, or would he likely be skeptical if sets and numbers are the same ontological identity?

Would Kant likely identify numbers with sets, or would he likely be skeptical if sets and numbers are the same ontological identity?

Would Heidegger likely identify numbers with sets, or would he likely be skeptical if sets and numbers are the same ontological identity?

Would Nietzsche likely identify numbers with sets, or would he likely be skeptical if sets and numbers are the same ontological identity?

Do Von Neumann ordinal sets relate to Godel's arithmetic hierarchy in any way?

Does the material world transcend metaphysics, since it inherently experiences spacetime, according to Heidegger?

Does the material world transcend metaphysics, since it inherently experiences spacetime, according to Nietzsche?

Does the material world transcend metaphysics, since it inherently experiences spacetime, according to Kant?

What would Russell likely think about meta metaphysics?

What would Hegel likely think about meta metaphysics?

What would Kant likely think about meta metaphysics?

What would Nietzsche likely think about meta metaphysics?

Is meta metaphysics a true aspect of reality?

What did Nietzsche think about subjectivity and objectivity in dialecticism?

What are some philosophical perspectives regarding Nasreddin?

What was Nietzsche's most important philosophical debate with someone else while alive?

What was Hegel's most important philosophical debate with someone else while alive?

What were Fichte and Shelling's most important philosophical debates with someone else while alive?

What was Heidegger's most important philosophical debate with someone else while alive?

What was Kant's most important philosophical debate with someone else while alive?

Did Hegel believe philosophy has no objective answers?

Did Kant believe philosophy has no objective answers?

Did Fichte and Shelling believe philosophy has no objective answers?

Did Heidegger believe philosophy has no objective answers?

Did Nietzsche believe philosophy has no objective answers?

What did Kant think about intellectual honesty and humility?

What did Heidegger think about intellectual honesty and humility?

What did Nietzsche think about intellectual humility?

What did Nietzsche think about intellectual honesty?

What transcends metaphysics according to Kant?

What transcends metaphysics according to Fichte and Shelling?

What transcends metaphysics according to Husserl?

What transcends metaphysics according to Hegel?

What transcends metaphysics according to Heidegger?

What transcends metaphysics according to Nietzsche?

What transcends metaphysics?

Can transfinite induction be applied to the Hilbert Hotel?

What would Hegel likely think about the Hilbert Hotel?

What would Wittgenstein likely think about the Hilbert Hotel?

What would Kant likely think about the Hilbert Hotel?

What would Nietzsche likely think about "impulsive non-conformity"?

Who were Fichte and Shelling's biggest inspiration?

Who was Heidegger's biggest inspiration?

Who was Kant's biggest inspiration?

Who was Nietzsche's biggest inspiration?

What did Foucault think about Husserl's eidetic phenomenology?

What did Derrida think about Husserl's eidetic phenomenology?

What did Lacan think about Husserl's eidetic phenomenology?

What does Merleau-Ponty think about Husserl's eidetic phenomenology?

What did Merleau-Ponty think about Hinduism?

What did Husserl think about Hinduism?

If there is no essential nature to everything, is that lack of essential nature paradoxically a nature?

What would Schelling and Fichte most likely think about surreal numbers?

Where are Grassmann numbers most applied in physics?

What did Fichte and Shelling think about the real number line?

What did Hegel think about the real number line?

What did Kant think about the real number line?

How do n-dimensional manifolds relate to phenomenology in philosophy?

Are vectors, tensors, and fields necessary mathematical realist universals? How would a nominalist argue against that?

What would a country music version of "Soul Bossa Nova" by Quincy Jones sound like?

What would a techno version of "Soul Bossa Nova" by Quincy Jones sound like?

How does the polar coordinate system relate to the experience of qualia?

What is the most elegant mathematical coordinate system according to philosophers and logicians?

Can hyperbolic geometry be applied to modal logic?

How do generalized numbers relate to hyperbolic geometry?

How do surreal numbers relate to hyperbolic geometry?

What would John Stuart Mill likely think about populism in politics?

What would Thomas Hobbes likely think about populism in politics?

What would John Locke likely think about populism in politics?

What would Rousseau likely think about populism in politics?

What would Nietzsche likely think about populism in politics?

Who is the most schizotypal philosopher of all time?

Who is the most histrionic philosopher of all time?

Who is the most schizoid philosopher of all time?

How does mereology relate to time travel?

Did Diogenes have a possible hoarding disorder?

What did Diogenes think about Plato?

What did Diogenes think about Aristotle?

What did Diogenes think about Socrates?

What's the ultimate modal realist theology question?

What did Kant think about Calvinism?

What did Hegel think about Calvinism?

What did Schopenhauer think about Calvinism?

What did Nietzsche think about Calvinism?

What did Heidegger think about pre-Kantian metaphysics?

What did Nietzsche think about pre-Kantian metaphysics?

How do Merleau-Ponty and Aquinas work most overlap?

Did Heidegger believe that experience must necessarily possess phenomenal mereology?

Are mereological aggregates necessarily a part of the Lifeworld according to Husserl and Merleau-Ponty?

What's necessary to Dasein according to Heidegger?

Did Nietzsche believe being is both an entity and non-entity?

Did Schelling and Fichte believe being is both an entity and non-entity?

Did Heidegger believe being is both an entity and non-entity?

What did Heidegger think about paraconsistent logic?

Does poetry have innate mereology according to Fichte and Shelling?

Does poetry have innate mereology according to Kant?

Does poetry possess innate mereology according to Heidegger?

Does poetry have innate mereology?

Why was Heidegger so fascinated by poetry?

Who is the most prominent Plato expert of all time?

Who is the most prominent Aristotle expert of all time?

Who is the most prominent Heidegger expert of all time?

What would Fichte likely think about the Bible chapter Genesis?

What would Kant likely think about the Bible chapter Genesis?

What would Nietzsche likely think about the Bible chapter Genesis?

What would Schelling likely think about the Bible chapter Genesis?

Did Heidegger always seek unity behind appearances in his philosophy?

Did Heidegger advocate for extreme holism?

What did Merleau-Ponty think about mereology?

How do Schelling and Merleau-Ponty's work most overlap?

Did Merleau-Ponty believe being could be undefinable?

Did Husserl believe being could be undefinable?

Did Heidegger believe being could be undefinable?

Is the semantic meaning of self identity the same as the qualia of self-identity in an individual entity according to Russell?

Is the semantic meaning of self identity the same as the qualia of self-identity in an individual entity according to Heidegger?

Is the semantic meaning of self identity the same as the qualia of self-identity in an individual entity according to Husserl?

Is the semantic meaning of self identity the same as the qualia of self-identity in an individual entity?

Was Tarski a mereologist?

Was Turing a mereologist?

Was Boole a mereologist?

What would Hegel likely think about temporal mereology?

What would Kant likely think about temporal mereology?

What would Schelling likely think about temporal mereology?

What would Heidegger likely think about temporal mereology?

What would Nietzsche likely think about temporal mereology?

What did Bohm think about the cyclic time theory?

What does David Deutsch think about the cyclic time theory?

What does Penrose think about the cyclic time theory?

What did Feynman think about the cyclic time theory?

How does "transworld identity" in modal realism relate to special/general relativity according to David Lewis?

How does "transworld identity" in modal realism relate to special/general relativity according to Kripke?

How does "transworld identity" in modal realism relate to special/general relativity?

What would Foucault likely think about Orson Welles?

What would Derrida likely think about Orson Welles?

What would Nietzsche likely think about Orson Welles?

What would Kant likely think about Orson Welles?

What does Zizek think about Orson Welles?

What would Hegel likely think about H.G. Wells?

What would Heidegger likely think about H.G. Wells?

What would Kant likely think about H.G. Wells?

What would Bentham likely think about 80s music and its relation to hedonistic calculus?

What would Schopenhauer likely think about 80s music?

What would Fichte and Schelling likely think about 80s music?

What would Heidegger likely think about 80s music?

What would Kant likely think about 80s music?

What would Nietzsche likely think about 80s music?

Does math have a necessary essence according to Fichte?

Does math have a necessary essence according to Schelling?

Does math have a necessary essence according to Kant?

Does math have a necessary essence according to Heidegger?

Does math have a necessary essence according to Nietzsche?

Does math have a necessary phenomenology according to Husserl?

What's your favorite song about modal realism?

Would Thomas Hobbes likely believe the American election is rigged?

Would Rousseau likely believe the American election is rigged?

Would John Locke likely believe the American election is rigged?

Would Schopenhauer likely believe the American election is rigged?

Would Nietzsche likely believe the American election is rigged?

What is Schelling's most solipsistic work?

What is Fichte's most solipsistic work?

What is Kant's most solipsistic work?

What is the best of futurology vs. the worst of futurology?

What is Nietzsche's most solipsistic work?

What is Hegel's most solipsistic work?

What is Martin Buber's most solipsistic work?

What are the biggest arguments against the pragmatism of meaning according to Hegel?

What are the biggest arguments against the pragmatism of meaning according to Kant?

What are the biggest arguments against the pragmatism of meaning according to Wittgenstein?

What are the biggest arguments against the pragmatism of meaning according to Heidegger?

What are the biggest arguments against the pragmatism of meaning?

If meaning is external and contextual, what are the implications for quantum and string theory?

Who is the gadfly of quantum physics?

Who is the gadfly of chess?

Who is the gadfly of continental philosophy?

Who is the gadfly of analytic philosophy?

What is the most significant work of all time by a Canadian logician?

What would Leibniz likely think about Frege's propositional calculus?

What did Fichte think about hermeticism?

What did Schelling think about hermeticism?

How is Russell's work on logic most different from Frege's work on logic?

Why is conceptual analysis Frege inspired, according to philosophers?

What did Sartre think about logical positivism?

What's the relation between fashion and carnality according to Foucault?

What's the relation between fashion and carnality according to Lacan?

What's the relation between fashion and carnality according to Derrida?

What's the relation between fashion and carnality according to Heidegger?

What's the relation between fashion and carnality according to Nietzsche?

What's the relation between fashion and carnality?

What do philosophers think about Kashmir?

What did Kant think about ancient India?

What did Hegel think about ancient India?

What did Nietzsche think about ancient India?

What did Fichte think about ancient India?

What did Schelling think about ancient India?

What would Hegel likely think about Sharia law?

What would Fichte likely think about Sharia law?

What would Schelling likely think about Sharia law?

Which sociologist wrote the most about statistical human anomalies?

How do Hilbert spaces relate to psychophysics?

Does deep learning AI necessarily possess phenomenological nominalism, since there's no evidence AI perceives universals?

What would Turing likely think about AI consciousness?

What would Fichte likely think about the concept of the libido?

What would Schelling likely think about the concept of the libido?

What would Nietzsche likely think about the concept of the libido?

What would Schopenhauer likely think about the concept of the libido?

Is it part of the life cycle of humans to naturally seek personal destiny, according to evolutionary biology?

Does destiny necessarily possess a mereology according to Fichte?

Does destiny necessarily possess a mereology according to Schelling?

Does destiny necessarily possess a mereology according to Hegel?

Does destiny necessarily possess a mereology according to Kant?

Does destiny necessarily possess a mereology?

Is one born with a destiny or does one acquire a destiny according to Fichte?

Is one born with a destiny, or does one acquire a destiny according to Schelling?

Is one born with a destiny, or does one acquire a destiny according to Heidegger?

Is one born with a destiny, or does one acquire a destiny according to Nietzsche?

Did Fichte believe everyone has a personal destiny?

Did Hegel believe everyone has a personal destiny?

Did Kant believe everyone has a personal destiny?

Did Heidegger believe everyone has a personal destiny?

Did Nietzsche believe everyone has a personal destiny?

How does Hegel's work relate to Schelling's work?

How does Heidegger's work relate to Schelling's work?

How does Kant's work relate to Schelling's work?

How does Wittgenstein's work relate to Schelling's work?

What is Carnap's most phenomenological work?

What did Feynman think about Hegel?

What did Feynman think about Kant?

What did Feynman think about Heidegger?

What did Feynman think about Wittgenstein?

What did Feynman think about Nietzsche?

What would Feynman likely think about baby universes?

What did Kant think about infinitism?

What did Heidegger think about infinitism?

What did Wittgenstein think about infinitism?

Is the Internet an information super collider according to Chomsky?

What is the true language of all possible worlds?

What would Nietzsche likely think about Zizek?

Is the Internet an information super collider according to Zizek?

Is the Internet an information super collider?

Do truth-makers need truth-makers, which need truth-makers? Therefore truth-makers of truth-makers lead to an infinite regress? So truth-makers don't exist?

If God can make himself/herself nonexistent, is that kind of nonexistence fundamentally different from 'ordinary' nonexistence?

What's it like being a God according to Heidegger?

What's it like being a God according to Fichte?

What's it like being a God according to Kant?

What's it like being a God according to Hegel?

What's it like being a God according to Nietzsche?

Are the laws of possibility fundamentally different in other possible worlds according to Hegel?

Are the laws of possibility fundamentally different in other possible worlds according to Kant?

Are the laws of possibility fundamentally different in other possible worlds according to Schelling?

Are the laws of possibility fundamentally different in other possible worlds according to Heidegger?

Are the laws of possibility fundamentally different in other possible worlds according to Nietzsche?

Are the laws of possibility fundamentally different in other possible worlds?

What would Nietzsche likely think about Descartes' oven?

What's it like being a Canadian logician?

What did Hegel think about the occult and witchcraft?

What did Kant think about the occult and witchcraft?

What did Heidegger think about the occult and witchcraft?

What did Nietzsche think about the occult and witchcraft?

What did Kant think about Empedocles?

What did Hegel think about Empedocles?

What did Nietzsche think about Empedocles?

What did Socrates think about Empedocles?

What did Aristotle think about the Sabines?

What did Aurelius think about the Sabines?

What did Nietzsche think about the Sabines?

What did Socrates think about the Sabines?

What did Fichte think about Epicurus?

What did Fichte think about Epictetus?

What did Schelling think about Epictetus?

What did Kant think about Aristophanes?

What did Heidegger think about Aristophanes?

What did Nietzsche think about Epictetus?

What did Nietzsche think about Aristophanes?

What did Aristotle think about Aristophanes?

How does Lutheranism relate to Calvinism?

How does Zoroastrianism relate to Protestantism?

How does Protestantism relate to Gnosticism?

If divinity is equivalent to the psyche's will to power during eternal recurrence, would Nietzsche likely be favorable to pantheism/panentheism?

Why was Spinoza an ethical rationalist?

What did Heidegger think about panentheism?

What did Spinoza think about panentheism?

What did Hegel think about panentheism?

What did Nietzsche think about panentheism?

Did Freud believe in the assertion that something which is claimed to be meaningless, is merely a projection of that individual's defense mechanisms against uncertainty?

Did Wittgenstein believe in the assertion that something which is claimed to be meaningless, is merely a projection of that individual's defense mechanisms against uncertainty?

Did Nietzsche believe in the assertion that something which is claimed to be meaningless, is merely a projection of that individual's defense mechanisms against uncertainty?

What is modal idealism according to Nietzsche?

What is modal idealism?

Do some metaphysical statements have no possible epistemic justification according to Russell?

Do some metaphysical statements have no possible epistemic justification according to Wittgenstein?

Do some metaphysical statements have no possible epistemic justification according to Nietzsche?

Is the omniverse absolutely infinite according to Fichte?

Is the omniverse absolutely infinite according to Heidegger?

Is the omniverse absolutely infinite according to Schelling?

Is the omniverse absolutely infinite according to Nietzsche?

Is the omniverse absolutely infinite according to Cantor?

Can omniverses exist within omniverses according to Bohm?

Can omniverses exist within omniverses according to Hawking?

Can omniverses exist within omniverses?

Do psychological universals only exist because of neurobiology?

Is emotional repression the high priest of stoic philosophy?

How does Celia Green's work relate to Nietzsche's work?

What are the hermeneutics of aesthetic nominalism?

Are there particular kinds of universals only found in artworks, such as beauty, according to Fichte?

Are there particular kinds of universals only found in artworks, such as beauty, according to Hegel?

Are there particular kinds of universals only found in artworks, such as beauty, according to Kant?

Are there particular kinds of universals only found in artworks, such as beauty, according to Heidegger?

Are there particular kinds of universals only found in artworks, such as beauty, according to Nietzsche?

What would Schelling most likely think about aesthetic nominalism?

What would Fichte most likely think about aesthetic nominalism?

What would Heidegger most likely think about aesthetic nominalism?

What would Nietzsche most likely think about aesthetic nominalism?

How can topos theory be applied to universals and particulars in philosophy?

What was Fichte's most Nietzschean work?

What was Kant's most Nietzschean work?

What was Lacan's most Nietzschean work?

What was Foucault's most Nietzschean work?

What was Adorno's most Nietzschean work?

What's it like being a philosophical aesthete and a nominalist?

Who was the Socratic era equivalent of Muhammad (peace be upon him)?

Who was the Socratic era equivalent of Jesus?

Who was the Socratic era equivalent of Freud?

Why was the first Dasein divided into existence and essence according to Heidegger?

Why is logic a part of ontology according to Aristotle?

Why is logic a part of ontology according to Plato?

Why does essence exist rather than non-exist according to Schelling?

Why does essence exist rather than non-exist according to Fichte?

Why does essence exist rather than non-exist according to Nietzsche?

Why does essence exist rather than non-exist?

Why is logic a part of ontology according to Kant?

Why is logic a part of ontology according to Hegel?

Why is logic a part of ontology according to Nietzsche?

Why is logic a part of ontology according to Heidegger?

What is the biggest overlap between Fichte and Spinoza's work?

What is the biggest overlap between Fichte and Hegel's work?

What is the biggest overlap between Fichte and Kant's work?

What is the biggest overlap between Fichte and Schelling's work?

Is logic in its entirety noumenal or phenomenal according to Fichte?

Is logic in its entirety noumenal or phenomenal according to Schelling?

Is logic in its entirety noumenal or phenomenal according to Nietzsche?

Is logic in its entirety noumenal or phenomenal according to Kant?

Why is logic a part of ontology?

What is hyper-Platonism?

What's the most rigorous atheist argument against the proposition "The first cause of the omniverse/all of existence is God"?

If contradictions can both exist and not exist in impossible worlds, does that logically entail the reason there is something rather than nothing also exists alongside why is there is nothing rather than something?

Can one apply topos theory to string theory?

Can one apply topos theory to lattice theory?

Can one apply topos theory to modal logic?

Are causeless causes causelessly causeless?

If existence is uncaused, is uncausedness its causedness?

Did non-duality exist before duality, according to Heidegger?

Did non-duality exist before duality, according to Schelling?

Did non-duality exist before duality, according to Nietzsche?

Did non-duality exist before duality, according to Hegel?

Did non-duality exist before duality, metaphysically speaking?

What would Hegel likely think about Hume's criticism of induction?

What would Kant likely think about Hume's criticism of induction?

What would Nietzsche likely think about Hume's criticism of induction?

Who is the prime mover of all possible prime movers?

What did Spinoza think about ensoulment?

What did Heidegger think about ensoulment?

What did Nietzsche think about ensoulment?

What did Kant think about ensoulment?

What are the Bayesian odds a deity exists in some other possible world?

What would Hegel likely think about the modal realist concept of "transworld identity"?

What would Kant likely think about the modal realist concept of "transworld identity"?

What does Kripke think about the modal realist concept of "transworld identity"?

What would Whitehead likely think about the modal realist concept of "transworld identity"?

What would Russell likely think about the modal realist concept of "transworld identity"?

What did Heidegger think about the modal realist concept of "transworld identity"?

How does Jainism reincarnation relate to Nietzsche's eternal recurrence?

How is Aristotle's perception of pure substances similar and different to Spinoza's?

What did Kant think about the mereology of chemistry?

What did Hegel think about the mereology of chemistry?

What did Nietzsche think about the mereology of chemistry?

Did Kant believe absolute certainty is impossible?

Did Schelling believe absolute certainty is impossible?

Did Hegel believe absolute certainty is impossible?

Did Heidegger believe absolute certainty is impossible?

Did Nietzsche believe absolute certainty is impossible?

What would Martin Buber likely think about Guattari and Deleuze?

What would Martin Buber likely think about Derrida and Lacan?

What is the Islamization of ornithology?

What is ornithological comedy?

Did any ancient Islamic philosophers write about psychiatry?

What is the Islamization of logic?

What is the Islamization of Canadiana?

What is the Islamization of classical music?

What is the Islamization of mathematics?

If you could pick any deepfake philosopher in history to interact with, who would you pick?

What is the most surrealistic smooth jazz piece ever?

Must every possible world possess tautologies? A possible world is a tautology of a possible world, therefore existence is ontologically dependent on tautological statements.

Are cognitive scientists generally skeptics of the mereology of the mind?

What are tautologies like in non-first order logic?

Can a belief not be self-evident according to Schelling?

Can a belief not be self-evident according to Hegel?

Can a belief not be self-evident according to Kant?

Can a belief not be self-evident according to Heidegger?

What's the difference between an epistemically basic belief and a mereologically basic belief?

Do beliefs themselves possess mereological parts according to David Lewis?

Do beliefs themselves possess mereological parts?
